Katakiri Fumika, age 16. Height 149 cm. Honjo Chiyuri, age 17. Height 164 cm. E cup. Attends all-girls school. A weird girl who can't read the mood. Licked Chiyuri's legs out of respect and pure desire. She was inspired and is working feverishly on her art. Knows nothing about sex. Her chest is still developing but she seems to be popular among the boys at school. Torn between the humiliation of being overtaken by Fumika, whom she looked down on, and the heart-thumping sensation she felt when her legs were licked. Likes to slobber.

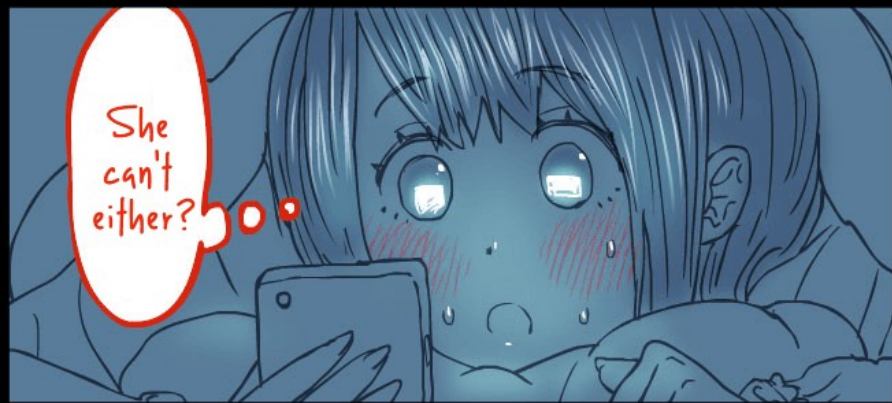

Ahhh!
I'm not satisfied at all!

