In her sleep
seize the lamenting Wife
by
Mosquito

I think you
hurt one
of my
neck bones!
Ahh its Painful!

This
is
just
my
luck.

Maybe I
should call
someone!
Or you
can pay
3 million-yen
and call it...

S...

thinking

As for the accident it is clearly his fault.

The Sign is clearly visible. EH EH!

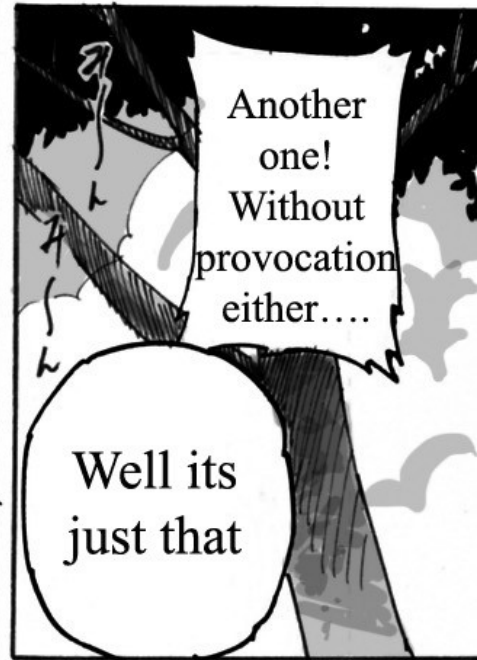

I hate it when you apologize to people immediately Taro, it makes you seem so dense.

S... Sorry

Akemi San ...I see.

It was my fault

Another one!
Without provocation either....

Well its just that

! ?

By all means come to my house!
It is the least I can do...

I would like to apologize with something, but it is at my house.

Well I guess with our car like this I can't go to the mountains with my husband...

Are you sure you want someone you just met over-

I can understand that story, it can happen

I lost my view temporarily.

his attitude... changed suddenly...

I have a ball
signed by
Kiyomatsu--
When he won
the big game!
Let's go get it!

Let's
go?

I was gonna take pictures
of lilies in the mountains,
its my hobby and
it was a holiday
for me
and Akemi san

That's
the way
it is then!
Akemi-San
persuaded me
to do it even
with my bad
economic standing!

Akemi San?
Ehh... What?
Akemi-San
persuaded?

Taro
I have decided
to go to
Hama-san's
house

Ha...Hama san?
She calls that loser
by this name...?
Where does she connect
his name with that...
and she actually plans
to go to his house...!

Hama-San says it will be quick! She can see what my large Kiyoshi pine looks like!

Hey hubby make sure my care gets taken care of too.

Taro stay here with the car and solve the problem quickly then come to the house

If I hurry I can probably come with you

You can take--!

My house like a good child sitting at the end

Hubby—I got something that might help out, you can take---

schh (muscle tighten sound)

This loser's attitude must be apparent to Akemi strange what way did he get her?

AaaH?
Why do you want my number?

S...Sorry.
Give me your cell number so I know it.
Sorry

If that's the way it is then, eh ok

Because I will need to know, your insurance, and to check up on you two!

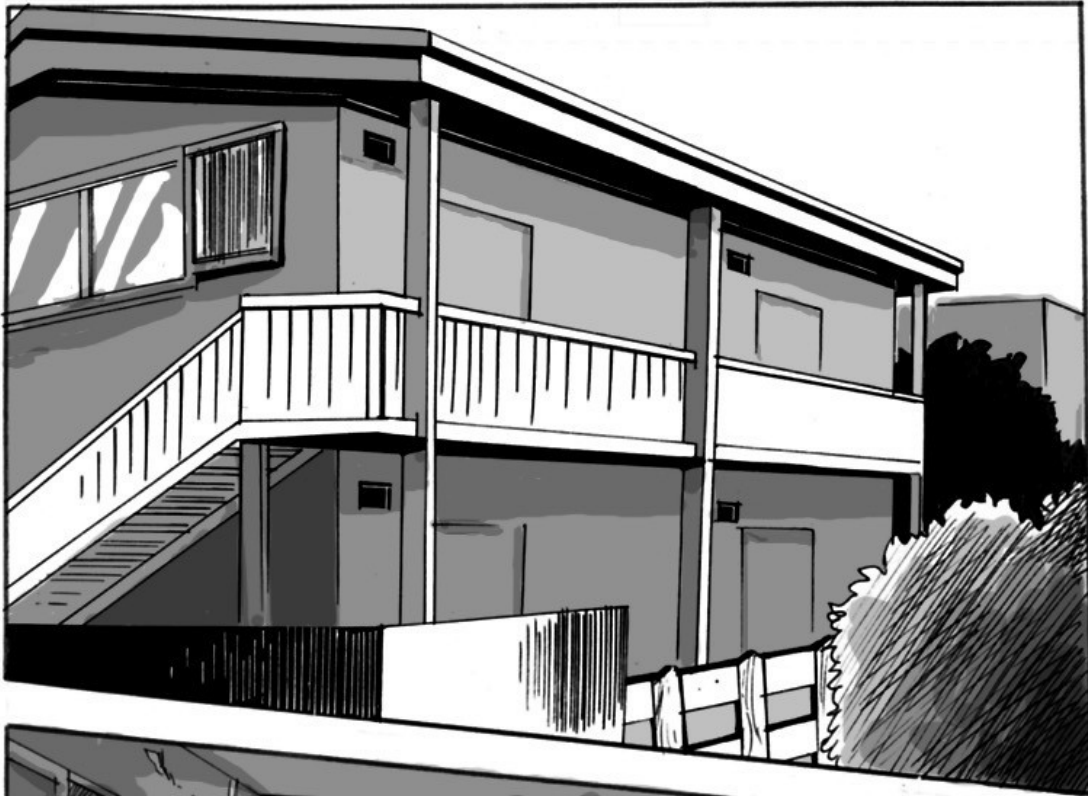

Just in case you have more questions, right!

