It's time big Sis
for you to make
me become a
man.

Here i come.

I wonder
if this....
Here is the
entrance?

Ah....

I came inside.
The sperm of
your little
brother is flowing
inside you sis and
you don't even
know it.

AH...

That was way to
quick. I couldn't last
long against the
incredible tightness
of your warm pussy.

I hope my sperm will
find your egg and
impregnates you.

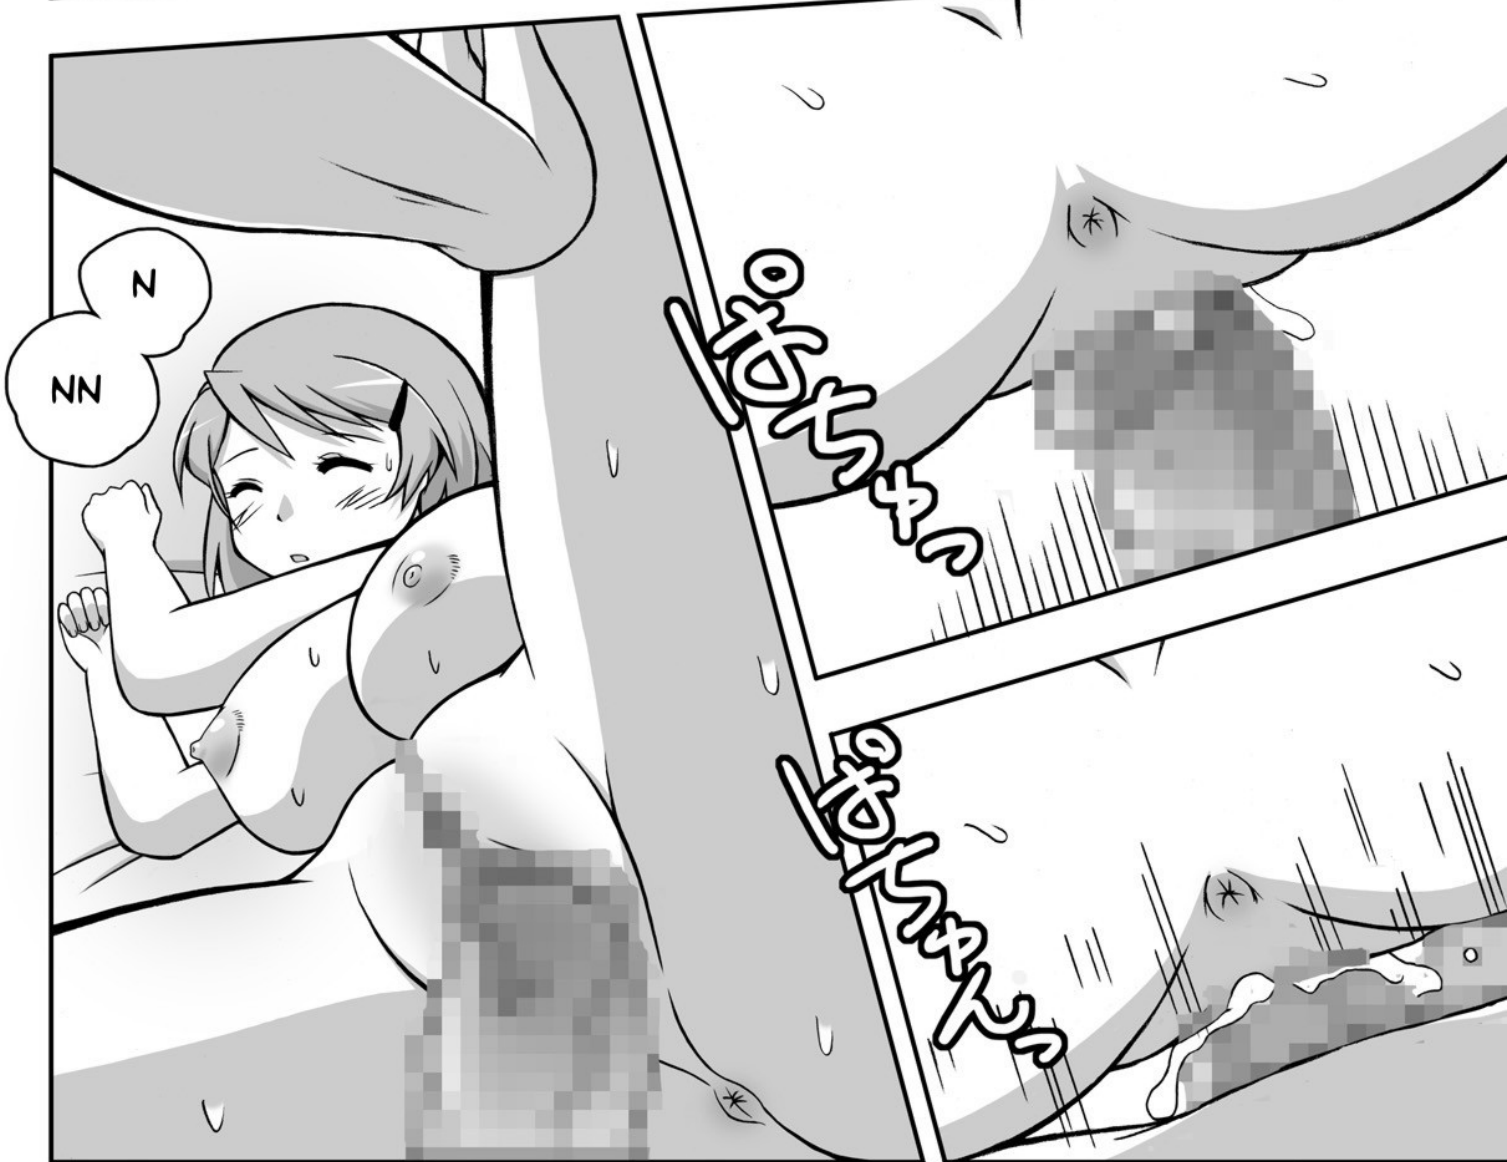

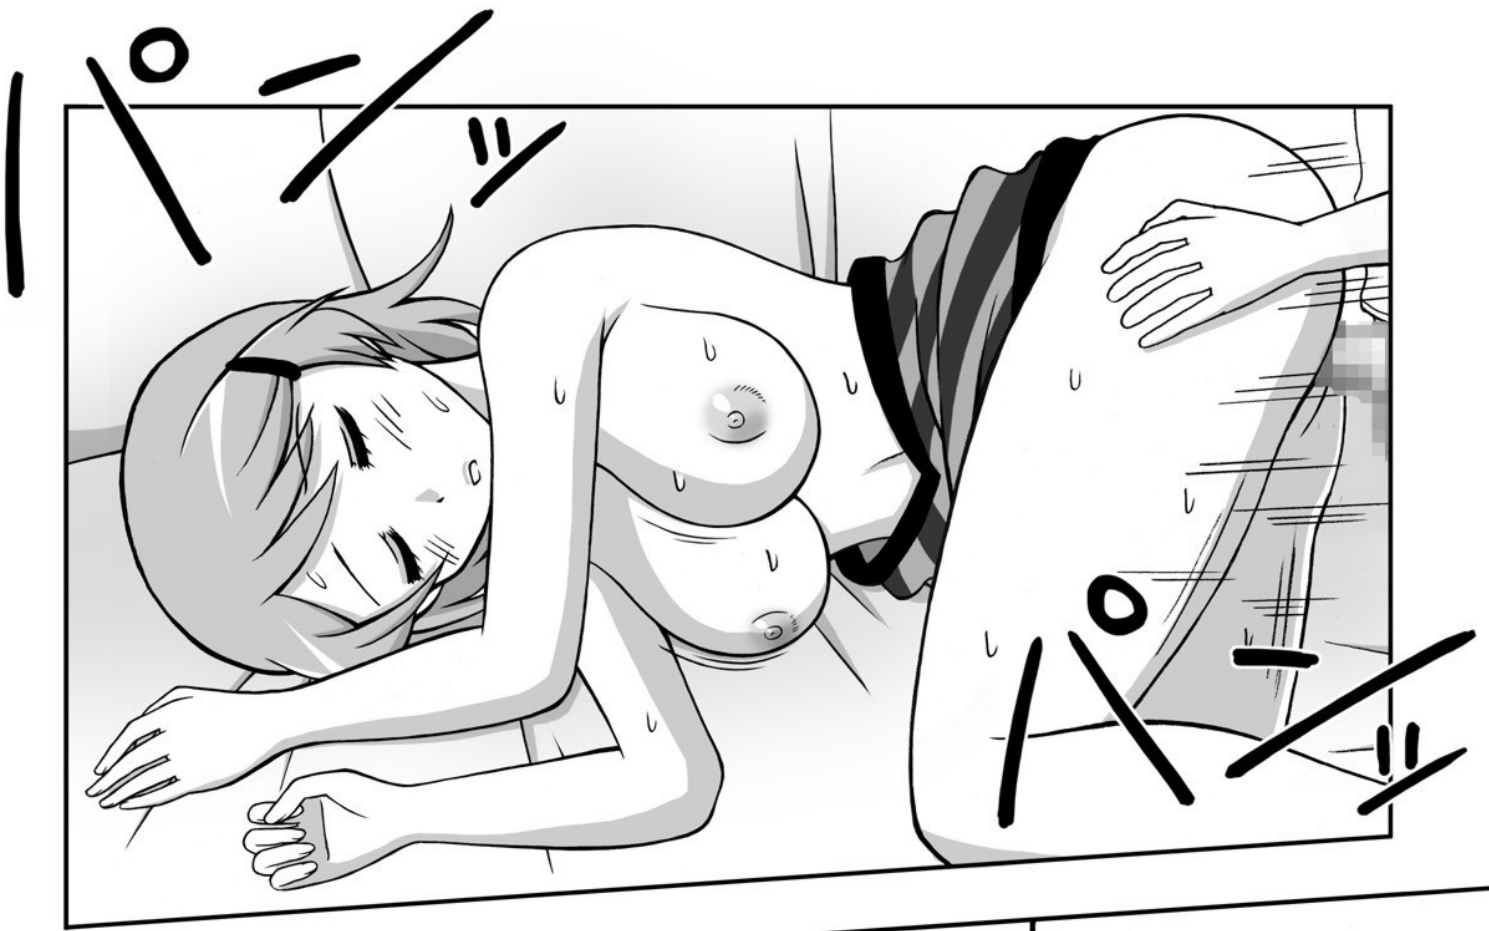

Your tongue is moving on its own? Sis just can't wait for her energy drink right? This time you should drink it all and keep it inside. Take it all.

cumming ahhhhh

Ah the sound she's making while gulping down my load. I hope she doesn't wake up from the feeling of having thick semen stuck in her throat.

Shit she's waking up...
but she doesn't react at all.
Is the drug still working?

