This fall, while we were preparing for the exams...

I love you, Kana-chan!

I've loved you for as long as I can remember!

I have for a long time!

I, Sugiura Kanata...

Please go out with me!

was confessed to by my childhood friend Yamano Yashio.

Hang in there, Kana-chan!

Kana-chan!

Kana-chan, stay back!

Although, from time to time, strangely enough, his manly side would pop out.

Geez, you look pathetic!

Wait! Kana-chan!

Ever since we were kids, he always had a kind heart, and followed me everywhere I went.

And every time I looked at him when it did, without fail, my heart would start beating faster.

Grrr!

Wah!

C'mon! C'mon! Hurry!

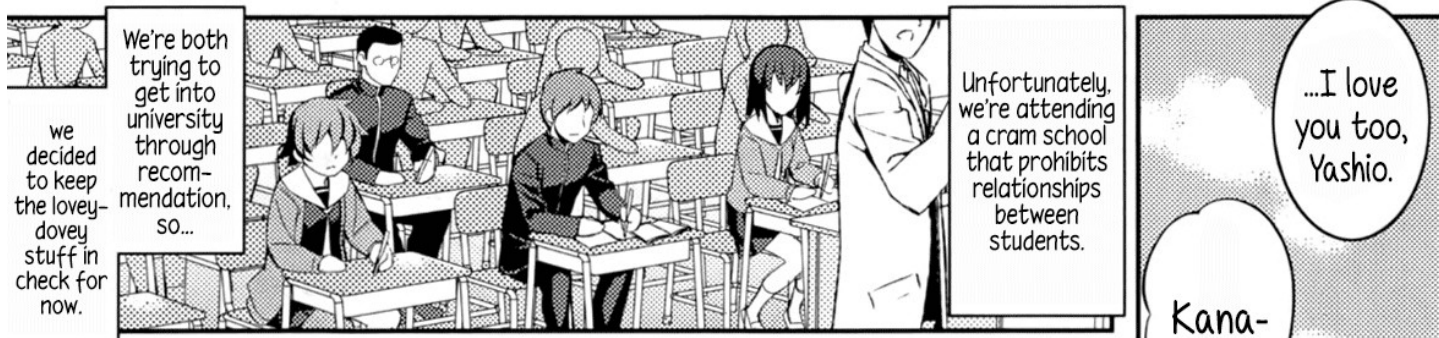

Huh?

That's not fair, Yashio.

I wanted to confess first.

Kiss

we decided to keep the lovey-dovey stuff in check for now.

We're both trying to get into university through recommendation, so...

Unfortunately, we're attending a cram school that prohibits relationships between students.

...I love you too, Yashio.

Kana-chan...!

are enough to calm my heart.

and the short moments where our eyes meet...

Even still, the fact that Yashio and I are an item...

And that was how we started dating. Although...

The desire to do *that* just keeps getting stronger.

Except not really...

I can't believe how shameless a girl I am...

Oh, gosh...

you shouldn't do that in school, Kanata.

...No matter how much you miss Yashio-kun...

Hah...

I understand that you're lonely, but...

You really should mind the time and place...

Since when you were about to climax, I believe...

Wah?! Y-Yoshino?! How long have you been there?!

Of course I do!

I've been friends with you for a long time. Not as long Yashio-kun, but still...

Y-Yeah, you're right...

Wait, you know about us?

So this is where you were, Sugimura-san.

Weren't you dating someone too...?

Ah?