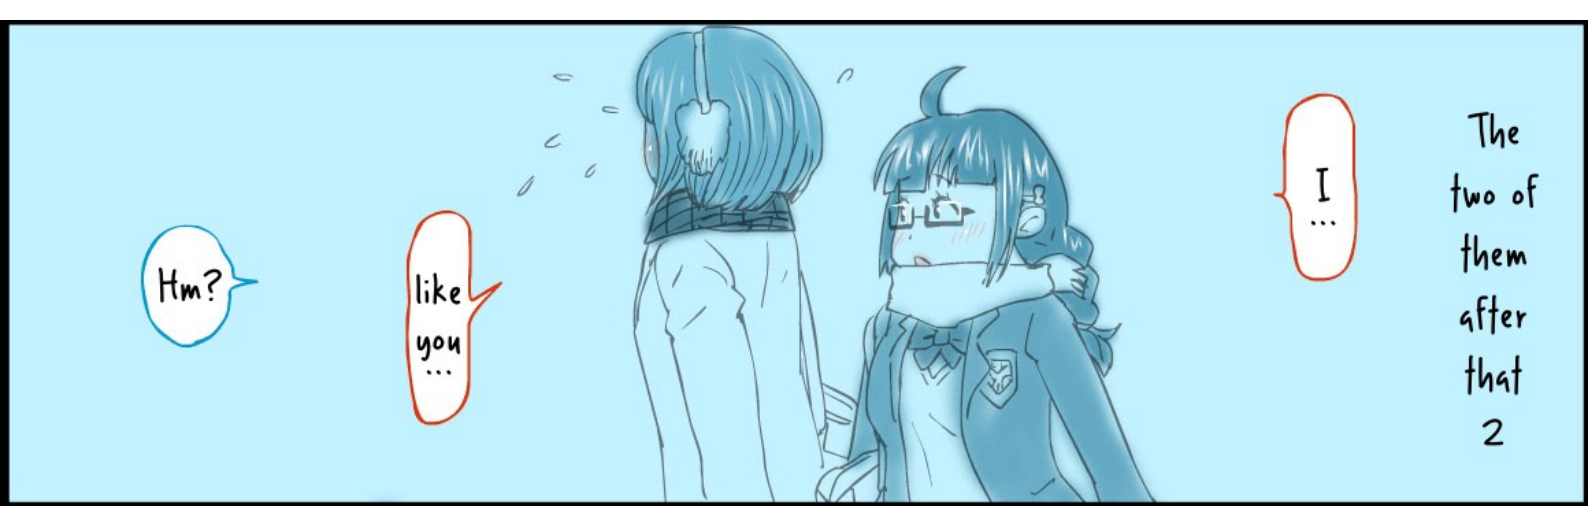

The two of them after that 1

It's all because of Fumika ...

I ...

The two of them after that 2

Hm?

like you ...

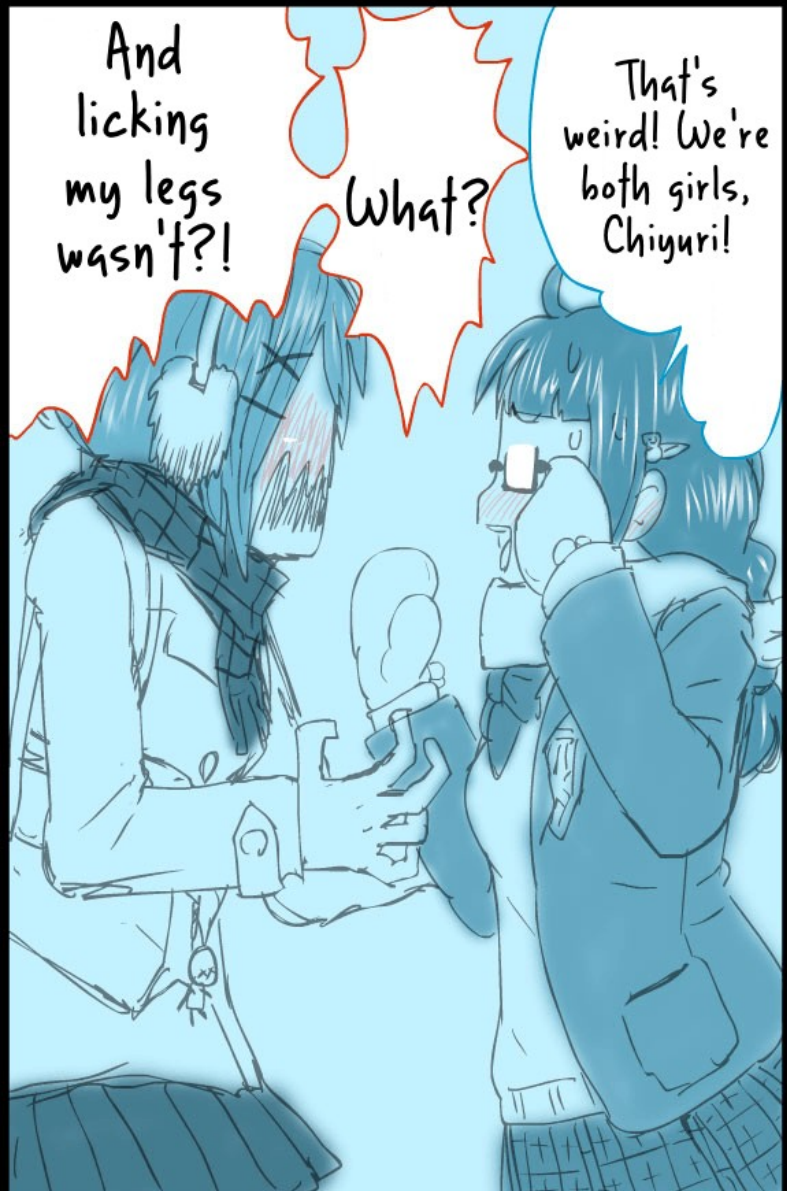

Take off your glasses.

