

Smile

Please do, rookie-kun.

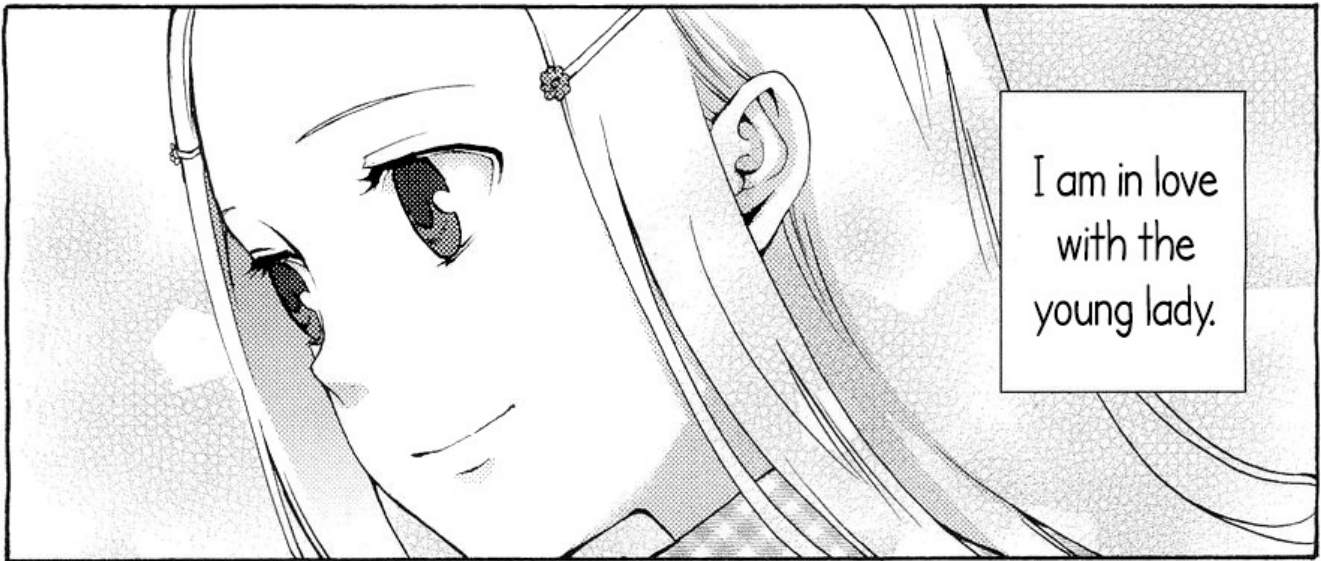

Allow me to carry your backpack, young lady.

Erm... Yes.

