COLLAPSE

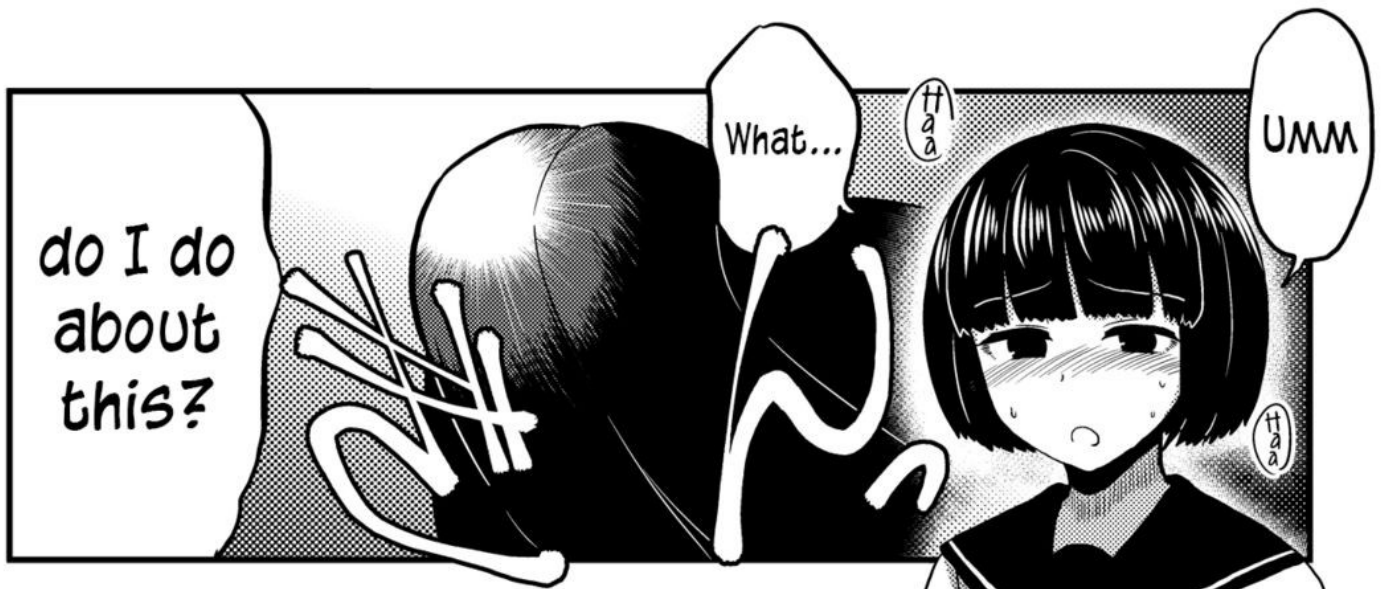

Isaki

What is a dickgirl class?

Many of them have large penises.

Due to their hormonal imbalance, adolescent dickgirls have far greater libido than other teenagers.

How to take care of sexual desire

- Exercise
- Masturbation
- Sex

That's why they're educated on how to take care of it in sexual education classes. However...

I like
you.

Haa

Haa

I haven't been
able to make
any friends,
and my family
neglects me
because I'm
a dickgirl.

I was lying
about
forgetting
how to
do it.
I jerk
off to you
every
day.

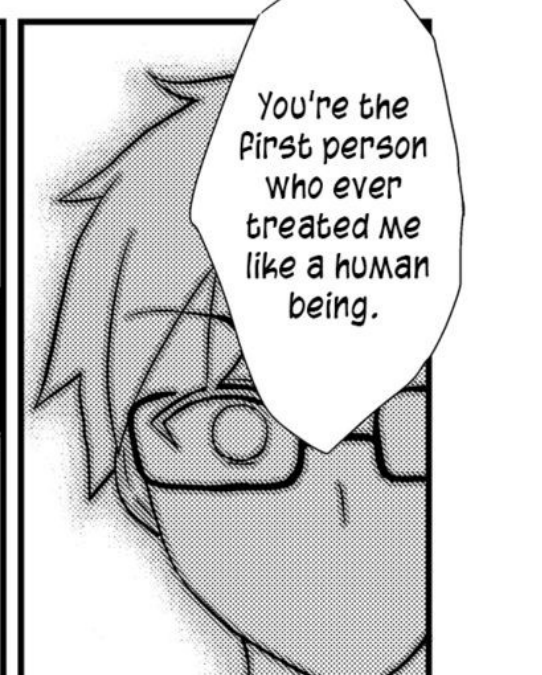

I want
you to make
me come
while I'm
kissing you.