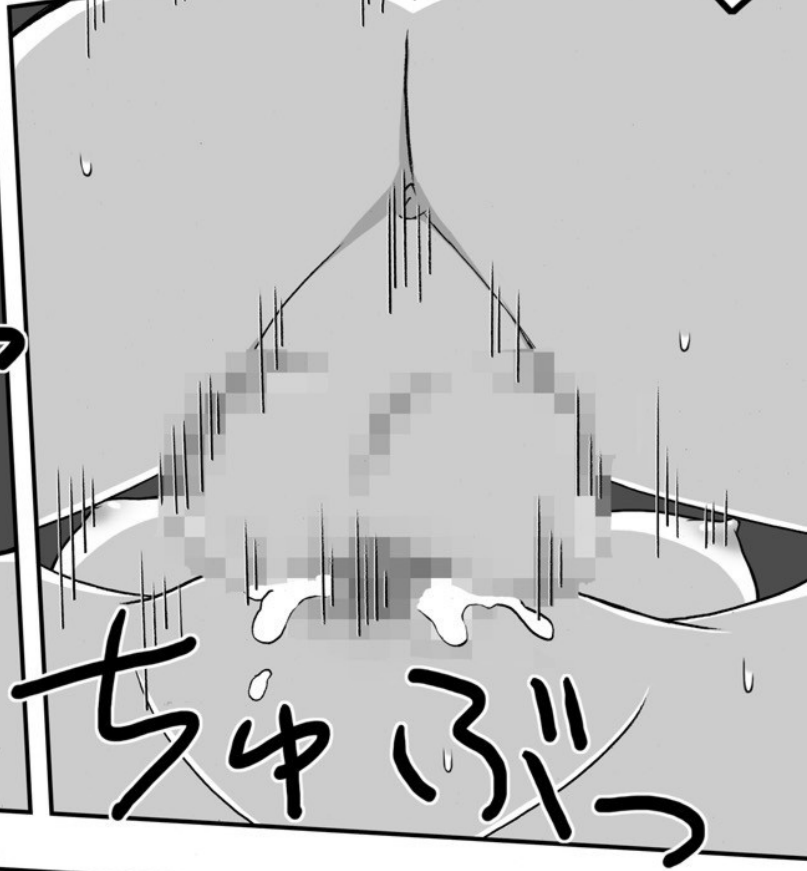

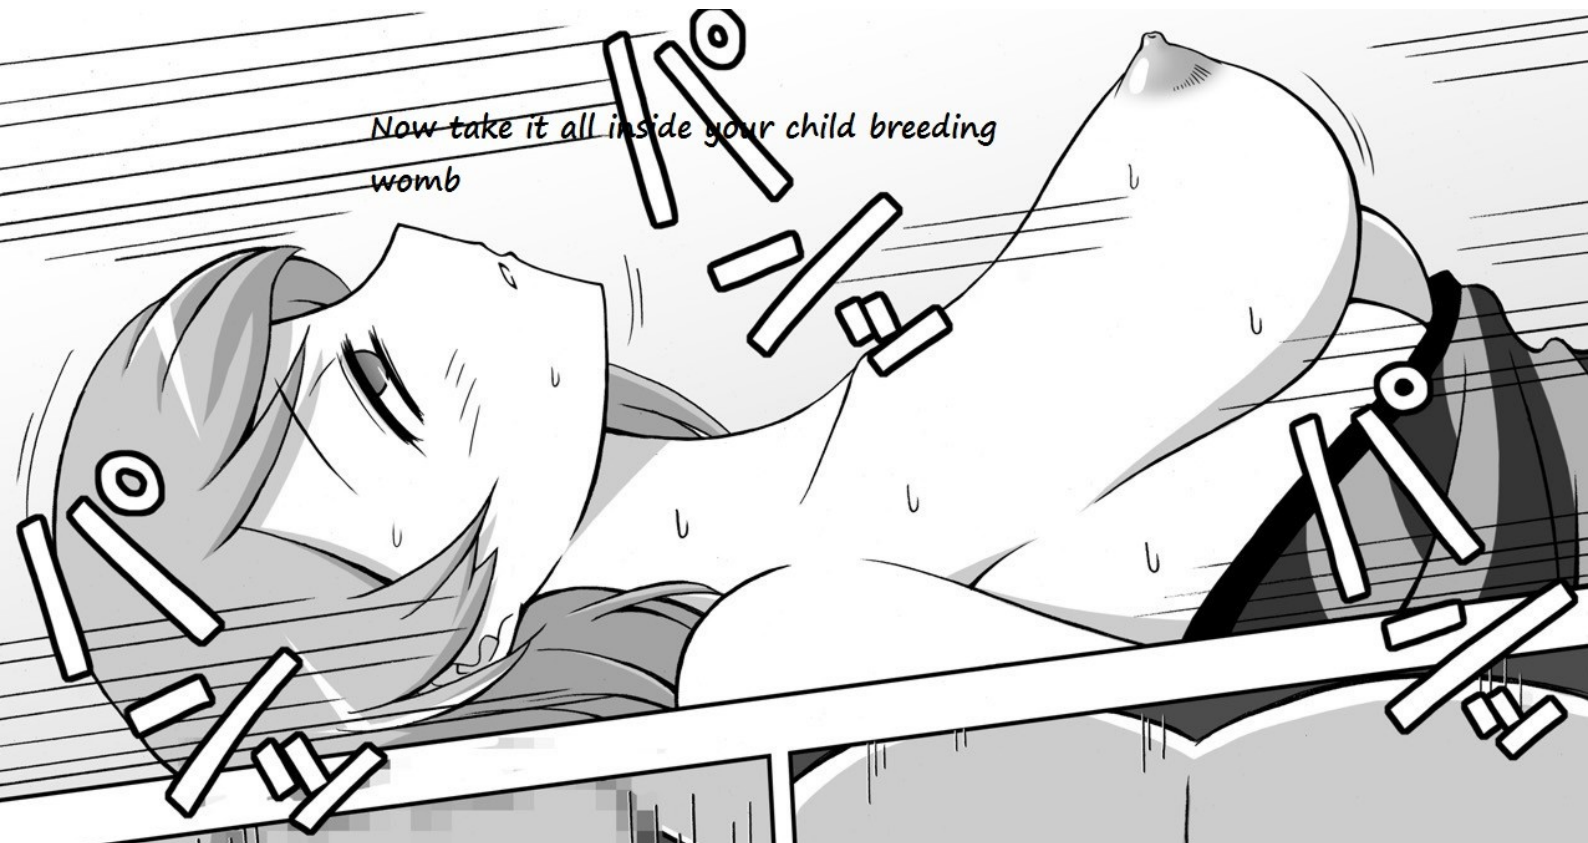

Theres a reason why i choosed this time you know. I watched you very closley and found out that today is one of your dangerous days. I haven't faped at all only for this day hehehehe

Hello sis, are you sleeping well. You know what? I having a great time filling you up with lots of cum i stored up for 3 weeks

