Fukuyamasan

SUZUKI-KUN

Adores Fukuyama-san too much. Fukuyama-san caught him staring at her bra visible through the uniform and teased him about it. But, once he demonstrated his Ero Power, the situation quickly escalated to their cherry popping. And that's how the couple came to be...

Since then, he has been living an outrageous lifestyle and enjoying the body of a young girl almost on a daily basis. How I wish to be in his shoes! He's an extremely lucky and surprisingly strong-willed protagonist.

Above all, he loves doing naughty stuff with Fukuyama-san. Apparently, he always enjoys himself and has never been tired of it. And his perversions have rubbed off on Fukuyama-san so much so that it wouldn't be an exaggeration to say that this couple is all about sex!

Details about his family are not known. But since he lives alone in an apartment, it's assumed that he's from an open-minded household. However, it seems that he doesn't have any part-time job to support his living expenses. And when he does, he works only to buy presents for Fukuyama-san.

His favorite foods are Fukuyama-san and over-ripe pears. Currently, his once praiseworthy school performance has been on the decline. That's because in spite of approaching exams, they have too much sex during their study hours.

FUKUYAMA-SAN

"A cool beauty" admired by Suzuki-kun.

Or so it would seem...

But she's been changing ever since she started going out with Suzuki-kun. But it appears that she isn't entirely against the situation. Even though their relationship is centered around sex, she accepts it as it is and makes good memories out of it.

She's surprisingly devoted by nature. Fukuyama-san enjoys being cherished as the girlfriend, but dislikes it when she's given preferential treatment. Whether this is because of her delicate personality or sensitive age, we do not know...

It's just her mother and her in the family. Since they end up having sex during the group study sessions no matter what, she's been worried about her increasing breast-size and indulgence of late.

Her favorite dish is gyoza. Even though she sucks at cooking, apparently she's quite the expert at making gyoza. Also, she likes Suzuki-kun's smile.

If I don't endure this now...

Whenever I see his smiling face, I seem to lose my sense of reason.

But his smile...

Honestly,

I can't believe Suzuki-kun toyed around with me...

...And I didn't even get to orgasm.

Leaking out!

Oh no!
Suzuki-kun's
semen is...

Ah...

If it keeps
flowing out,
it'll be
exposed.

I gotta
think of
something

Even
the smell is
just too
intense.

stop myself from
cumming...!

TO THINK THAT AN HONOR STUDENT LIKE YOU WOULD..

ACTUALLY SKIP CLASS TO HAVE SEX! THAT'S JUST WRONG, Y'KNOW?

DON'T YOU TRY
STICKING IT IN

ENOUGH STOP...

NOOO... IF YOU DO THAT... I'M GONNA DIEEEE!

Agu!

This concludes the first compilation.

I have been thinking about writing a conclusion to this series, but I don't know when that will be... So...

Also, I have started writing another original series titled "One-Man Mercenary Army". So I might as well let you guys know about it over here too.

I was kinda hesitant to publish this with the storyline hanging midway, but since it's a cherished original series, I changed my mind and decided to go ahead with it.

I have been able to make it this far because all of you have been watching over me so earnestly. I never imagined that Fukuyama-san which started as a commercial chapter would come so far! Of course it's motivating to draw more of my favorite character, but the main drive for me would be you, the readers! Definitely!

Compared to now, the older artwork looks off and crooked at places. But still, I feel each chapter is a footprint of me as an artist at that time. However, I have slightly retouched some of the places which I had trouble drawing back then.

It's quite an ambitious publication. I really hope it matches with everyone's expectations.

I think I can continue drawing this series for a while so I'm counting on your continued support for more Fukuyama-san!
