

You'll be able to in two years.
When you're in middle school.

a sailor uniform!

I want to wear

Wait two years...
"Sailor uniform" this, "sailor uniform" that...

You know, those were originally worn by men?

Don't try to pull my leg! A man wearing a sailor uniform?! That's unthinkable!

Two years, Onii-chan?! Do you know how long that's gonna take?!

おバカな妹、最高です。

I wanna hurry and become a mature Onee-san~!

Sailor uniforms are so cute! And they give off such a cool adult aura! ☆

具体的には、アホな兄貴の下心丸出しの適当な口車に簡単に乗せられてホイホイ股を開いちゃう将来心配な妹が最高です。
マジSEXしたい。

Come to my room, then...

I do! I do! I do~! Onii-chan-sama, please!!

Seriously? You actually want to wear it?

Really?! I wanna wear it!

...I do happen to own a sailor uniform, actually.

Why'd you have to be a boy anyway, Onii-chan?!

If you were a girl, I could be wearing one right now!

D-D-
Do all
adults
like...
sex...?

Hah?
Uuh!!

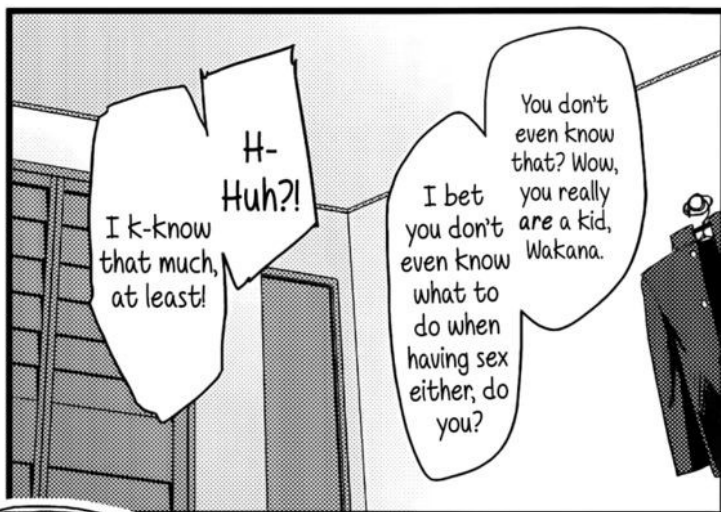

F-For per...
perverted
things, of
course...

You
don't like
sex? How
childish...

Tha...
That's...

Well,
tell me,
then.

I k-know
that much,
at least!

H-
Huh?!

You don't
even know
that? Wow,
you really
are a kid,
Wakana.

I bet
you don't
even know
what to
do when
having sex
either, do
you?

