YOU OVER THERE!
BE QUIET!

You brought your sister's again, right?

How much was it? I thought it was 5000 yen!

"Giggle"

Wait, is that?!

Eh? That's a Mesopura pouch! That's nice!

Kyah! What a pervert!

Is that the example college student's?

It's his present for keeping quiet about doing perverted stuff.

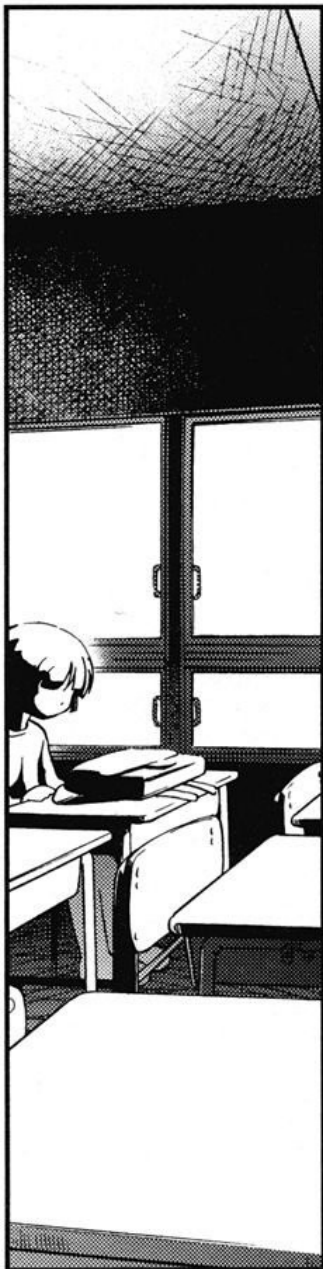

Heh, I got this from my boyfriend ♡

It's self study right now!

Especially you, Kojou-san! Your voice is the most annoying!

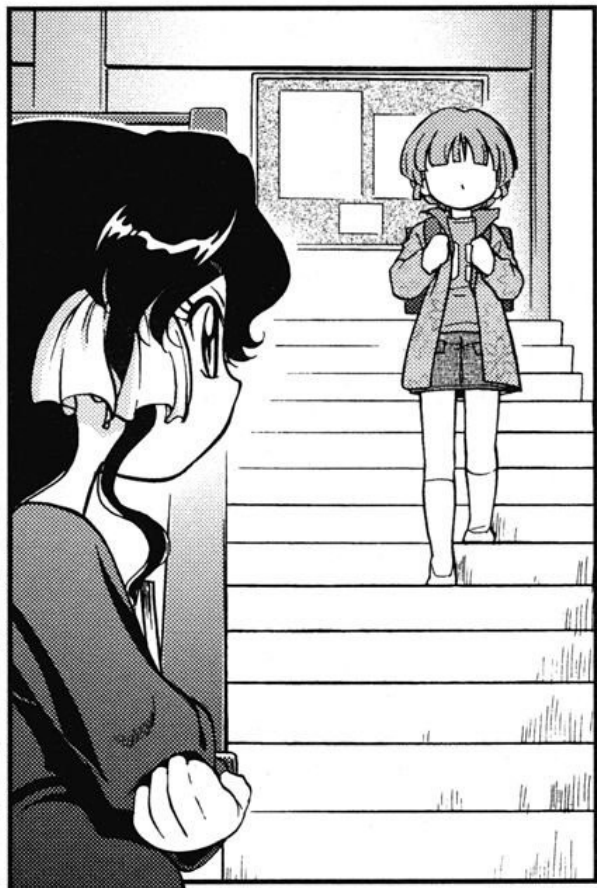

Wow

Time to go home...

Kojou-san

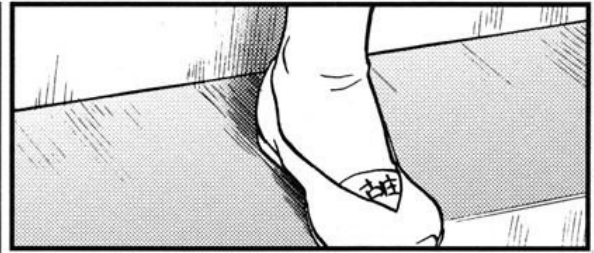

Ah, Kaionji-san.

See you tomorrow.

Did you still need something? School ended a while ago, you know.

forever?

I'll
have
to live
like
Kojou,
won't I...