Um.

I like you too, Chiyuri!

And licking my legs wasn't?!

What?!

That's weird! We're both girls, Chiyuri!

Huh?

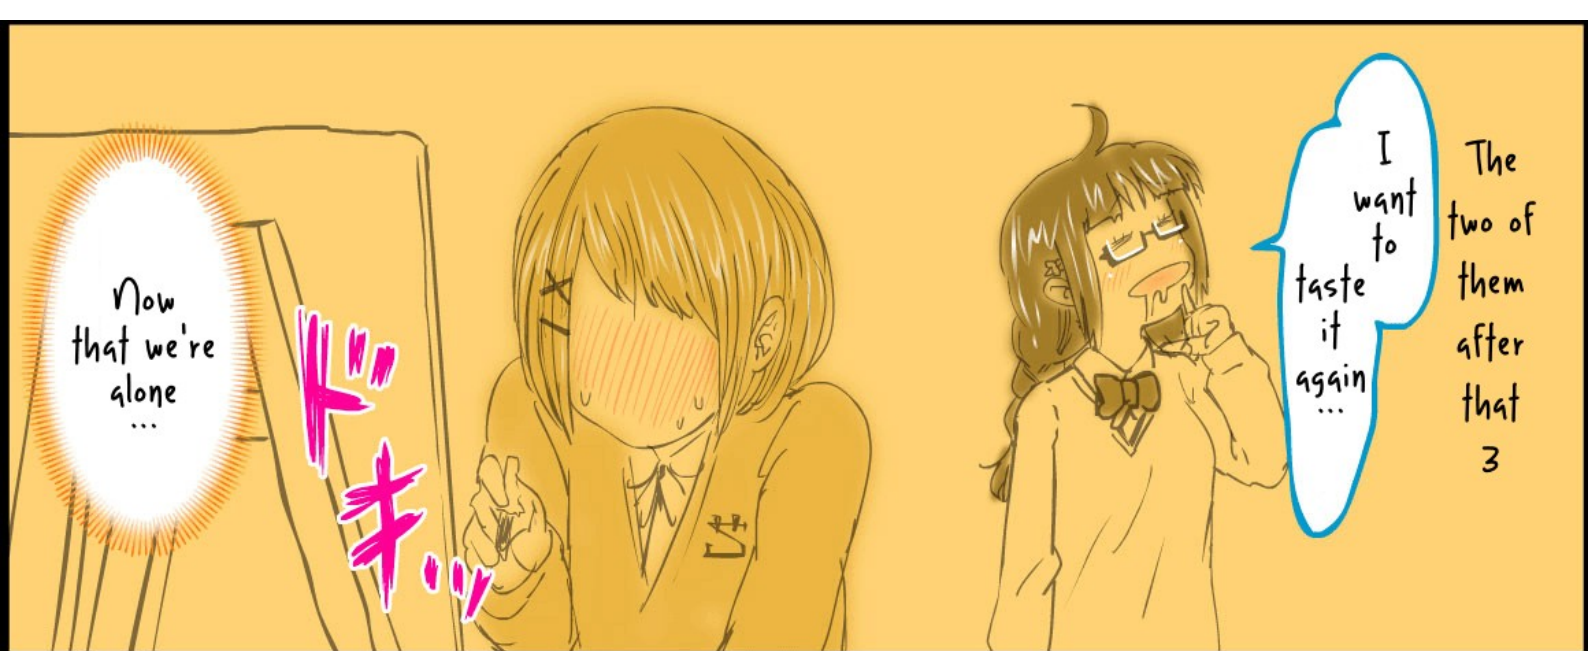

Huh?

Let's kiss ...

Wait!

Now that we're alone ...

The two of them after that 3

Oh, I used too much lotion by accident today. It's all over my body.

Sheesh, Fumika. If you beg me like that I guess I can let you do it just for a bit.

I think it's far more dirty to do it in public ...