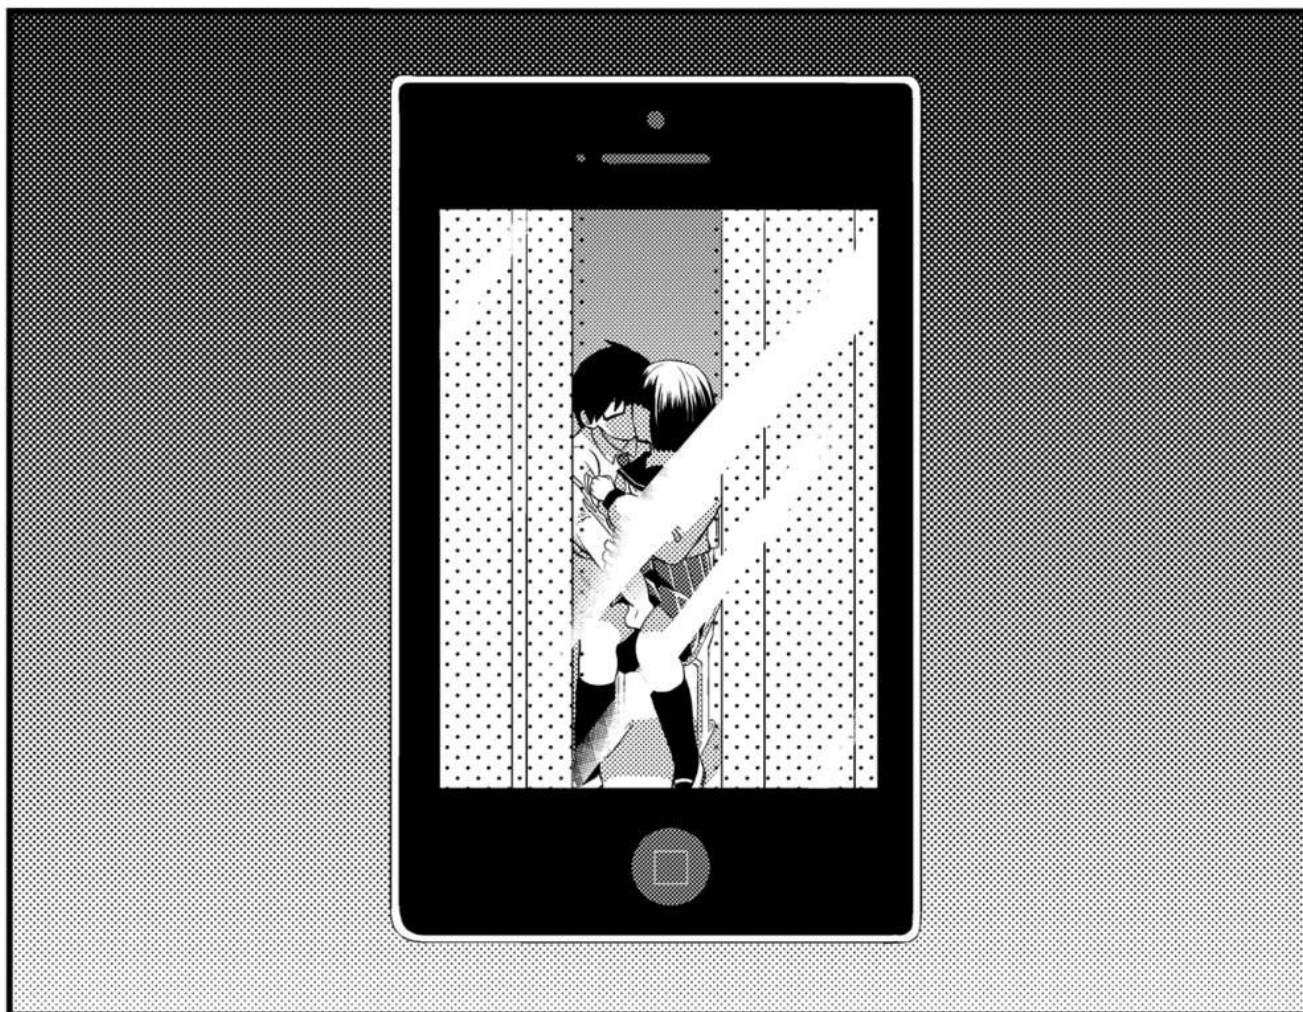

Kiss
me...

Just
once is
enough.

Could
you
grant
me a
favor?

You're the
first person
who ever
treated me
like a human
being.

The Next Day

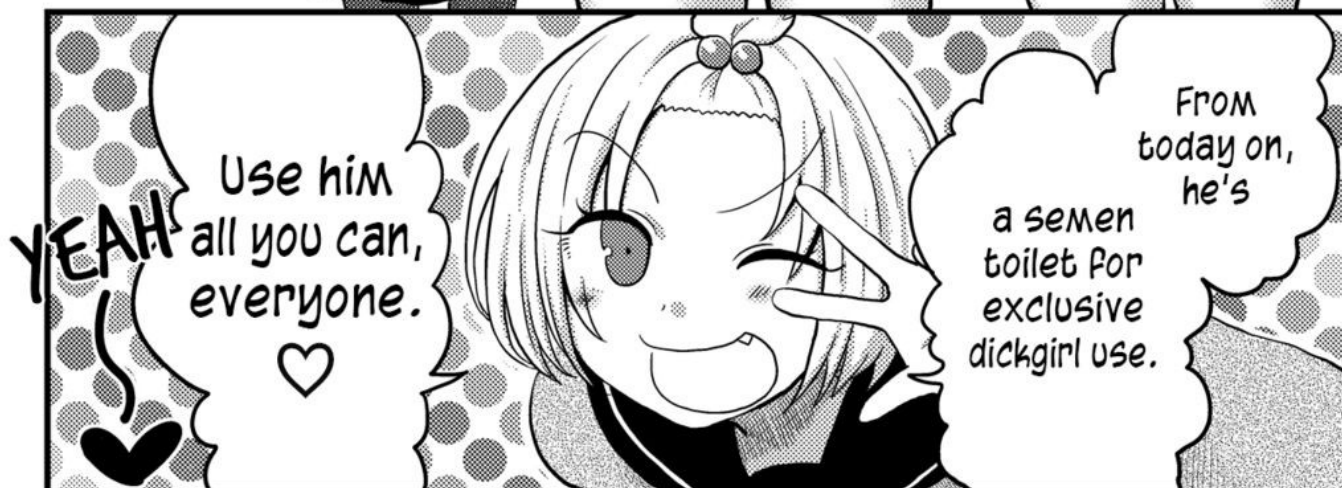

Let's begin
morning
assembly.

Mr. Pedophile!!

Your cum
dumpster
starting
today.

G-

Good
morning.

Use him
all you can,
everyone.

From
today on,
he's
a semen
toilet for
exclusive
dickgirl use.

If anything, you should be delighted.

Considering that you were doing it in broad daylight with a student earlier.

You can do it, right?

I c-can't d-

Kneel

before your betters!!

What was different?
I'm disappointed in you.

I don't want to be taught anything by a person like you.

T-that was different, Renjou.

