Just what kind of
"present" did Sensei
put inside
Maki-chan?"

Besides, from
the perspective
of sperm it's an
entrance, you
can't argue
with that!

If it's
a place
I can put
something in,
then entrance
is fine!

Uuuh...
well-

But isn't it
more like an
exit when you
think about it?

Hang on-
you call it an
'entrance'...

Golden Tube

ゴールデンチューブ

THIS IS
A LITTLE
EXPERIMENT
TO SEE WHAT
HAPPENS WHEN
I PUT THE
TUBE IN ALL
THE WAY.

AREN'T YOU
DOING THE
ENEM-..
AAAAH!

OH, YOU
THOUGHT
THIS WAS
JUST TO
GET YOU
CLEAN?

UFUFU...
I'M JUST
ABOUT TO
PASS YOUR
COLON
NOW~

MMH...
IT'S...
BIGGER
THAN LAST
TIME...

SEE...
IT'S ALREADY
ALL THE WAY
UP HERE... HMN,
THIS MIGHT BE A
LITTLE....

IT'S CONNECTED
DIRECTLY TO
THE SHOWER,
YOU SEE.

SO THE
WATER
PRESSURE IS
MUCH HIGHER
THAN USUAL!

U..
UUUUH...!

IT'S THE
FIRST TIME
YOU'VE HAD
IT IN SO
DEEP HMM?

POWERFUL,
ISN'T IT?
CAN YOU FEEL
IT HERE MAKI,
JUST BELOW
YOUR RIBS?

Aah
Uah!
Gah!
Gah!

UH...WAAH!
AH! WHAT
WAS THAT?

Although, it's not an easy place to reach....

Yeah!
♡

If we just keep Pilling you up as we go along I'm sure we'll get there~

Yeah
♡

Shall we see if we can get right to the end of your large intestine, hmn?

If you touch it then you can feel it inside right? Pouring water right into your colon.

That's pretty much a Pull 40cm inside you now!

Wonderful!
A
ull 60cm
tube all
the way
in your
belly!

Ah sorry,
that was
a bit hard...
But it's
already
past your
colon now!

Aa... It
feels like
it's t.-
trembling
below my
chest..!

AH AH
!!? KU

...yanno,
when you
see it in
the video...

It doesn't
look like my
tummy's
shaking half
as much as it
felt like.

True, but you
were all Pull up
with water last
night, so it's
hard to tell...

Normally, even from
the outside you can
tell what's reaching
where, right?

Not-
at-
all~!

Mmn

Don't you
think we
overdid it
a bit last
night?

Bear with
it, it's still
flowing into
you!

Maybe
we should
test that
theory of
mine?

Oook,
the tip's
already up
to here!

It's a special lesson just for you, Maki-chan.

Things like this just aren't possible at the school infirmary.

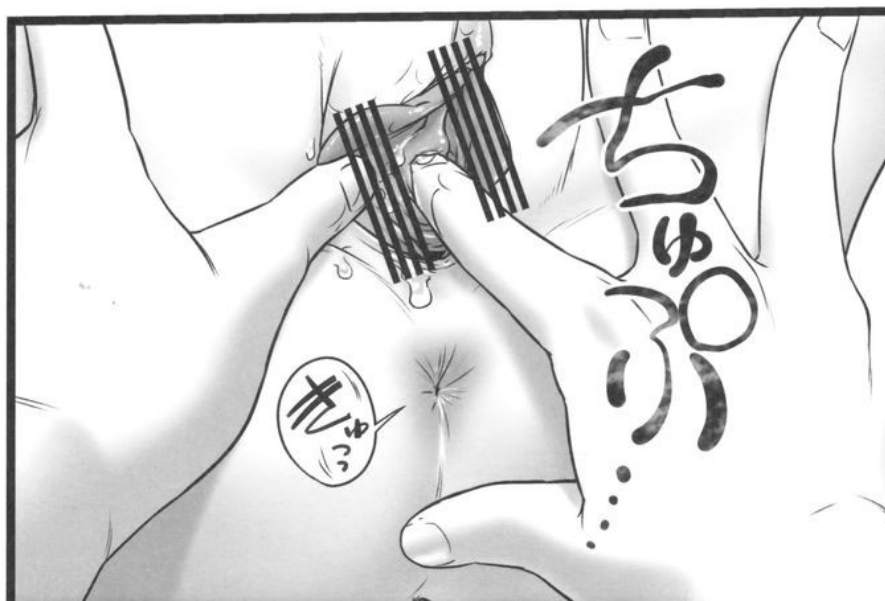

If you weren't 'hospitalised' at my place there's no way I could let you do this.

