前島龍 PRESENTS 「Stinky-bro」

Phew!

So hot...

I'm home...!

Gross!
You're covered in sweat!

H-Hello to you too, Yoshika.

You stink worse than usual so don't even think about getting close to me!

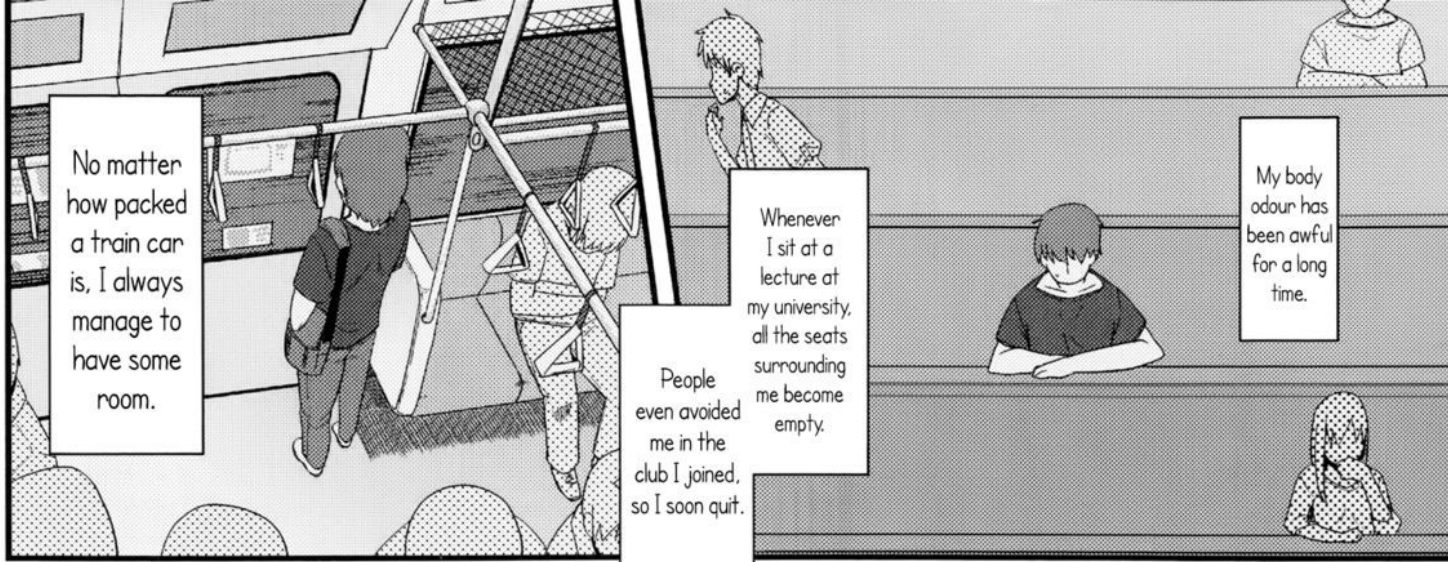

Your everyday B.O. is awful enough as it is, big bro...

妹が「キモい」と罵ってくれたら
人並みの幸せなんじゃない!!

Uh-huh...

I use sweat pads and deodorants and...

I-It's not like I don't make an effort to get rid of it, you know?!

No matter how packed a train car is, I always manage to have some room.

Whenever I sit at a lecture at my university, all the seats surrounding me become empty.

People even avoided me in the club I joined, so I soon quit.

My body odour has been awful for a long time.

She used to be so close to me back in the day, but...

What gets me the harshest is my kid sister, Yoshika.

But I don't really mind any of that.

ニオイと香りは紙一重。
嗅げはわかるさ!!

You know what~?

now that she's in the sixth grade...

Stinky
bro
Presented by Maeshima Ryo 前島龍

How about you do me a favour and quit using that crap?

You smell so disgusting I almost want to throw up~! What a bother!

But all it does is mix with your own stench, making you smell even worse~!

You say you're using deo-dorant to make it better...

D-Did I make him mad...?

Hey... What did you just say?

How is it, Yoshika?! Does it make you want to puke?!

ゴゴ...

Hey, stop! Big bro...! Your smell...!

Wa hih!

But I'm trying my damned hardest...!

Big... bro...

I'm soo sorry that you have to put up with such a stinky older brother!