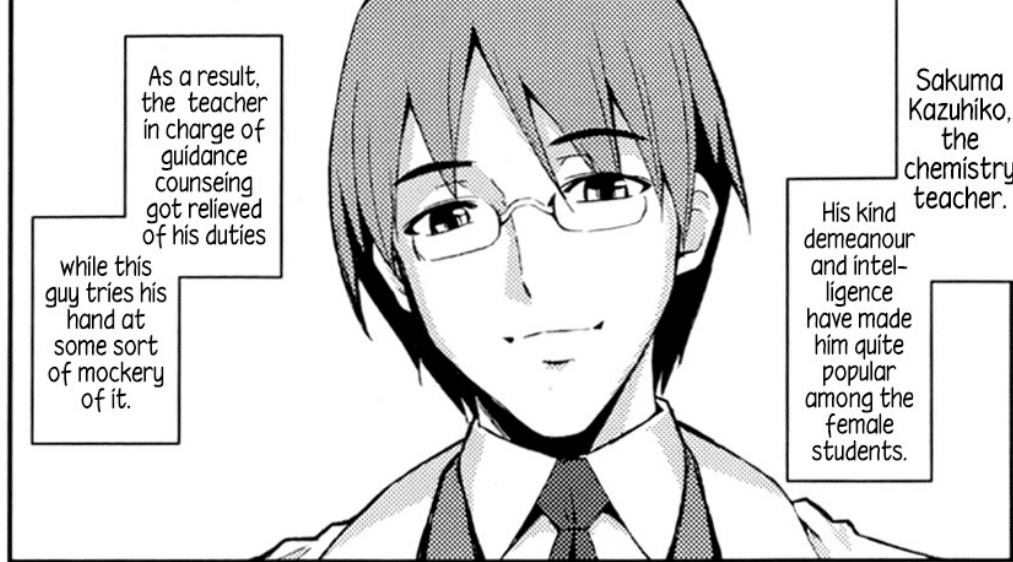

And what about you, Yoshino?

Yeah, we would...

This is really bothering you, isn't it? I mean, you both want to get recommendations.

If the school found out, you'd be in trouble.

Let!
Go!!

Please

Huh?!

So you don't care if Amano Yashio gets expelled?

I'll even go so far as to ensure your academic futures.

If you let me do this to you, your recommendations will be safe.

However, I'm nothing if not a lenient man.

You, yourself, said you would do anything.

Well this is your punishment.

Suddenly, this whole thing doesn't sound so bad, now does it?

You may even unconsciously start enjoying it and forget it's a punishment at all.

Besides, I'm somewhat of a savant at pleasing women.

You're scum...

Excellent response, Sugiura.

Fu fu fu

And now I know why! You're a piece of trash!!

I've never liked you!

That defiant attitude of yours is like a breath of fresh air.

You know how popular I am, don't you?

I can't tell you how absolutely bored I am of meek, submissive girls.

However!

Damn it!
Don't get
carried

Your
futures
are in my
hands.

You'd best
mind your

girl.

Not even
Yashio would
forgive me
after some-
thing like
this...

He'll steal
my lips...
and my
first time...

No... If this
continues, he'll
do even more
shameless
things to me...

I have
to save
them for
Yashio.

All the
important
things...

No!
Anything
but that!

I belong
to Yashio!

I have to
protect
them!

Fine...
I get it...

I'll do anything to prevent him from crossing it.

But there is a line I will not let him cross.

I know he'll do all sorts of shameful things to me.

I'll pretend to follow his orders while looking for a way out.

I'll take your punishment.

But...

For Yashio...

I will protect myself for Yashio...

I have...

one condition.

Whatever it takes...

But remind me, what was it that you were gnawing on until just now?

Mh guh!?

I'll show you just how meaningless that is...

You're a real comedian.

You're planning on keeping chaste for Amano, right?

I'd never let anyone other than Yashio kiss me!

My real first time is Yashio's and Yashio's alone!

I'll engrave your depths with my shape, as befits you as a woman!

Even if it's anal, I'll be the first man inside you.

Get a good taste.

You're wrong!

You're not doing anything of the sort!

When this is all over, I'll go to Yashio and we'll...

Yashio...!

Yashi... Ooh...!!

Ah...!!

No!
No way!

I can't believe it...!

I-I was already full!

Why would you push it farther inside...?!

Like this!

It can still go much deeper.

What are you talking about? It's not even halfway inside.

That's... too deep...!

No...!

Aaah?!

Aaah!!

You can't...!

No! Stop!

Please wait!

I can feel its shape as clear as day...!

My ass feels like it's on fire! It hurts so bad...!

All because of that *thing* running through me despite my protests.

Damn it... I told him to wait!

But he's moving without a care!

Uhh... ouch...

Au!?

Why are my insides tingling...?!

So why?!

is making me feel sick!

All this is doing...!

You're finally getting into it.

No!!
Oooh!!

Wah

I'm not enjoying this at all!

D-Don't be stupid!

I was ready for you to start bawling and screaming like a banshee.

I'm glad you're enjoying it.

Fufufu! How rude.

Well, in that case...

They won't stop shivering...!

Every time he thrusts, it's like an ever growing shockwave!

Aaah

When I'm done with you, you'll be a perverted virgin who can orgasm from womb spasms!