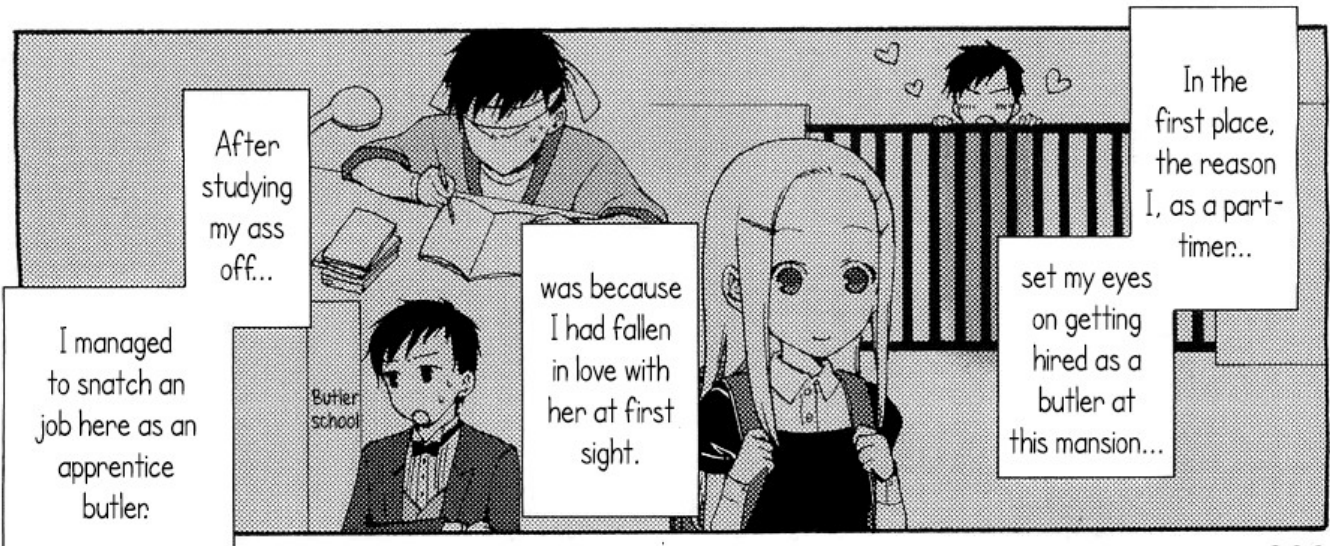

Y...!

Yes!

I am in love with the young lady.

After studying my ass off...