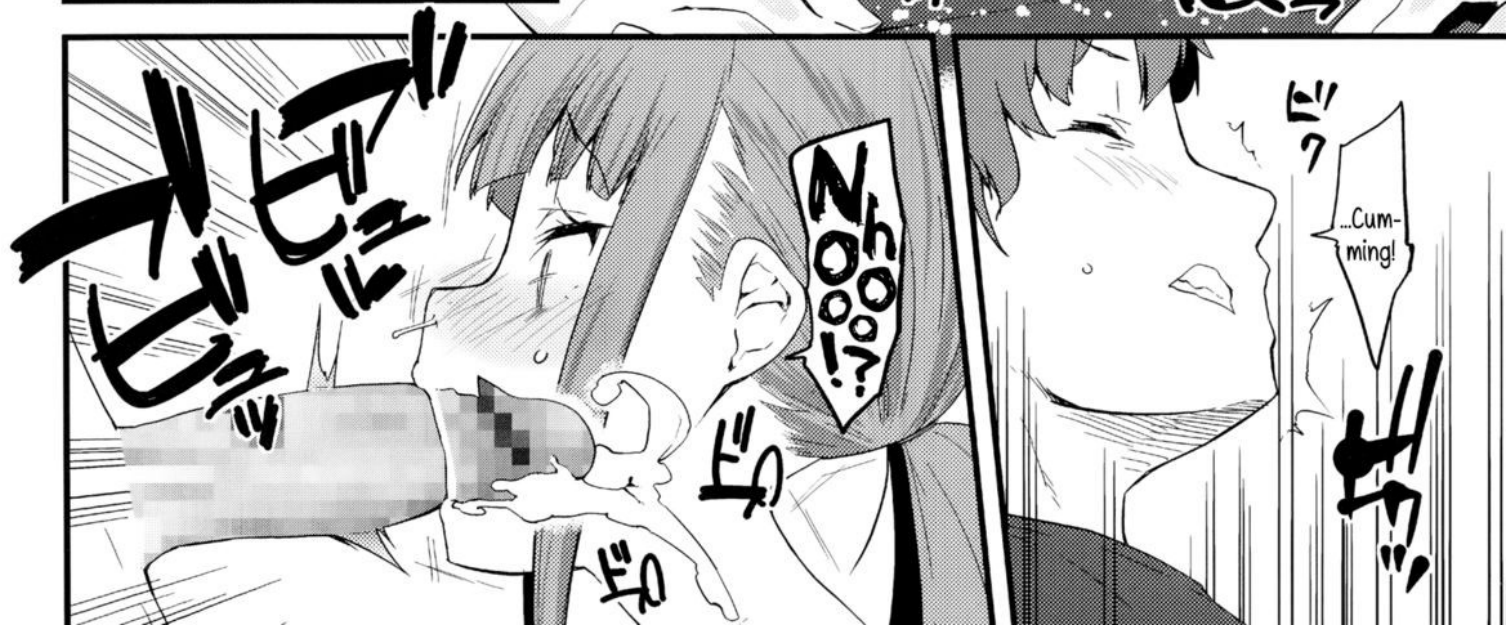

I can't take it any-more! ♡

No more! ♡

This place stinks the most... ♡

Uh?!

Fuh...

Huff

Whenever
I get a big
whiff of your
musk, my
crotch gets
really wet!

What?!

It's such a
stinky, pungent
odour, yeah?
My head goes
blank and I
get really
horny!
I love it!

Eeh?!

But, y'see?
I don't want
to get horny,
y'know?
So I've been
trying really
hard not to
sniff you!

Big bro?
Did
y'know?

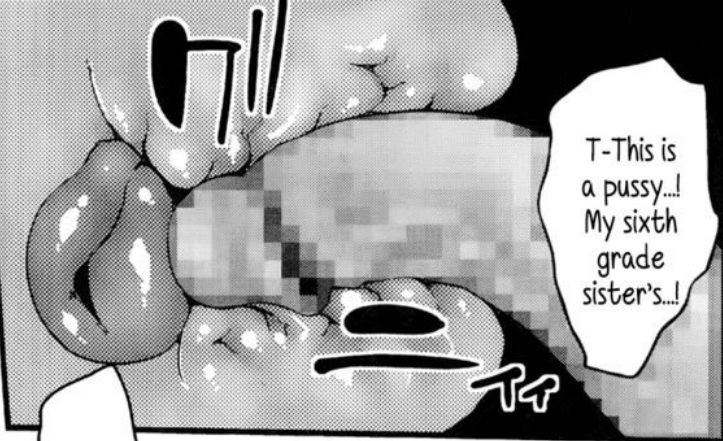

Kay?!

Waa
ah!

...So
let's
do
it!

But I can't
take it
anymore,
alright?

I'd never be able to feel this good with any boy other than you, Onii-chan!

You see, I...

Of course it is!

Because, you know, I love you, Onii-chan!

I've loved you for a long time!