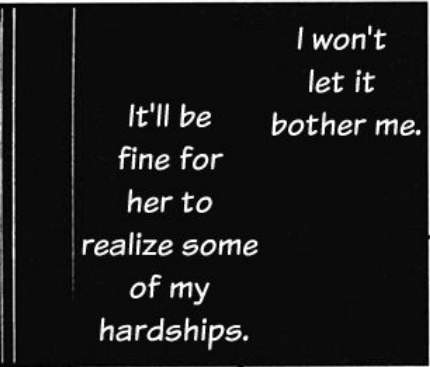

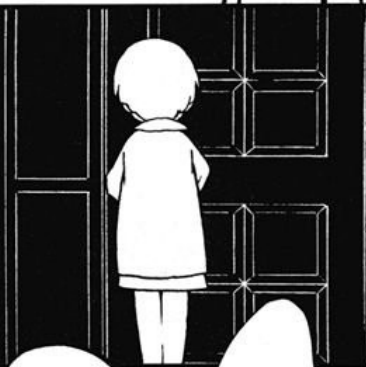

.....

For now,
I'll be
living in
a normal
household...

Normal...

I won't
let it
bother me.
It'll be
fine for
her to
realize some
of my
hardships.

WELCOME
HOME,
NANAE!

CROSS X ROAD

WHAT?

Okay, Nanae do what you always do.