Now this is to call me in case of

Akemi being so open she is not even concerned ...She should be the one worried

The thing or cash this poor guy has she has become accustomed to, a force that keeps her with him

A foot
up well
...Cleaning up a
bit might help
Hama-san...

はまさん

はまさん

はまさん...

Its so smelly!
If you open a window
the horrific
raw smell will
be gone,
but it will
be the same.

p m 12:00

What?

Yes.
Be—
a toast
to him

What is
keeping
you there
Akemi-San?

ゴ"***

Ka-----!
You and
me ehhehh!

Be
be---him?
So
Defenseless

Sorry
Akemi-San,
You think if
I substitute
for him
that it
will be good?
It will...It Will!

Something is
making my body
feel so hot...
which----
it burns

1 hour
to
ourselves

ku...ku
what is
going on?

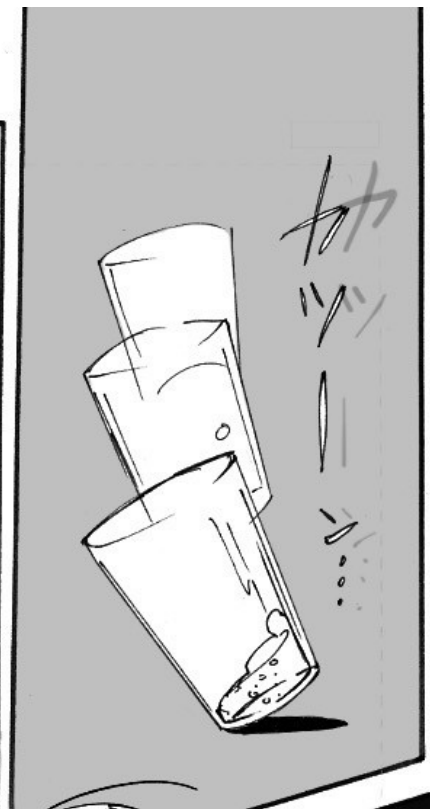

?

KUKUKU
the drug was
very effective
on her

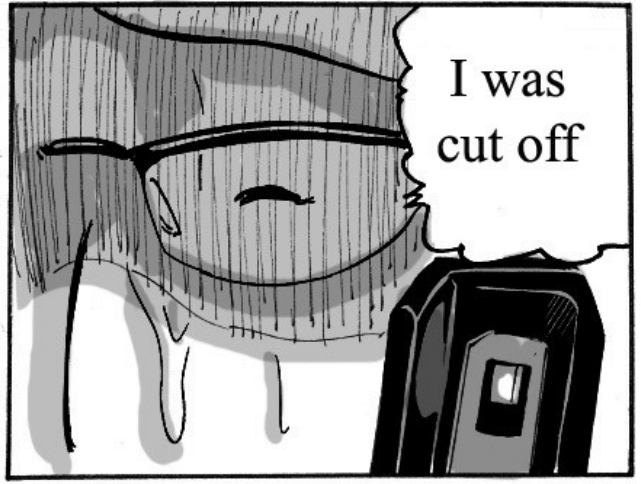

Akemi-San
pic up
the
phone...!

You
conceited
wife...
I will have to
punish you

I was
cut off

Women have a
habit of using a
conceited mouth
you hear me
it is possible to be
warned by
the breasts

I can't be shy
with your body,
or the lashing
will do nothing!
How is this?
This! This!
You like me
doing this

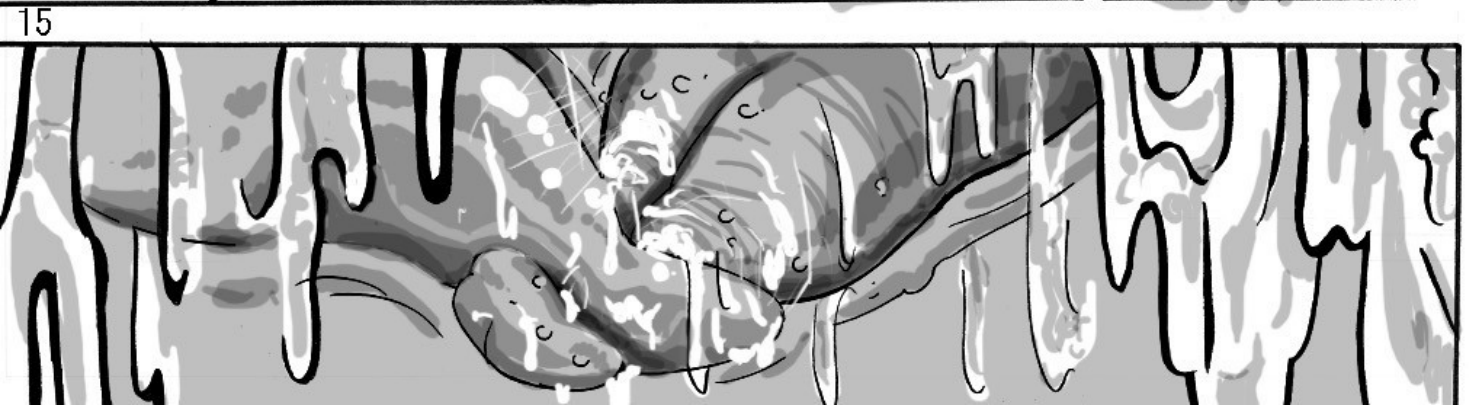

Looks like my fondling caused your nipples to break out, you have no shame

You slutty Wife!
You know the reason why eh these breasts

Your such a slutty wife, my private slut—
Be grateful I'm making you this!

