What
is it?

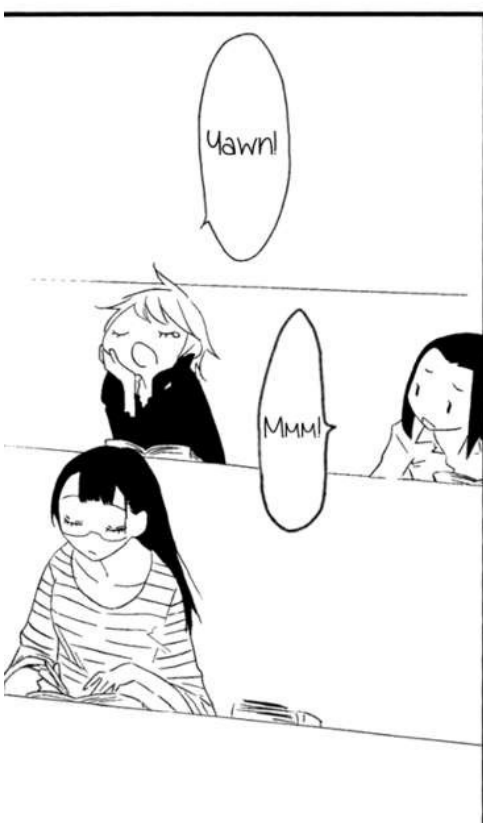

Ookubol!
...Hey, Ookubol!

To have
sex with a man you
aren't even dating.

Yawn!

Mmm!

