

HEALTH AND PE

**SHION-CHAN'S PENIS
EXAMINATION JOURNAL**

Health and PE

Nogami Shion-chan was going to have a health inspection.

The boys, girls and futanari girls were separated into three different groups. Shion-chan was in the futanari girls group, which would get a lesson on how to put on a condom and an examination of their sperm output.

Shion-chan ended up being tested last because her urination test before it took quite a while to finish.

“Sorry I’m late...”

“Don’t worry about it. Okay, let’s practice how to put on a condom, okay?”

“Okay~”

Shion-chan took off her bloomers in front of the lady doctor and a cute penis with a size that fit her age popped out.

The doctor did a double take when she got a look at Shion-chan's cute penis. The amount that Shion-chan peed earlier reached rather unbelievable amounts for a dick that is only of this size.

You see, it was a universally accepted fact that "if the amount of pee is large, the amount of sperm during an ejaculation will also be large". And Shion-chan certainly peed a lot.

Just thinking about it made the doctor's mind overflow with excitement.

"All right, before we put on the condom, we have to make the penis erect. So first... How about you show me your breasts?"

"Huh... Ah... Okay."

Shion-chan was a little bit embarrassed, but the sempai around her were also showing their breasts without issue. Understanding that she didn't have much of a choice, Shion-chan lifted up her shirt.

Her large, voluptuous breasts came spilling out and bounced down.

"You sure are big, aren't you!"

Shion-chan's breasts were fondled a lot by her mother and big sister, so that's what may have caused them to develop so well. Apparently, the feeling of her breasts are quite amazing, too.

Shion-chan's breasts were swaying around in front of the doctor's eyes.

"P-Please don't stare so intently, sensei... It's... embarrassing..."

"Ah... Sorry, sorry, Shion-chan! They're just so pretty, I got completely captivated by them."

"...N-No way..."

Even though it was an embarrassing situation, Shion-chan was happy to be praised by the doctor.

"Next, let's take off this ribbon, shall we?"

While still mesmerized by the sight of Shion-chan's chest, the doctor tried to return to her senses by reaching her hands out toward the ribbon that was tied around Shion-chan's thing.

Slide, slide, slide...

"Ah..."
Shion-chan let out a cute little cry.
Meanwhile, at her nether regions, her
member dropped down and started
expanding.

"Whoah!"

Is this her true size?
It's many times larger than just moments
ago.

"My penis... has become... large..."

Shion-chan, who had not seen her true
size up until now, seemed to be a bit
surprised.

(If it's already this large, I'm really curious
how large it'll be like in its erect state...)

The doctor's flame of curiosity flared up.

“Okay, Shion-chan, let's get your penis erect next.”
“O-Okay...”

As the doctor gently touched Shion-chan's thing...
“Ahh.”
Shion-chan let out a slightly surprised cry.

Rrrumble....

It must be quite sensitive. Shion-chan's thing started growing just by lightly touching it.

(It looks like it's going to become incredibly large... It might be a better idea to put the condom on beforehand.)

With that train of thought, the doctor retrieved a condom intended for the largest type of giant penises and started putting it around Shion-chan's dick.

"Aaahhh!"
"Are you okay, Shion-chan?"
"Y...Yes... The coolness of the condom just startled me a little."

Still surprised about the sensation that putting on her first condom gave, Shion-chan's dick kept on growing larger.

"You see, normally you put on a condom when it's fully erect. But since your penis is so amazingly large, I've put it on while it's still in the process of becoming erect."
"O, Okay."

While listening to the doctor explain, waves of pleasure that kept getting stronger with each wave washed over Shion-chan.

Rrrrrumble....

“Whoa...”

The thickness of Shion-chan's dick had already exceeded over a meter, which was certainly larger than her hip measurement. And yet, her penis was still soft.

(So this is the half-erect state...
No, it's probably not even half-erect yet...)

“It looks like you're still going to get larger, doesn't it, Shion-chan?”

“Y-Yes... I think it's still going to get a lot bigger...”

Shion-chan was being swallowed by yet a stronger wave of pleasure as she said this.

The doctor resumed stroking. Shion-chan's cock reacted happily. With a tremble, the volume kept increasing even more.

"Uwaaahhh..."

"Amazing..."

"Such a large size..."

The other students and examiners, who were done with their lectures, were visibly shocked when they turned to look at Shion-chan's penis. Being watched like that was embarrassing for Shion-chan, but this caused a reverse reaction and gradually intensifying waves of pleasure washed over her.

