02.

I have love but no sleep...

You can't live like this, you're gonna die, you know?

Yeah, you bring the pillow and everything, but...

Because of that I can only get food or rest here at school, but I can't go on like this...

No, I can't do that, that's terrible! I love each and every one of them so much!

Yaaaaawn!

The problem is you have twelve brothers and promised to do all of them. If you could change to only one... but I guess you can't, right?

Listen!

You know, I have entry exams for middle school next year, so...

I love you all, brothers, and I enjoy doing it with you very very much, but...

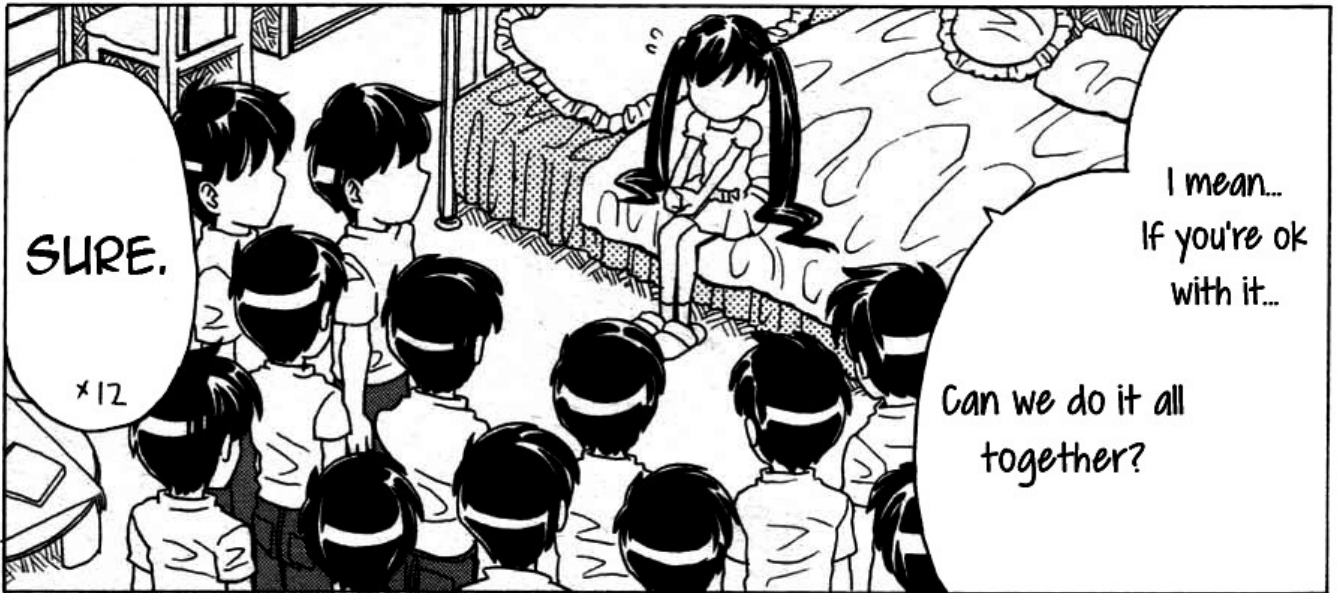

How about this...

I feel really bad for you... If only I could come up with something...

Hmmm...

SURE.

x12

I mean...  
If you're ok  
with it...

Can we do it all  
together?

I LOVE  
YOU,