It feels sorta dirty to be doing that kind of thing when it's just the two of us.

Oh, not that. I meant this peanut butter flavored candy. They're never in stock and I just finished them all.

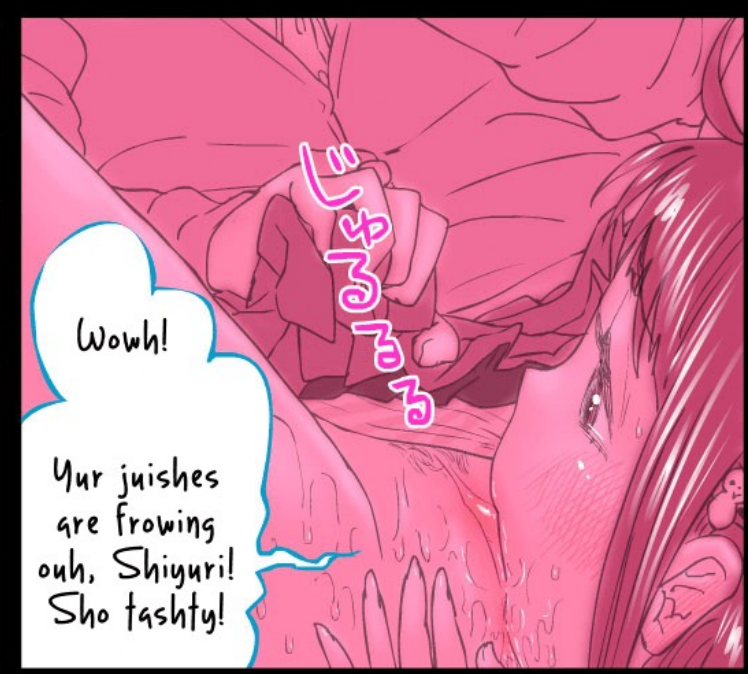

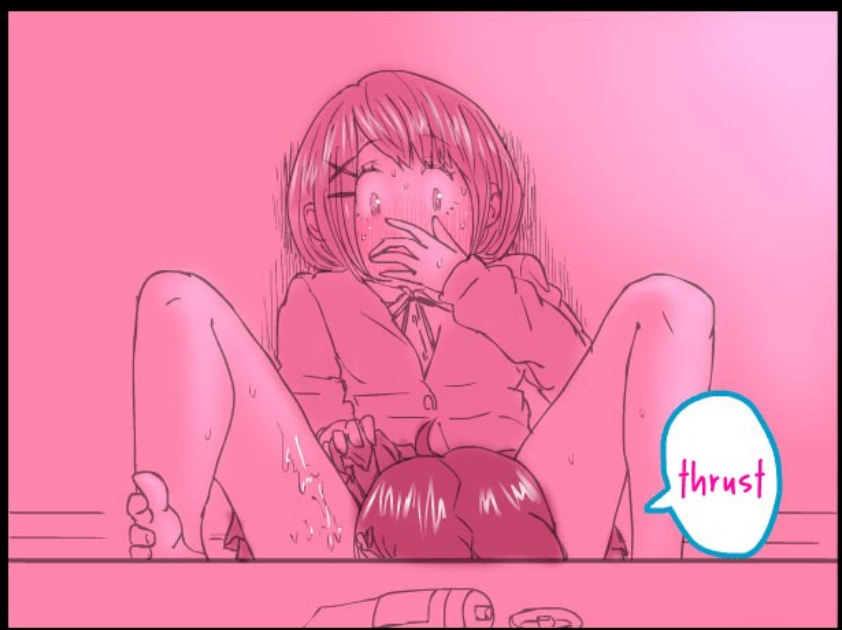

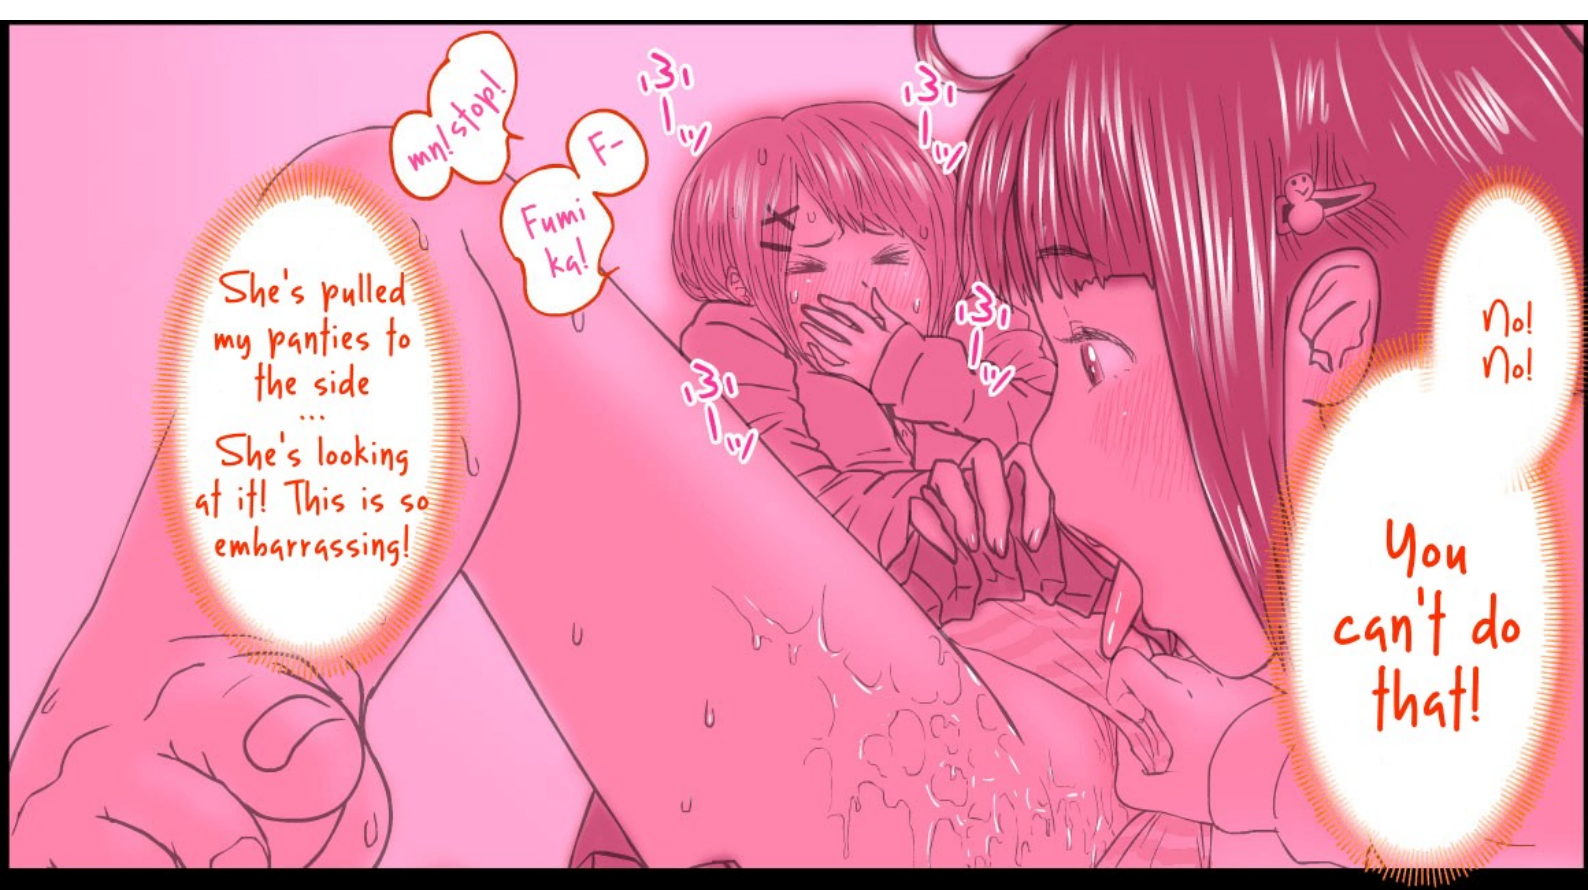

I want
to do
...

