*DEAR GOD, THIS WAS DIFFICULT TO TRANSLATE. MORE ACCURATELY, IT WOULD SAY SOMETHING LIKE "ONII-CHAN AND I HAVE FINALLY GOTTEN MARRIED AS BROTHERS WITHIN OUR OWN FAMILY." THERE'S A PUN HERE, TOO. "BROCON" (BROTHER COMPLEX "ブラコン") HERE IS MADE OF THE TWO KANA FROM BROCON (ブラ), AS THE "BRO" PART AND THE KANJI FOR MARRIAGE (婚), AS "CON."

I'VE TOTALLY MEMORIZED ONII-CHAN'S PENIS'S TASTE...

FINALLY, ONII-CHAN AND I HAVE FINALLY CONNECTED WITH EACH OTHER...*

I'VE BECOME UNABLE TO SEPARATE FROM ONII-CHAN...

IN SECRET FROM MOM AND DAD, WE'VE HAD HARD SEX...

ANZU...

THIS DEFINITELY MAKES YOU MY BOY-FRIEND, ONII-CHAN...
NOW, LET'S MAKE LOVE IN A MORE LOVER-ESQUE WAY... DARLING...

I love you!

♥ END ♥

Slightly new, edgmaster credits page here. More importantly, I love the implication in that quote from the original (yes, it's a literal translation) that when people see a hot trap with a big ass, everyone just starts fantasizing about eating their shit. I mean, who doesn't do that?

I know a few people will probably be grossed out by the scat, but I don't mind it at all (it's kind of kinky actually), and it barely even plays a role in this, so meh.

As a side note, this was pretty hard to translate into English just because of the way it's written. If you string together long adjectives in English it looks stupid, and if you put them each into their own sentence, it takes up way too much space. But I did my best with it. Before anyone asks, stuff like "white-piss" and "hidden shit hole" are direct translations, so blame the raw, not me.

Oh, and speaking of space, sorry for that some of the text spills out of the bubbles, especially earlier on. Once again, the raw had very small text bubbles, and I was already using a really small font size as is. Oh well.

My next one might be a story from Otokonoko Uke Vol. 1, or, thanks to some nice people, I might buy some stuff off DLSite that isn't on Sad Panda yet. We'll see. Until then.