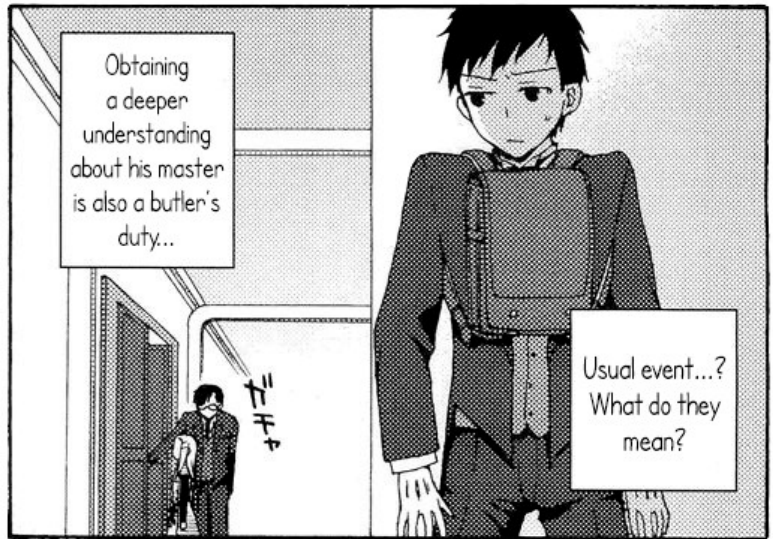

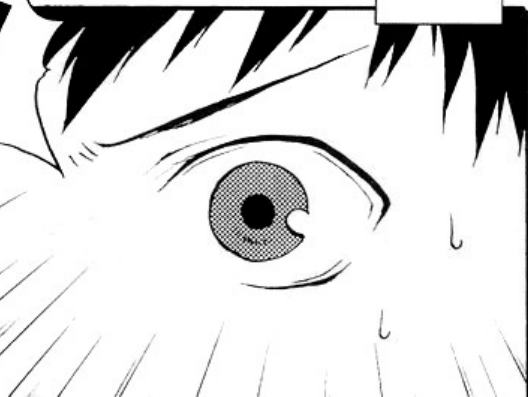

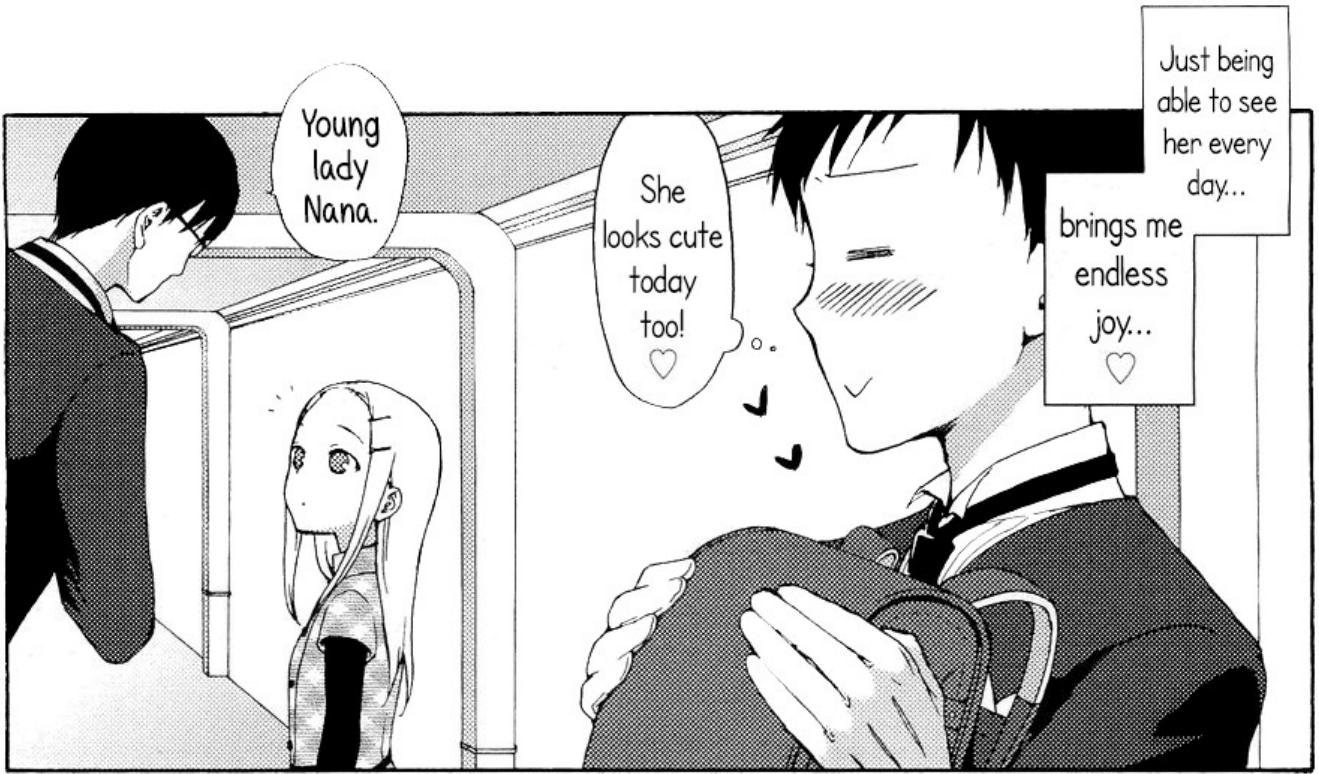

I managed to snatch a job here as an apprentice butler.

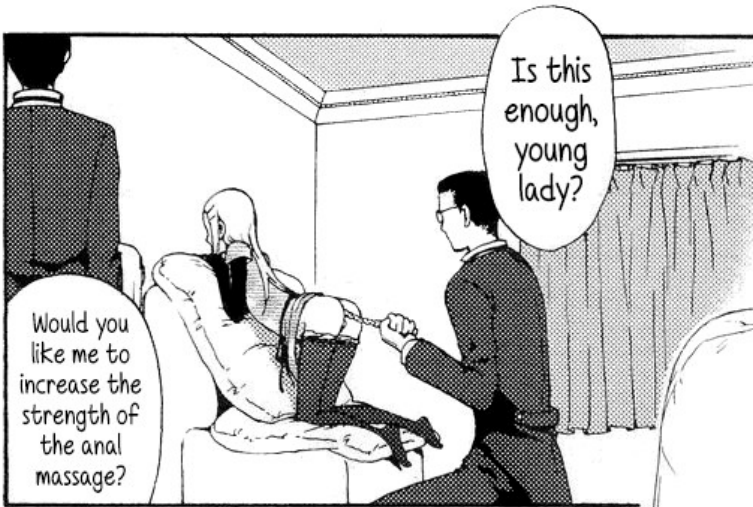

Butler school

was because I had fallen in love with her at first sight.

set my eyes on getting hired as a butler at this mansion...