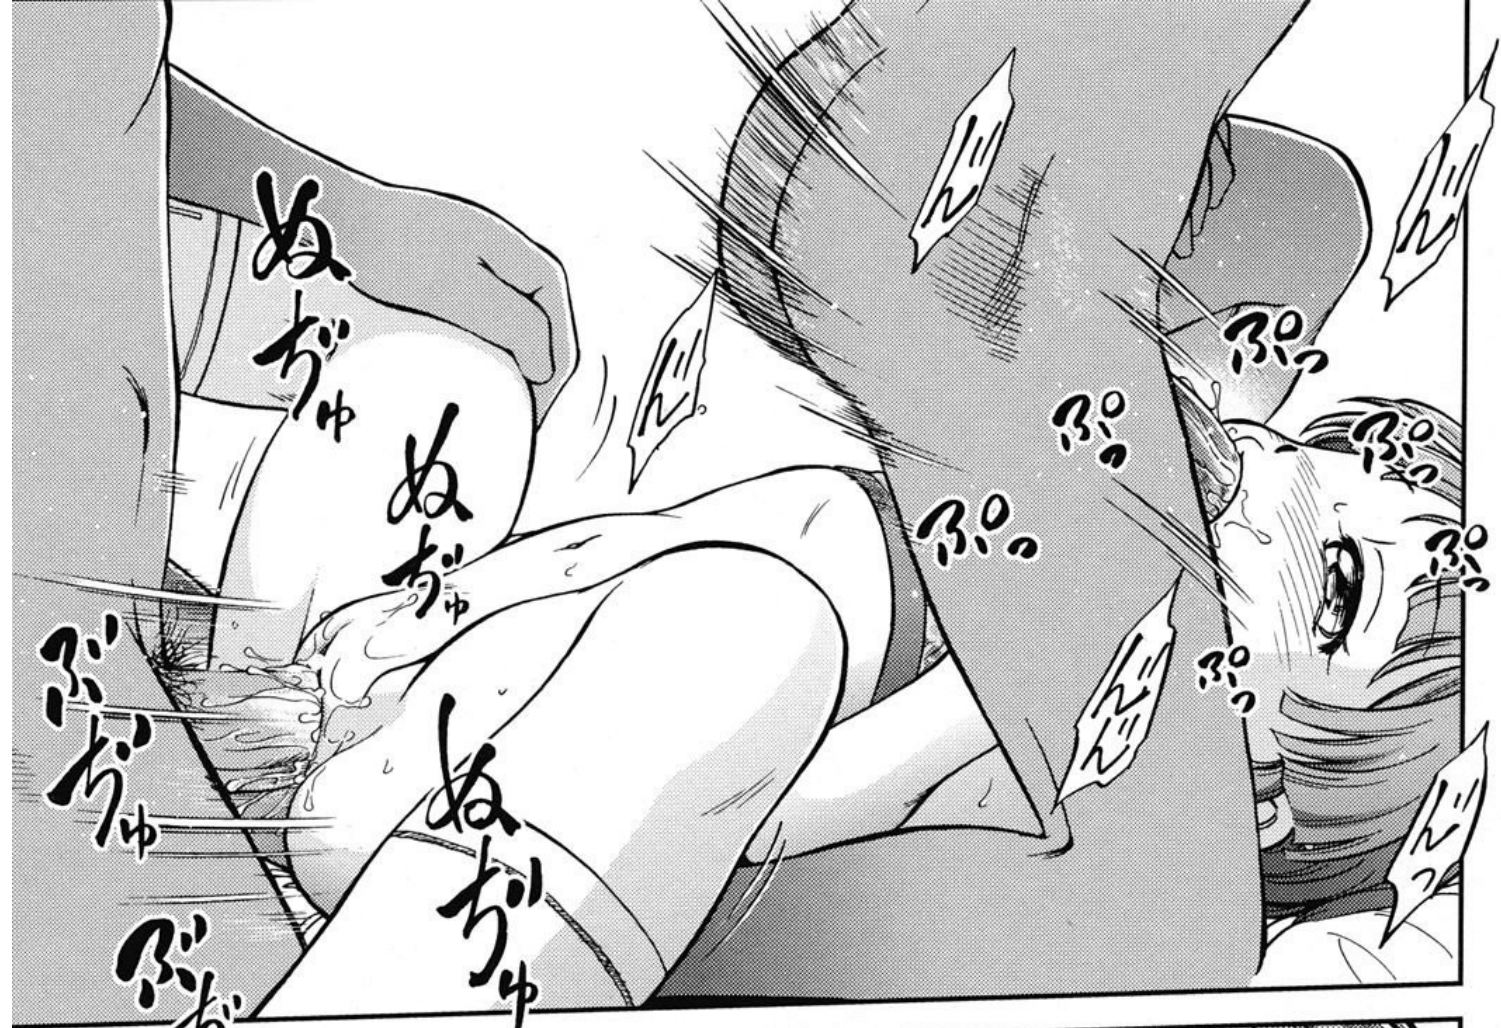

Panties off

Even though I'm Kojou-san, the same things happen, don't they...

Okay Nanae, I'm putting it in down here

Wait, I want to cum at least once first.

I still want to put it in her ass... But we don't have the time...

Ah, Nanae's mouth feels as good as ever!

My butt...

Kojou-san has always been doing these things, hasn't she?

It doesn't hurt...

actually, it feels good!

We thought that you wouldn't let us do it.

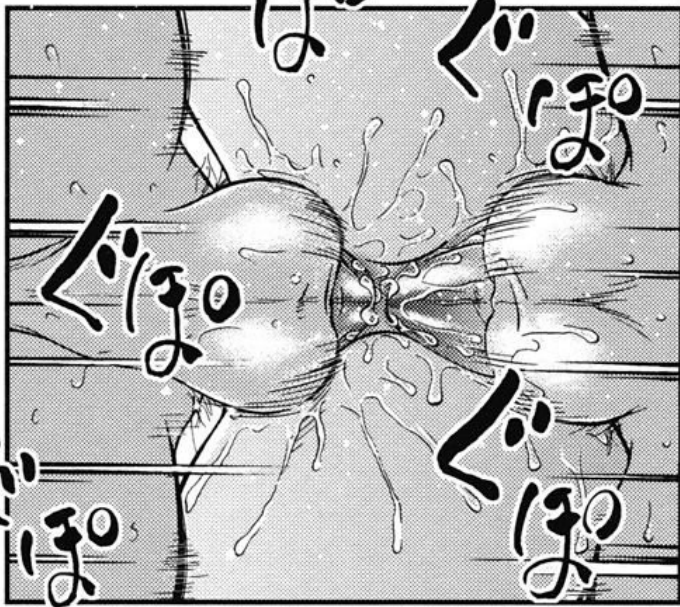

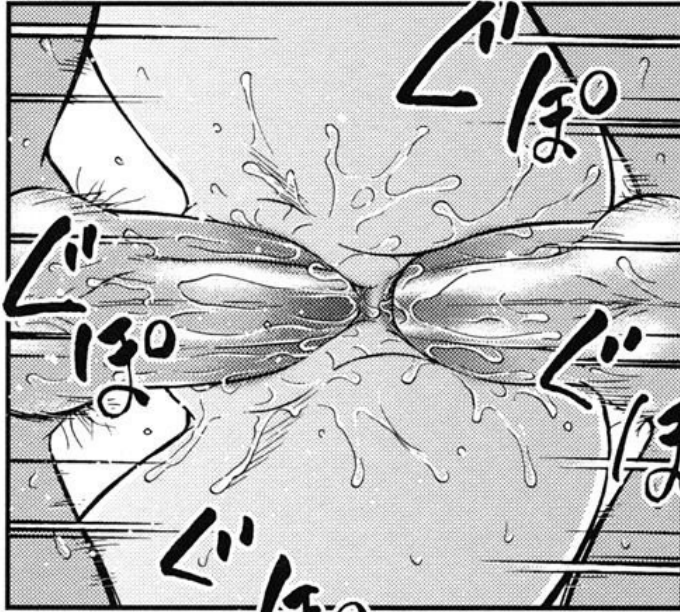

It's okay though, we'll always be together with our beloved Nanae.

In the end, you really did beg for it, didn't you? Nanae.

Yeah, yesterday, you said that sex with siblings was something that you shouldn't do. You were so troubled by that.

W-we aren't changing!

D-Don't get used to this, okay?

Really? But we have the same circumstances, so let's get along.

Although, it's not as bad with me...

Can we not talk Jeez about this next to the stairs?

I don't want to have to thank you a second time.
