

and there I saw something I'd never even imagined before. My little brother, Ayumu looked like he was in intense agony on top of his bed.

After I finished going to the bathroom, I heard some weird noises from my little brother's room. I stopped to take a peak...

まじ
I LOVE YOU SO MUCH THAT IT HURTS!

I LOVE YOU!

ONII-CHAN!!

ONII-CHAN!

And that masturbation was not the normal kind you would expect of a boy his age, but was much more indecent...

And when I heard him calling my name like that, I felt an almost indescribable sensation of immorality...

My Butt's gonna make me cummm!!

After seeing this kind of scene, usually exclusive to porn vids and ero-manga,

my dick had become captivated in an instant.

Even though I knew I shouldn't, before I even realized it, I'd taken my penis in my hand and started fapping hard.

That's right... I was peeping in

Onii-chaan!

on my little brother's anal masturbation!

Now my pussy's making me cum! My pussy's making me cummm!!

♡

He was clearly
different from
the other boys
his own age. He
was so cute,
you'd almost
think he was a
beautiful young
girl...

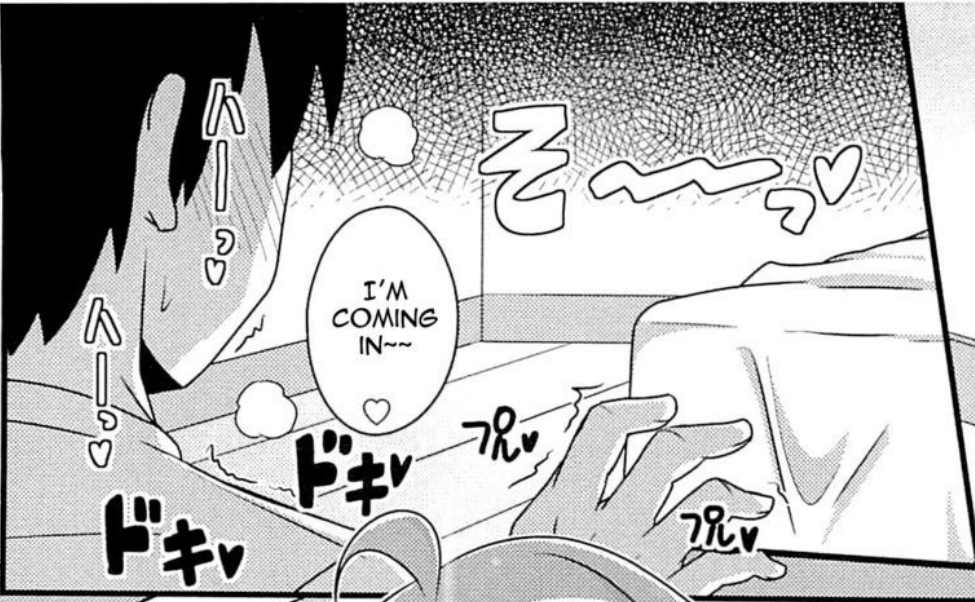

Glossy,
chestnut
colored hair...
girlish face...
soft, tender
skin...

In fact, I'd
noticed that I
had the same
feelings for him...

I never would
have guessed
that same
brother would
harbor special
feelings for
me.

After this,
there's no way
I'll be able to
suppress my
feelings for
him any longer!!

HA...
AYUMU!

His scent is so sweet, like fresh milk, or newly washed laundry drying in the sun... ♡

After that, I used Ayumu's defenseless hole as my fapping pet without him noticing over and over again.

The same morning scene as usual...

Next day-

He didn't notice, did he...?!

It's just the same kinda clingy little brother as usual...

But that couldn't stop me from hoping I could do the same thing that night...

IT'S A SECRET!

ABOUT THAT~~

In front of that totally trusting smile, I felt a deep sense of guilt about my actions last night...