In the first place, the reason I, as a part-timer...

Is this enough, young lady?

Would you like me to increase the strength of the anal massage?

Yes. Please do.

I want to feel like my whole body is tearing apart from the inside.

Spectacular, young lady. You are wonderfully supple.

A common person would be unable to understand the merits of this massage.

Fuh!

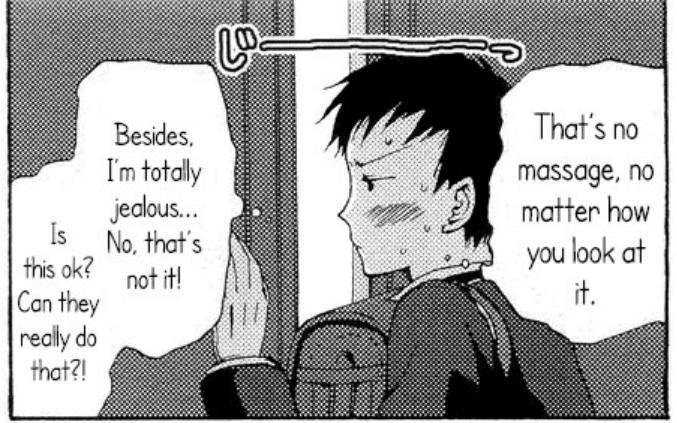

Young lady.

Here is your scented mask.

T-Thank you.

Besides, I'm totally jealous...
Is this ok? Can they really do that?!

No, that's not it!

That's no massage, no matter how you look at it.

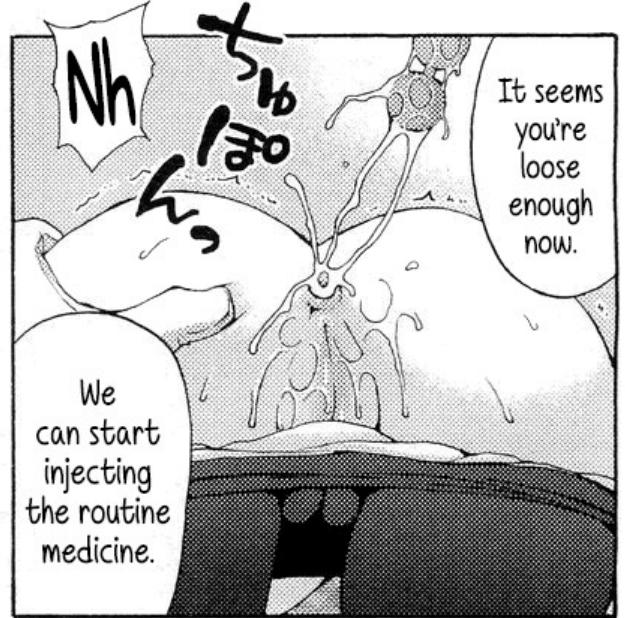

She can't have... But!

Did the young lady give them her consent...?

