The Story Of
How I Did It
With An
Elementary
Schooler
For Only
30 Yen

PRESENTED BY

KORISUYA

This is the winning
"Good Fortune
Angel Card".

Unbecoming of
my age I bought
some cheap
sweets, but...

I've been
yearning for
something
sweet.

Will you...

...Give that
to me?

It was
really
rare, so I
boasted
about it
to my
friends.

Now it's
nothing
more to me
than a scrap
of paper...

Yeah...

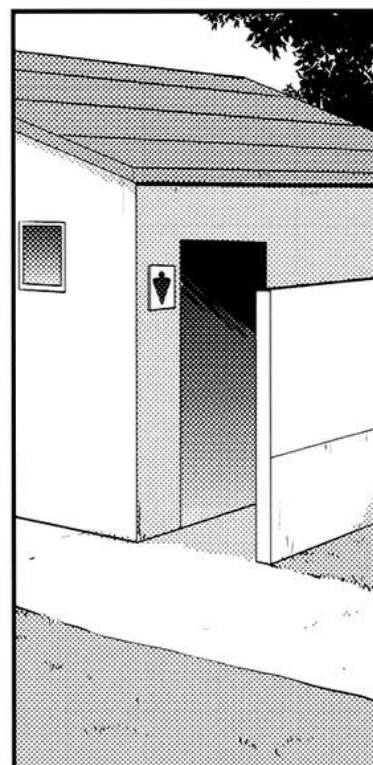

This was a
fad back
when I
was a kid.

Um...
Excuse
me!

After I
rest a
little
while
longer

I guess
I'll move
on to
the next
place.

Yes?

Ah...

But...

I don't want to lose, no matter what!

Ah...

Society really is complicated, even for children...

Not that it has anything to do with me.

Ah-

Do you feel it?

It's starting to make a squishy sound inside your vagina.

If...

If you keep touching there...

Ah!

Aren't you afraid of doing something like this with a stranger?

L...

I am afraid, but...

Ah-

Ah!

Y-Yeah...

Can you do it?

...If you do it with your mouth, I'll give this to you

Ah, geez

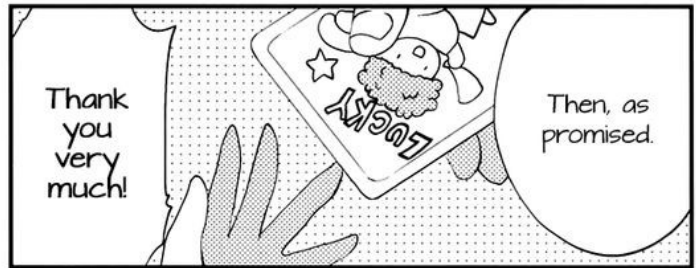

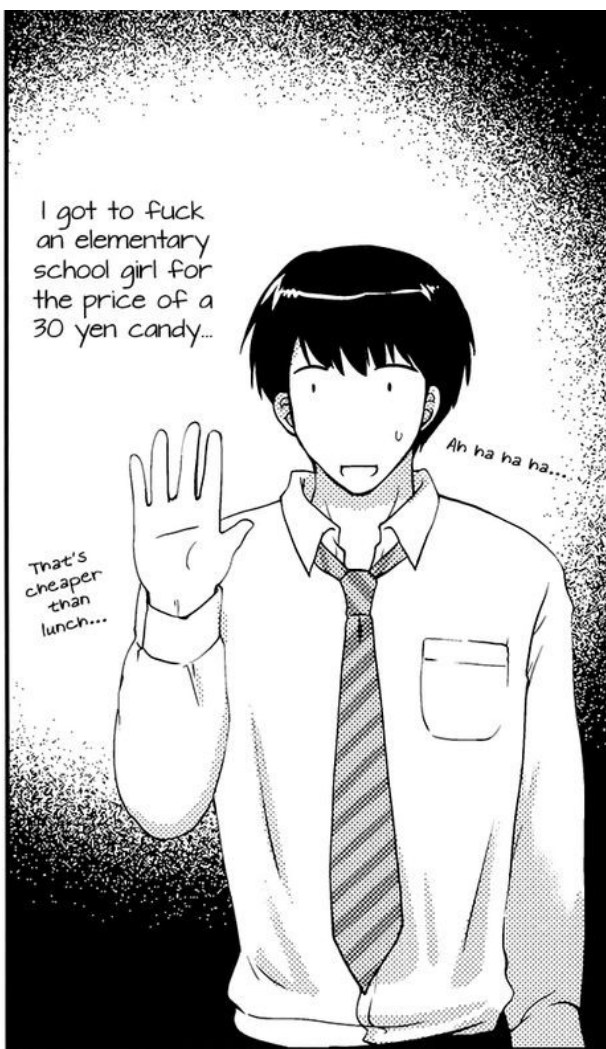

My dick is already fully erect, so...