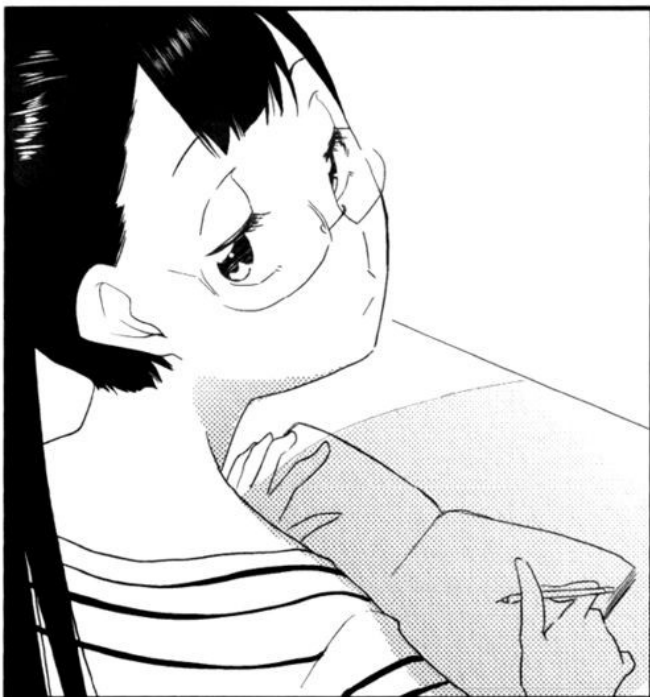

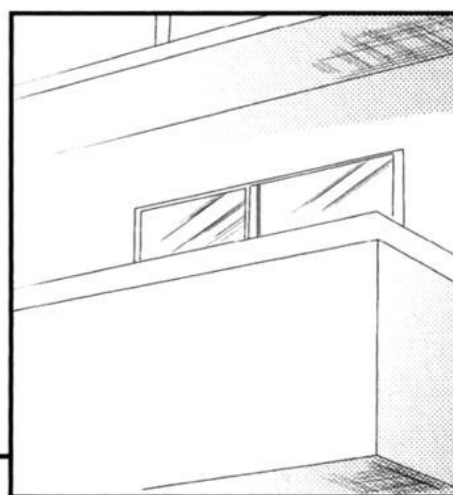

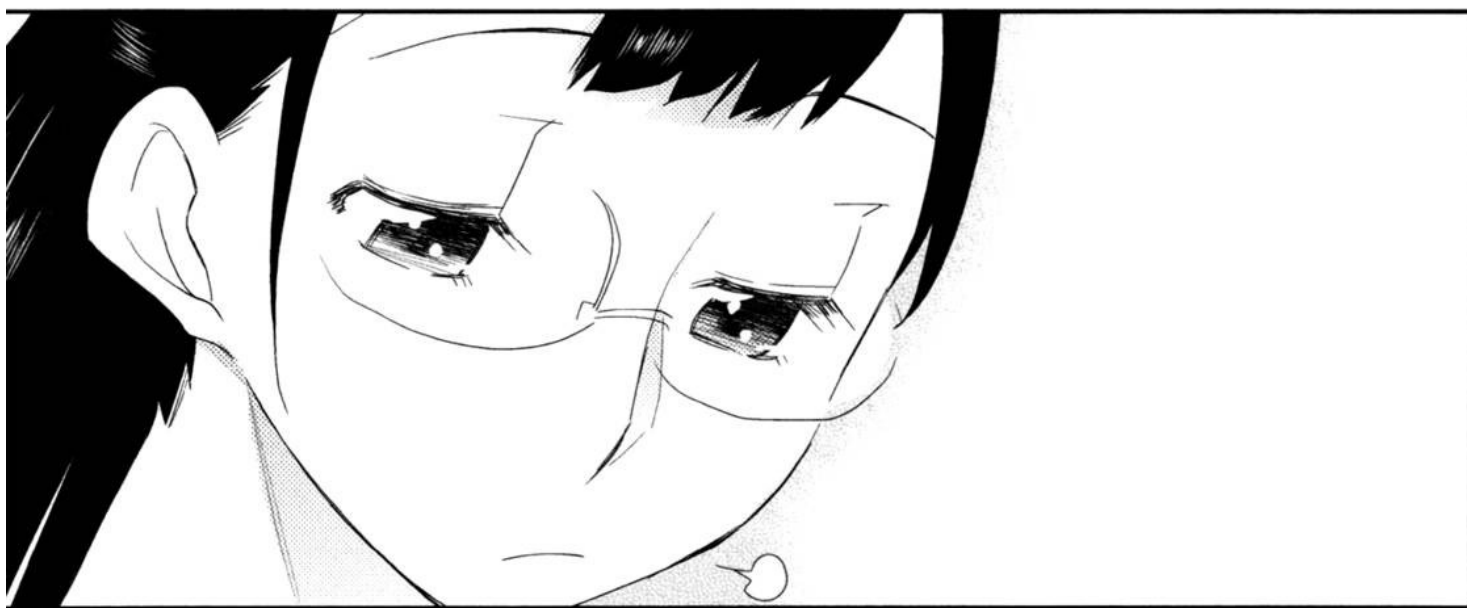

Old-
fashioned
has noth-
ing to do
with it.