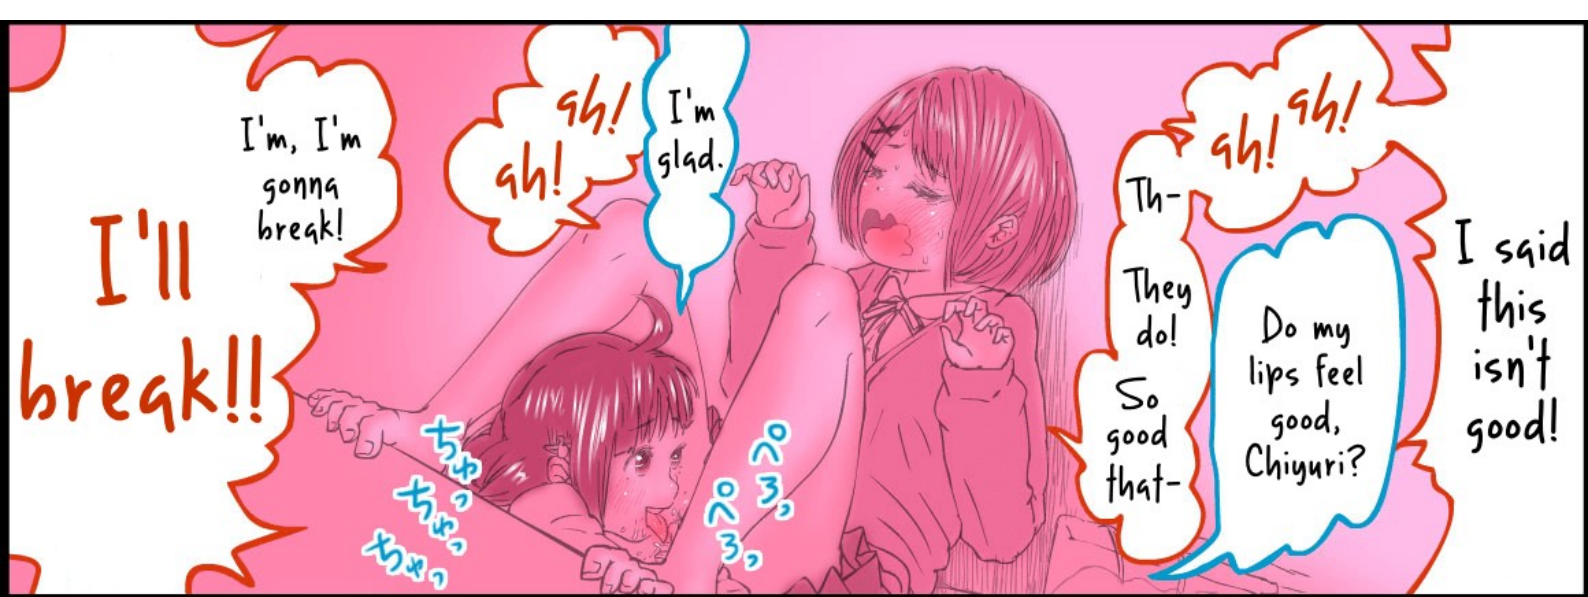

dirty
things
...

and
let her
do them
to me
...

Chiyuri!
I got the grand prize for this piece I thought up from back then!

The two of them after that 4

Actually, I did. (But they didn't say anything.)

