Presents...

メロソダ
Melon Soda

Memories
of the day
you took my
virginity, Yuudai-
oniichan!

Whenever
I drink melon
soda, all these
memories come
flooding in!

Oh, please!
By the end,
you weren't
even studying
anymore!

Look at
you, acting
like a teacher!
Although you
aren't one
anymore!

Ah!

Miyuu-
chan, that's
not something
we should be
discussing in
a place like
this.

Of course
not, we were
too busy doing
the deed!

...As I
thought.

Say...

Isn't your
current
tutor a
woman?

Can't
you come
back to
me?
If you don't,
I might just have
do it with my
current tutor.

I was
right to
stop being
her tutor.

Had we gone on any further, I fear I might've gone past the point of no return.

Above all else, she is an elementary schooler, after all.

Good timing too, since she had just completed her entrance exams.

Hey...
Come back to being my tutor. I'll even show you one of my secrets.

Which would be?

Well. Nevertheless, we still ended up meeting each other like this.

Thank you very much!

Consider my interest piqued

How I shlick.

Huh?
Where are
you taking
me?

FuFu!
Come
with me,
then!

Maybe...
a little.

You are,
aren't
you?
Huh?

Not...
at all.

Curious?

Where else?
Your room, like
always!

Hey.
Yuudai-
oniichan.

Come
here.

Living
alone must
be nice,
though.

By the
bye...

Do college
students all
live in places
like this?

And...
this is
more
than a
simple
meeting.

So?
How do you do it?

Eh?
We're going straight to it?

Are you blushing?

A...

Alright already...

How do you do it?

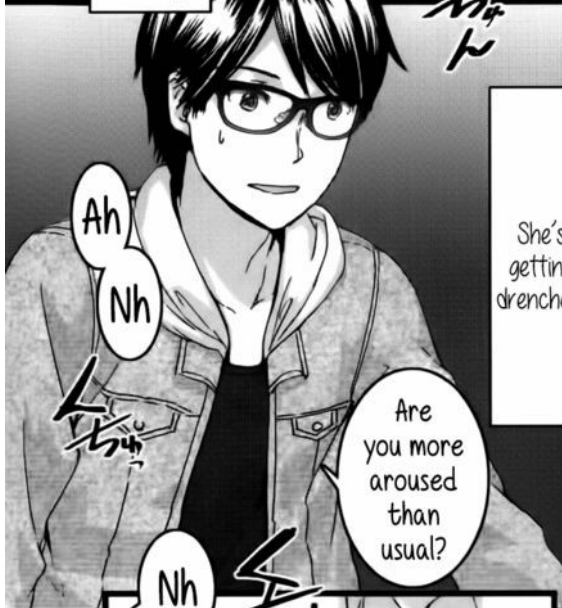

Uh...

Nh

What's wrong?

Hmm...
Getting to do it with...

My current tutor is much better at teaching than you.
you again is nice, but...

I wanna go to a family restaurant!

Awesome!

I have water...
Ah, now I get it. Let's go grab a drink somewhere.

Do you have anything to drink?

Ah!
I'm parched!

Hey!

He he he

I said I would.

You're really doing it, right?

Hey...
So you're really gonna be my private tutor?

There are more of them?

I might show them to you next time I feel like it.

Although I still have four more.

Well...
I did show you one of my secrets, after all.
