sfx: pouring

Comming home at dusk after shopping, I passed by an empty park....

Soppy Rubbing

There, as I recall it, I happen to come across this girl who was riding on a horizontal bar and she was pressing her crotch against it as hard as she can....

Softly Rubbing

Hey, shall I help you?

eh?

As she seemed to be trying very hard I jokingly asked her....

かあ... blush

I started to finger her crotch for her....

As I've offered I've no choice. So we went to the back of the public lavatory.

Oh my God, she came to me without any objections or concerns...

I was surprised when her body shivered and she was gasping with ecstasy.