You are brought up to be lashed by your husband preaching togetherness, but these huge breasts are empty! They bring temptation to a man like me! EH EH!
Foolish to think these would not make me wonder about the inside when they do.

You feel that!
You—your dark complexion your a wife made for reproduction!
This would be concerning to some!
You probably wont know it though!
Although you have all that is need to have a child and fell it!
Doesn't your foolish husband must not rub these all that often!
Or you wouldn't feel like this so quickly.

Cripes?

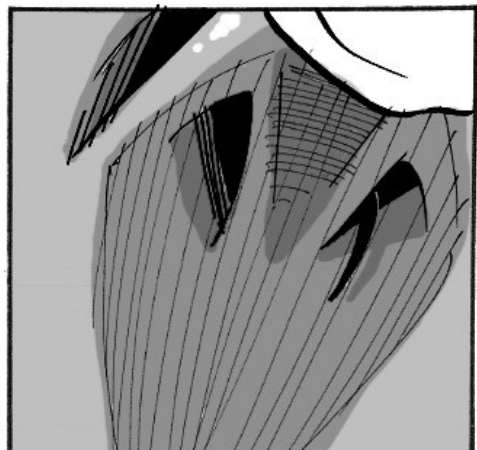

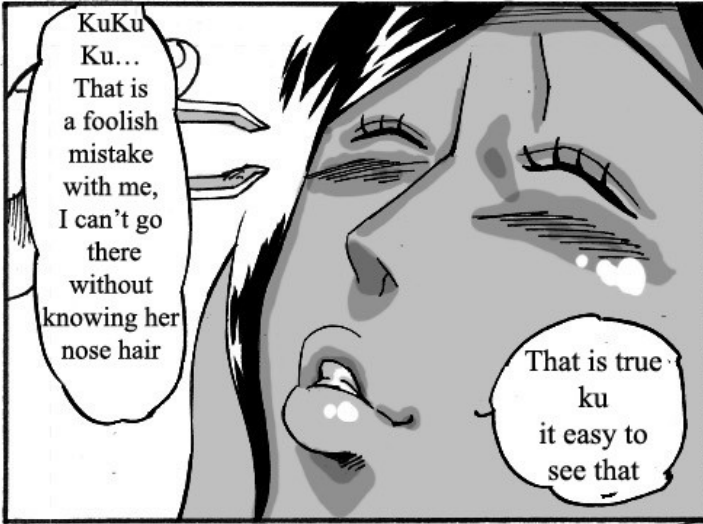

いよ
あ

This
is
good

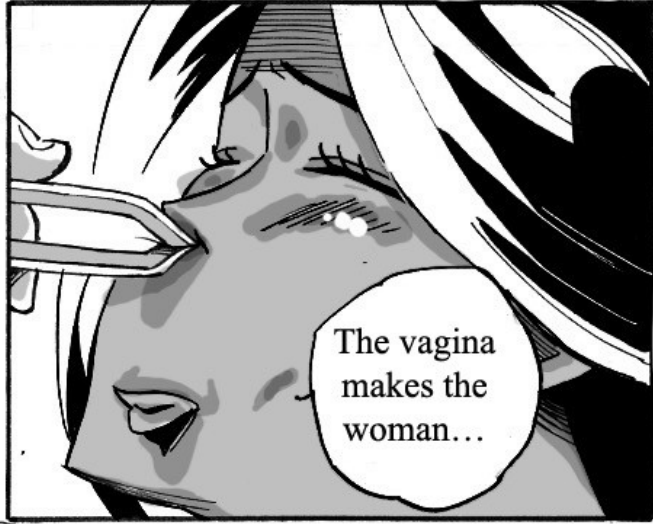

Akemi-san
missed
one of her
nose hairs today,
could that
also mean that--
kukukuku

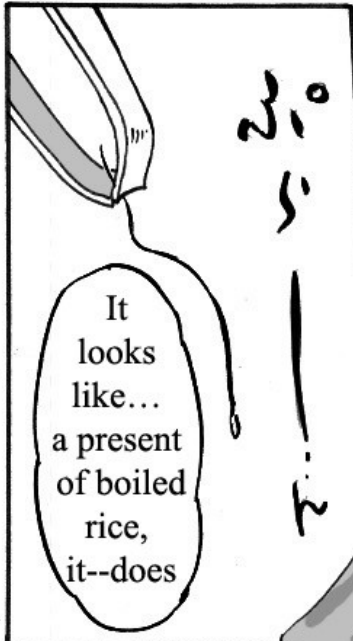

KuKu
Ku...
That is
a foolish
mistake
with me,
I can't go
there
without
knowing her
nose hair

That is true
ku
it easy to
see that

The vagina
makes the
woman...

