

You punched me earlier, didn't you? How dare you!

Hah!

Uuuh

But well... we're talking about you, Sanada.

You must've been hoping to be punished, right?

NOD  
NOD

Eh?! Really?!

...Then, I won't hold back!!!

NH!  
HAA!

How's that?! My thrusting technique!!

I didn't restrict myself to just delusions about sex for four years for nothing!

...EH? MORE?

...I didn't wait four whole years for nothing...

PHEW!

...So make sure to satisfy me...♡

Kuh ... Fuck!

WAI-... YOU STILL WANT MORE ...?

Cum as many times as you want!♡

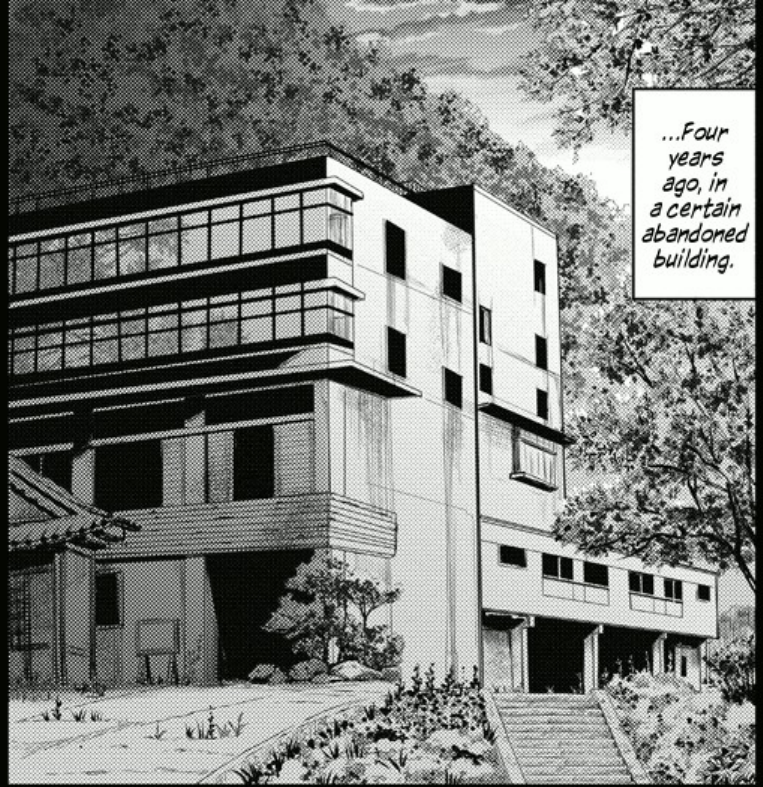

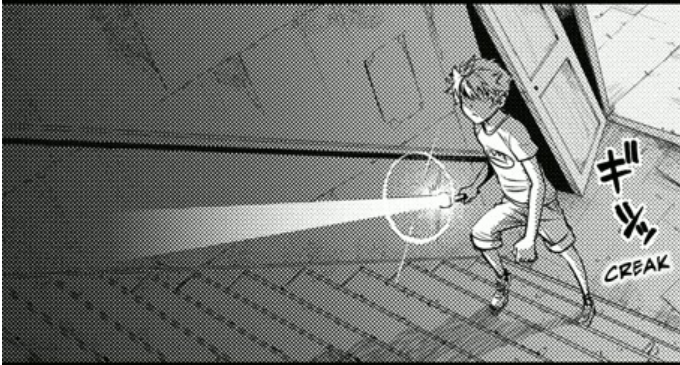

...No problem. Do it as many times as you want!♡

Sanada! # W-wait!

