Her tits are huge too.

But she's so cute, thought! Don't you think?

Told you. You should just quit now.

Never mind!

N-Nothing!

Those gazongas were in grade school until just last year! Can you believe it?!

Her tits are huge, though.

Huh? Her? Cute? She looks scary as all heck!

たーん

...Well, maybe not...

I'm not in grade school anymore, after all...

...Fuckin' give me a break.

Tsk... It's too damned early for me to start...

I can hear you, chuckle-fucks!!

Ha... Hah?!

Please marry me!!

Well, that's fuckin' sudden!

Erm... Ah...! I'm sorry!

Aan? What d'you want?

And on Sundays, or any other day where I don't get to see your face, I feel lonely...

Every time I see you, and my chest hurts... starts pounding...

And?

F-For a while now... Ever since you were in elementary school, I've been catching glimpses of you on your way to school... and...

てれっ

First... I mean... You gotta start dating first, you know?

Marriage comes after that.

This guy.. Even though he's just a brat, he keeps spouting stuff that makes my heart throb..

...I think you're skipping a few steps there, buddy...

S-So! Please marry me!!

So cute...

Uhh...

Geez... Why would I date a scrawny little brat like...

Moron! I never said that!

Then! Does that mean you'll date me?!

Hawawa! I'm so sorry!

You're the one who said you wanted to date me.

You better not regret this.

OK!

Right. Come with me, then.

wouldn't that mean that I'm an even bigger brat than him...?!

...Actually, if a brat like this can fall in love with a girl...

Huh?

A- Alright...

I'll date you for a little bit.

You need me to spell it out for you? Fine.

Really?!

What are we doing in this place...?
U-Umm... Onee-san...?

Ryokuchi Park, in the middle of the bushes.

Sorry, kid
But I'll be usin' you as a training partner to graduate from childhood!

Least he's cute, so no issues there...

But we just started dating a few minutes ago...

Eh? That's...

What else would two lovers do in a deserted place like this?

Fu fu fu :)

You said you wanted to date me.

Don't tell me you're not ready to deal with what that entails.

キュッ

Nh!

Hide your shit where your kids can't find it, miss mom!!

That's how it is in the manga my mom likes to read.

Ha?!
Hah?!

I was sure a kiss between lovers would involve more tongue...

E-Erm...

W-What?

...Eh?

Did I do it wrong or something??

..Shit! Why's a brat like this gotta go and make my heart get so nuts?!

...R-Right!
H-Here I go, then...

Don't worry about me! Please do it!

N-No! I just thought it'd be awful to just spring something like that on you, so I held myself back!!

Hey! That's my...!

わしっ!

Nbu?!

Nhaa! He really is sticking his tongue inside!!

ぐんぐん!!

It's too sudden...!

Nhaa!!
I can't believe this is my first kiss...!

Fuuuck~...
Don't get cheeky with me, you brat...
Just you watch...
This is where it really starts!

Uh...

But... Since we're dating, and we came to a deserted place like this, I thought this is what you had in mind...

I just-!

Just wanted to squeeze my tits?!

W-what the hell?! Guys' dicks are this big even from the time they're kids?!

Yes! Now take 'em off!

Huh?! Here?!

...Alright! Strip!

Are you gonna get scared, cry and go home? Or will you stay and become a step in my stairway to adulthood?! Make your choice!!

キーン...
キーン...

Sure is. We can stop here, if you're getting cold feet.

You have a pretty decent one for a grade schooler.

Ah... Aah... Well...!

...That's all it takes? This is a piece of cake!

I talked a big game, but now what?

Guess I'll touch it or something for now... Eek!!

He got like this because of my hands...?

My legs are shakiiii-ing!!
