FOR VARIOUS  
REASONS, THIS TITLE

I WAS TOO BUSY THIS

HALF WILL BE IN THIS  
SAME VEIN OF HAVING  
AKANE-KUN "CHIRPING"  
IN VARIOUS WAYS AND  
WILL LIKELY BE OUT  
AT THE NEXT SHOTA  
SCRATCH. PLEASE CONSIDER  
IT AT THAT TIME. THANK YOU.

**おまちしてます、ご主人様♥**

I understand the guy being busy, but come on. I'm not even sure if he did a second part because I don't see it on doujinshi.com, but if he did maybe this will encourage some kind gentleman to scan it eventually. That's one of the reasons I uploaded this the same day as my last release. It's kind of an extra bonus instead of a full release, though I did really like the demon and his penis. I wish the censoring had been less, but it's not nearly as bad as some of the stuff I've seen. The frottage was cute too. I really hope he finished it.

As a side note, I'm sorry for the low quality. The original was obviously a really old book/scan with pretty low quality, so I tried to improve it as best I could. Unfortunately that didn't really mean too much, but I think it at least looks a bit better then before.

As for my next one, I'm still debating between a few I want to do. I think I know what it'll be (and it should be quick), but we'll see. Until then.