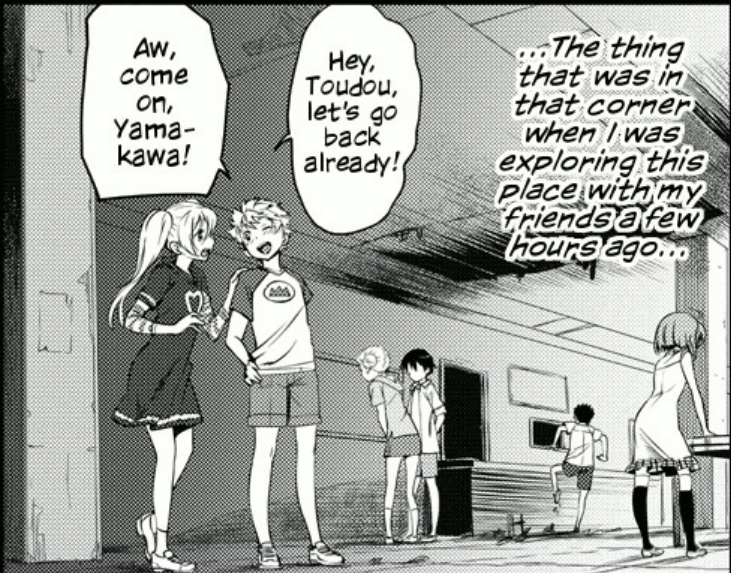

You're going too hard! I'll cum!!

Uh! Cumming!!

...Four years ago, in a certain abandoned building.

Aw, come on, Yamakawa!

Hey, Toudou, let's go back already!

...The thing that was in that corner when I was exploring this place with my friends a few hours ago...

I saw it!

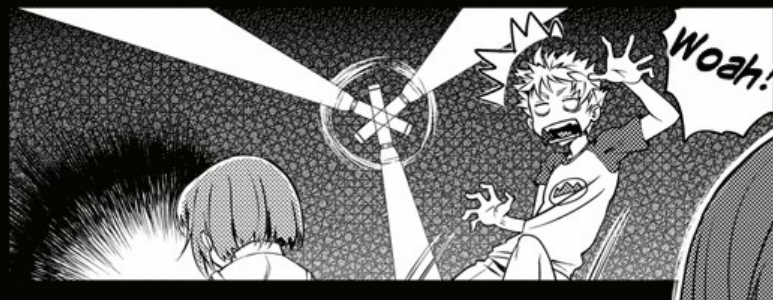

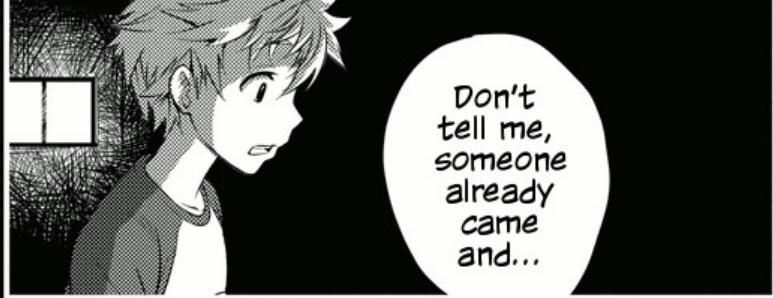

If my guess is correct... then that was...!

...W-we haven't seen the inner--

I hate it! Now come, we're leaving!

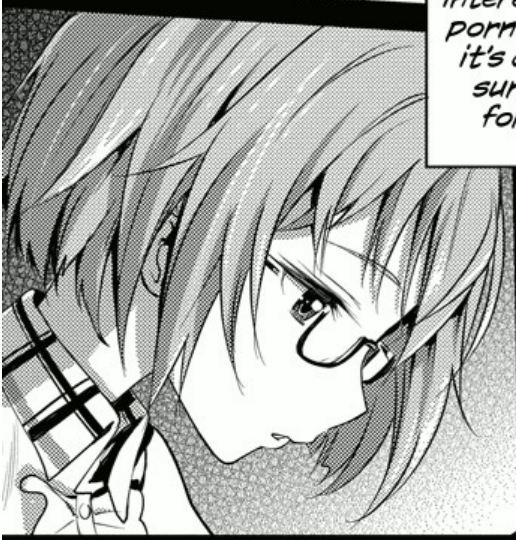

*She's a girl... and doesn't speak much generally, so we don't know each other well.*