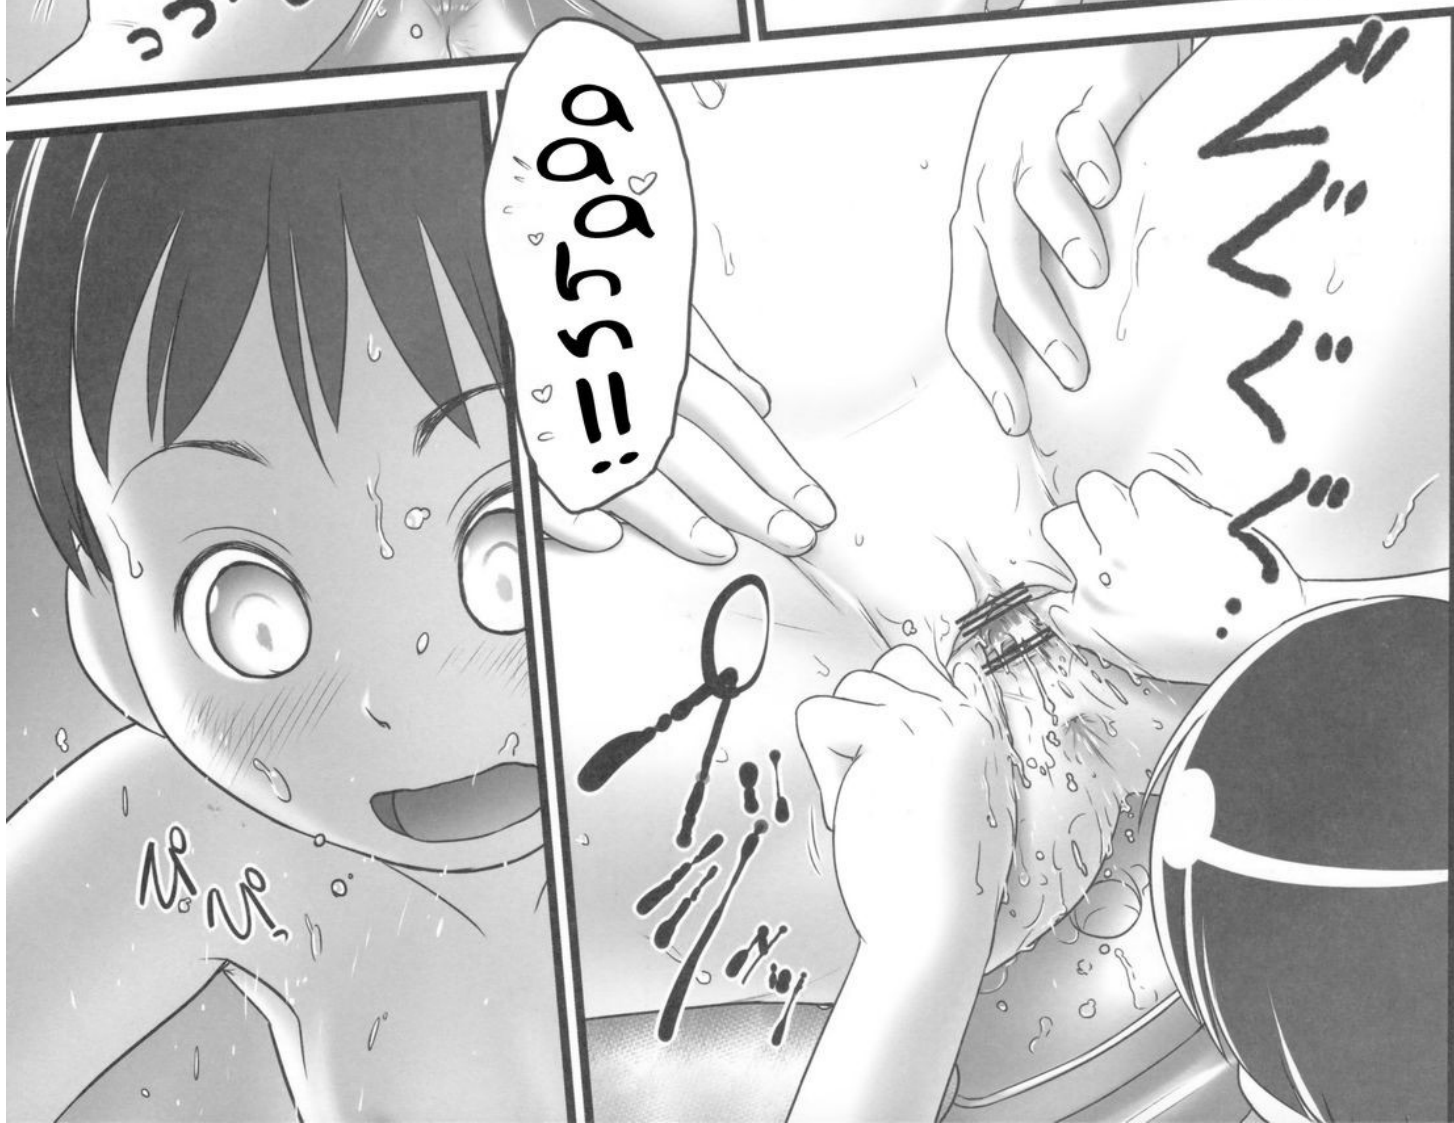

Take a seat? You can do whatever you like with me.

Eheh... It's actually a little embarrassing to spread my legs again.

This way, you can find out for yourself what's going on inside.

It's really soft and... it's squeezing me..

Uuh... It's kinda dark and hard to see, but...