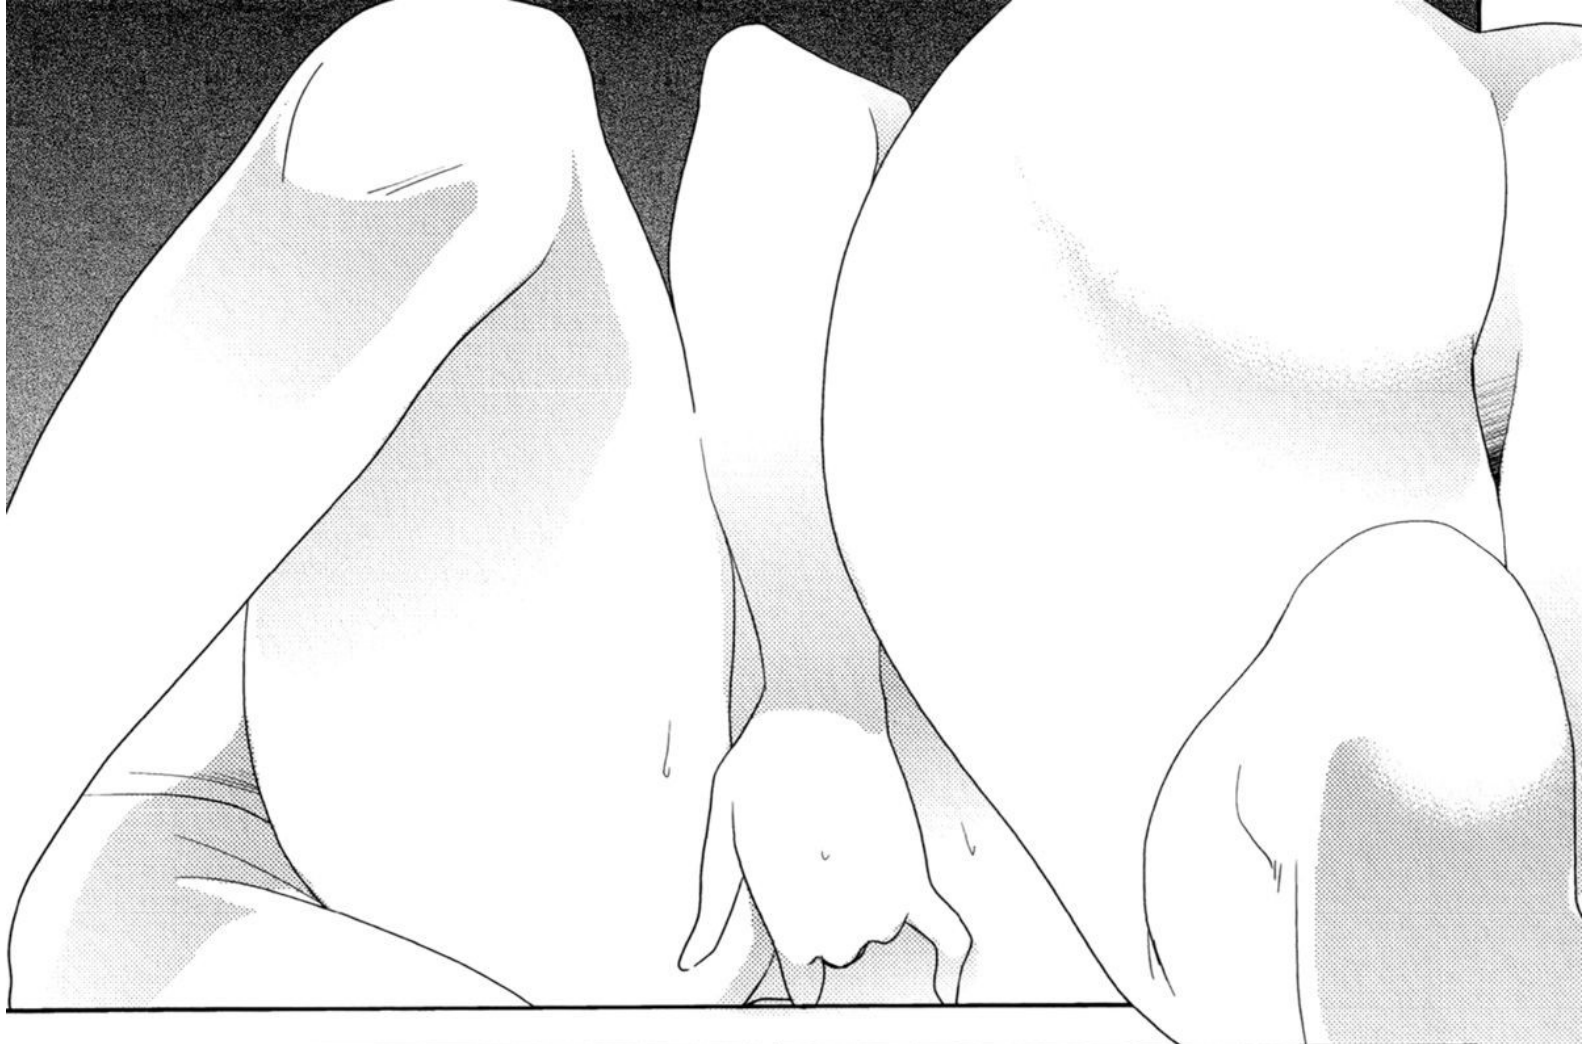

I don't
see a problem
with it.

You're just
old-fashioned,
Misaki.