I'm going to keep thoroughly training this spot.

No...

Even though I hate it...

I can feel you trembling every time I thrust.

You have a small body, so even if there's a thin wall separating it from my dick, you can still feel the vibrations, right?

It's rapidly spreading outside my womb...!

It feels completely different from when I was masturbating...

A ha ha ha!

He's making me cum... against my will...!

I can hardly wait, Sugiura!

A pure flower bud is easily tainted with desire...

The girl who said she loved me...

Some men I didn't know were kind enough to help me by letting me have lots of sex with them!

I've been practicing a ton to be able to pleasure you, Yashio!

Of course, the best way to figure out how to was by doing it with other people.

My insides feel real good, don't they?

Nhfufu!

So don't hold back!

was lured away behind my back...

A ha ha ha

But since ish you, Yashio, I don't mind if you have a premature ejaculating pecker!

Ish sho shoon tho!

Ka-Ka-kan, what are you...?

Wah?!?

Ahaha! Are you cumming, Yashio?! Are you?!

I don't know whose it is, but I'm already pregnant!

Don't worry!

What?!

Like I could cum now!

My pussy is aching for a taste of your semen!

C'mon! Cum inside me!

with your premature ejaculation goop!

C'mon! C'mon! Hurry!

I want you to drown my pregnant pussy...

The tainted flower bud blooms!

I though something smelled kinda fishy, but...

So I won't be able to join you on your way home for a while.

The school committee asked me for help...

When we graduate, I'm gonna...

But it'll all be over soon.

maybe that's just because I wanted it to...

Having to keep my distance... Not being able to touch her... It's tough...

Nah, this boner's gonna need at least three more rounds to fix!

...Alright, one more time!

What did I teach you to say when you're cumming?

Aaah!

I'm cu...!

I'm cumming again!

Ah! Aah!!

from having my ass-pussy...

I-I,

Sugiura Kanata...

Aah! Uuh!

Come on, if you don't say it, we'll be here all day.

Th-Thirteenth time...

Thirteenth now. Have you lost count?

have for the... tenth time...

reached clima...

aaah?!

Two weeks have passed since the day Sakuma started playing with my body.

Usually, what he'll do is, with minimum stimulation,

make me experience orgasm after orgasm...

but it's like every time I cum, the sensation snowballs and becomes stronger the next time...

No... I thought they were just orgasms...

That never-ending cycle continues until I lose consciousness....

and the day finally ends.

Unfortunately, neither of my parents come home that often because of work...

so Yashio's parents are usually the ones who take care of me.

In order to prevent them from figuring out what's going on...