*This girl... Sanada...san.*

*Well, we are classmates, but...*

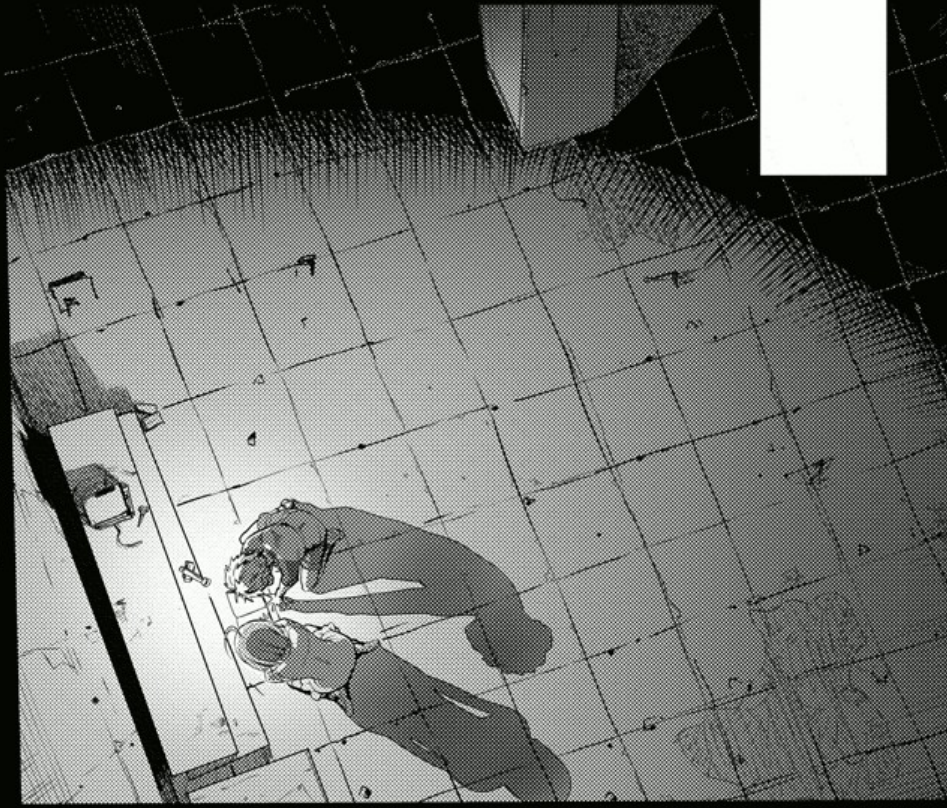

*...Therefore, for that Sanada-san to be interested in porn books, it's quite a surprise for me.*

... Yeah.

... Amazing, right?

I'm kinda starting to feel funny. And even though it's just Sanada, she's still a girl. It's pitch black in here, since it's an abandoned building. ... This is bad.

... Haah?

Sa... Sanada? What are you saying?

then, while reading them, he'd definitely get aroused and assault me, wouldn't he..?"; is what I thought.

and thought of having another closer look at them ...

"If there was a boy who noticed the porn books in this abandoned building...

EEP!

Me too!

WHISPER

STARTLED

The actual reason why I was here ... Eh?

HAH?

I'll tell you, ok?

Eh?!  
What's  
with  
this?  
Sanada...  
you?

Some-  
thing  
just  
burst  
inside  
me.

...And  
so, I...  
wished  
for *you*  
to come,  
Toudou-  
kun...

However...  
assaulting  
her...  
I don't  
have the  
courage  
.....

Is that  
so?  
...How-  
ever,

with this,  
you can  
pluck up your  
courage now,  
don't you  
agree?

