dripping wet. ♡

Don't focus only on

Tease other places,
too. ♡

There are so many slugs squirming into my baby's room that it's packed full right now. ♡

It's making me feel so good that I think I'm losing my mind. ♡ ♡

Fh-yuh ♡

My mother would definitely faint if she knew her daughter let slugs rape her vagina.

I have to make sure to keep my voice down... It'd be really bad if someone notices.

I hid my face

went to a park
quite far from

case so it should
be fine right...?

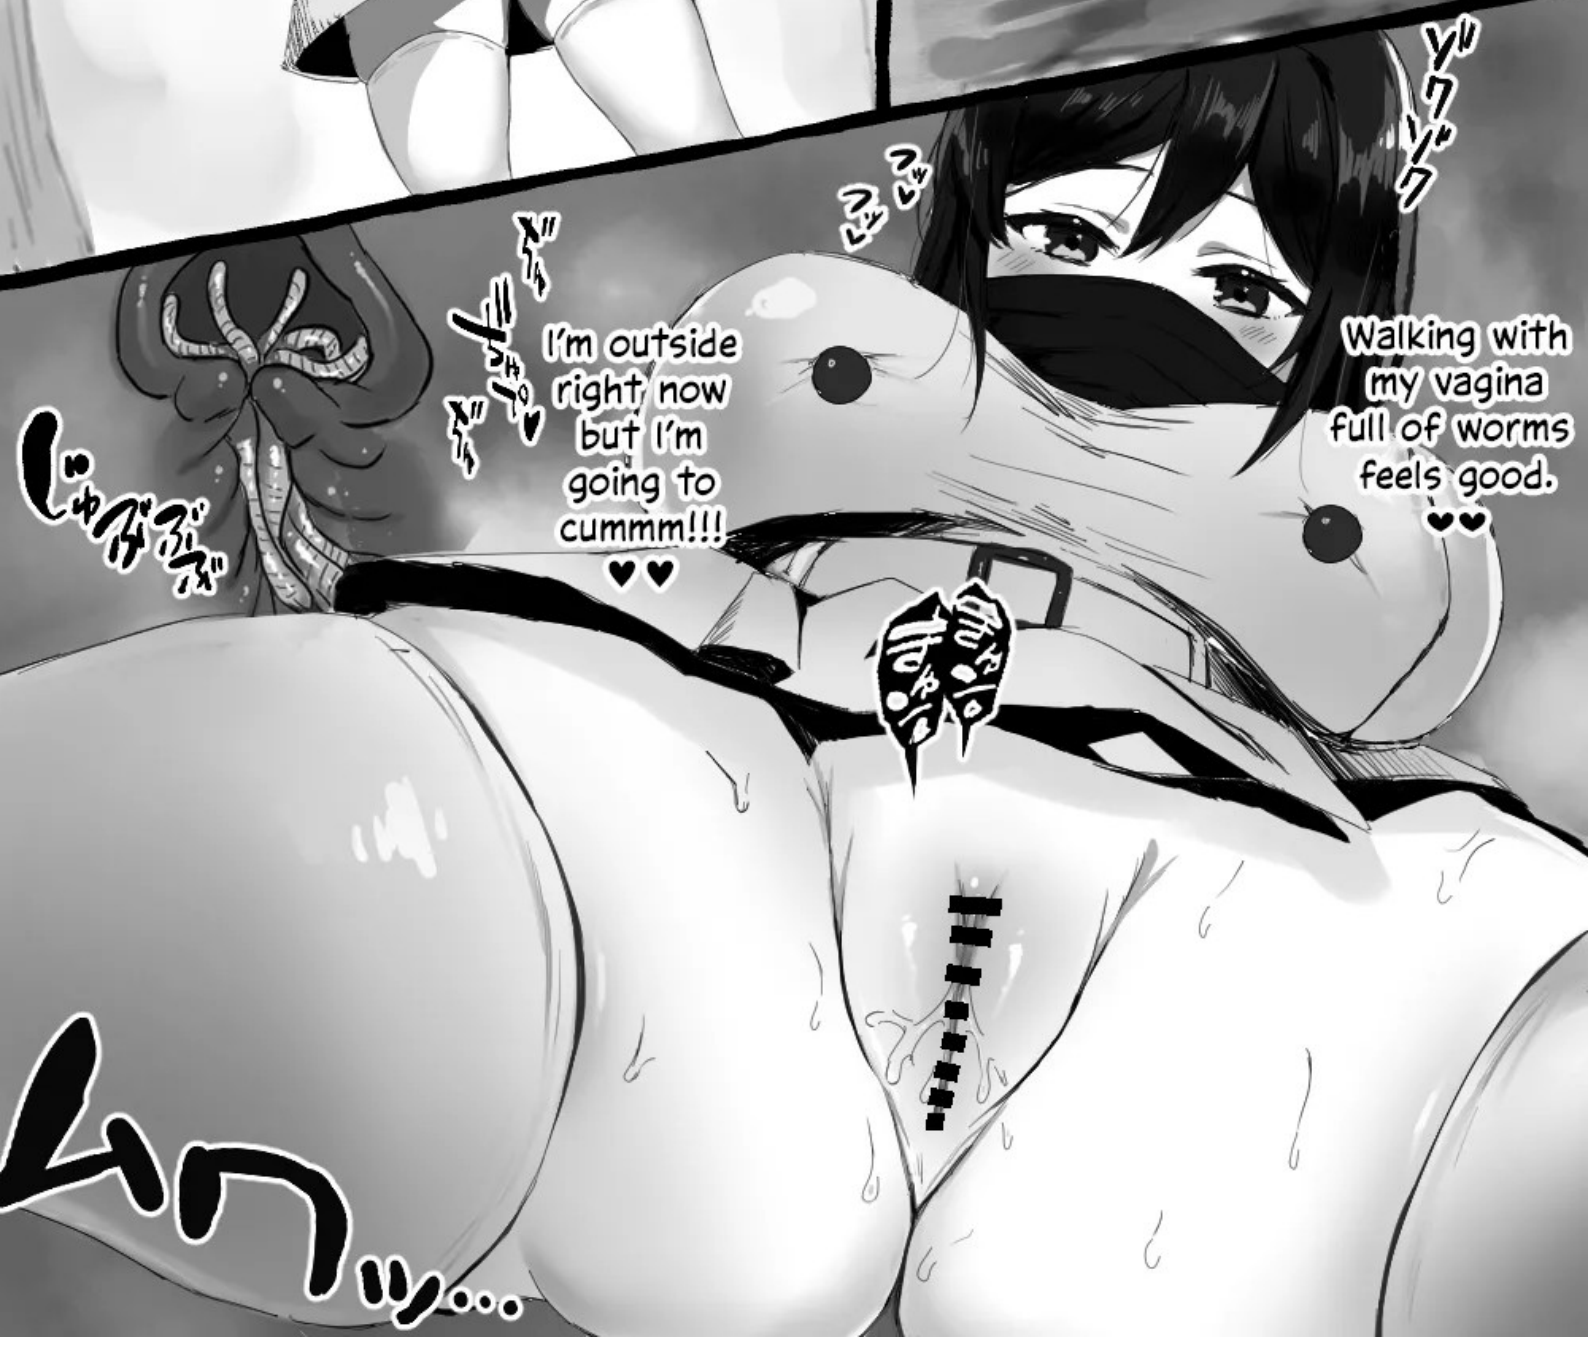

I had a close call a
while ago with my
family almost
finding me out.

Also, masturbating
outside is making me
really excited...

Nice weather
today...

I'm outside
right now
but I'm
going to
cummm!!!

Walking with
my vagina
full of worms
feels good.

ハハ...

There are people outside, so I should not be making any noises, but it just feels so good that I can't help but moan... ♡♡

Cumming ♡

Worms are coming out of my pussy. ♡

I found the
girl who was
cumming with
her pussy full
of worms at
the station.

Hiehh...

Oaah!

I had her masturbate in front of a camera. Those worms were freshly caught by me just this morning. Despite appearing to hate this, she still came while making an ahgao. She's a true pervert just like I thought.

I brought her back to my home And ordered her to take off her clothes.

I had to yell at her before she took off her clothes while she cried at the same time.

It looks like she at least knows shame, even though she's a damn pervert.

With not even
a hint of
shyness now,
She squirted
vigorously while
facing the
camera.

I spread
her pussy
open and
taped it
so that it
could be
seen clearly.

The place
where the worms
were squirming
in and out
of her vagina
was captured
perfectly by
the camera.

Be-
cause her
pussy was
twitching
as if asking
for more,
I complied
and inserted
more worms
into her
vagina as a
supplement.

She squirted another five times
and collapsed to the floor after that.
Her whole body was twitching as she
lay down, probably because it got
tired after all those climaxing.

While she wasn't paying
attention, I took her
phone and exchanged our
contact information.

When shall I call her next,
and what shall I have her do?

A grin escaped my face as
I had the feeling that
my gloomy daily life would
change from now on.

She saw the beaker filled with insects and she seems to get what I'm about to do to her after this.

She was making a face that didn't even attempt to hide her sexual arousal. She truly is a big pervert, as I expected.

I called her again today like always. I scribbled all over her body using a marker.

A fitting look for the masochistic woman that she is.