It
looks
like...
a present
of boiled
rice,
it--does

う
う
う

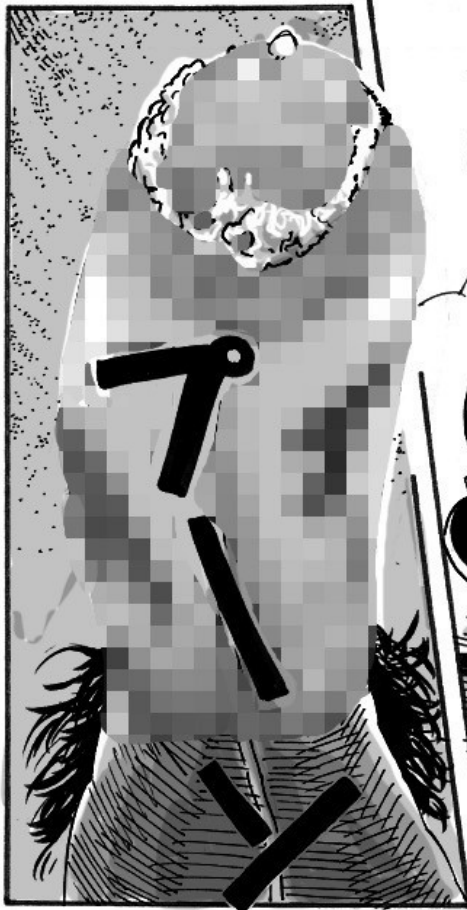

Nevertheless,
I can't leave
the face undone
with Akemi's
nose hair

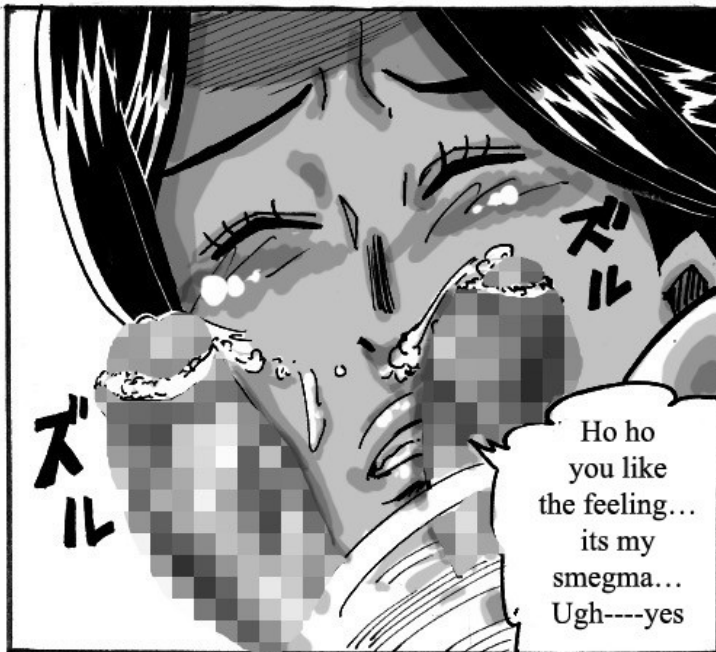

Such a face
causing fear
for going after
the vagina,
you preach
this out
of habit

う
う

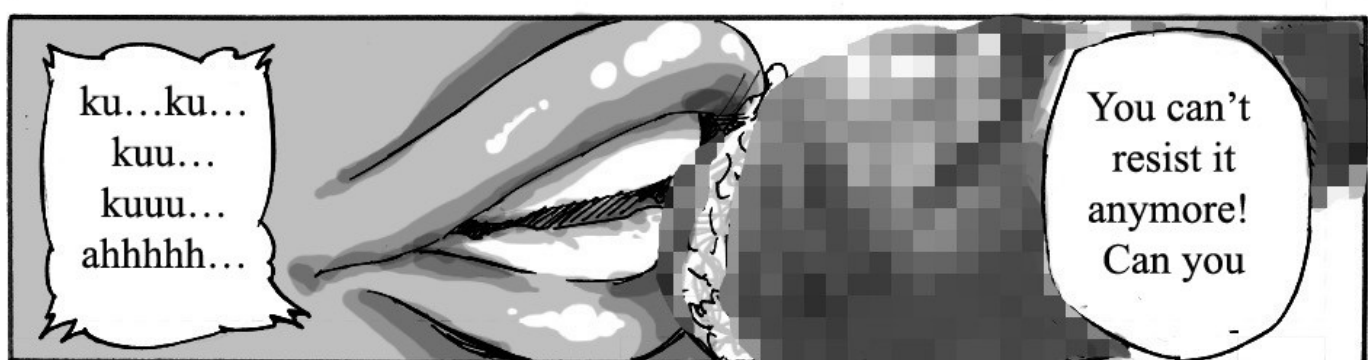

Ahh—
already to
embrace
after vieweing
I will
happily
insert.