Now take it all inside your child breeding womb

Get pregnant

Get pregnant

GET PREGNANT SIS

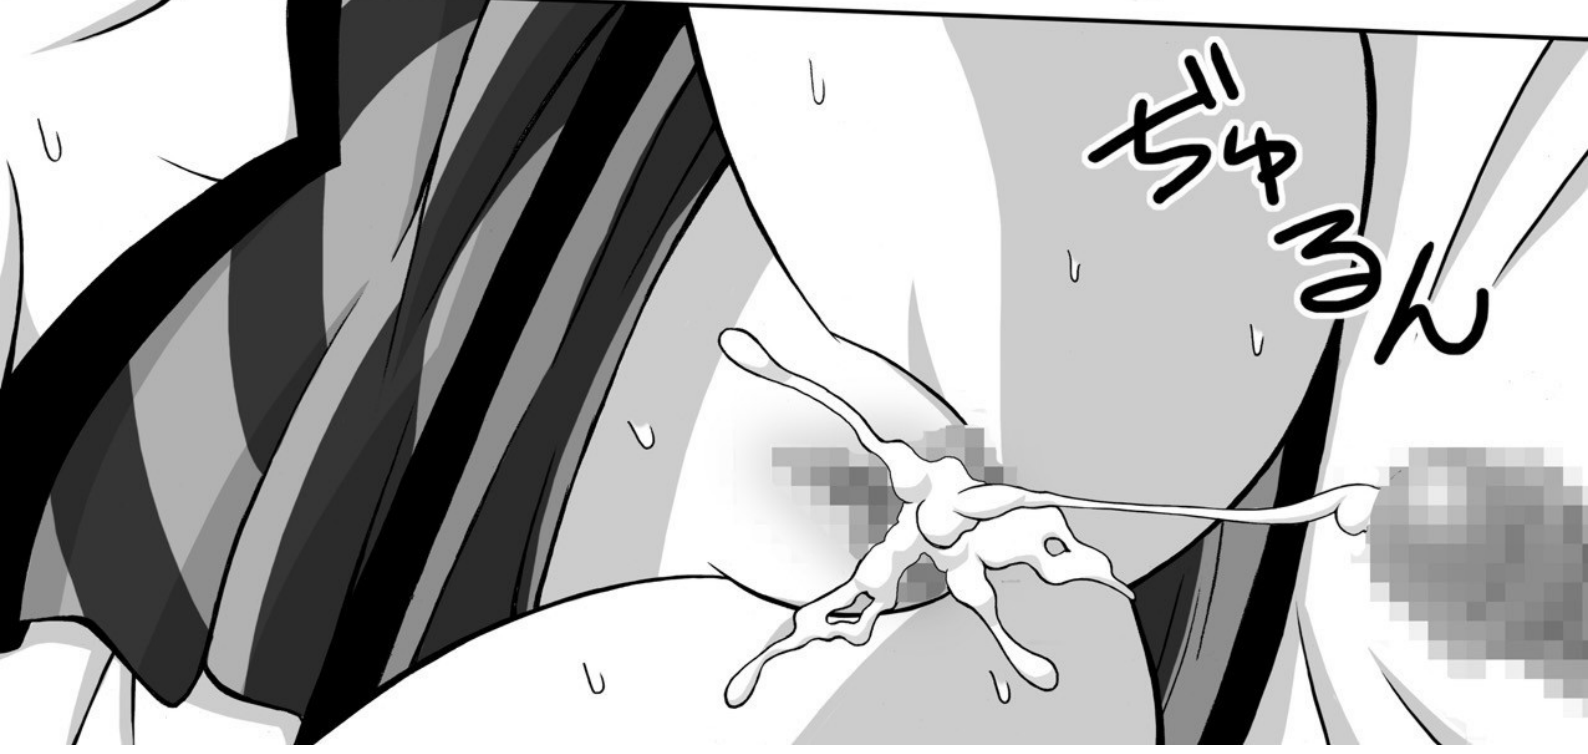

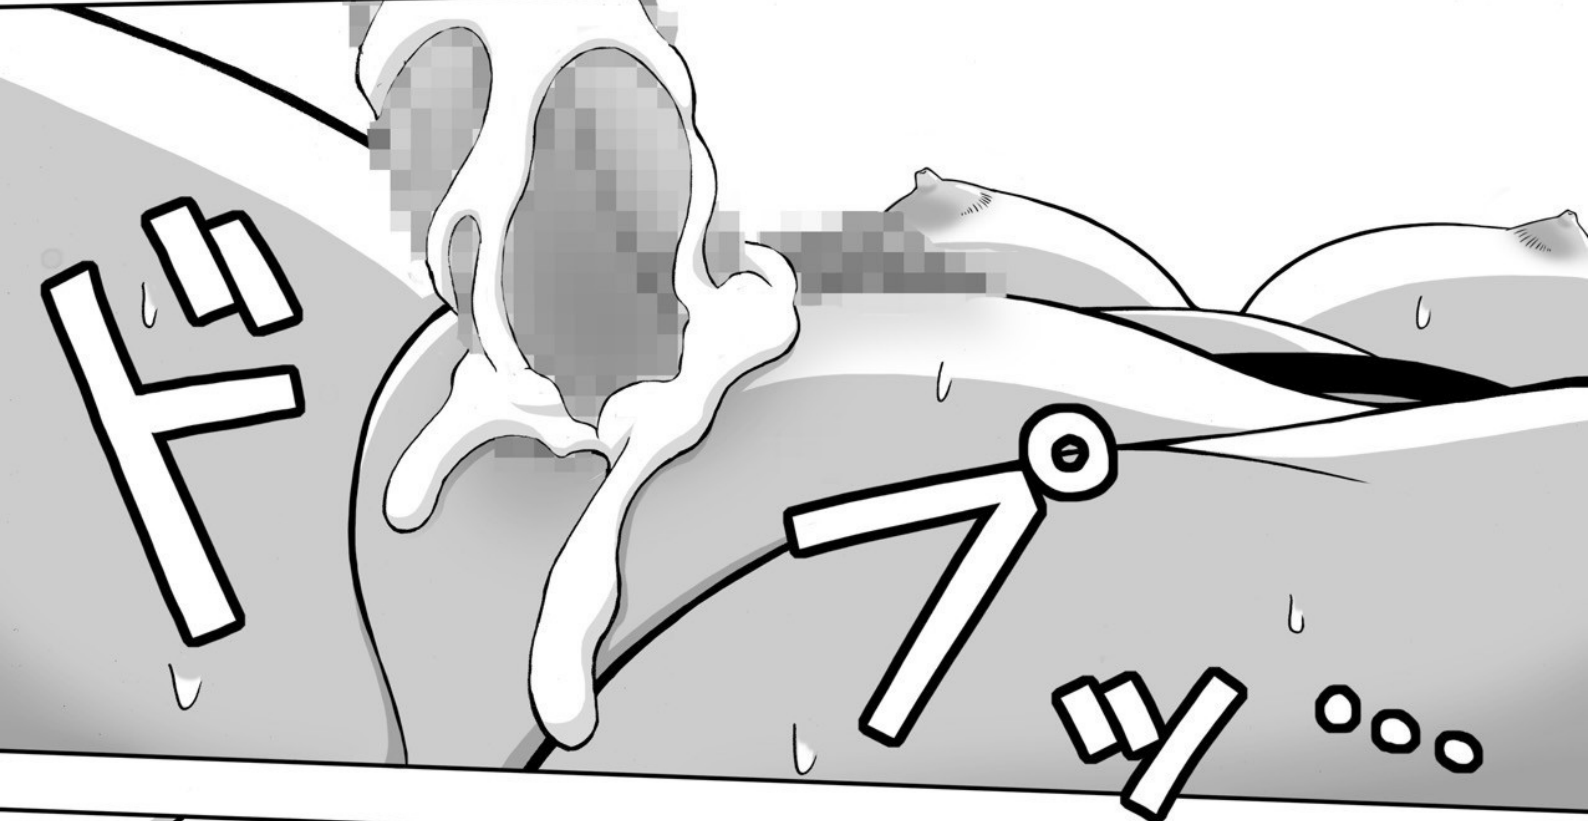

あま

あま

Your pussy squeezes me so hard, it's craving for my sperm. You want this too, do you? Your body nows it's a dangerous day and just sucks every last drop out of me while it trys do get pregnant

It's your own fault that i can't stop cumming. Your just to damm sexy sis.

Congratulations big sis
Your fertilisation by
your little brother is