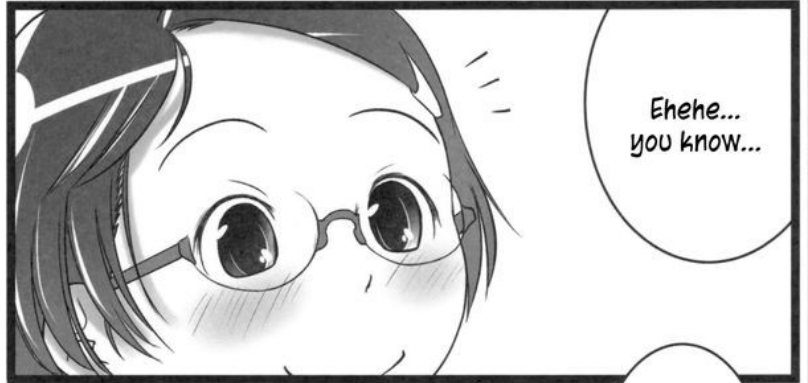

...How is it?

Can you see inside?

is the inside of my bladder.

Eheh... what your fingertip is touching there,

Ehehe... you know...

So yesterday... What was in here came squirting into my bladder, right?

This is like..

...a special kind of sex only we can have!

That's right!

I mean,
wasn't that
totally a
confession
of love just
then?

Was
not!

Damn, if
only I'd set
the camera
up!

...ERM?

So thank
you.
♡

The only
person I
can do this
with is you,
Maki-chan.

Well... ahem..
in any case,
being your
'patient' in
this sort of
way..

W-...
well...

I guess
your ass-
hole, too?

Hey hey,
don't go all
bashful on
me?

In this
perverse
situation

Is it
really okay
to stop at
my peehole?
Don't you want
to see my stomach
move?

I'll tell
you what
to do,
So go
ahead
and put
your arm
in all the
way!

oneechan's...
bottom, her
poop hole.
♡

I never
saw it this
close up
before...

Mnn...

It's actually
kinda cute...

Can you
feel there..
where it's
squeezed
tight...?

Just twist
your hand
a little...
push up a
bit....

Woah...

Wo...

T...
there!
Go on,
push up
into my
colon!

あ
AH

AGH

Maki-
chan's
hand.
♡

You can
even see
it from the
outside!

UPuPu~
Amazing
isn't it?

... I mean,
I guess
that's...
where my
hand is?

