Room 15B  
Rinka

She's shy and suffers from stage fright

S-  
Sorry...

Hyuuga Rinka the national idol is not actually suited to being an idol.

and because of that, she gets so nervous in front of cameras, she can't do her job properly.

But one day

Because you came inside,

I had to try so hard to keep it from coming out!

Throughout all that, we got closer to each other...

And so I tried many things to help her improve

She came to me for advice

"I want to change myself-"

S-so,

I think that if I undergo a very embarrassing experience right before I perform, I will be able to ignore everything else...

she suddenly said that

Daisuke-san

Just as I was running out of ideas,

Will you...

embrace... me?

I was surprised by this suddenness

I know I shouldn't... but I

And after sex she was in prime condition,

came to like her-

and could perform normally in front of the cameras.

However-

Furthermore, her girlishness was brought out and she very quickly became a national idol.

Even now, her stage fright remains uncured...

And as backlash from after the performance, she gets horny again

Mnnn

Mmph!

Ugh!

Let's stop... doing this kind of thing.

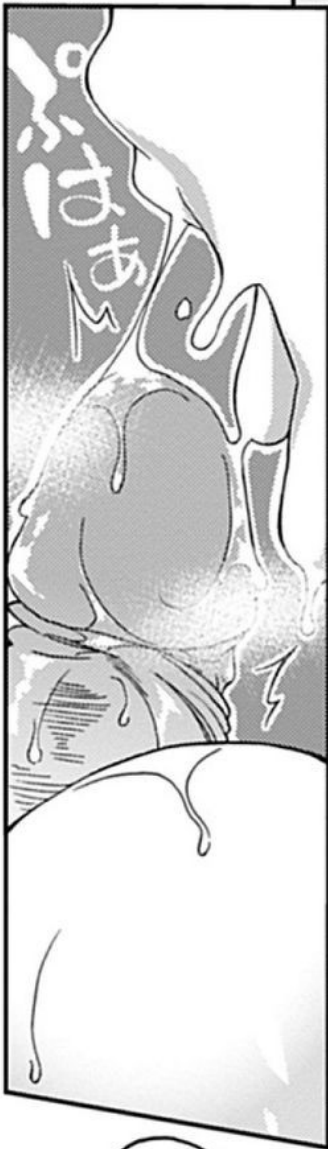

Sigh~

(TL: Muffled for obvious reasons)

I was wondering what you wanted to say.

Rinka-chan, stop for a bit.

What, geez~

I couldn't say it until now.

Eh?!

Don't want it if it isn't you, Daisuke!

I want you!

That's...

I like you, Daisuke! But...

Rinka!

Kyhhh!

Idols can't have boyfriends.

Me too...

Dai... suke?

That's why  
I was so  
irritated  
with this  
half-assed  
relationship.

I always...  
always  
liked you,  
Rinka-chan.

Mngh