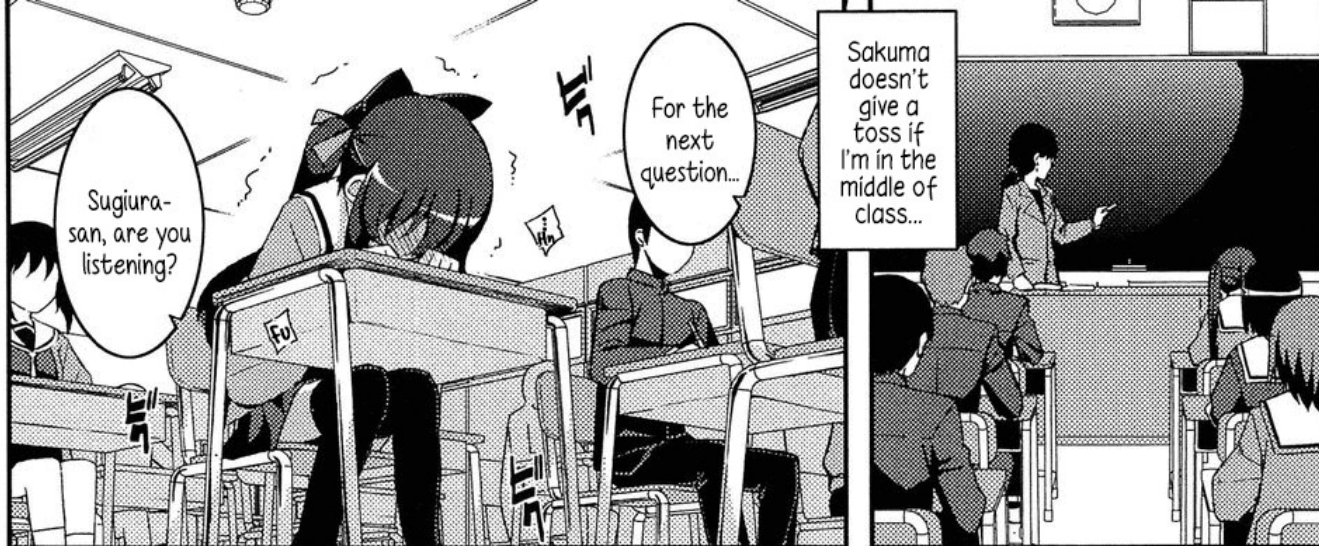

I've had to fake my usual good behaviour and make up the excuse that I was working late with the school committee.

It'd be really bad if they found out...

But thanks to that, Sakuma can do whatever he wants to me, be it during the day or night.

Yes, this doesn't happen just at night...

If anything, it gets even worse during school hours...

Sugiura-san, are you listening?

For the next question...

Sakuma doesn't give a toss if I'm in the middle of class...

In fact, I have the sneaking suspicion that he's watching me...

Then answer the next question.

He forces me to wear a chastity belt...

that continually stimulates my body.

Ye...s!

The quote "Let them eat cake" is a good example of the relations between the populace and...

[The French revolution was when the French monarchy and the old regime collapsed...

He always makes it vibrate stronger at just the right time...

to rile me up me with embarrassment.

I've tried to resist this punishment many, many times before, but...

I realized just how futile that was a few days ago.

Correct.
I know
you're going
for a recom-
mendation,

Now, for
the next
question...

while
I...

Are you
alright,
Kana-
chan?

I must look
like an idiot,
trying to
frantically
stifle my
voice so I
don't get
busted...

Damn it...
He's just
doing
whatever
he wants...

Your face is red and you're breathing heavily...

Are you feeling well?

Ya... shio...?

and Yoshi-no...

Kana-chan?

Mh?!

Ku!!

Uh!!

I'm... FINE!

It's just a sneeze...

I have a little cold, that's all...

I-I'm fine!

No...!

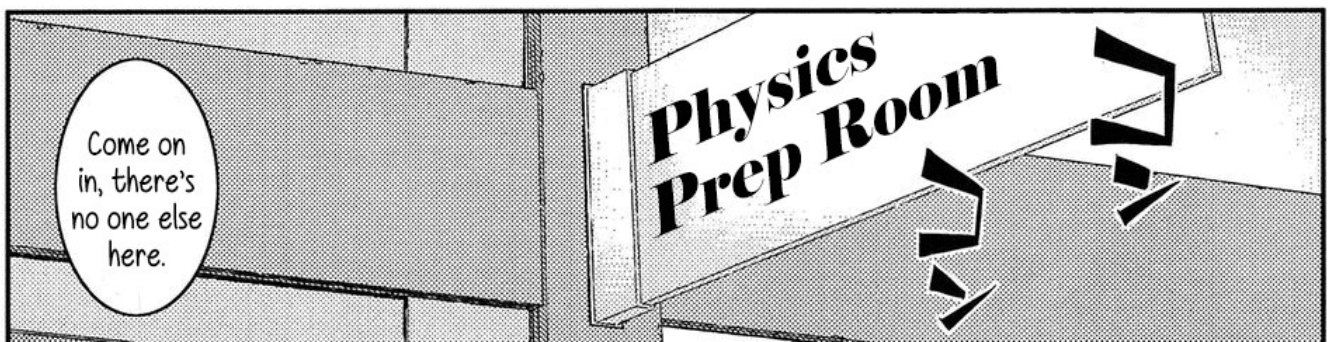

Okay, this is not normal, let's go to the infirmary.

C'mon, lean on my shoulder.

...Ha... Haha ha

I-It even made me tear up a little...

What do you need? There's still time until school is over.

Le...

Please let... me use...

your room...

Well, I don't mind.

This room is soundproof, so go to town.

Ah!