Ho ho
you like
the feeling...
its my
smegma...
Ugh----yes

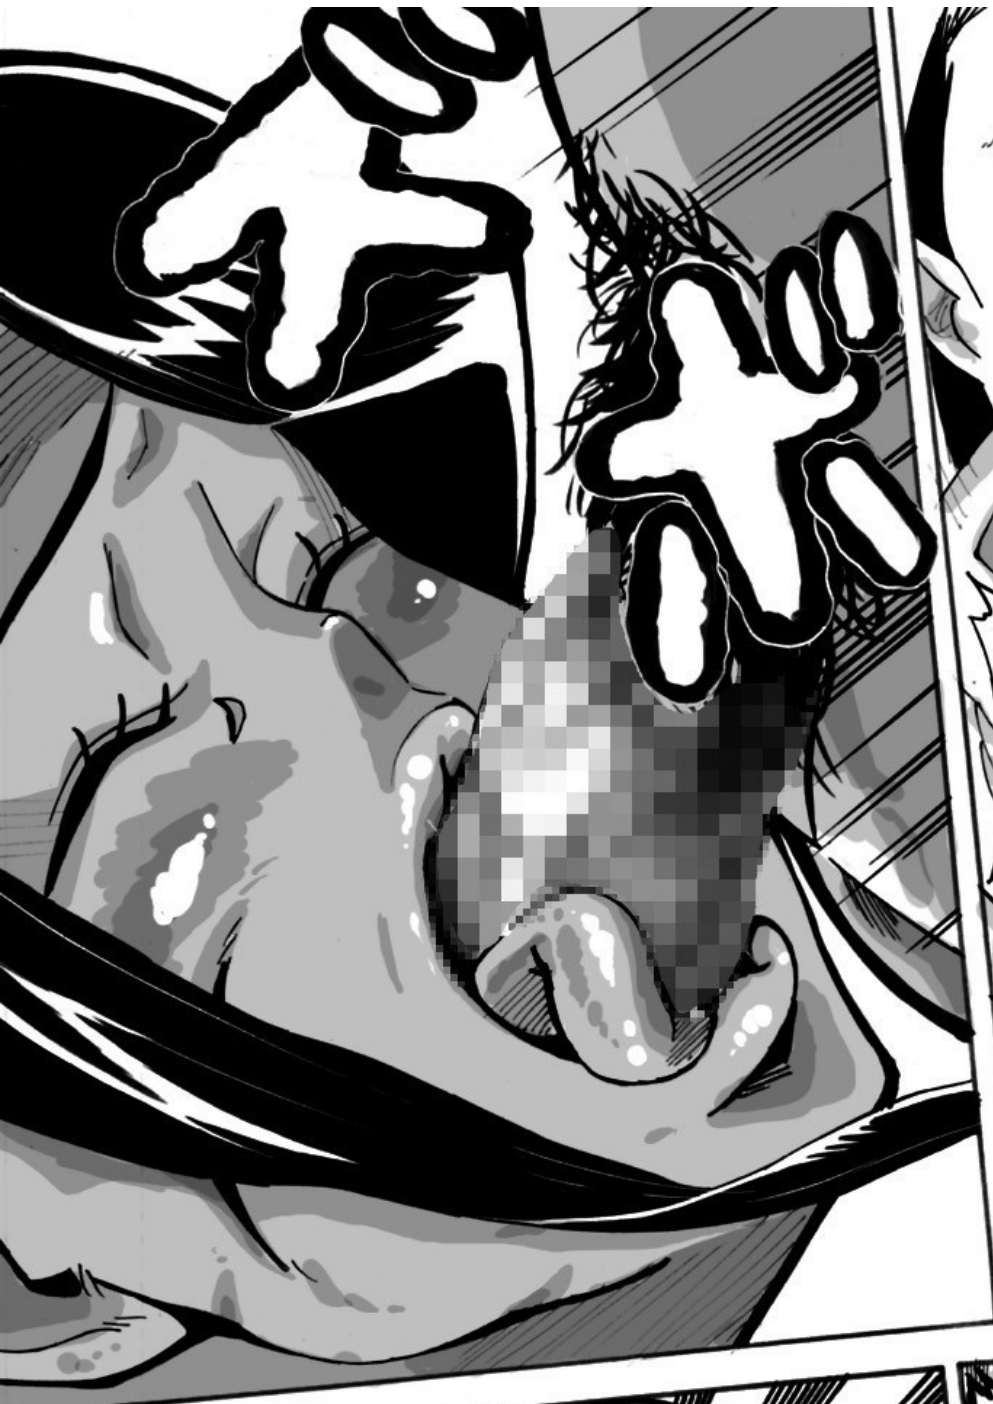

Well...do
you like
the smell
of it—yes
...you're
not
stopping...

