

Ono Kuzuha (age: 13)

HEY, I GOT YOUR STUFF FOR THIS WEEK.

I have a little brother that just this year entered middle school.

Due to his age, our relationship hasn't been the best lately...though, to be accurate, it's more like he's just totally avoiding me as much as possible...

Despite how he acts now, he used to be attached to my hip round the clock when he was younger.

GEEZ... IT'S SCHOOL, I CAN'T BRING YOU WITH ME.

I loooove you, onii-chan!

Ehehe...

No! I wanna GO with youuuu!!

Elementary School

Kindergarten

DON'T TALK TO ME LIKE I'M YOUR FRIEND...

GOOD MORNING.

Now that it's become this bad...

DON'T GET IN THE BATH RIGHT IN FRONT OF ME!

UH, WHAT?

Now

THANKS!

And one day...

Looks like it's for him...

As an older brother, the whole thing makes me feel a little lonely...

I can't help but think that he hates me...

I'm sure it'll be fine if all I'm doing is handing over his stuff..

YOU PROBABLY THINK IT'S GROSS, RIGHT...? YOU THINK I'M SOME WEIRDO, RIGHT...?

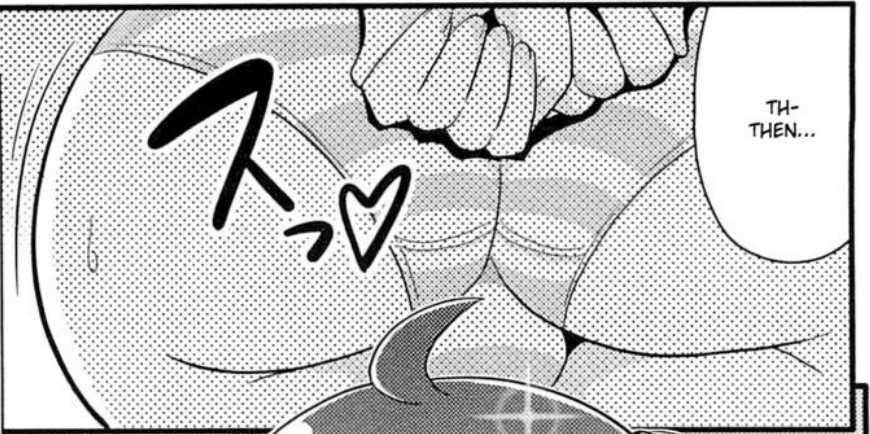

I CAN'T SAY IT DIDN'T SURPRISE ME AT FIRST, BUT NO MATTER HOW YOU LOOK OR WHAT YOU HAVE, YOU'RE STILL THE SAME KUZUHA...

NO MATTER WHAT HAPPENS, YOU'LL ALWAYS BE MY CHERISHED LITTLE BROTHER. I'D NEVER MAKE FUN OF YOU...

ONII...

Wait! What the hell are you thinking?! This is your blood-related little brother we're talking about here! Even if he is wearing that, it's no reason to start seeing him as anything else..

TH- THEN...

THERE'S NO WAY I'D EVER BE TURNED ON FROM MY LITTLE BROTHER CROSS-DRESSING...

W...WELL, SURE I THINK IT'S CUTE, BUT...

No way! There's no way I'm attracted to him like that..

DO I...UHM... LOOK CUTE... OR SOMETHING?

...Well, the guy certainly knows what he wants. I'll give him that. And it was so close to not having any ridiculous lines in it up until that point, too. Oh well. I actually enjoy them, as long as they're not overdone (as in, the whole thing). Pretty usual CZ stuff here. Of course meaning that the trap had amazing hips and dat ass.

Unfortunately for all of us, my classes start up again soon. This obviously means I won't be able to keep putting out these translations as fast as I have been. I have about a week left, so I'm going to try finishing up all the Chinzuriina ones from that tank before I go. I'm also only a few away from hitting my 100th trap TL, so I'm thinking of translating something a little different in addition to the CZ stuff. I'm not going to be changing genres permanently or anything, though, so don't worry.

So it really comes down to translating about 80 pages in 9 days, with an additional surprise in there if I feel like it. Hah. No problem. Until then.