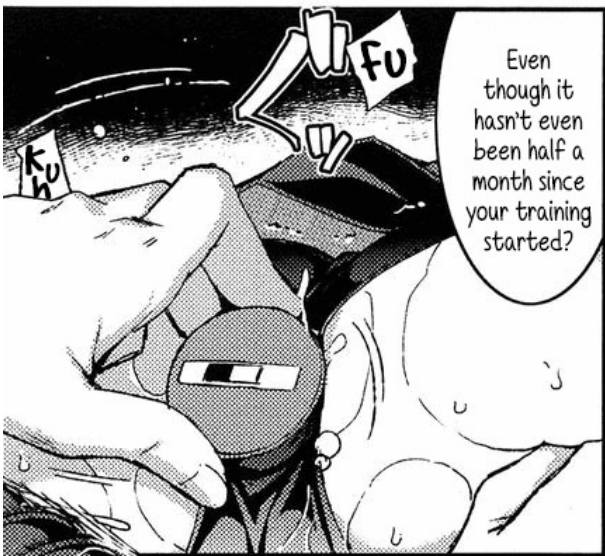

your sensitivity gets higher than normal.

I'm at... my limit...

Fufufu. It seems when you're in front of the boy you like...

Of course, if I go that far, your ass might become unable to close properly.

Being that my thing can slip inside your ass so easily now...

at this rate, very soon, being able to fit my fist inside you won't be out of the question.

If you do that, I'll...!

No!! Please... don't...!

ever-shitting crater might have its own merits.

Although, turning your asshole into a gaping...

Wha?

Ah!

Oh well. At least thanks to that, I can shove my cock in as deep as it'll go.

You know, your womb has become considerably slack.

Then start working your ass off and squeeze harder!

No, don't!

Pleash don...!

Aah?!

Nyoo!

Shto!

Aaah

Ha fu

Still, if I can get a reaction like this through your intestine...

Fufufu You suddenly started tightening up like a clamp!

Seems like you've taken a liking to uterus massages.

Who on earth take a liking to that?!

then if I crushed your uterus directly from inside your virgin pussy...

I wonder what would happen to you.

Shut up! Shut the hell up!

You... can't!

My first time is...

Fu da ah

But of course. I haven't forgotten.

Be honest, though, don't you want to see what it's like to have your womb teased directly?

Of course not!!

Every-thing you do to me feels disgusting!

Da da da not true!

Wha!?

Ah!?

It's almost the same as touching your womb directly.

If I push it deeper!

Your hips are squirming and your uterus is pressing down on me.

I don't care how many times you've made me cum, I don't need your rotten dick!

And my hips aren't moving at all!

Wouldn't it be better if you were just honest about the pleasure you feel?

Regardless of your unreasonable will to stay chaste... your body still aches for it.

That's all in your head, you freak!

I don't... need to!

Aaah!! No...!

Yashio's is the only one I want...!

Yashio's...

it would be a waste to not enjoy it to its fullest.

Since you have such an outstanding talent...

Whatever. The fun can come later.

You're still acting like you're in agony? God, you're persistent.

If this were Yashio's penis, It would definitely...

feel a lot better!!
No...! I can't think like that!

That's not why I fell in love with Yashio...!

He's making me cum!

I've let you have your way so far, but next we're going back to the usual.

Oh? You're cumming again, aren't you?

Aah, fuck. I'm cumming...

again...

A sign on the top right corner of the building reads "HOTEL LOVE GARDEN". Another sign on the lower right side of the building, featuring a heart symbol, also reads "HOTEL LOVE GARDEN".

Sakuma took me to a hotel room.

On the first day of the three day weekend.

A black and white illustration of a hotel room. The room has stone walls, a large bed with a white sheet, and a chair. A person is standing near the bed, and another person is standing near the door. The room appears to be a dungeon or a prison.

and Sakuma, who probably uses it all the time have some twisted design sense.

The people who sat down and thought it was a good idea to make this place...

This room looks like a dungeon.

