

☆新感覚超感度巨乳娘を捕える!!

バストジャック

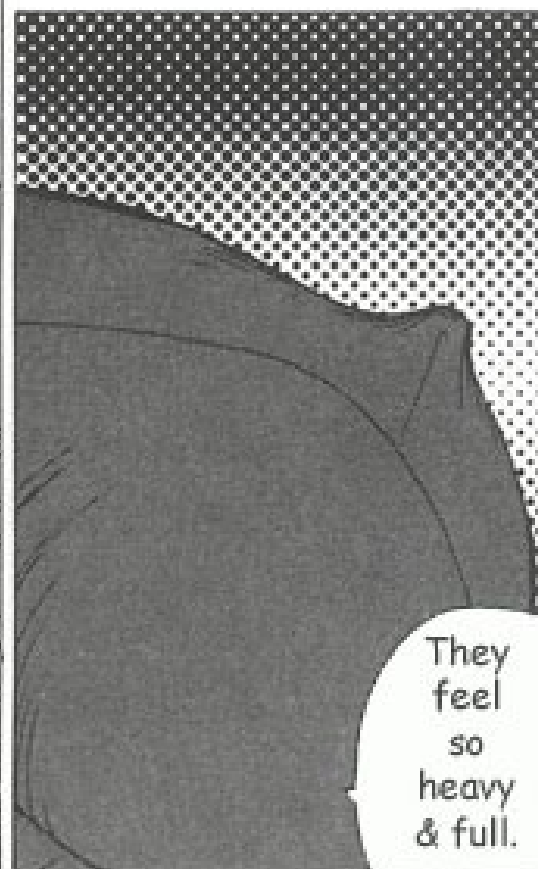

冬魔乱

It's inside
of me!
Inside of
my chest.
It's huge!

They
feel
so
heavy
& full.

You!! With
the huge
boobs!!

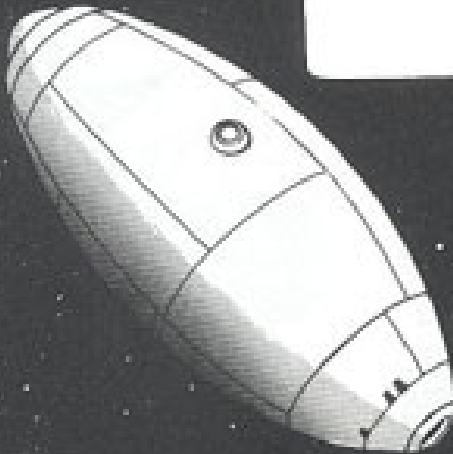

I've come
for that alien.

It is the
last of its
kind and
must be
preserved
by my
race.

Later
on the
Hunter's
ship...

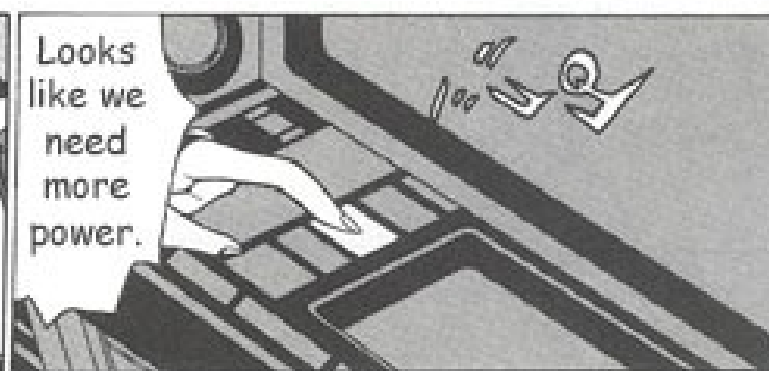

What
are you
gonna do
to me?
Please
don't
hurt
me.

That
creature
is only in
its infant
stage.

A human
woman's
breast can't
contain a
full grown
version. It
needs
another
host.