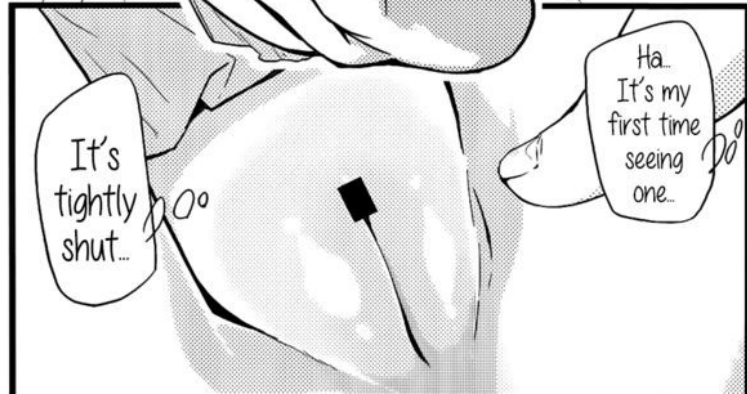

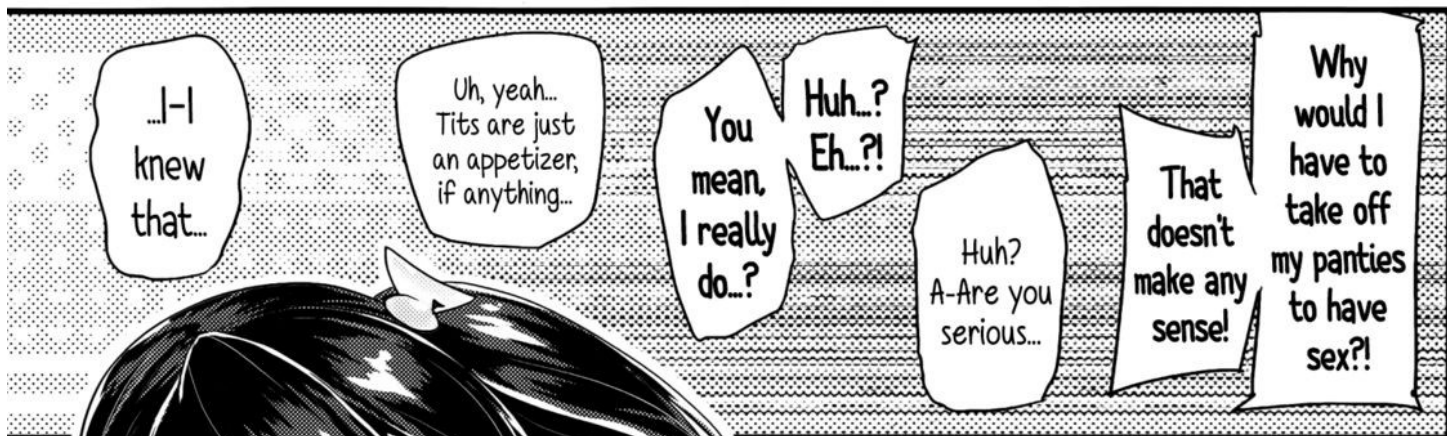

I'll give
you a score
of about
a five out
of one
hundred~

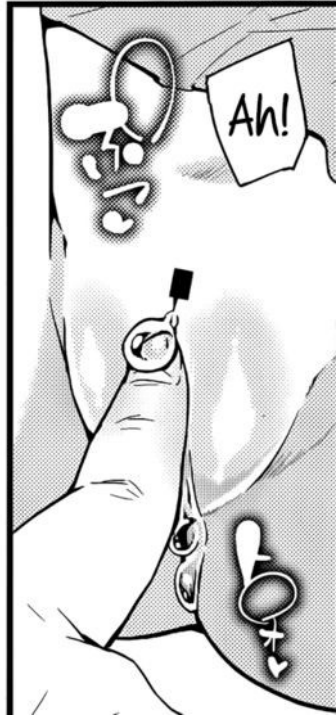

Hyai
?!

I'm trying
to become
more adult,
so of course
I know
that...

Sex is
when...
a boy
strokes
a girl's b-
boobs...
right?