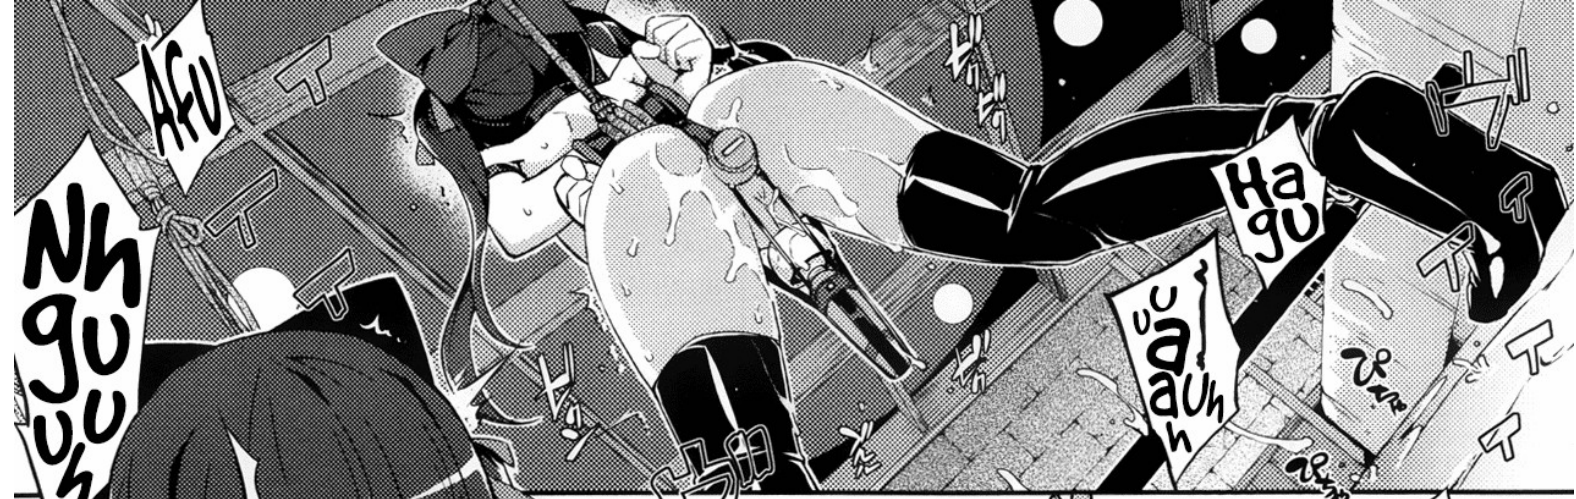

A black and white illustration showing a close-up of a person's back. The person is wearing a white shirt and a dark belt. There are some black marks on the back, possibly from a belt or a bag.

But to hide my fear and anxiety...

I went right back to pretending to be indifferent.

A black and white illustration of a young girl with dark hair and a headband. She is looking down with a slight smile. She is wearing a white shirt and a dark belt.

I cracked a little smile, as I thought about that.

Kikuma had told me he had been holding back in his own way until now.

And he took no time making me realize that he was not exaggerating.

My whole body is bound tight, and my privates have no time to rest.

I cum until I pass out, and then cum until I wake back up, over and over again...