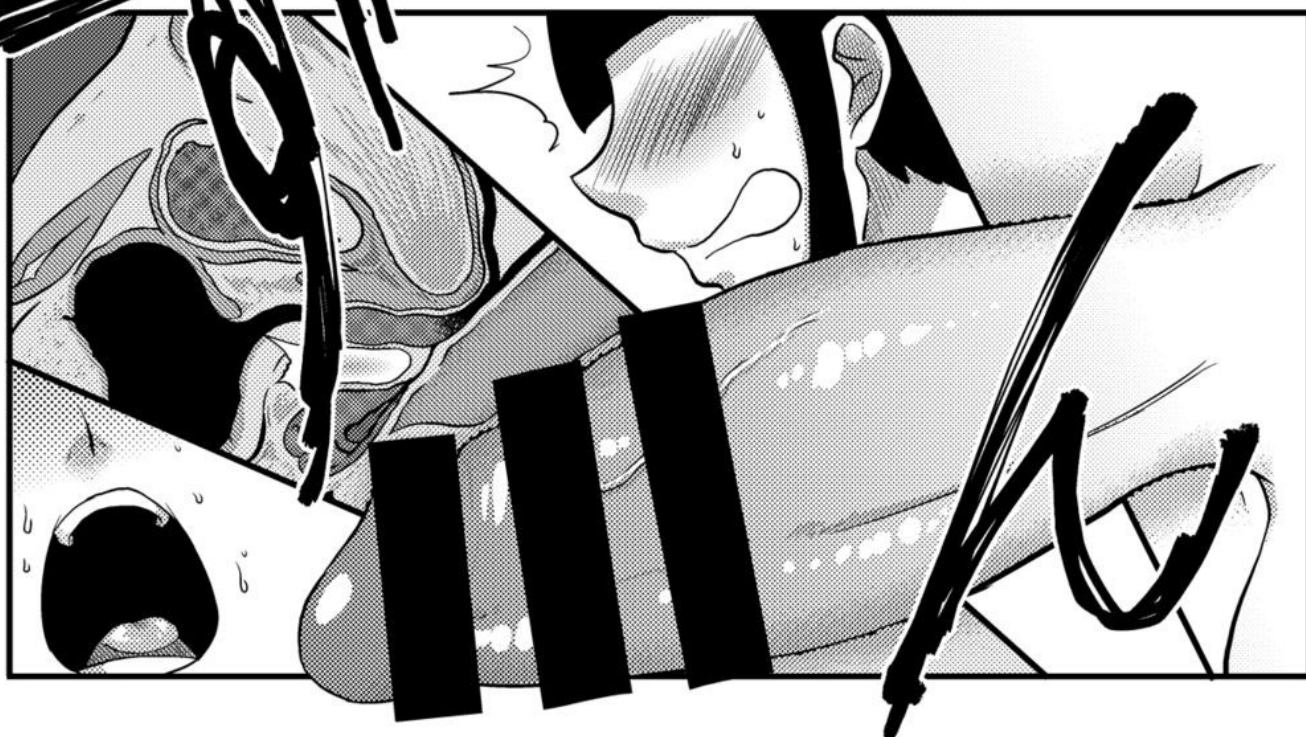

That was-

I'm
definitely
enjoying

being
raped by
them.

Try
moving
around
a bit.

What
am I...
why
am I?

Speak to
your betters
with respect,
cum dump.

Do your
nipples feel
good?
They're
hard.♡

Not

Support us?
Give us hope?
Fuck you!

Display your
nasty true
nature in
front of
all your
students!!

Go
on!

Come,
slut!

You're controlled by
your sexual desires
just like we are!
Your offers of help
were nothing more
than lip service!!

It's
so
good!