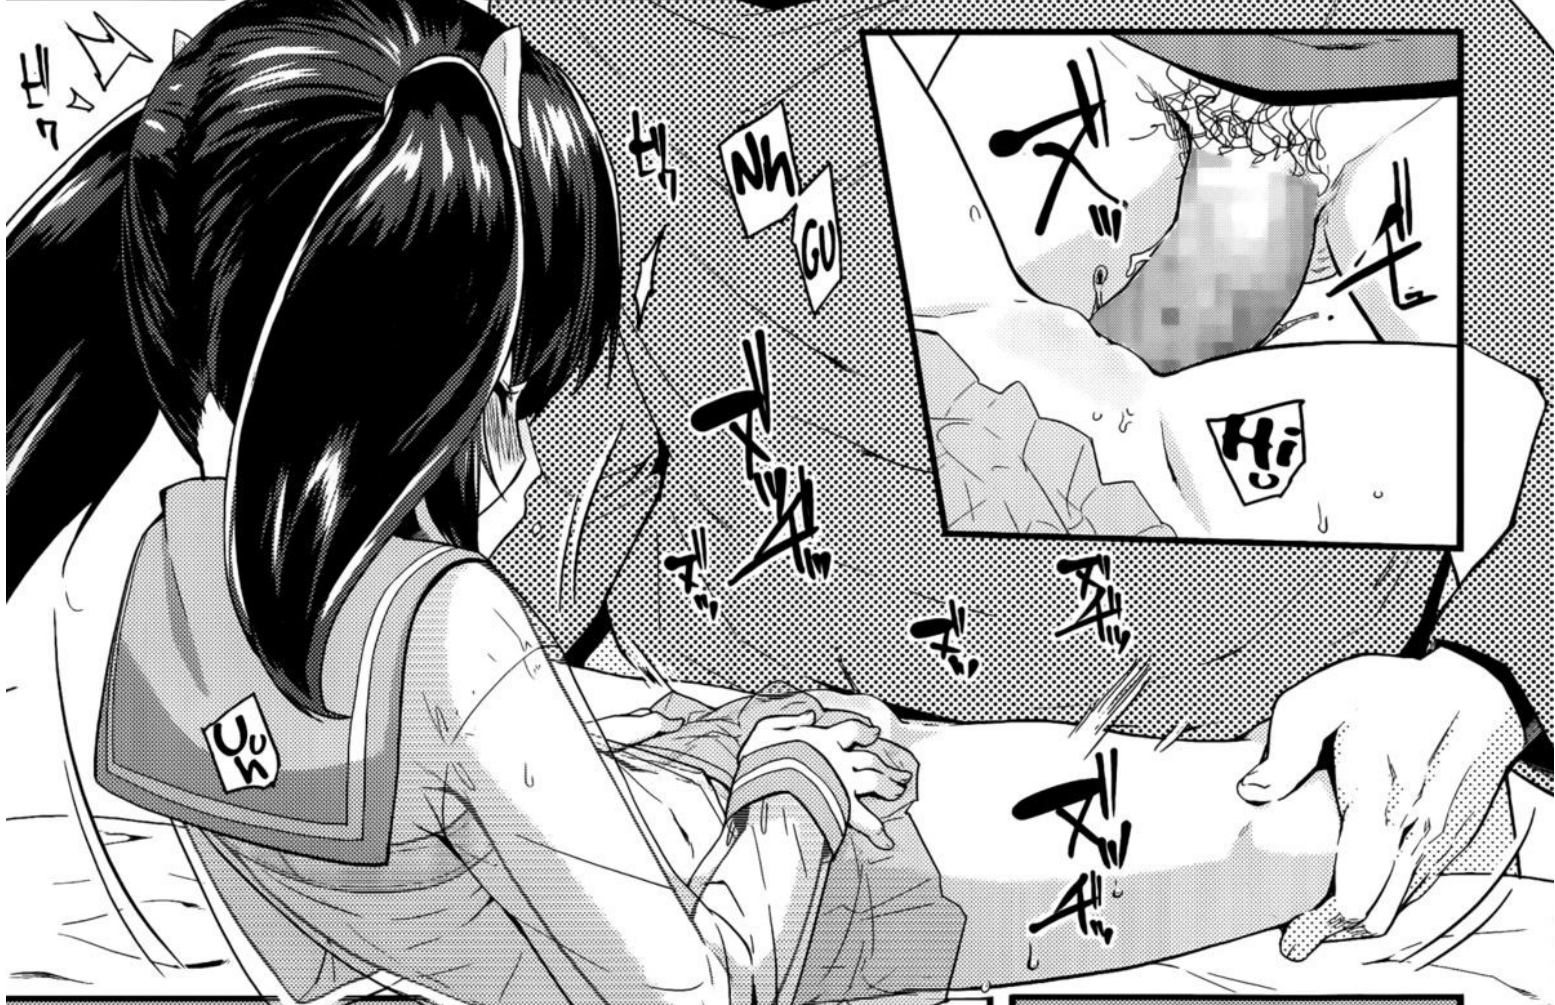

A fifth grader is getting off from playing with her own nipples...

Boobs are great... ♡

When I twirl them, I can feel my pee-hole twitch...! ♡

That is so fucking hot..!

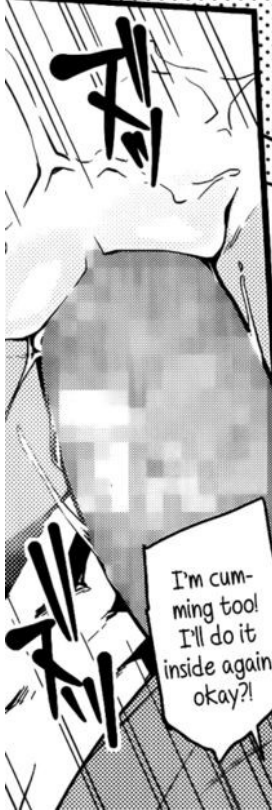

My sister, no less...

Is this it? Is this the stuff adults like?

This might actually... feel really good... ♡

That was amazing...

Hah~...

It might be a good idea to quit it 'til I'm older... I only scored 65 on my last test, after all...

Maybe you're right... Man, sex is so great, though...

Maybe it really is something I should only do as an adult...

Sex feels way too good! I feared I was turning into an idiot!

ト

Yeah! Let's!

Y-Yeah! Let's do it again tomorrow?

I'll be the most adult girl in my class for sure!

Yeah, that might work!

I'll even teach you more about sex!

That way you won't turn into an idiot, so we can keep doing it, right?!

N-No! I'll help you with your studies!