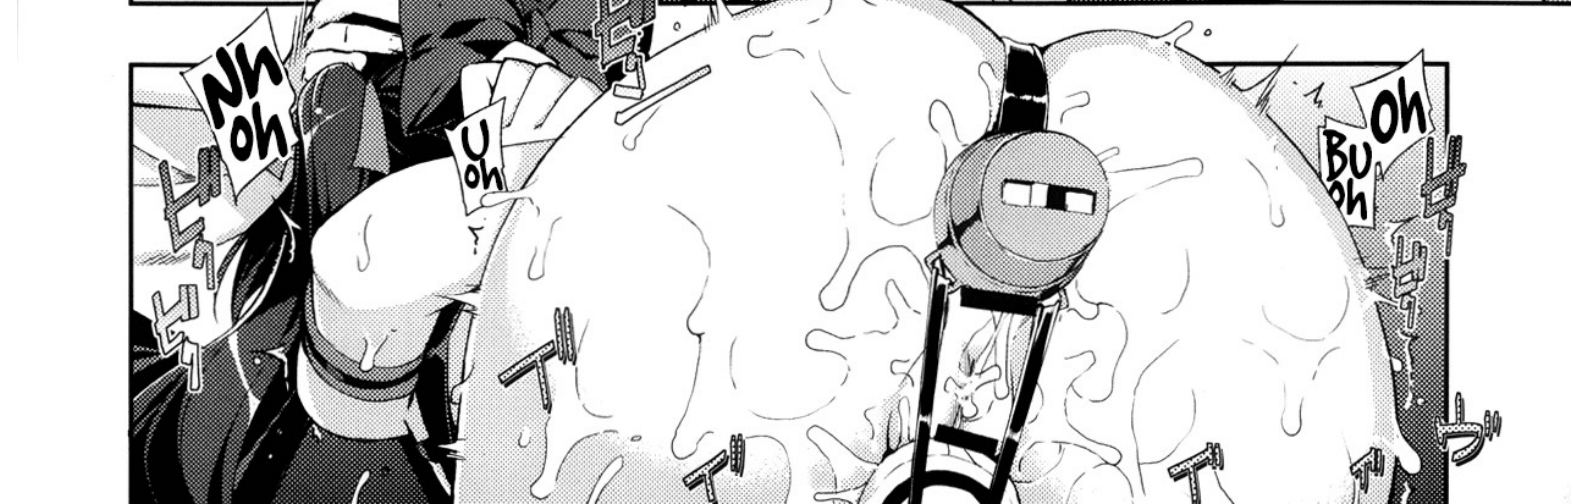

I've completely lost my ability to think.

My mind has gone blank.

Not even my reluctance to do something like this...

Ah!

Aah!

What was it Yashio said again?

Those memories seem so far away now.

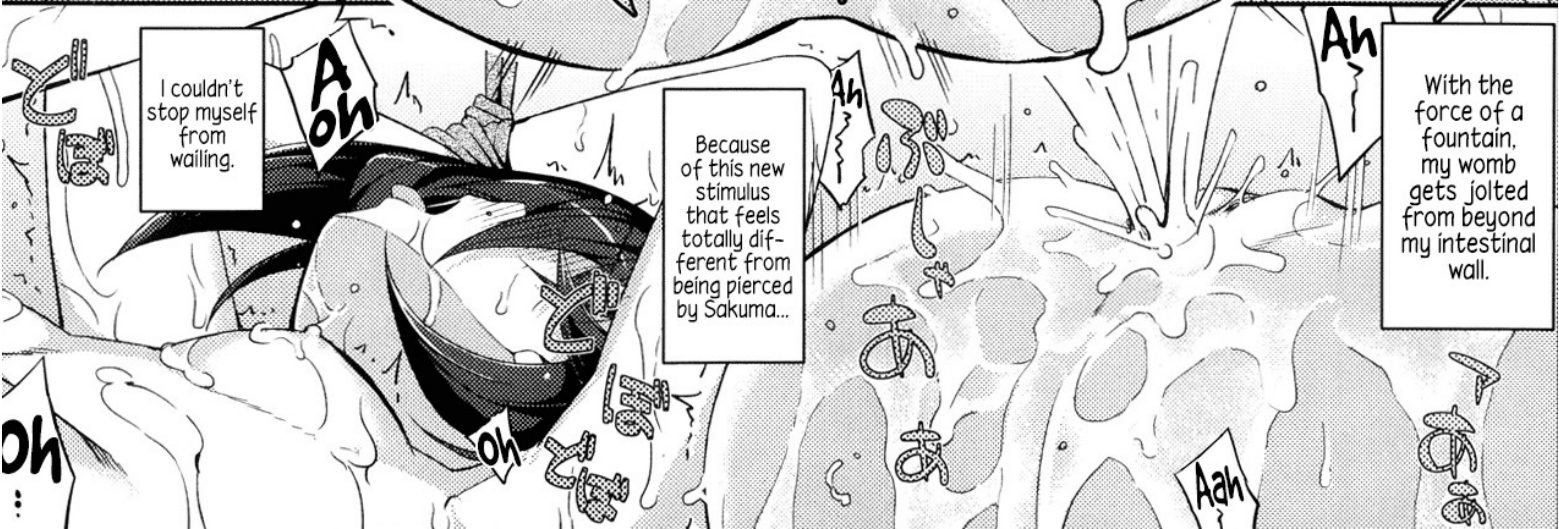

When it finally can't fill up any more...

My body is so sensitive now that it just lumps every intense feeling together with pleasure.

These unfamiliar feelings of pressure and dull pain feel more like fresh stimuli instead.

the flood gates open.

I couldn't stop myself from wailing.

Because of this new stimulus that feels totally different from being pierced by Sakuma...

With the force of a fountain, my womb gets jolted from beyond my intestinal wall.

I was surrounded by men I had never seen before...

looking like I was pregnant with my expanded stomach.

You've created yet another splendid inflated belly, Kikuma.

The contrast between her belly and her ~~schooler like~~ schooler like body is sublime!

Her face already looks like it's melting.

Is that girl seriously still a virgin?

I did as I was told.

Just having my hair and skin stroked is enough to make me raise my voice.

My now over-sensitive body is writhing in agony at even the tiniest touch.

I'm not losing to you!

Here I go!