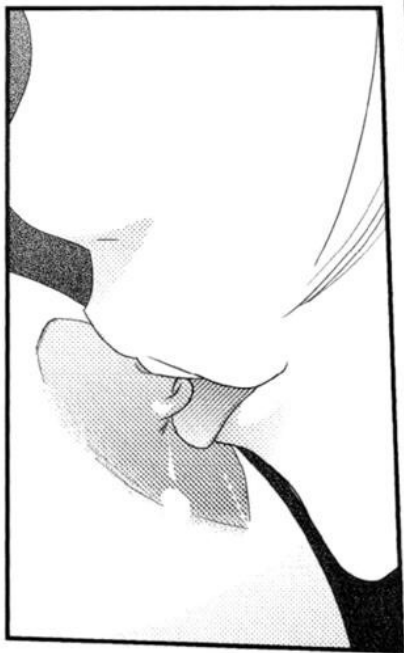

What?

You
know,
I...

I think
I might...
love...

The sex?

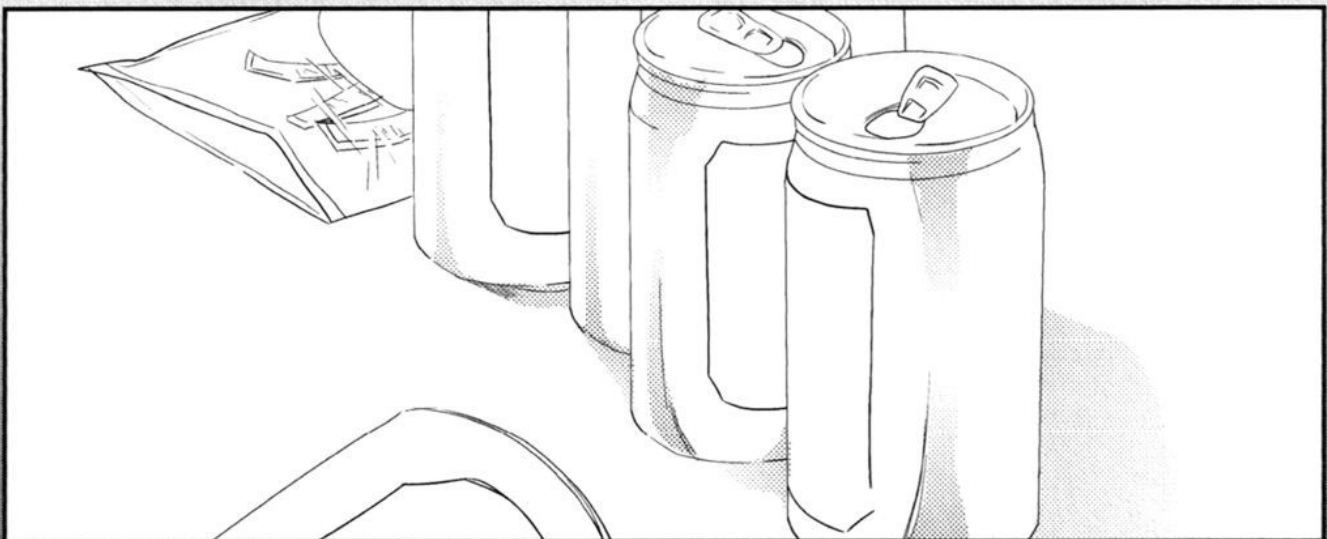

Ah-haa...

Haa

Haa...

I used to
think if the
sex was good
the partner
didn't matter.

...Just a
heat-of-the-
moment
experiment.

A

Shuuure,
let's do
it!