Ah

**YOU
DISGUS-
TING
FREAK!!!**

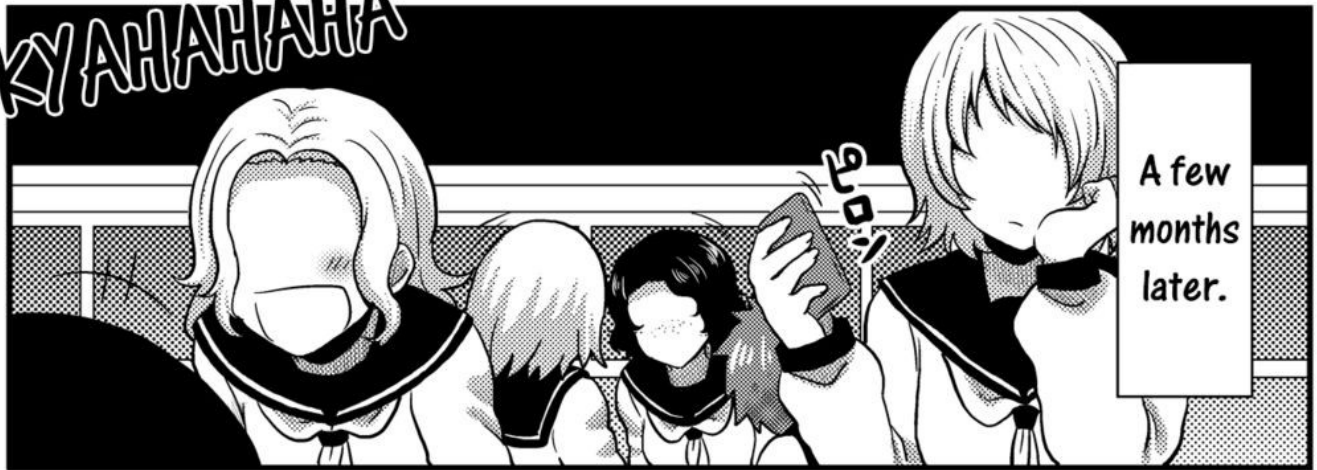

I don't even
care what they're
saying anymore.
The pleasure is
the only thing
that matters.

Class time
was used
entirely
for sex.

After that,
the dickgirls
raped me
every day.

KYAHHAHAHA

A few months later.

I help them out by serving as their cum dumpster.

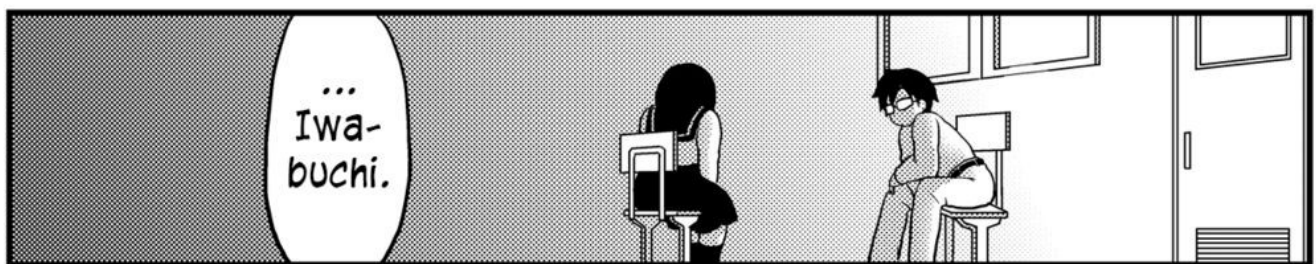

The class completely collapsed.

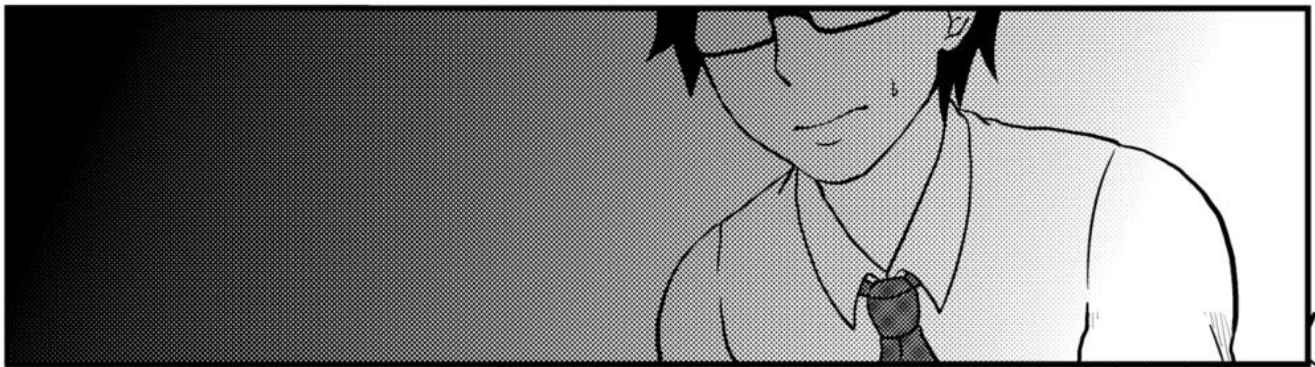

I'm definitely happy.