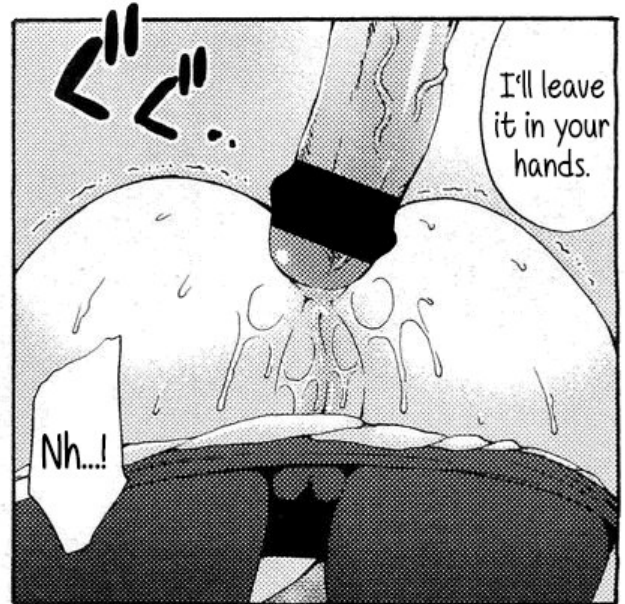

Ah!

We can start injecting the routine medicine.

It seems you're loose enough now.

I'll leave it in your hands.

Nh...!

I'm Young lady. going to inject the medicine orally as well.

Good, keep that rhythm. Please use the inside of your mouth and tongue to warm up the medicine and make it soft.

Well? Your body's been feeling strained and feverish, right?

With this "medicine", all that strain will go away in an instant.

By massaging the inside of the anus and the oral cavity... we can gather up all the fever that's in your body and put it all into those two spots.

Nh
Fu gu
Co-ming!

It's co-ming!

The medicine is coming out, young lady!

Aah! It's coming out!

Cum-ming!

ha ha

Cum-ming!

Nh
Fu gu
Uh
Nh

Please drink all of it, young lady.

I know it's bitter, but you have to take your medicine.

Uh

But if the young lady is okay with it, there's nothing I can...

Hm?

I'm shocked...

I can't believe this... The young lady is letting those guys...

.....

Ju... Just so we're clear...

I know I ask this a lot, but we aren't doing anything unseemly, are we?

Young lady, we're going to inject another dose, okay?

Ye... Yes.

It's what's best for your health, young lady.

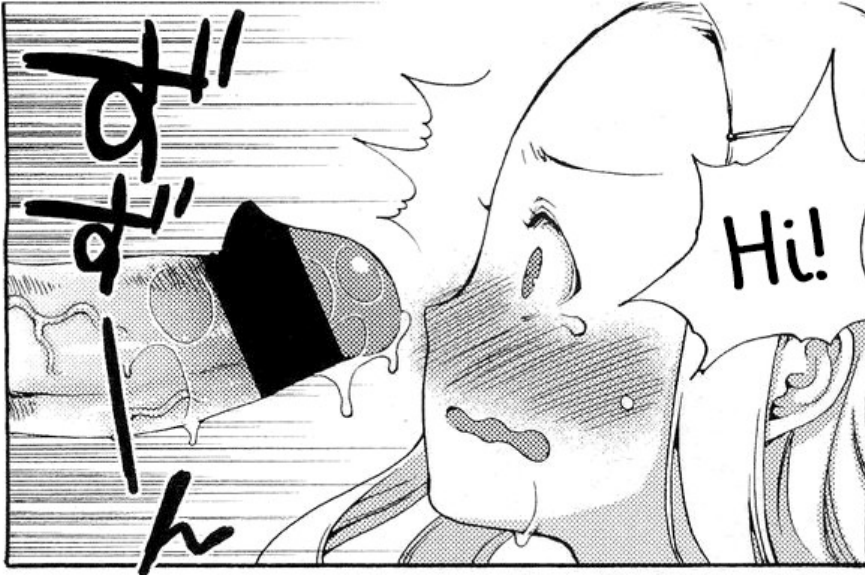

Perish the thought!

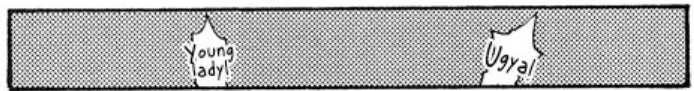

This is nothing more than a simple massage.

