I've Ended Up Committing Adultery...

Sparrows

Can anyone help me? I'm a 20-year old guy and I've come to have a relationship with multiple women. I wouldn't have a problem if I could choose one of them but they're all married women... Of course, I wouldn't have started having a relationship with them if I knew this. They all live where I work so I can't distance myself from them but I certainly don't want to keep this relationship going either. I feel bad for their husbands. Should I just confess and tell their husbands I'm sorry? Should I just act like nothing happened? I am really troubled by this so I would like to ask you all to please give me your advice. Thank you for your help.

The Verdict: Guilty!

LAAAAAH!

Hello, my name is Violet, and I have taken the liberty of
writing this in the hopes it could help you.

First of all, why don't you calm down and talk with the
women you are having this relationship with? It might be
that they did not just do this on a whim but because of
circumstances you might not be aware of. Once you have
finished talking with them you might be able to figure out
another solution to your problem. As it will probably get
hectic here I have PM'ed you my e-mail so if you send me
an e-mail I will be happy to talk to you.

THEY'RE
ALL SO
