MR. YETI!

SINCE A YETI COMES DOWN FROM THE MOUNTAIN EVERY DAY AFTER A SNOWFALL WE'VE BECOME FAMOUS AS AN "ABOMINABLE SNOWMAN TOWN"

THIS IS SNOPEAK, AN EXTREMELY NORTHERN TOWN WHERE THE HOUSES CAN BE BURIED UNDER THE SNOW IN JUST ONE NIGHT.

O-OH... YOU'RE EARLY AS USUAL...

Th-they're the long winter's precious source of income... I don't want to ruin that...

There's still alot of your predecessor's goods left in inventory... !

かたかたかたかた

Some days later...

I'm supposed to be the town's famous yeti...

It's alright! You look really cute!

E-even though you said this is necessary...

We could sell all the inventory as Abominable Snow Lady goods!

That's it! If we say your predecessor's true form was that of a woman-

That could be it...

In the end she gave birth to our daughter. Even though we gave up on the "Abominable Snow Woman" plan...

Some years later, together with our daughter, they made a team who kept supporting the town with the same enthusiasm as before