ニム  
ム

Uhm... Sanada-san? You don't need to stare at it like that...

... It's observation.

...WAI-WAIT...

Eh? I'll do that ...

...BE-CAUSE I TEMP-TED YOU.

A real penis.

It's bigger than I thought ...

Aah! Don't grip my balls so tightly!!

In the book, she was licking all over it in a dirty way.

Uah! Not there!

This is Toudou's semen ...

let's meet here... on the same day four years from now. ...if you want to continue this, then...

...Ok.

*I came here just to look at porn books, and yet... today had become a fateful day for me...*

*Our relationship slowly got weaker and weaker...*

*I almost wondered if that incident was just a dream...*

*...Even after that day, my situation with Sanada didn't change ...*

*...Thereafter, though we got into the same high school, our classes weren't the same anymore ...*

*Those four years passed by in a flash...*

It got torn down!!

NOTHING'S HERE!!!

SHOCK

Yet, I wonder why my heart's beating faster than usual...

After all, I'm still a virgin without a girlfriend ...

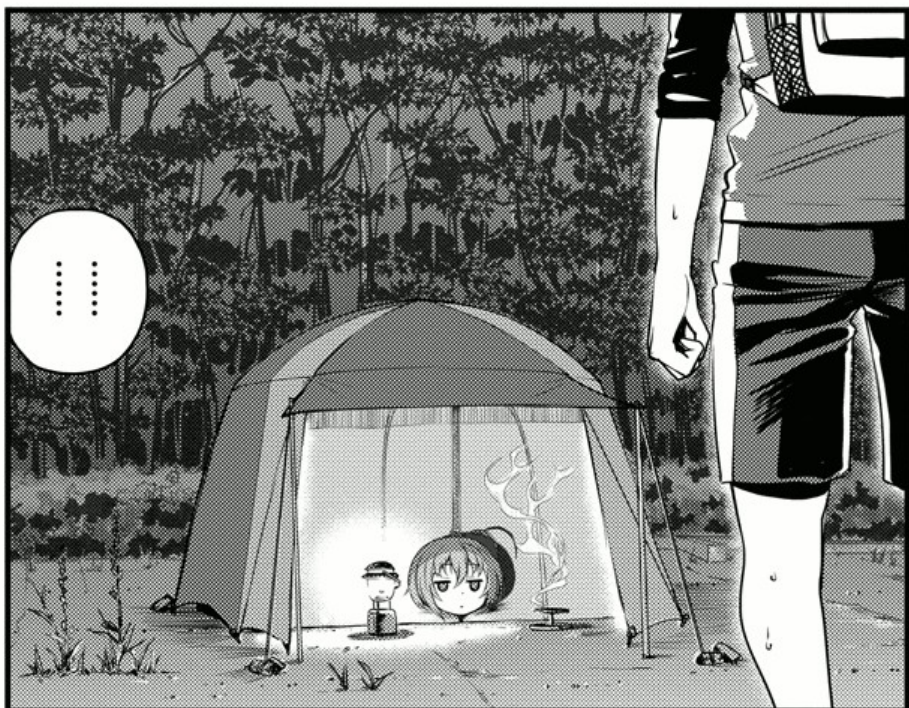

There were some opportunities, but I felt like waiting for this.

After climbing these stairs, there...  
Hm?

August, the 8th.

Well... I kinda thought I had been fooled by a sly girl.

.....

...Geez!  
You're  
sure a  
weird  
girl.

I'm  
tired of  
waiting.

You didn't  
care about  
me for four  
whole  
years...

HEY!  
WHAT  
WAS  
THAT  
FOR?!

In order to deal with those uncontrollable feelings, he thought "Why don't I just confess to her?" and thought of calling out to her.

After that... Being tormented by being unable to forget about her, he rushed out at night, thinking of assaulting someone, but returned to his senses suddenly.

A boy who went to read porn books met a dirty girl and ended up doing dirty things with her.