complete. You should see
yourself right now.
You're asleep, and still,
your face looks really
satisfied and happy.

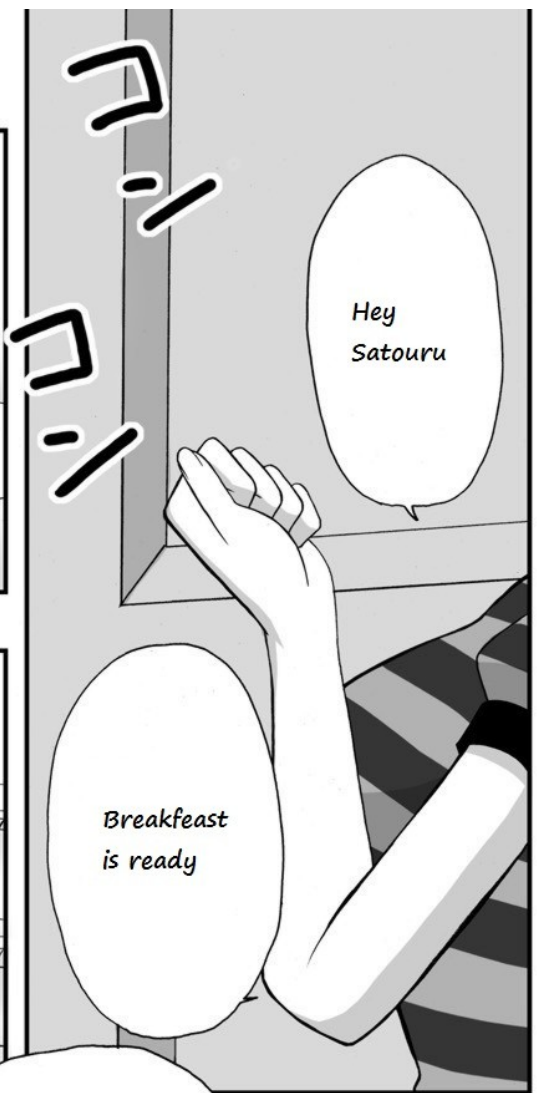

Yup...

I wish I could go back to bed. I slept like forever but it seems i am still tired.

HAA

Breakfast is ready

You bet. It was even a 2 player game and i won the grand price hehehe

You don't look so well either. I bet you where up all night playing one of your games, am i right?

UH

AH

And you will get your price for lossing in exactly 9 months bis sis.
