# Masturbating with sister

前島龍 Presented by Maeshima Ryo

Sorry I'm late, Yusuke-kun!

Besides, I'm meeting someone right now...

If you want to do these kinds of things, it would be better if you found a boyfriend to do them with.

Well, this sure wasn't the response I was expecting...

K-Kid... You really shouldn't be doing this sort of stuff here.

Would you like to masturbate using my pussy...?

with that

Your sis can  
tag along...

No way!  
That's way lewd!  
It sounds like a ton of fun!

Right?!

...And.

Since then, I've been making erotic broadcasts...

I use these glasses as a disguise...

These sisters are really in sync...

The danger of being caught is scary.

I have a pair of glasses and a mask. That should do, right?

I should try making a broadcast with Yusuke-kun!

That sounds great!

Can we not... It's embarrassing...

Since we're already here, how about we have a three person broadcast?!

Ah! I know!

Well, I for one already knew you were having sex with your boyfriend.

I never knew you did all this perverted stuff~

Whenever you did it, I could smell it on you when you got home.

Huh?! How?!

Huh?!  
It's  
already  
filming?!

Don't worry~!  
Boyfriend-san,  
point the  
camera  
this way.

Nice framing

for some reason, I feel really uneasy... I think...

I love sex, and I thought this would be fine since she's my sister, but...

I'm also mad that Ume-chan said he was only tenth best...

I feel kind of annoyed that he looks like he's enjoying himself... Umm...

"Your little sister is having sex with your boyfriend right in front of you... how do you feel about this"??

Huh?!

Hey, Ume-chan?!

That way you can fuck a fourth grader, tighter pussy than Onee-chan's whenever you want!

Would you like to be my boyfriend?

but you really should start thinking about getting a boyfriend to do this kind of stuff with.

... Hey, Lil'Sis-chan, I know we did it today...

Hmm~ Then...

Besides, I still wanna have more fun with masturbation!  
♡

Having sex with a boyfriend sounds like the lamest, most boring thing ever!

It was just a joke!

Sakurako-chan is the only one for me, so...!

Seriously, stop! He's a lolicon!

When we first met, he got just as carried away as he did today...