Shion-chan's penis started standing up and the head was pointing up toward the ceiling. Then her dick's expansion slowed down rapidly.

"I never expected it to be this gigantic..." Shion-chan's penis size had far exceeded the doctor's expectations, who couldn't even imagine that her initially small penis would become this large.

"Mn... It's tight..."

Since her member became extra thick, the condom was now cutting into her skin. Shion-chan had a pained expression on her face.

The condom that was put on Shion-chan was specially made to handle quite a bit of strain. It had more than enough strength not to rip even if 4 or 5 grown adults were to pull on it. That's why Shion-chan must be looking so pained.

"Just hold on for a little bit longer, okay? It should be getting small again after you've ejaculated once."

With these words, the doctor started jerking Shion-chan off more roughly in preparation for her last spurt. But this is where the doctor had misunderstood the situation...

Shion-chan was pained by the tightness of the condom, but thanks to the doctor's actions an even stronger wave of pleasure started giving her a strange new feeling.

"Mmm, Mnnnuuu..."

Groan, rrrrrumble...

(It's become even fatter... Is she going to come soon?)

The doctor pondered as she strongly kept jerking off Shion-chan.

Shion-chan's member got more powerful thanks to the waves of pleasure washing over her. And then it started undergoing a transformation...

Rrrip, rip, rip

"Wha--!!!"

The ripping sounds came from holes forming in the condom's rubber. The holes gradually kept getting larger and larger.

"No way..."

Rrrip, rrrip, rrrriipp...

More holes started appearing, adding to the sound.

And then...

"AAAAAaaaaaaAAAAAAHhhh!!"

Shion-chan screamed out loud.

RRRRRRRRRRRRRIIIP!

The condom, which could no longer withstand the strength of Shion-chan's dick, cruelly got torn apart.

"...!!!"

Now that it was freed from the rubber that tied it down, Shion-chan's dick quickly grew even more gigantic.

It appeared that the penis wasn't erect at all yet. It was merely being restrained by the condom, which stopped it from getting more erect.

**"Hahhhh... Hahhh... I-I'm s-sorry...
The condom was torn apart..."**

**Shion-chan, clearly relieved by the pain
that has now disappeared, apologized
profusely.**

RRRRRRRRRRMMMMBL.....

**Not fully erect yet, her cock rapidly
kept growing in size without showing
any sign of slowing down.**

"Aaaa I feel really good!~"

"It's still growing?!"

**"Y-Yes, it seems like it will keep on
expanding for a while..."**

And as Shion-chan said, her member started growing even larger, attaining a size that reached all the way up to the ceiling struts.

The blood veins were clearly visible, and pulsating happily, causing her dick to make large swaying movements with each twitch.

(This is beyond any size I could have expected... It's easily be over 10 meters long.)

With each pulsation Shion-chan's dick pressed against the ceiling struts, making it look as if it was kissing the ceiling struts.

"AaaaAAhh my penis is giving the ceiling kisses~!"

Every time it touched the cold ceiling, Shion-chan felt an electrical sensation running down her spine, causing even stronger feelings of pleasure to wash over her.

BA-THUMP

In response to this pleasure, something hot started welling up.

“S-Sensei... I think I'm gonna come...”

It was going to be her first time, but Shion-chan seemed to be able to figure out what was happening.

“Go ahead, Shion-chan.
Don't hold back and ejaculate as much as you can.”

Full of excitement, the doctor signed her colleagues for support. She was eagerly looking forward to Shion-chan's ejaculation.

“Aaahh.. AaaaAAAAAhhh!”

Ever stronger-growing waves of pleasure washed over Shion-chan, and then...

“AahhaaAA I’m coming... I’m coming... It’s going to coooomeeeEEE oouUUTTT
AAAAaaaAa AAAaaAAAA I’m comiiiiiiiiinnggg!!!”

Shion-chan screamed out in delight as her ejaculation started.

SPLASH, SPLASH, SPLAAAASHHH!
GLOB, GLOB,
SPLOOOOOOOOSSSSHHHH!!

With a loud sound, an immense amount of sperm started being shot out of Shion-chan's dick, which kept kissing the ceiling struts over and over again. The sperm struck the ceiling above the struts and came raining down everywhere.

“AaaaAAAA I'm coming, I'm coming!!
So much is coming ooouuuutttt!!”