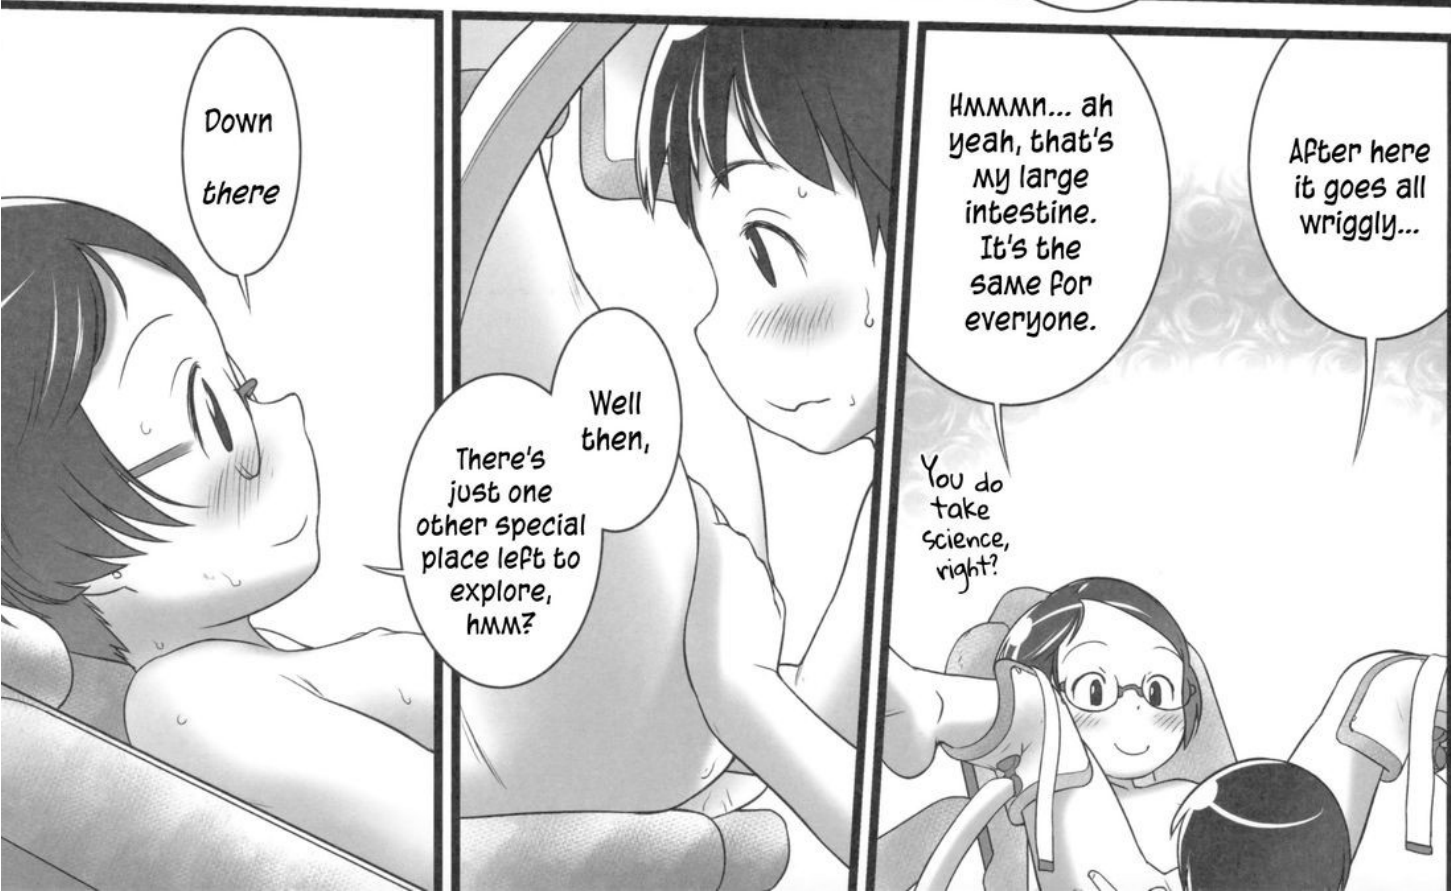

Wow!
...your insides
just moved!

UPuPu...
your ass and
urethra are just
the same too
you know, Maki!

It's like
having my
hand inside
some warm
jelly...

It's so hot..
and soft... and
it's squeezing
my hand...

Down
there

There's
just one
other special
place left to
explore,
hmm?

Well
then,

HMMMn... ah
yeah, that's
my large
intestine.
It's the
same for
everyone.

After here
it goes all
wiggly...

You do
take
science,
right?

FuFu.... it's important to be knowledgeable.

Sex education is like preparatory learning about your own self.

Uu... uh, yeah...

I pretty much already knew everything though.

You had sex education lessons at school this year, right?

H...here? Um... your uterus, I think.

It's the entrance to the place where babies are made.

So... what's that you're touching right now?

It's the entrance to.. ?

Besides, from the perspective of sperm it's an entrance, you can't argue with that!

If it's a place I can put something in, then entrance is fine!