I... I see.

NO! NO! NO! NO! NO!

I've always been so gullible...

I wouldn't call it "gullible", so much as... Ah, whatever.

You don't have to worry so much, it's quite alright.

I mean, it's not like your anus is a sexual organ...

I can't believe I've done something so foul...

I'm no good anymore!

Rookie-kun...

From now on I'll protect you, young lady, so put your worries to rest!

Besides!

I guess this means it's settled.

I'll be counting on you...

Y... Yeah.

Young lady...?

Welcome home, young lady.

The next day.

Of course, it wasn't settled.

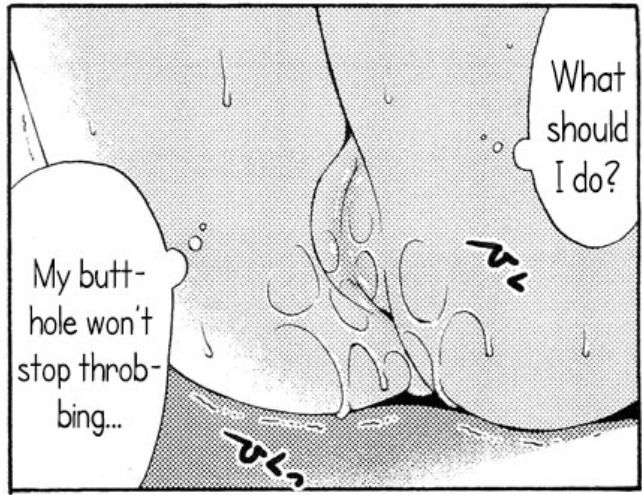

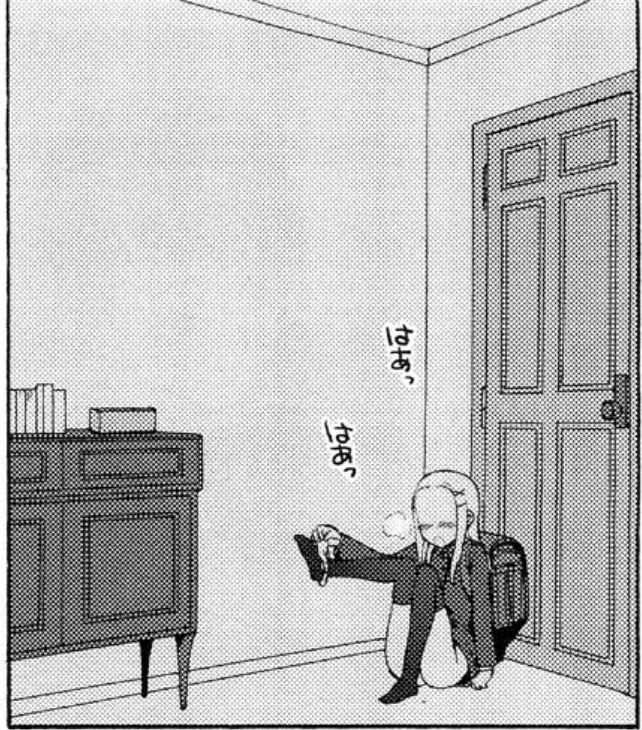

it was too late,

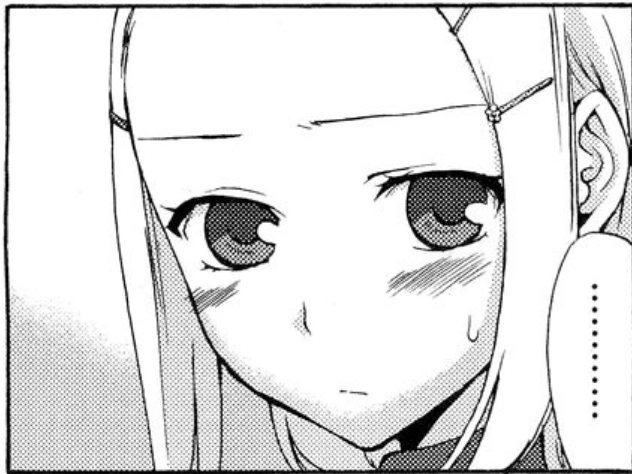

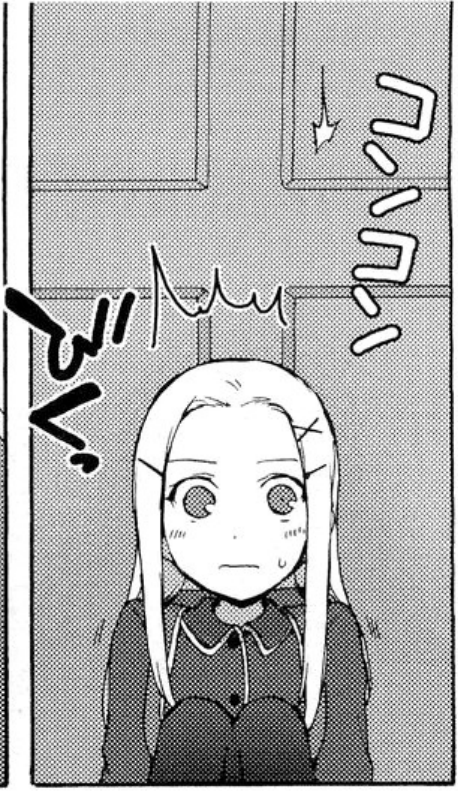

her anus was already completely trained!

The reason being,

because of the daily "massages"

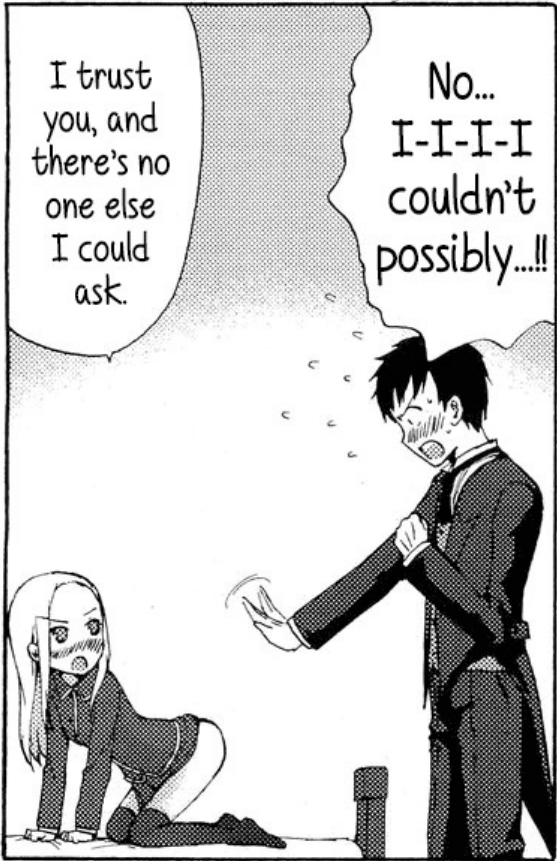

Rookie-kun...

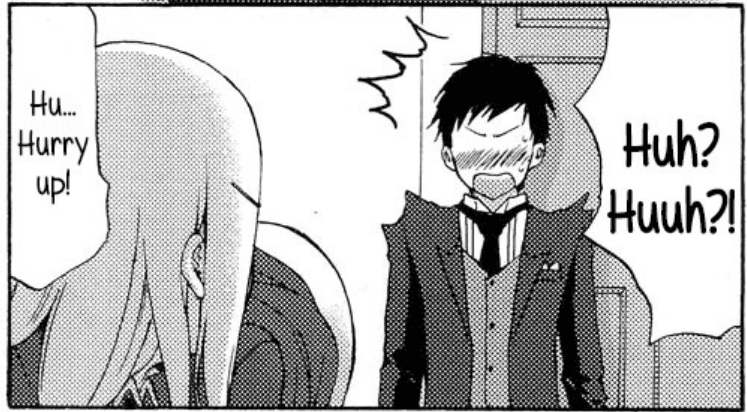

Won't you put your di... di... ck in my butt.