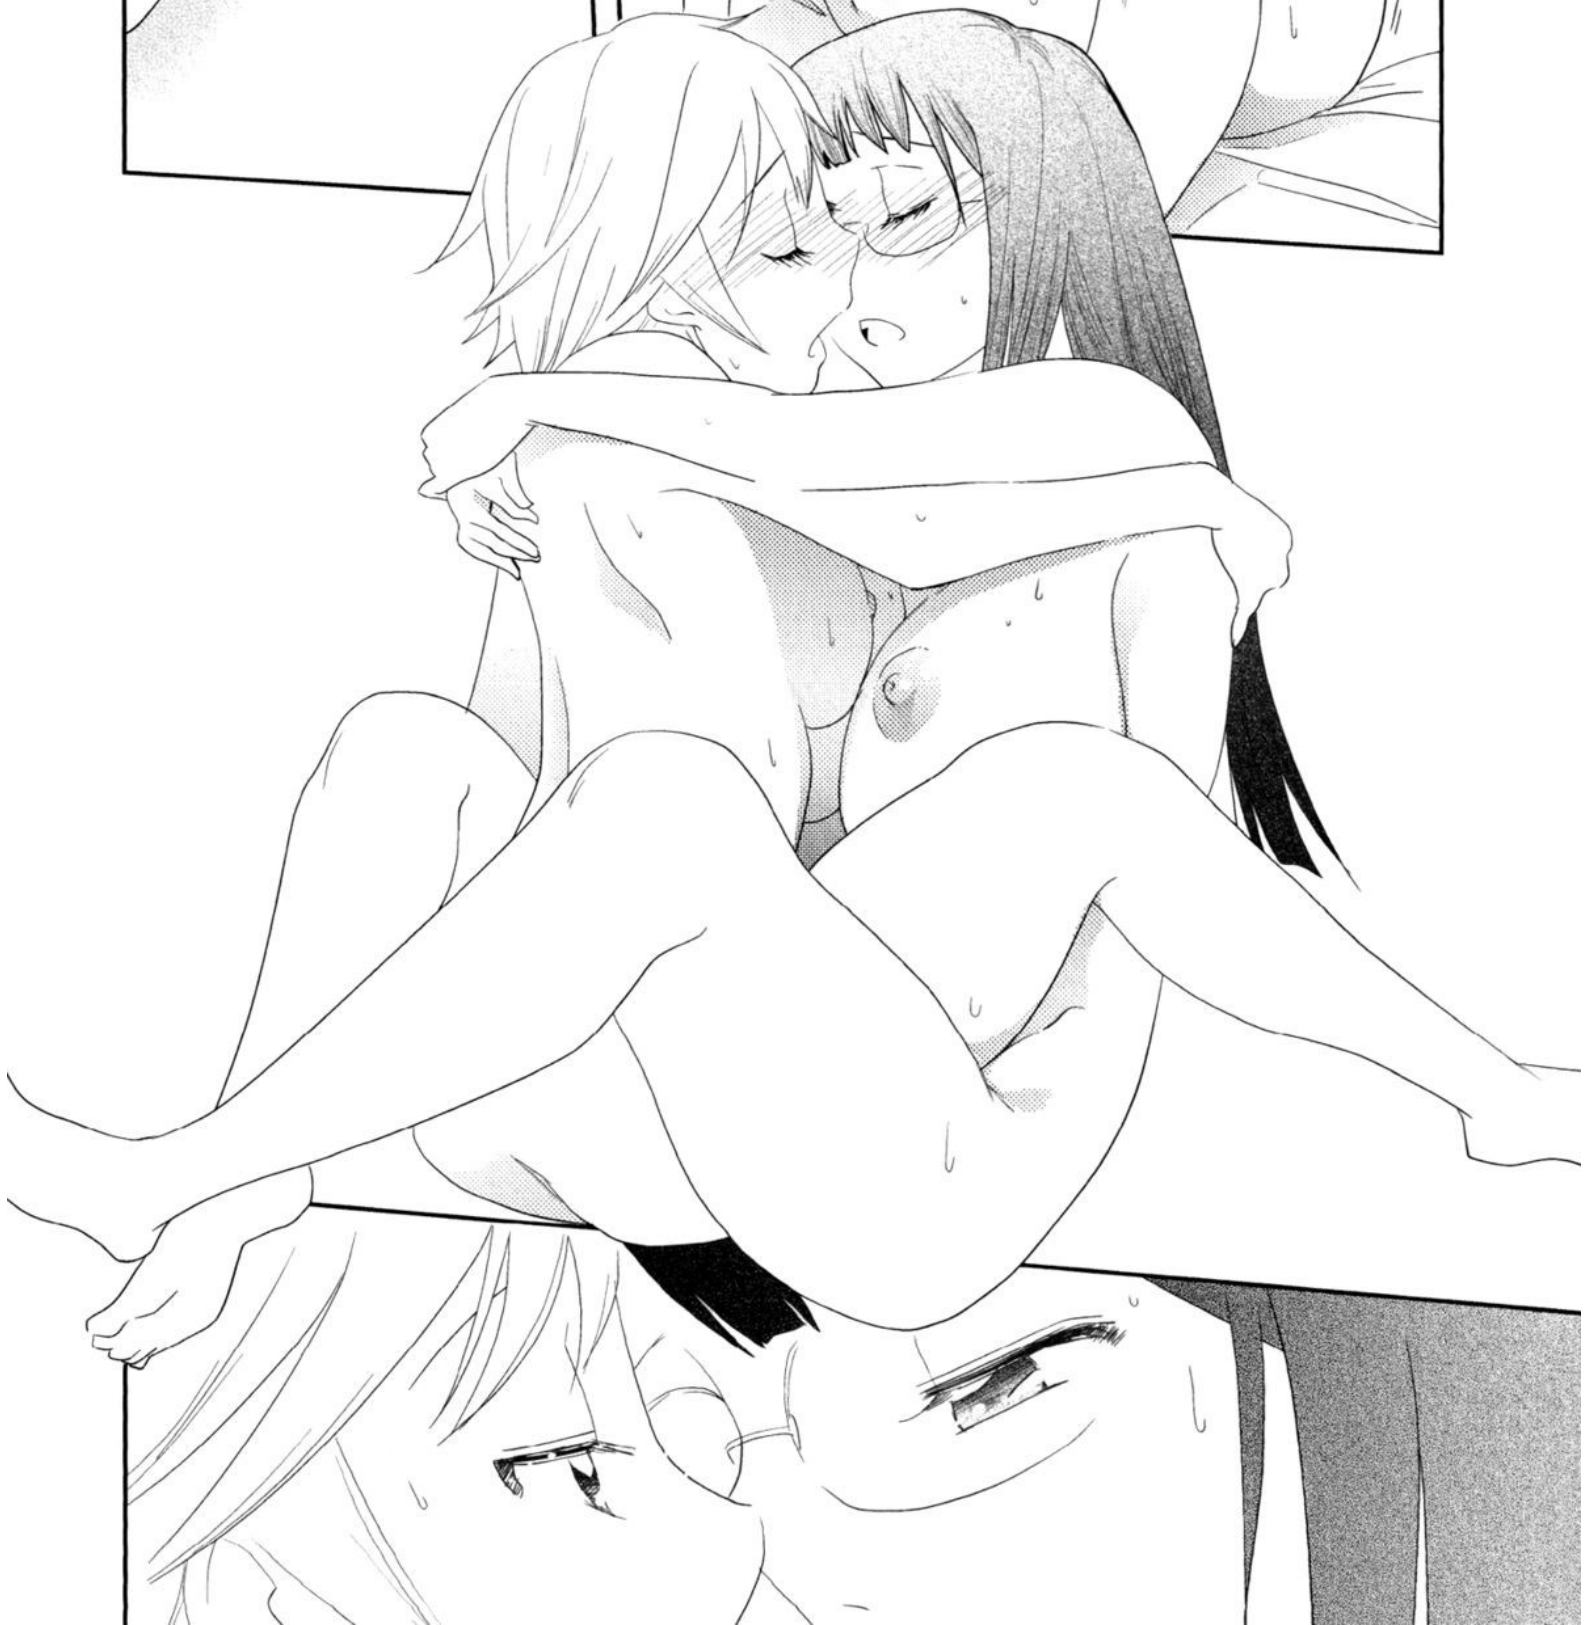

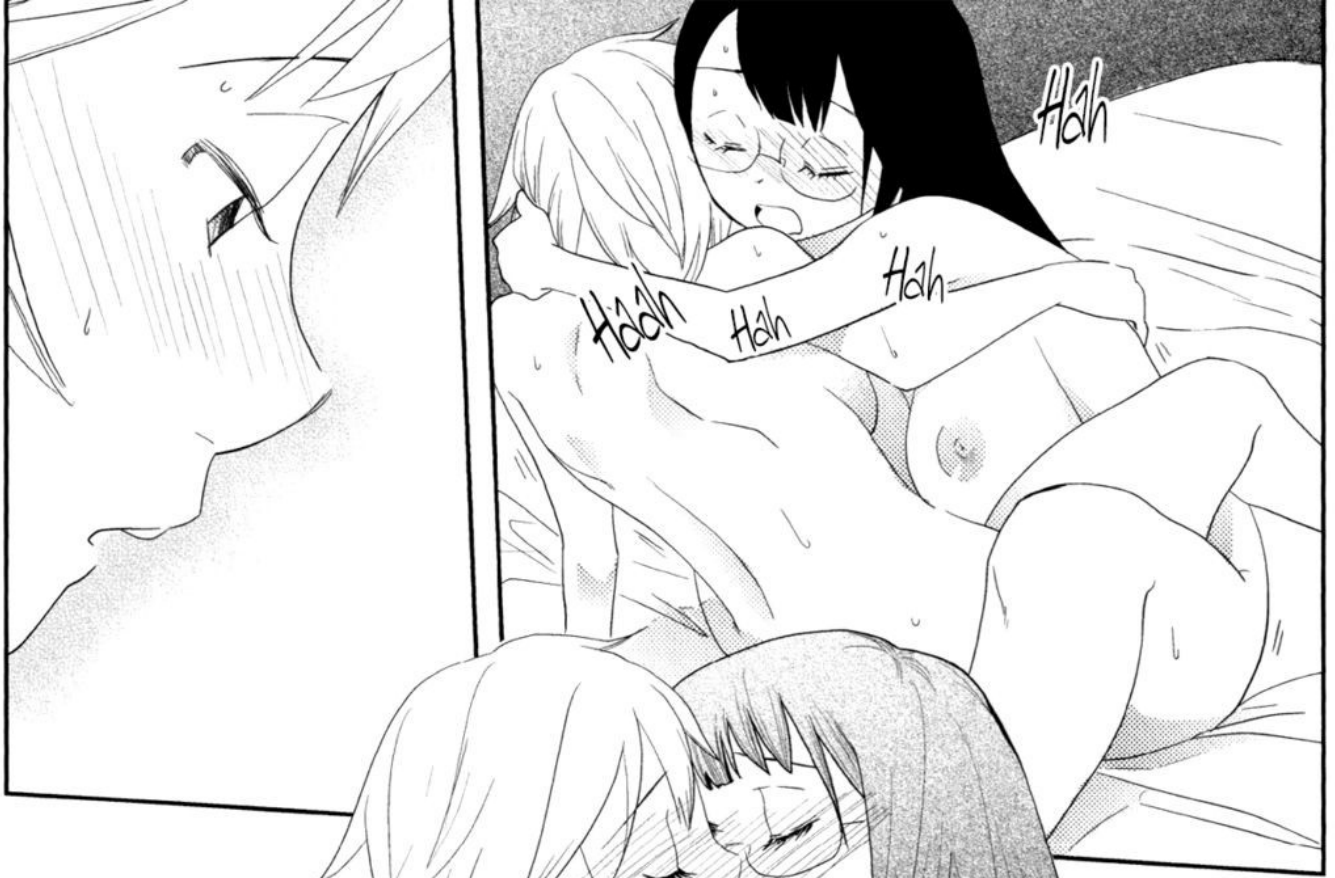