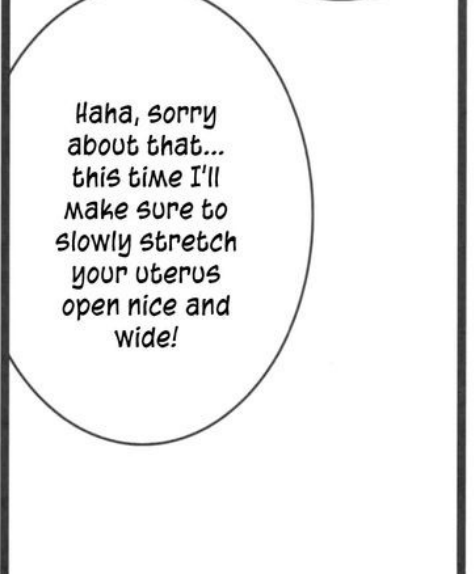

She's got a point there

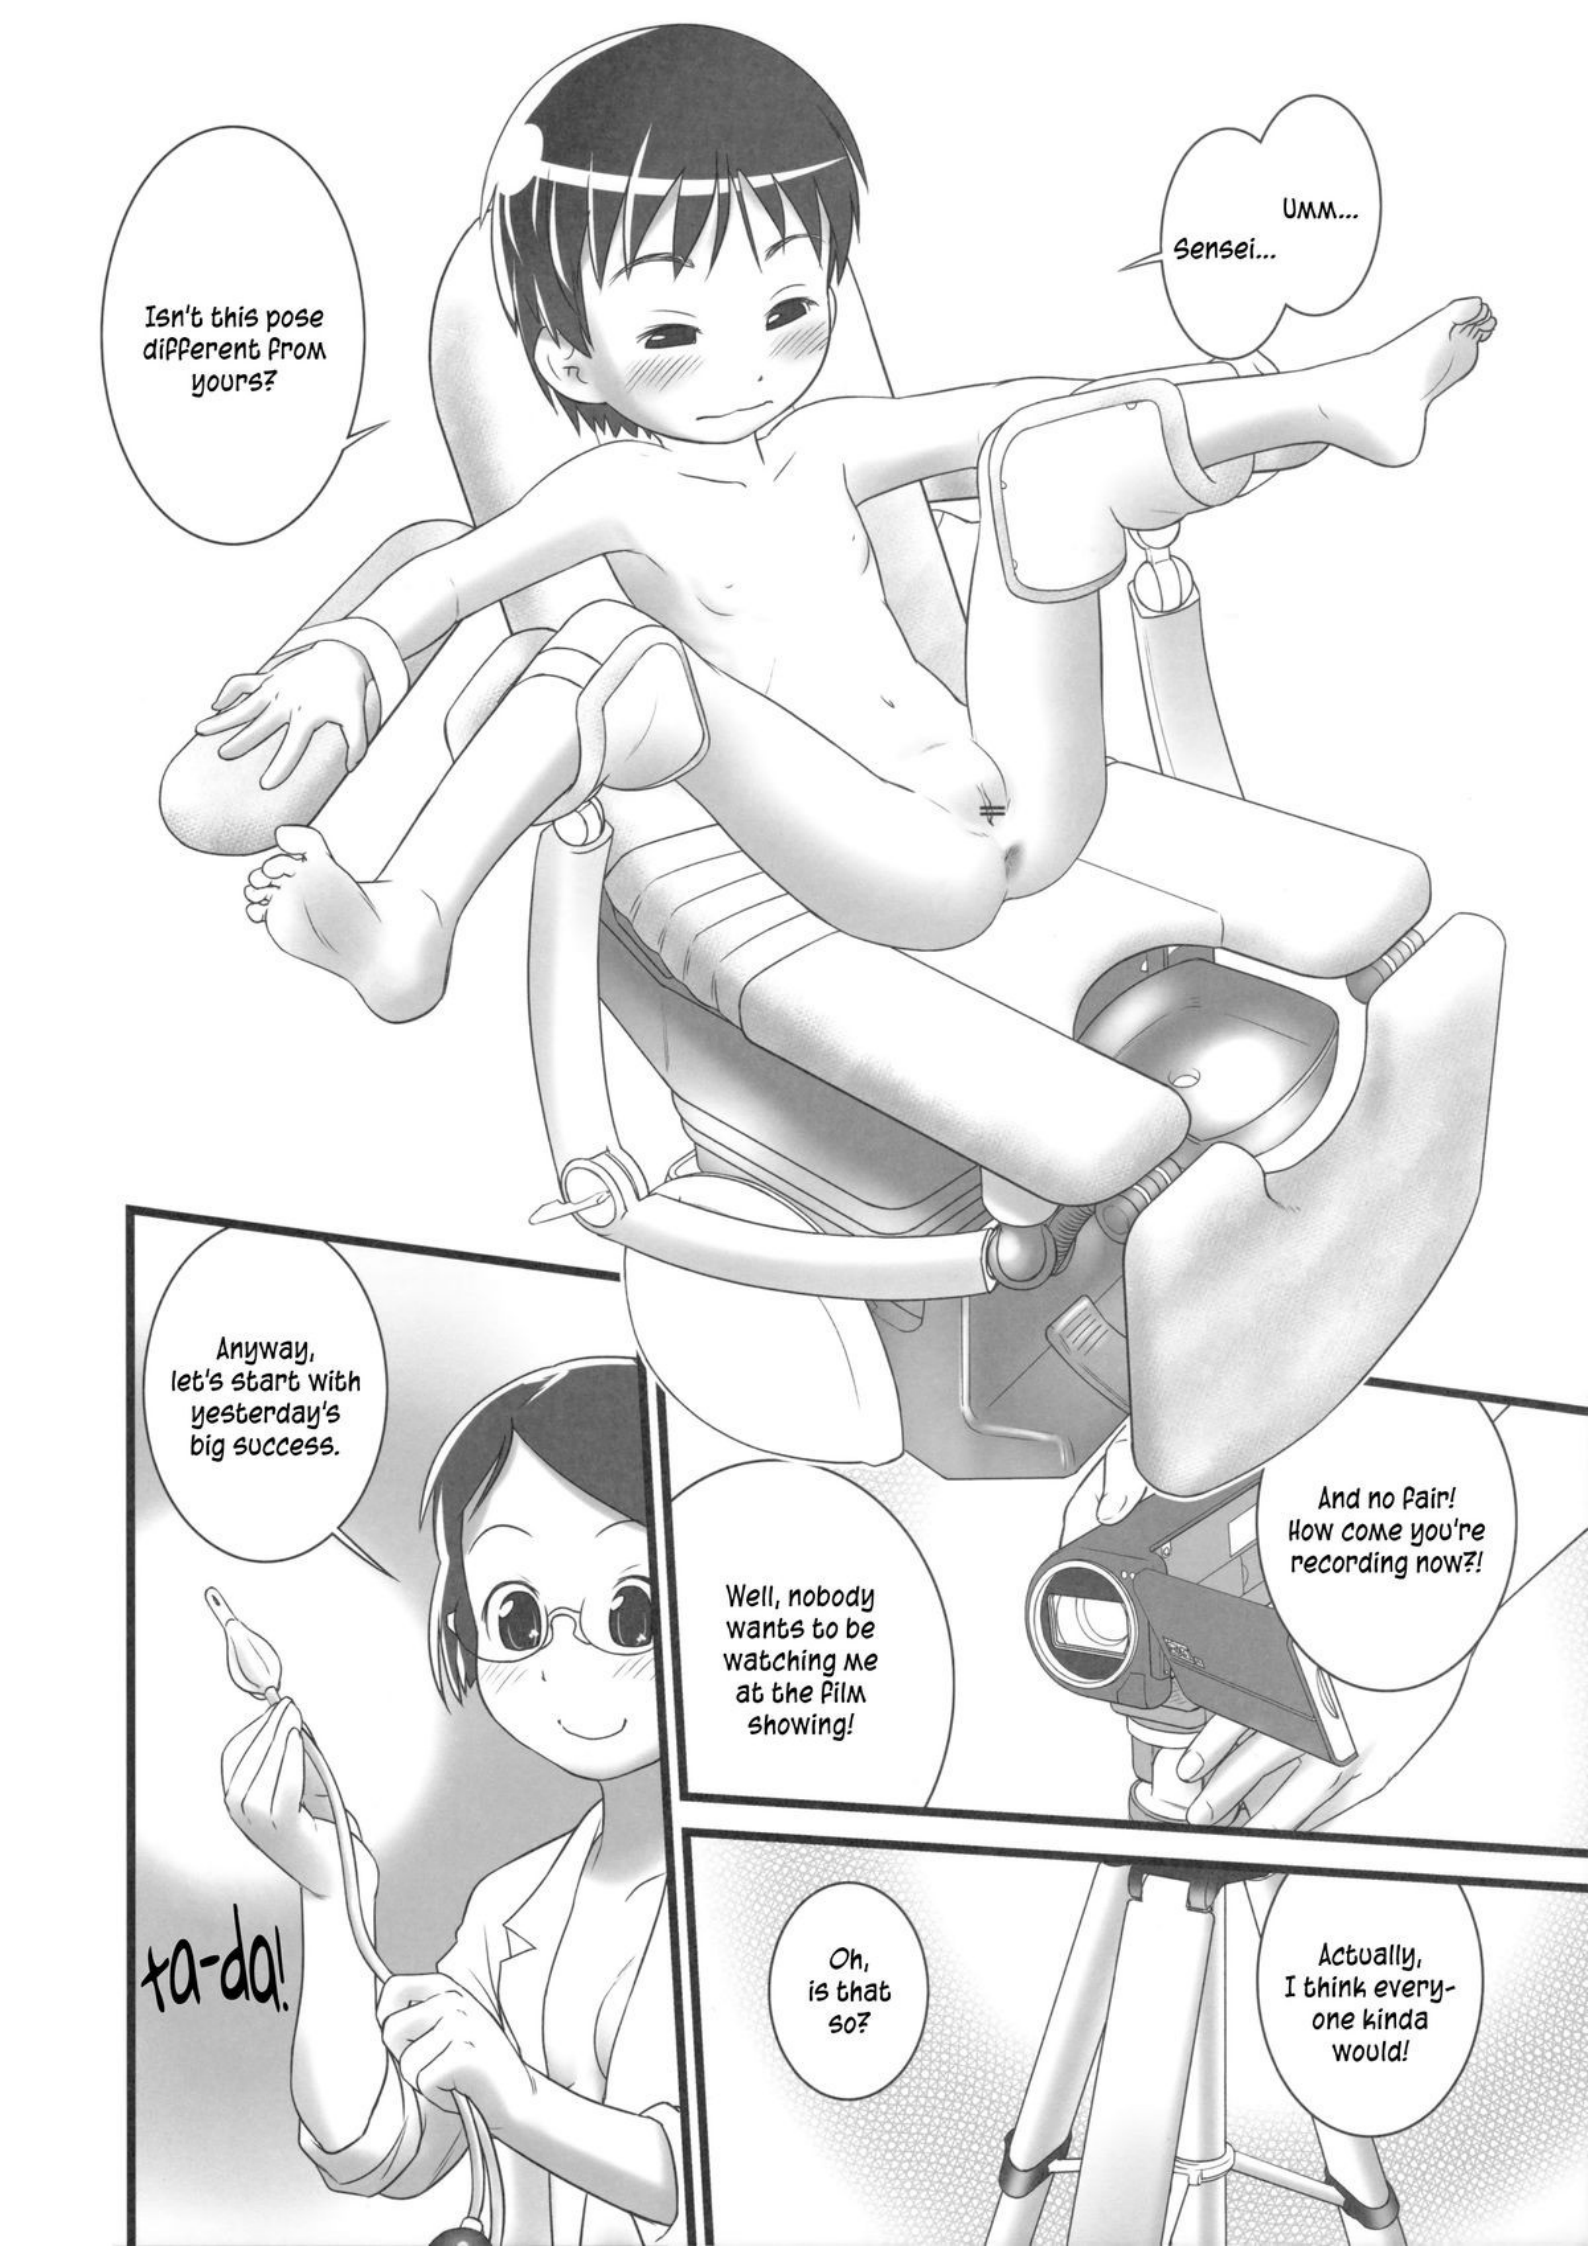

Uuuh... well-

But isn't it more like an exit when you think about it?

Hang on- you call it an 'entrance'...

Isn't this pose different from yours?

UMM...
Sensei...

Anyway,
let's start with
yesterday's
big success.

And no fair!
How come you're
recording now?!

Well, nobody
wants to be
watching me
at the film
showing!

Actually,
I think every-
one kinda
would!

Oh,
is that
so?

ta-da!

Hmn?
No no no!
I'll use this
to get your
uterus in the
right position.

'Ta-da'?

... That's
what you
put in my
pee-hole
before...

Pour~

...It goes in
the womb
too?

So if we inflate
your bladder
from below, it'll
push the womb
up nice and
straight.

Oooh...

WAA!

