

I Can't Resist Mistress  
Hayana Fujibayashi

Inside I found the representative from my class, Hayana Fujibayashi. She always acts like she's better than everyone else. She's a total bitch and she nags me about every mistake I make.

Why's she in the guys' toilet? ...Well, who cares. She's a bitch, so I'll play a little prank on her.

She started doing something strange-

But just as I was thinking that

That bitch Fujibayashi suddenly started moving her fingers in and out of the same hole she was pissing from...

Ah... Haa  
Ahh... Ahah  
hnn  
Nn!

Maybe because of her fingers moving, her asshole stretched even wider and she started to shit out the Biggest log I've ever seen.

I have no idea what she's doing.

There's so much of it that it's starting to overflow out of the toilet.

And it fucking stinks!

Blechh

Now that I've seen this I can tease her for it in class!

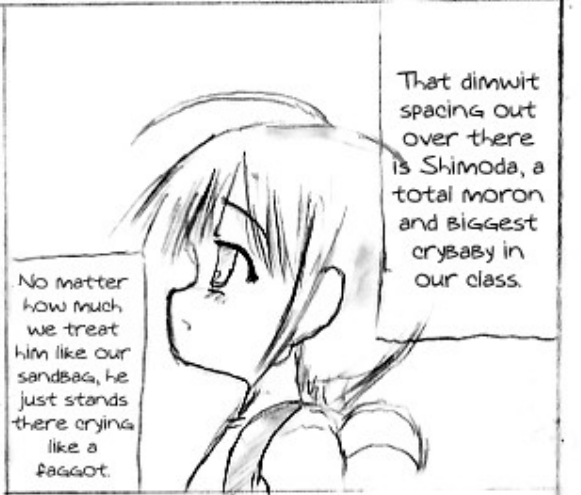

Hm!? Shimoda?

Gehhh

Mgh?

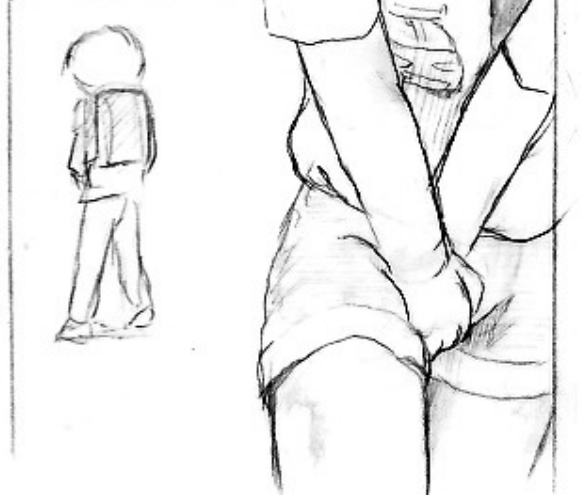

No matter how much we treat him like our sandbag, he just stands there crying like a faggot.

That dimwit spacing out over there is Shimoda, a total moron and biggest crybaby in our class.

Normally I'd kick that little bitch's ass, but I was still feeling sick from watching Fujibayashi shit so I just went home.

Waa...  
wahhhhh...  
stooooop

N, no  
way, I'd  
never  
peep...

Shimoda,  
you little shit.  
You were  
watching me  
take a dump.

Fu...  
Fujiba-  
yashi!?

Caught  
ya, you  
fucking  
creep!!

Didn't  
your  
mommy  
tell you  
lying is  
wrong?

I'll rip your  
little cock  
right off ♡

Eee  
eek!

Say it.  
If you  
don't...

You always cry  
like a bitch in  
class, and you  
actually peeped  
on me? Looks  
like you need  
to learn your  
place!

Hyaaa  
!?

Hmm, then  
prove it  
to me!

Hmph!  
Your fresh  
piss is still  
steaming.

B-but,  
it really  
wasn't  
me...

N-no, this  
didn't come  
from me.

Heheh,  
exactly. This  
is the shit  
that I just  
pooped out.

Fujibayashi...  
d-don't tell  
me this is...

Cough  
cough

Come on,  
Shimoda. Take  
a closer look.

Uh,  
um...what  
are you  
doing?

Eek  
!?

Take a  
piss right  
on top of  
my shit.

Isn't it  
obvious!?

Snickers

Nyehheheh...  
great job,  
Shimoda~. Now  
you won't have  
to die today.

And then I'll  
stuff it in  
your mouth  
even if I have  
to break  
your jaw!!

Whaaat!?  
You were  
the one  
watching  
me shit!

Right  
now!? Wait,  
Fujibayashi,  
that's...  
embarrassi-

L-like  
I said,  
that  
wasn't-

Hic...!...  
sniffle...  
didn't  
even do  
anything.

God, since  
when did you  
have the right  
to talk back  
to me!? Piss  
right now or  
I'll fucking  
tear it off-

Where's your embarrassment now? What a perverted little grade schooler, spraying all that out.

ughh ngh

Come on, cover it all!

Hic...