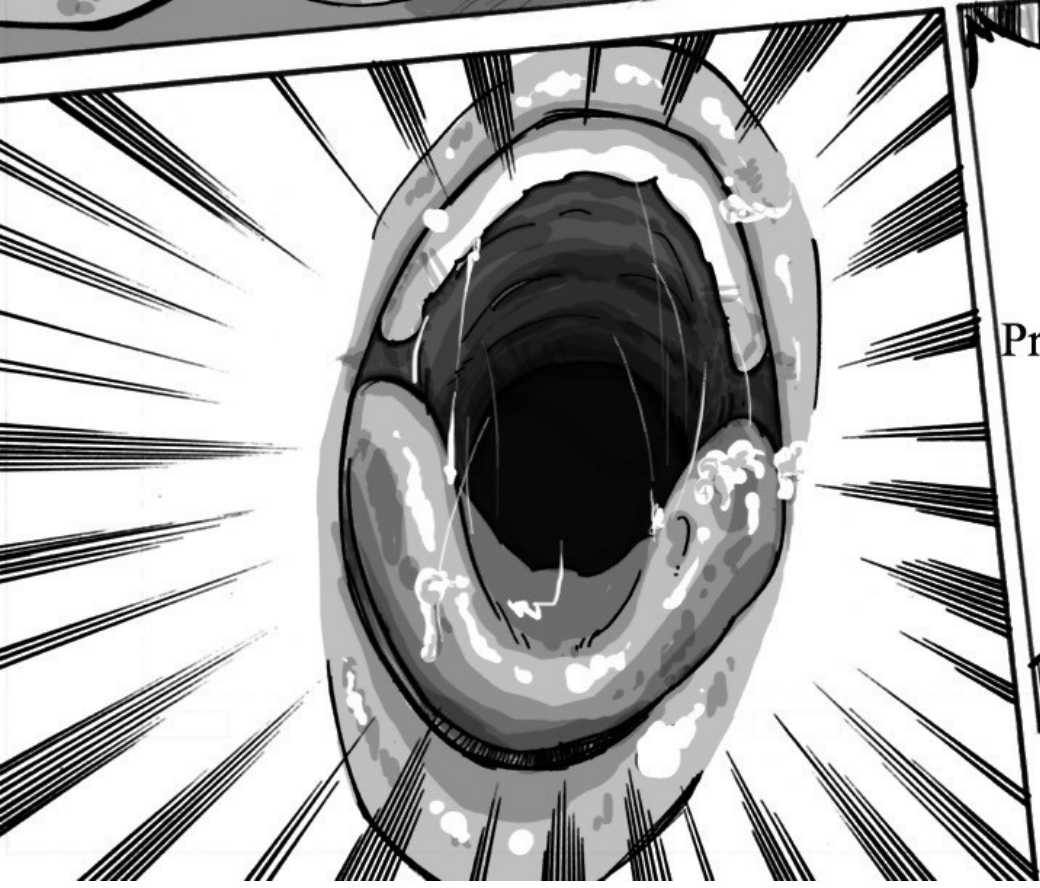

ku...ku...
kuu...
kuuu...
ahhhhh...

You can't
resist it
anymore!
Can you

My meat
went in
so quickly
this oral work
is..is

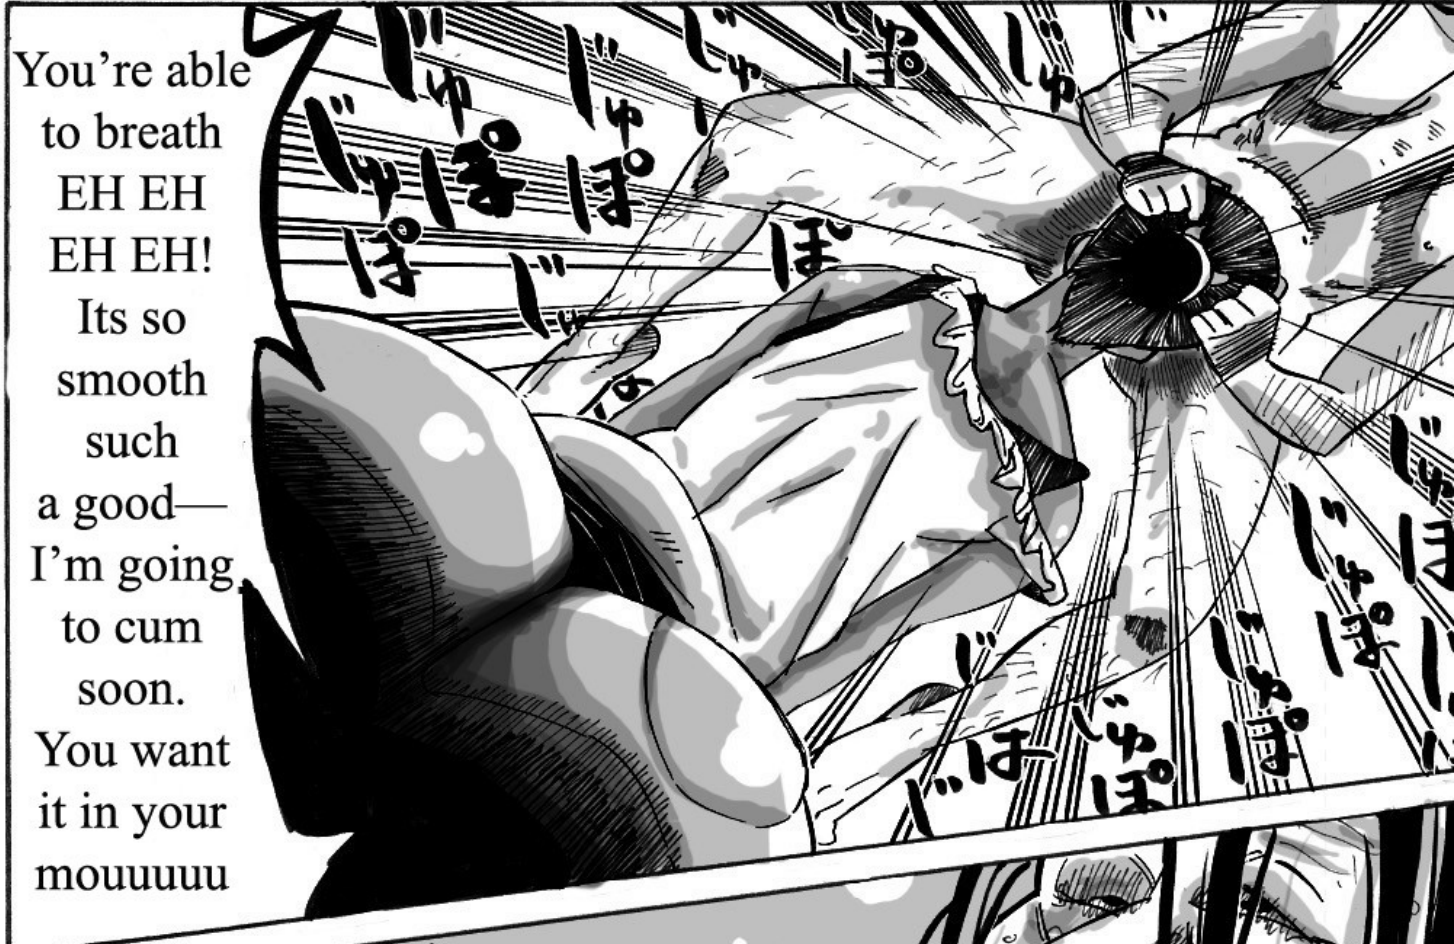

is
a
Present!

Yes

jiya

You're able
to breath
EH EH
EH EH!
Its so
smooth
such
a good—
I'm going
to cum
soon.
You want
it in your
mouuuuu

Its already
useless to
stop now
and pull out.