SHOVE

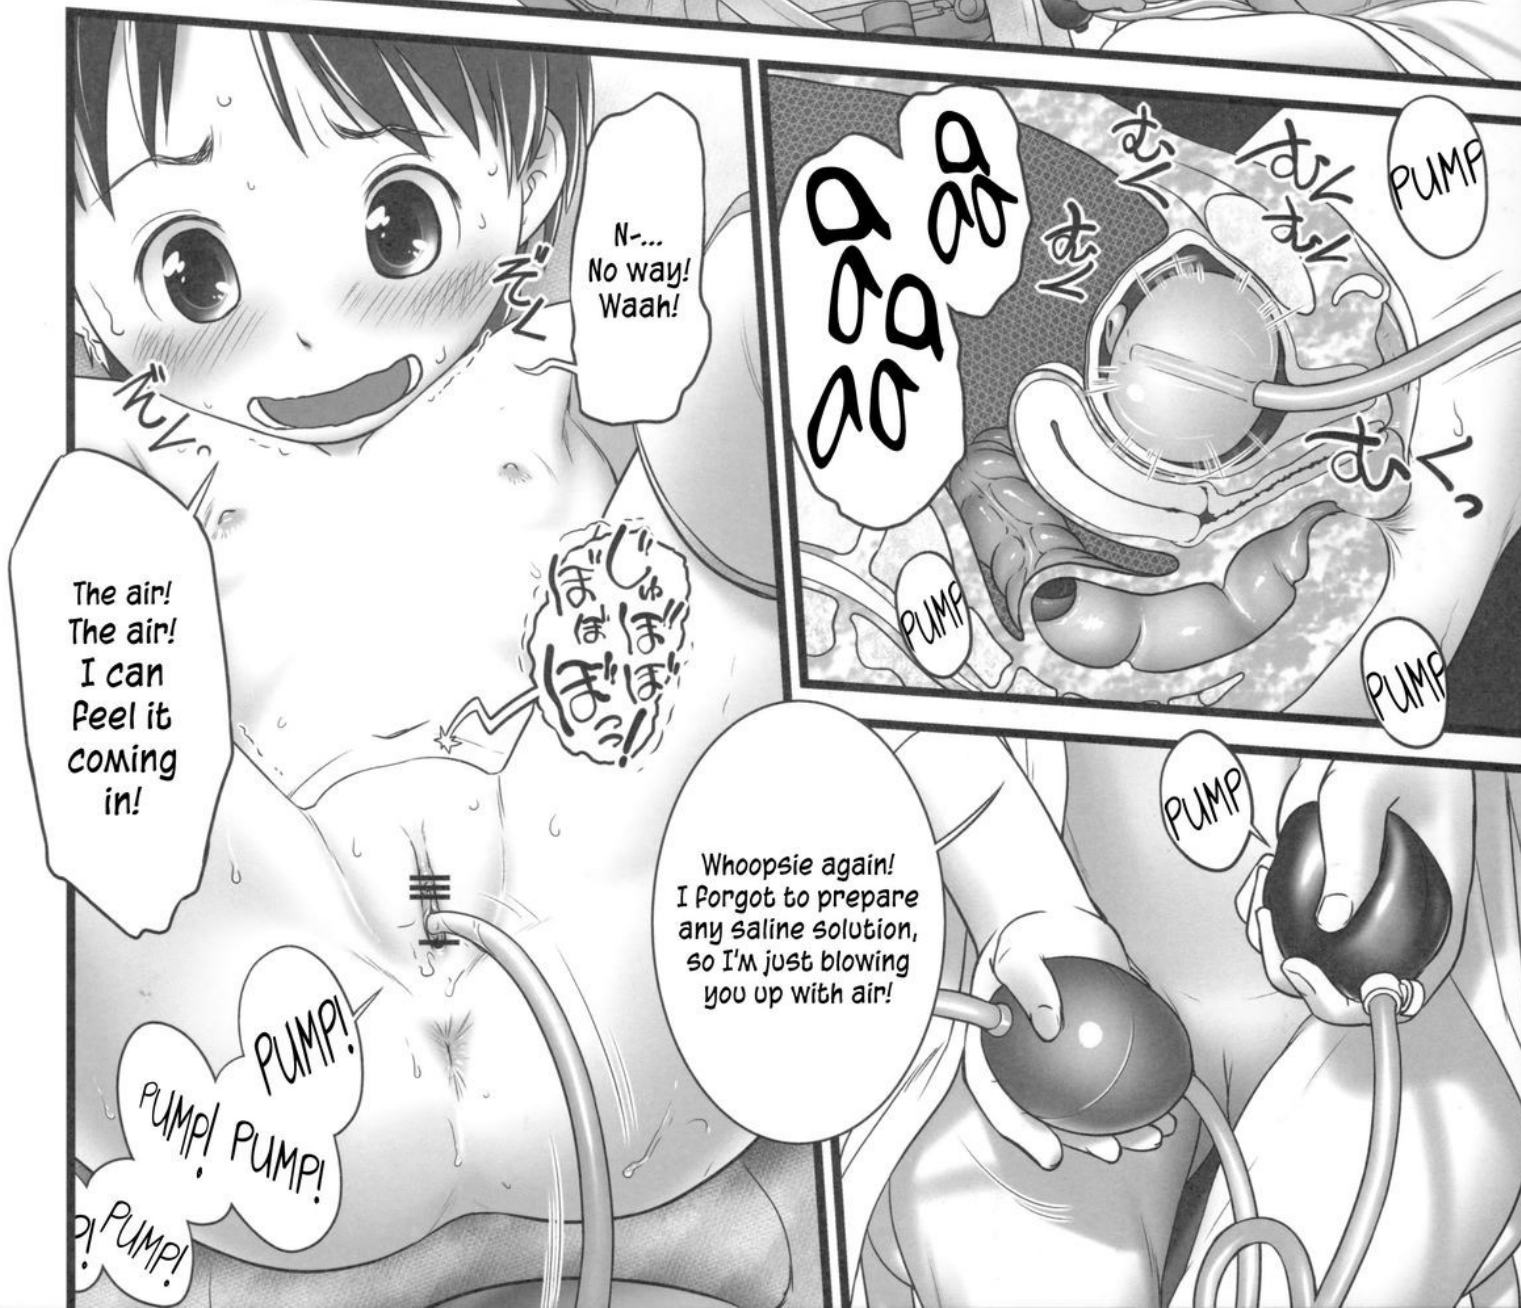

What do
you mean?