just 'cause
I once heard
it feels way
better than
with a man.

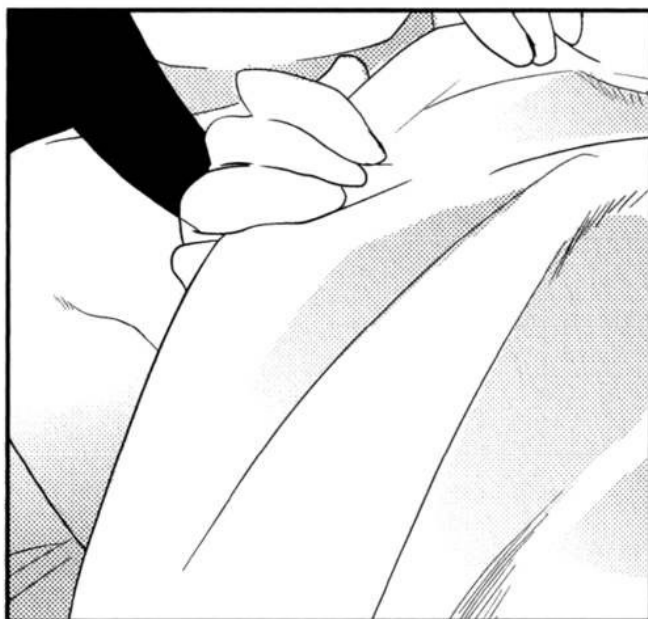

At least... that
was all it was
supposed to
be. but...