I've developed to the point that I feel far more pleasure from my rectum than my genitals.

My dick,
my dick!

You're
licking my
dick!

Amaz-
ing!

It's so
slimy and
soft.

I love
it!

A-al-
ready
!?

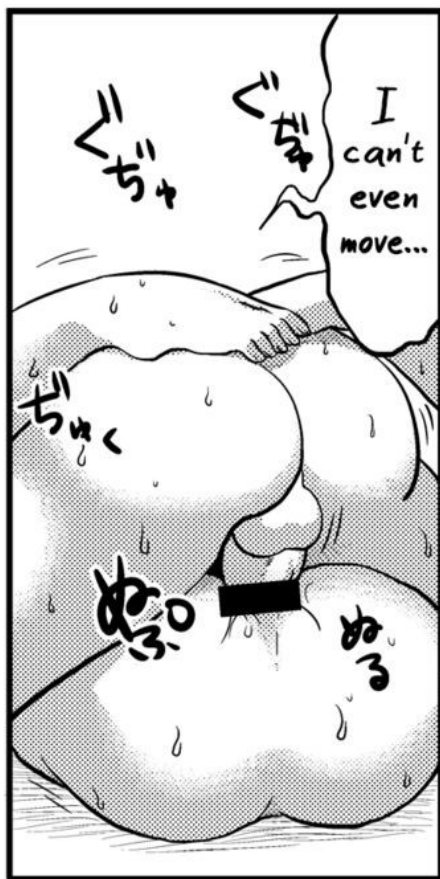

I'm
gonna
come
right
away.