YYYYYY
YYYYY-----

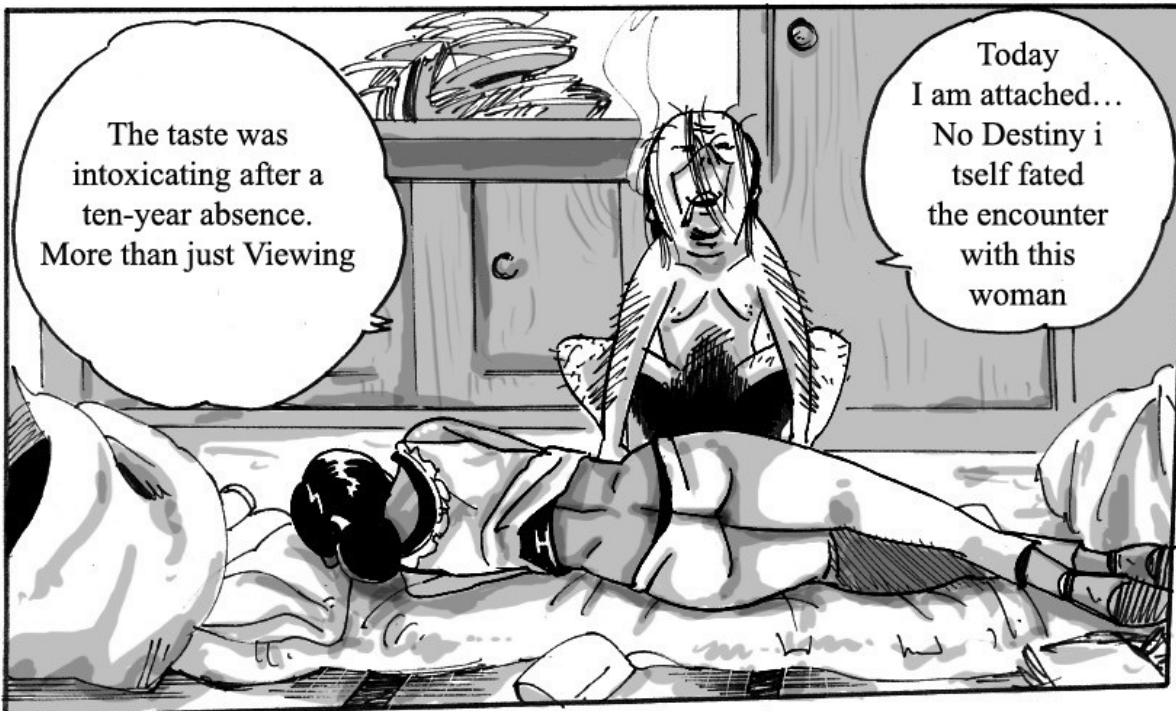

YES
YES
YES
YES
YES

If I understand that losers address is close... I should see it soon and I'll be there

I was cut from Akemi-San almost an hour ago and she hasn't called me back...

The taste was intoxicating after a ten-year absence. More than just Viewing

Today I am attached... No Destiny i tself fated the encounter with this woman

I'll use your chest to make me feel good.

Next ...

Getting myself... into a good woman.

You're wrapping
around me like
a vagina
a foolish
action again

No one could
resist these,
Akemi's
conceited face
looks ready to handle
what I am saving,
GOOD!!

Akemi's
ravine your
pious way
makes it,
YES!

My
second
time...
Here
it comes!

Gradually
the putting out
and the drugs
effect will
wear off

Ahhhh...
Your face
has changed
to a
slutty face
where...

pm12:45
15 minutes left

プツ...

...the foolish husband?
...lets see what he says

Well

Pussy...
The phone just got busy,
who is it?

Your being so selfish,
you can wait fool!

Great!

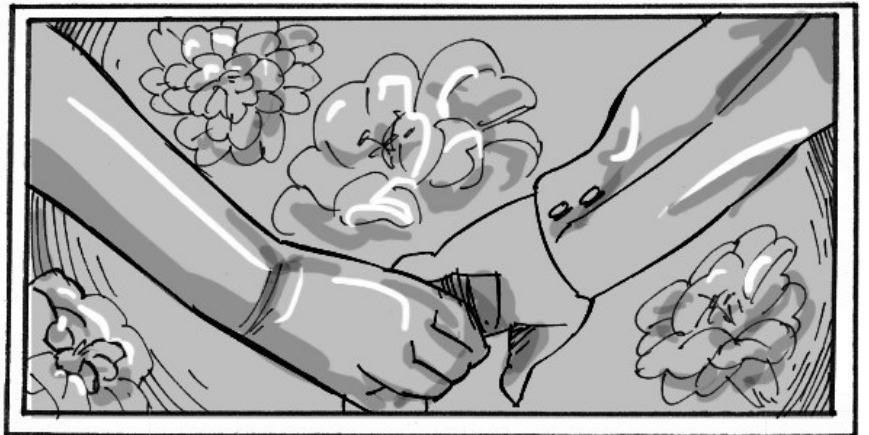

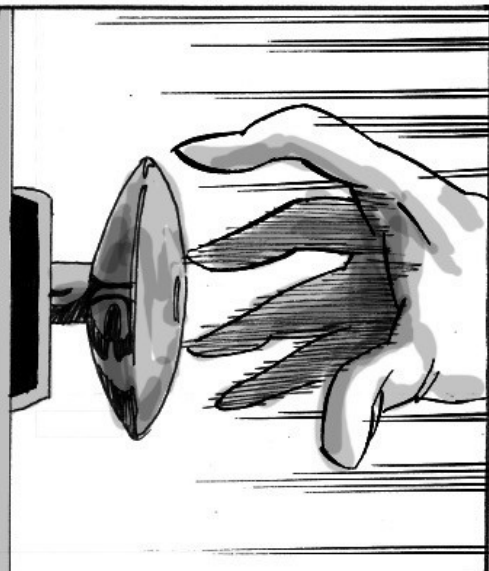

I'm at the apartment—
Would it be good for you to come down?