I ... didn't enter.

How did you do, Chiyuri?

sniff ... sniff

I'm going to Tokyo for the awards ceremony!

You should come with me!

It's all because of you, Chiyuri!

I love you!

While I'm doing these dirty things, she's getting even further ahead of me!

Oh, no ...

Are you crying?

Hmm?
What's wrong, Chiyuri?

I'm ...
I'm ...

It's all your fault!

For doing that to me ...

You didn't like it, did you?

I was harassing you, right?

ごす、

I-I'm sorry!
I didn't think of your feelings.

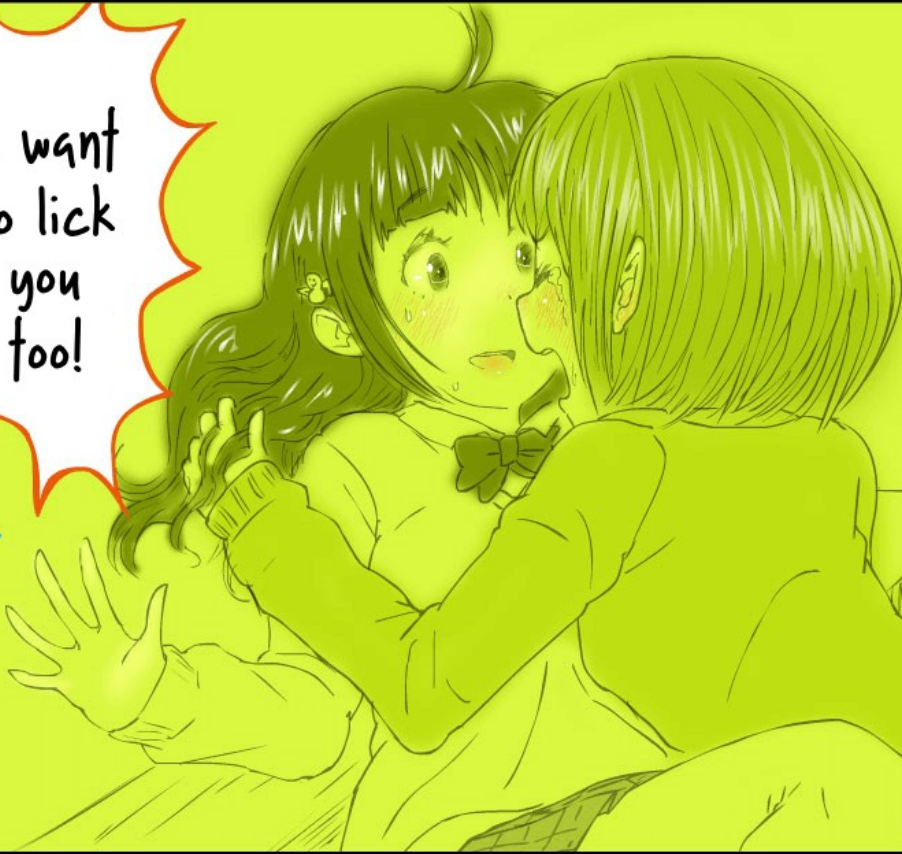

ごす、

I want to lick you too!

It's not fair!
You're the only one who got to do it!

Huh?
Is that what you meant?

Here!?
Are you taking off my bra?

L-
Let's do it here

That's fine with me ...
Do you want to go to the hot springs?

We're both girls!
There's no problem with it!

Um, um ...
I don't know about this ...

it sounds sorta ...

I-I'll take mine off too!
Is that good enough for you?

Whoa, her boobs are huge! But she's so short ...

C-Chi yu ri ... Her eyes are scar-ing me!

Fu mi ka!

I'm going to make her feel it for sure!

... huh?

Oh god ... This is incredibly dirty, isn't it?

W-Will you lick them?

So soft ... They're cute.

It ended on an awkward note after that.

They still have a long way to go before they get together ...