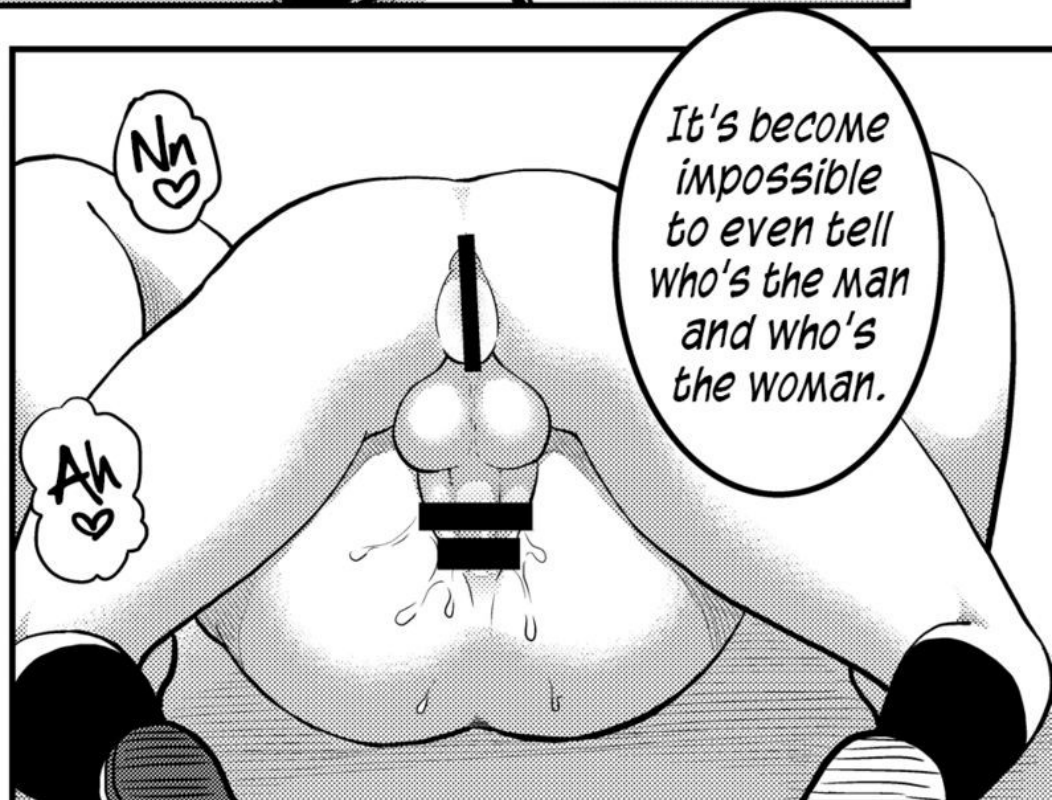

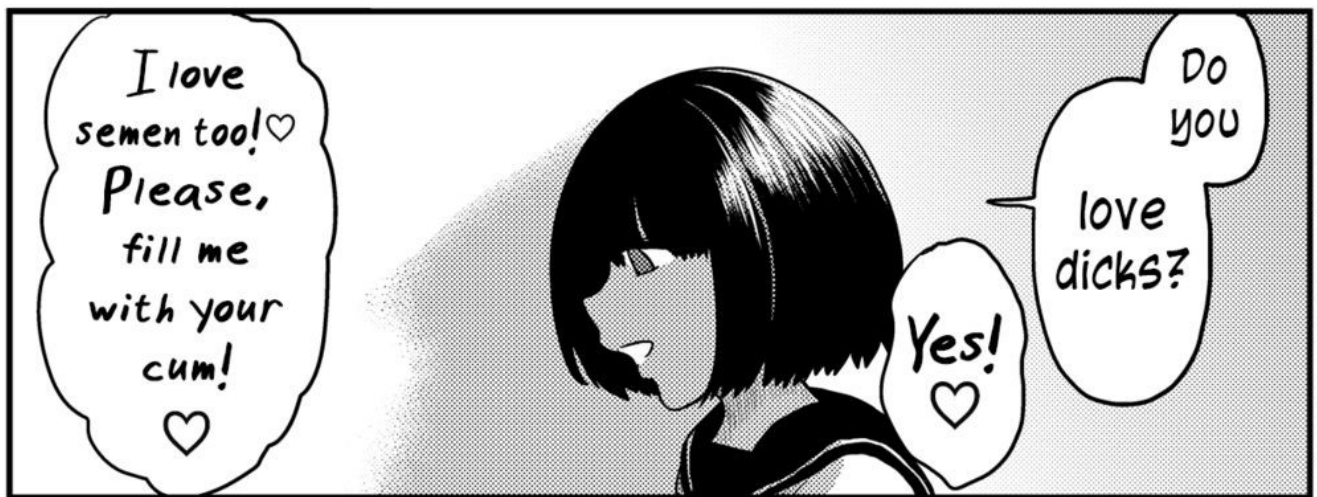

I'm
sorry!

Don't
hold back.
Come when
you want
to.

AFTERWORD

The first time Isaki saw the scene where all the girls were sleeping with the main character, packed together like sardines, he said "If it's a boarding school, they should have individual dorm rooms!" The actual reason I did it is because "Me and all the other M's out there find the idea of being gangraped in a frenetic orgy way hotter than just being raped in the single rooms," but that seemed like a weak explanation, so I gave the excuse that "The girls are all BFFs, so they all sleep together. There's no need for rooms," to which he just replied "you're bonkers!" More importantly, I plan to express their chubby, meaty bodies even more clearly in my next book.

I'm truly thankful to all of you for acquiring this book.

-Herohero Tom

Thanks for buying this book. This time it was really tiring. I finished my section by the beginning of December, but I had to help out with Herohero's section too. I thought I was going to die every day.

Gundam Build Fighters' OP may say that nothing is impossible for two people together, but that's just not true.

It was tough... Herohero draws! I assist!

And on top of that we had to apply the mosaics in the last few hours before the deadline... ughhh.

Sorry my story was so dark. Next time I want to make something that's purely erotic... probably something with wives or mothers!