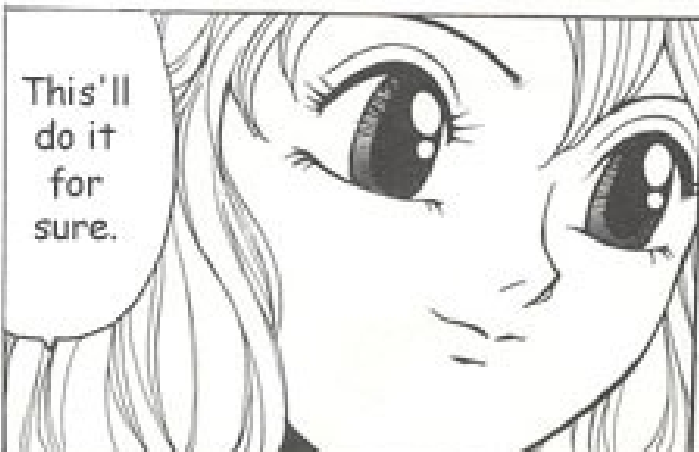

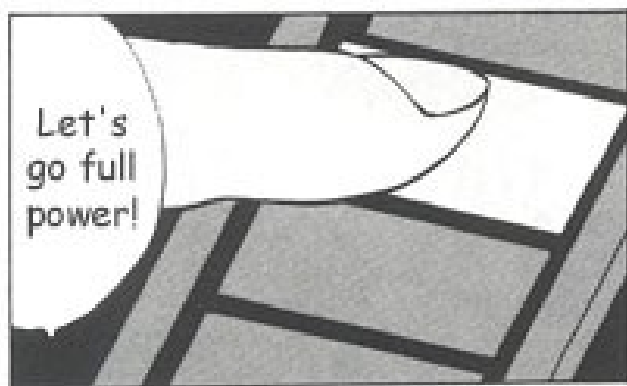

Time to
break
out the
big
guns.