かああ

I trust you, and there's no one else I could ask.

No... I-I-I-I couldn't possibly...!!

Hu... Hurry up!

Huh? Huuh?!

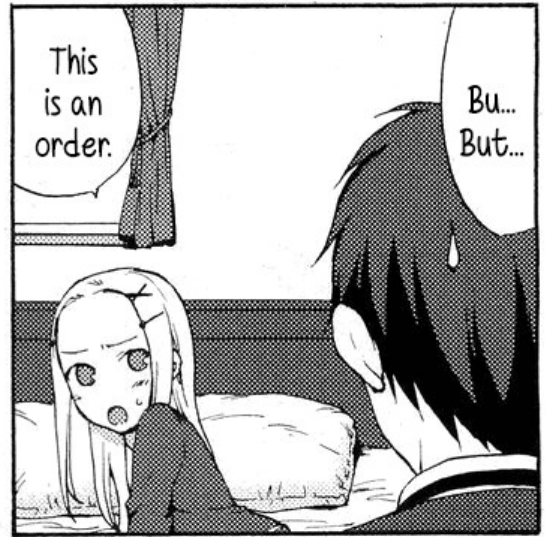

My finger alone simply won't do...

It's the only way to make it stop trob-bing.

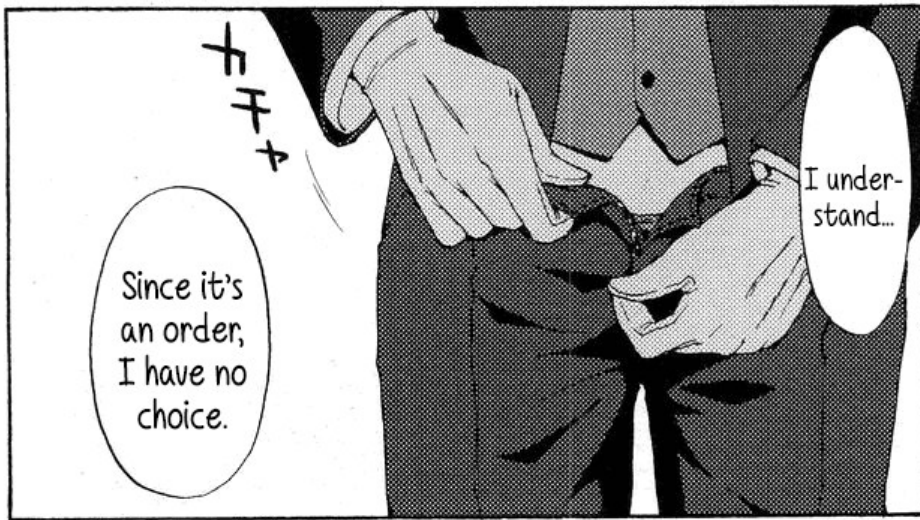

A master's orders are absolute, are they not?

This is an order.

Bu... But...

Since it's an order, I have no choice.

I understand...

Go... Good.

I'm putting it in.

Well...

How... How is it, young lady?

Ah

More-over...

Her flushed cheeks and teary eyes...

I want to spill it all out inside her...!

I'm cumming too...!

I apologise profusely!!!

Huh?

Become a suitable lover for me!

Huh? Huhh?!

was because I liked you at first glance.

Truth be told.

Well... The reason I accepted you as my butler in the first place...

We're starting there?!

Rookie-kun, what's your name?

First of all... Oh, yes.

Y-Yes!!

Therefore, I'll be in your care.