Her first ejaculation was leaving a deep impression on Shion-chan. It must feel amazing for her, considering how the strength at which she was ejaculating got even stronger.

SPLOOSH. SPLOOSH. SPLAAAASSHHH!
BLOOB. BLOOP. BWOOOSSHHHH!
SPLOOOOOOOOOOSSHHH!!!

It just kept coming out and out and out...
Unbelievable amounts of sperm kept
being fired out of this young girl's
enormous dick.

Upon closer inspection, the doctor could
see that her dick had grown even larger,
now reaching up above the ceiling struts.

(If it keeps growing like this, it might end up pressing against the ceiling...)
With these thoughts, the doctor instructed her colleagues to open up the roof.

"AaaaaAAAh I feel awesooooome!
I never knew that ejaculating would feel this goooood... Aaahhh I still have to come a lot moore!"

BLUB. BLOB. BLOOOP
SPLAAASH. SPLAAAASH!
SPLOOOOOOOOOSH!!

An amount that doesn't seem to be slowing down any time soon was being released. The vigor with which it being coming out was gradually getting stronger too.

The installations that were brought in to clean up the semen could not be set up in time, and they were being lifted up by the rising sperm level.

"AaaaAAahhh!!"

Shion-chan screamed in delight as she let her ejaculation run its natural course. Her growing cock had finally reached all the way up to the ceiling. As the ceiling obstructed her growth, ejaculation became a little bit more difficult.

"Mnu... It's a bit tight..."

The strength of her ejaculation lessened somewhat, but even then an incomparable amount of sperm kept coming out.

Bzzzt, bzzzt

The roof shutters started working and slowly opened up the roof.

Because of this, Shion-chan's penis grew more too, as if it was raising the roof by itself.

"Aaahhh... Now I can shoot it out properly again."

(Looks like she's still going to ejaculate more...)

As the doctor heard Shion-chan's words, she became very curious just how much more Shion-chan had to release. While becoming submerged in Shion-chan's uncontrollable sea of semen, she told her this:

"Shion-chan. This is a health inspection, so it doesn't matter how much you have to come. Just let it aaall out."

Shion-chan's eyes sparkled when she was told this.

"Okay! I'm going to come a lot without holding back~!"

Grrrmmbrr... Once again, her size increased, and...

“MmnnaaaaAAAAAAAAAAAAHHH I’M COMIIIIIIIIIIINGGG!!!!”

Yelling out loud, she started ejaculating even harder.

**SPLAAAASH SPLAAAASH SPLOOOSH!
SPLOOSH SPLOOSH SPLAAAAASHH!!!
SPLOP SPLOP SPLOOOOOSH HHH
FWOOOOSH HHH PLOOOOOSH HHH
SPLAAAAAAAAAAAAASH HHH!!!**

An amount that couldn’t be compared to the amount ejaculated earlier at all was released with an immense amount of power.
A white rain came pouring down heavily throughout the entire gymnasium, as if it was made especially to be a container for semen.

BOOOOOOOM!!
SPLAAAAASHHH!
SPLOOSH SPLOOOSH!
FWOOOOOOOOOSSHH!!!

For the time being, Shion-chan's ejaculation kept on going.

When it finally started calming down, the entire school premise and its surroundings were dyed completely white.

And Shion-chan herself said...

"Gasp... Gasp... I've overdone it..."
She acted apologetic, but it was obvious that she was in extasy from her amazing ejaculation.

Thanks to this health inspection, cleaning installations and condoms could be improved further. But that's a different story!

End

I have no literary talent, and my drawings suck too, but thank you very much for reading all the way up to the end. <(_ _)>

I'm really sorry for not having updated things a lot and bringing you only this work this season, too... <(_ _)>

It's been a while since I've drawn a ○li with a ginormous dick! At first I planned to make a retouched line drawing from the condom usage lecture in Futa Rafu 2.

Because I've mostly been making onee-san posts lately, I forgot how to draw a ○li again and had to make corrections countless times. And even then there's still a lot of weird spots everywhere! (:´▽`A"

I need to be more diligent...

I planned on having her hold back an explosive ejaculation the entire time, but in the end...

It's just... drawing explosive ejaculations is so much fun!

Thank you very much for reading this work through to the end, even though the subject matter is just too stupid! <(_ _)>

As a bonus, I drew her in a different outfit~
