

I'm coming, just wait a second!

Wah... It started snowing...

The temperature dropped to sub-zero for the first time this winter today.

Although... as long as you're here, I can keep warm, Dai-chan...

Sure is cold today.

Mmh-hmm...

Be careful, it's hot.

I think I met her sometime in the summer of last year...

Hey, aren't you the next-door neighbour's...?

The fourth grader who lives next-door, Yuki-chan has severe cold intolerance.

Is your mom late again today?

Because of that, she's always clinging to me.

Yeah... She's been getting a lot of work lately...

I... forgot to take my key...

Full winter gear in the middle of summer. She made an odd first impression for sure...

According to Yuki-chan, my body... is apparently really useful as a heat source.

Ah! Frost-bite!

This is bad!

She seemed to take a liking to my gut, and so, now she's always coming over to visit.

Mister, your belly... is so warm...

Until your mom comes back, do you want to take a breaa...

Uuh... My hand... is itchy...

For a lolicon like me, these habitual short moments where I warm Yuki-chan up by having her practically glued to me..

Yuki-chan, your hands are so small. They're adorable!

We've gotta warm them up!

bring me unimaginable bliss.

As uncomfortably hot as they are...

Wow!
The wind
is really
picking up,
huh?

Dai-chan...
I'm freezing...!
Hold me
tighter...!

Ooh!
Yuki-
chan!

ぎゅん、
ぎゅん、

Haaah...
I can feel
her slim body
through the
coat!

There,
there.
I'll warm
you up a
bunch again
today!

She's
unusually
forceful
today.

Must be
because
of the
weather.

Even if it's small, I can affirm, without a doubt, that it belongs to a girl!

Let's rub some warmth into those butt-cheeks too~!

Her butt is small, but still soft...

S-Snap! I'm getting a boner~!

Haaaah... It's the best~!

I keep getting whiffs of her characteristically childlike milky fragrance~!

I have to warm her up proper...

I've got to make sure she stays none the wiser...

I don't want to break away...

But after getting to hold her so close to me...

Oh!
Ooh!!

Yuki-chan...!
I-I can explain...!

...Da-Dai-chan...

I never knew...

This place...
is super warm...

S-Stop...!
If you move so much...!

penises
were so warm...

Is this...
your penis...?

Mmh-hmm...

Huh?!
W-Warm?
That
place...?

It's
really cold
today, so
I'll touch
this place...

to
warm
myself
up...

I've
found it...
The warmest
place in your
body...!

Y-Yuki-chan, if you tell me something like that...

Do...
Do you like that stuff...?

I'm surprised She's not showing any resistance at all...

Well, she is only eleven years old. Maybe she just doesn't know much about sex...?

I won't have a choice but to warm... Yuki-chan...

Dai-chan... I want more of this...!

in the lewdest ways!
