emergency.

Oh!

How do you feel?

It's very fantastic, Madam Seria. Your pussy is tightening me so much.

Fu fu... That's because the queen of dragons' pussy like mine is...

"Special" than others, you know.

W... What!?

The hornier I am,

The tighter my pussy is.

And if I move my vagina around the tip of your stick...

It would make you tingle a lot, right?

Ohh!

You have to
release all of
your semen
into my womb!

Alright...
It's the
climax of
the ritual.

Ohh!
Ahh!

I'm feeling
so good,
Madam
Seria!

Tell me how do you feel when you can do it with your lover's mother? Is it good?

It can't be helped because both of you are in love.

Fu fu ~ You're also great. Alright, I've given my power, young boy.

Eh!? It means that I can use Madam Seria's dragon power now?

Yes.

You can look at your arm.