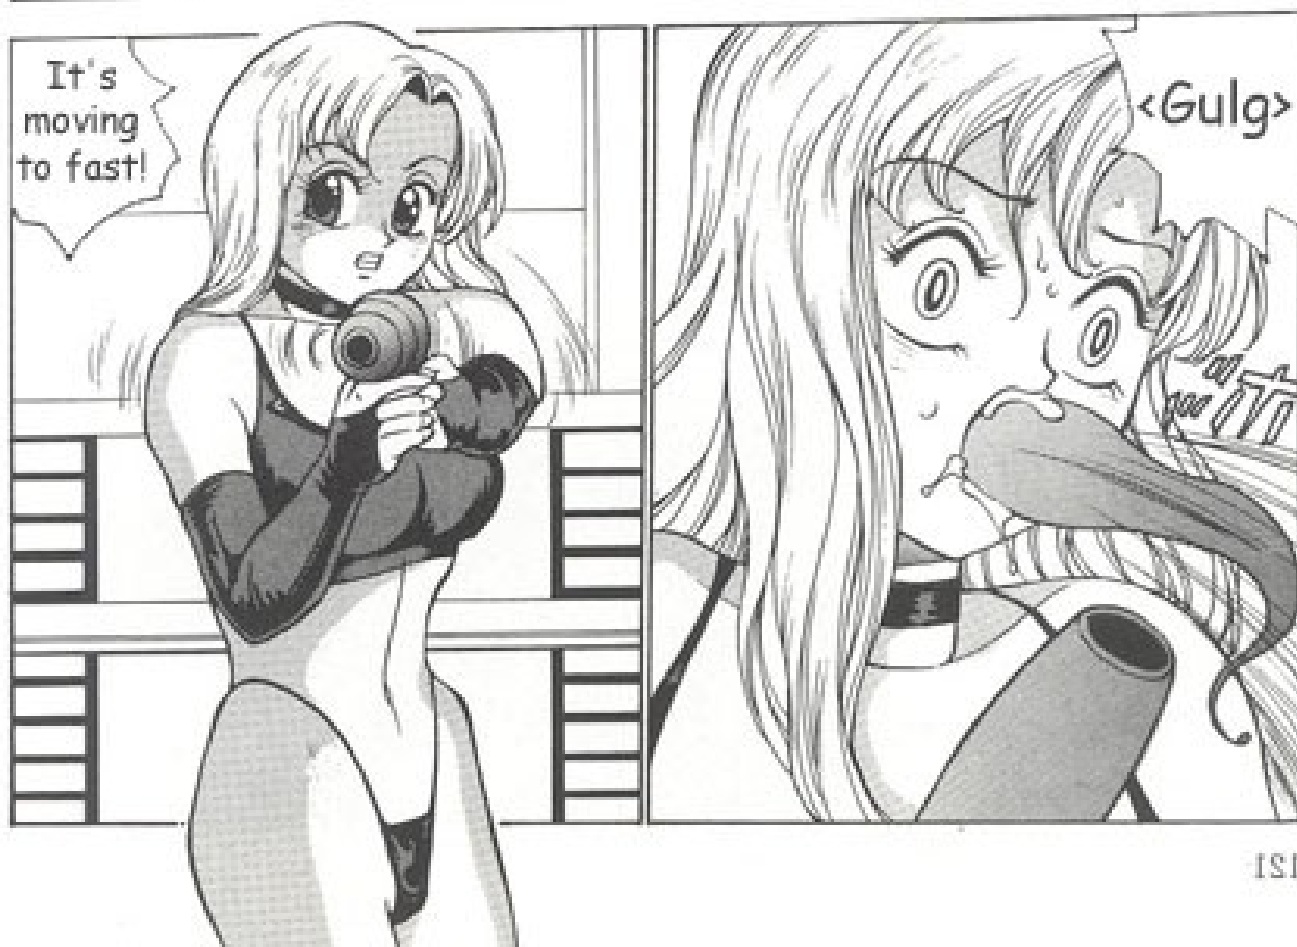

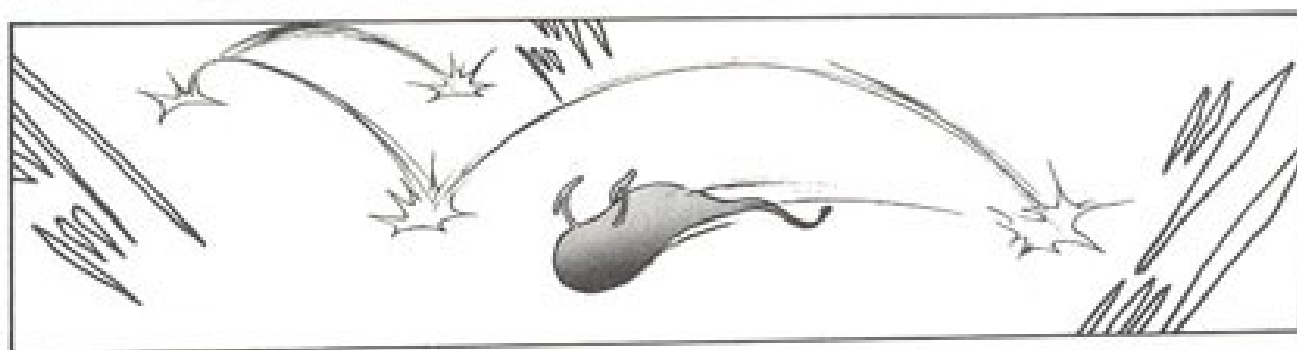

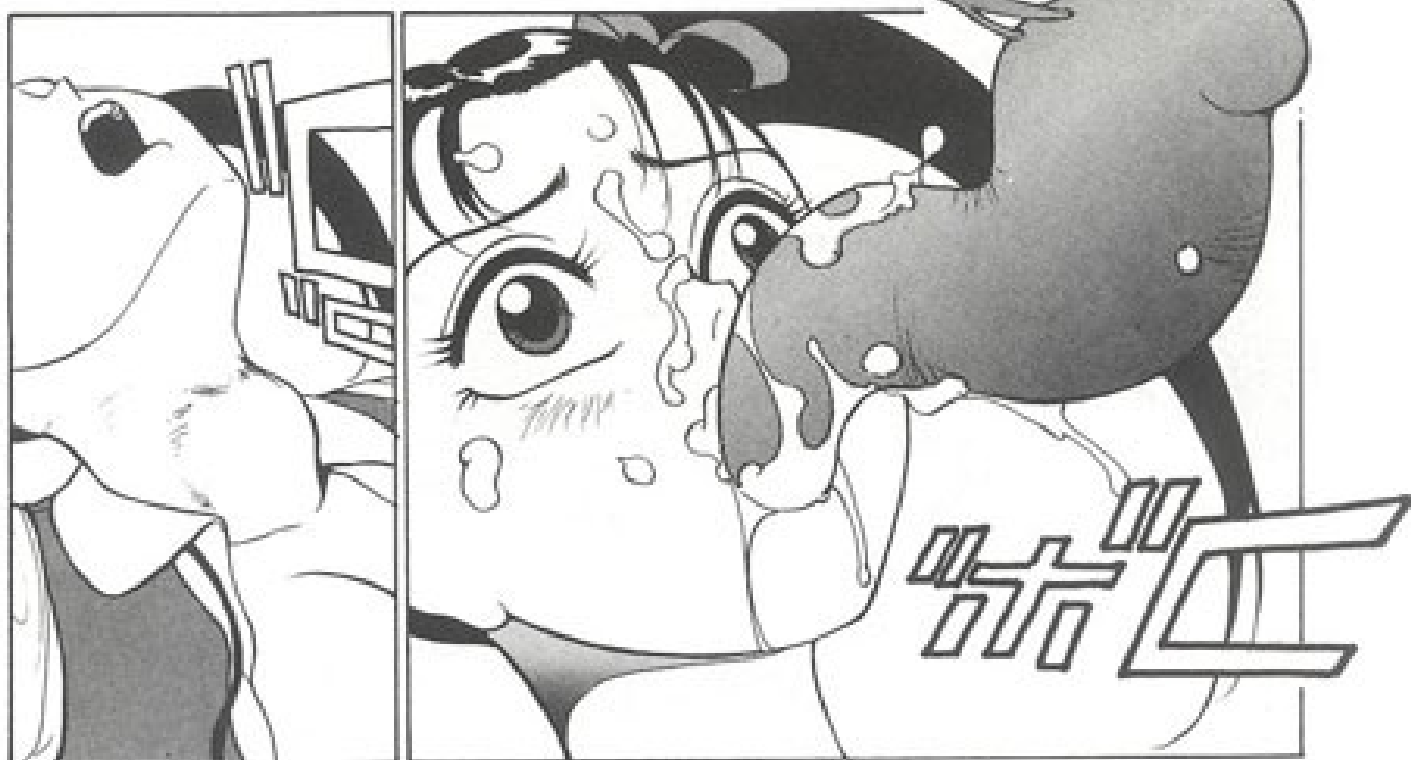

Hang in
there
kid!

This'll
do it
for
sure.

<Gotta
act before
my chest
fills
com-
pletely.>

I'm
coming
too
!!!