Sorry...
I worry for Akemi-San.

Wait for
Now...
I need to
finish
something...

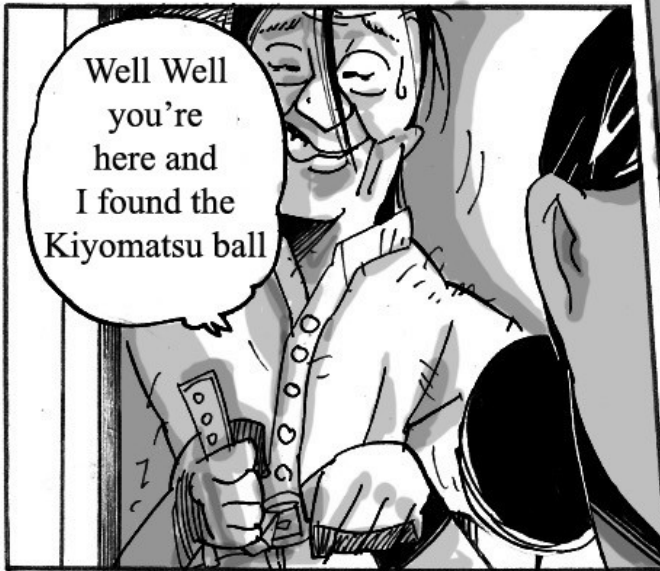

?...
What are you talking about?

Eh...
are you all right?
Is something wrong?

Whuaaaa...
is that you Taro?

Well Well
you're here and
I found the
Kiyomatsu ball

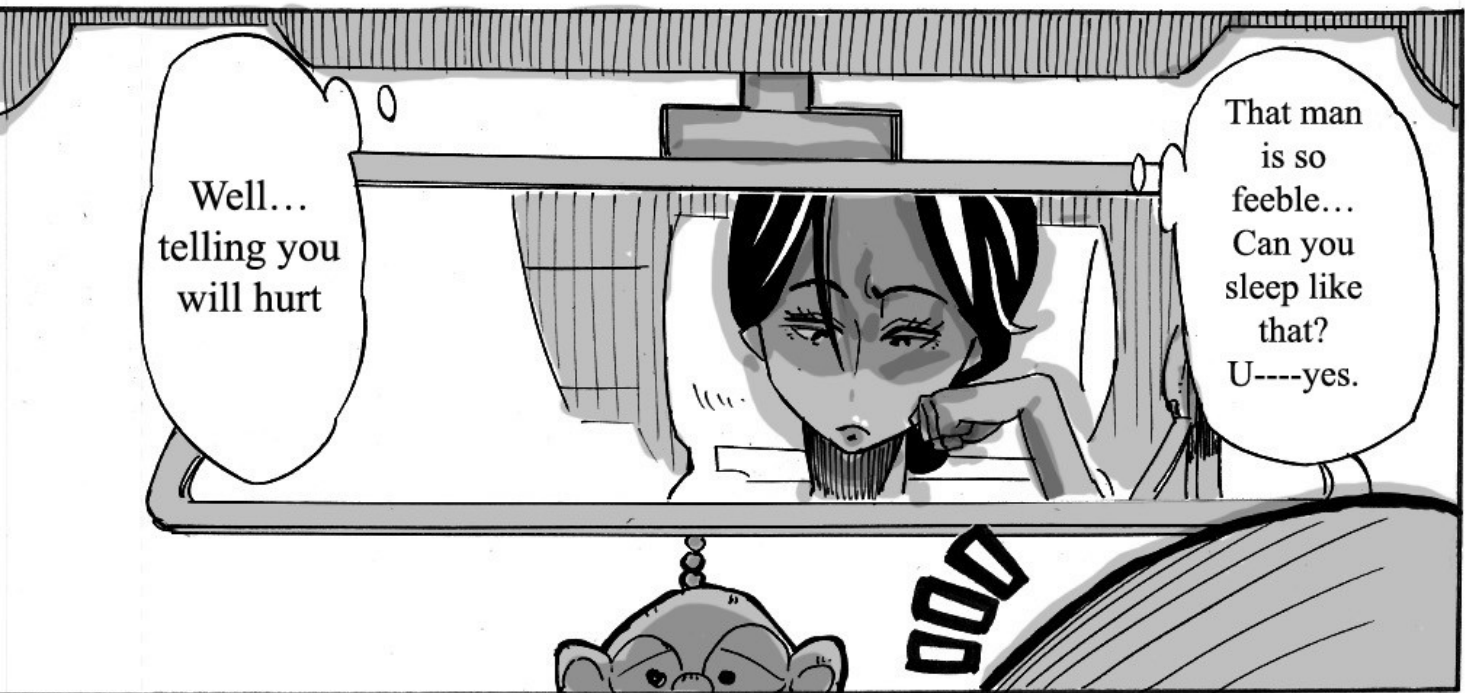

Let's go to
the mountains,
Akemi-San...

A...
Well,
if there
is more,
just call

Signed
by
Kiyomatsu

Yes
Akemi

No way
did he...

Kukukukuku
Akemi...
We are
already one