Ha Ha

Ha

I love you!

I love you!

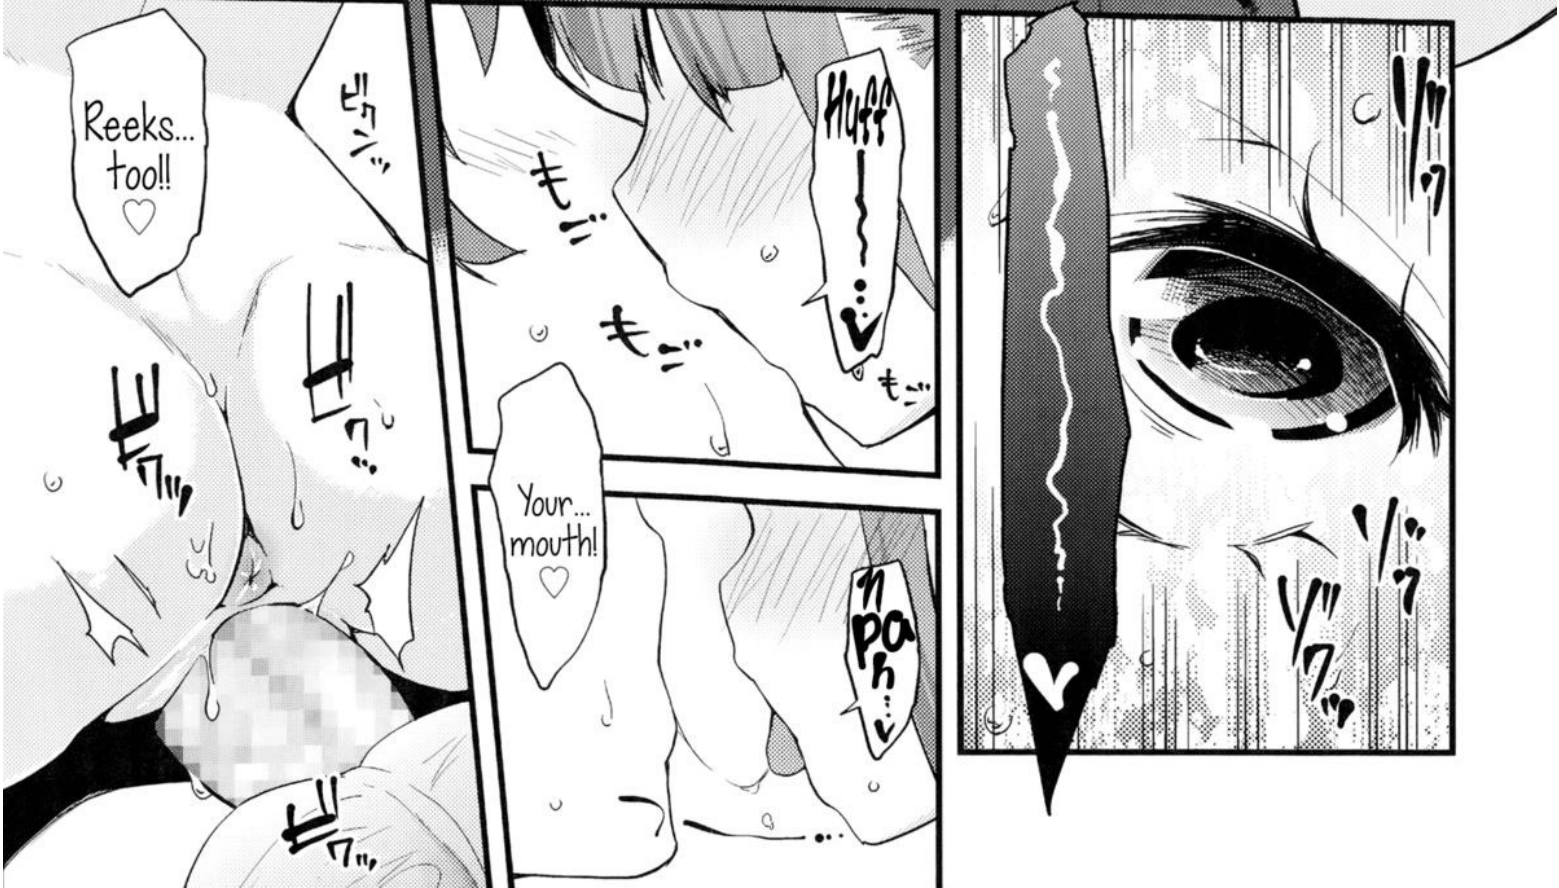

I love you!

I love you!

I love you!

I love you!