Normally,
the womb lies
forwards over
the bladder,
you see.

Kyaa!

Wait a sec!
Since we did it so
much yesterday...
my pee hole...

it really kinda
stings still!
If you do that
now-

At least
your face is
being honest.
Maki-chan.

For you maki, 'Pull'
is the level at which
the pressure means
you just can't fit
any more, ehe~

I think
we're
about
there.

Well
then...

Let's spread
your uterus
wide open.
♡

Well she
and her
little sister
Aya-chan...

You know
Yuina-chan
in the 4th
grade, yes?

ah...
ah...
ah...

They're
both just
the same
as each
other.

Ultra-sensitive
and erogenous
in the uterus.

But Maki,
you're just
the same as
they are.

That's the face
of a girl whose
whole body is
tingling with
pleasure!

In honesty,
it's not a place
that's meant
to be played
with.

Even for
grown-ups,
teasing it is
normally pretty
painful.

hah

hah

My tummy...
it's tingling...

It's so far
inside me!

Mnnh
...?

Mh!

Eh?

What's in
your mou-

Mm~?

Mm-

It's an
Indonesian
music ball.
Also
known as
a musical
ball or a
harmony
ball.

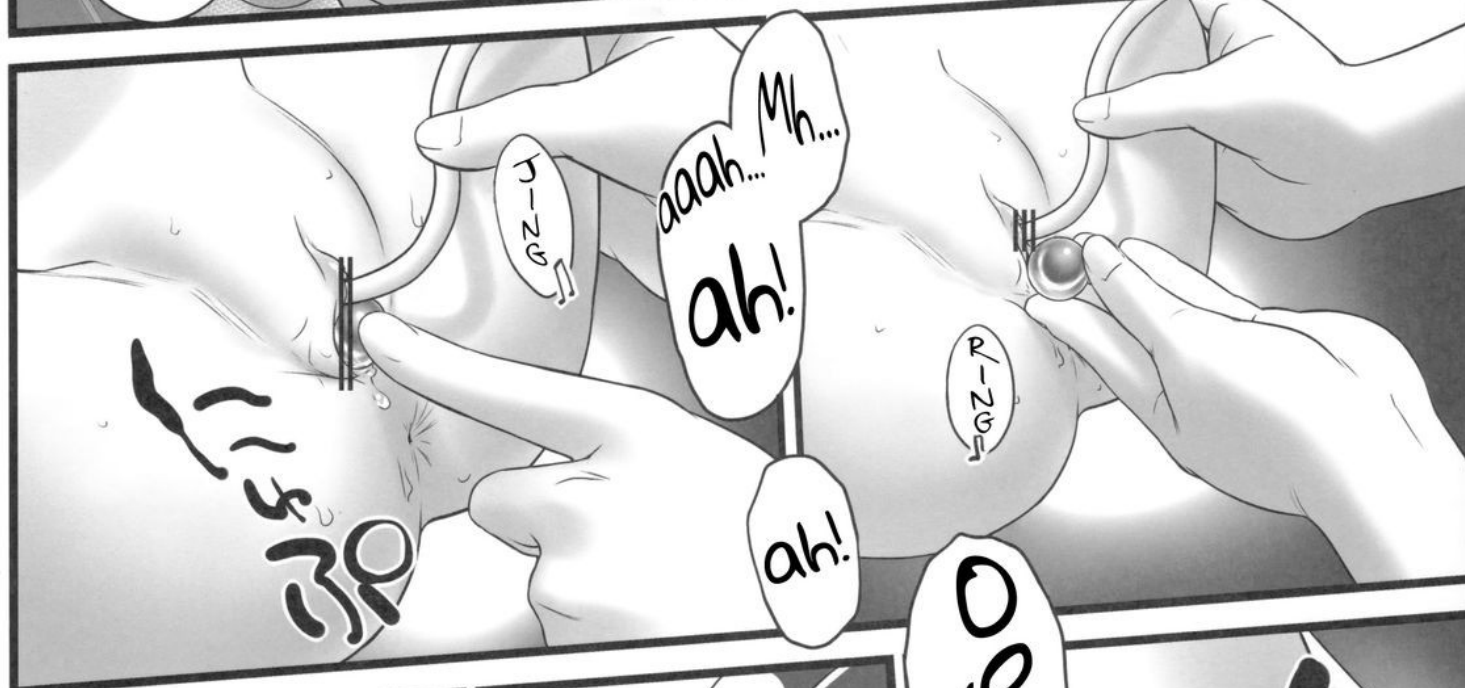

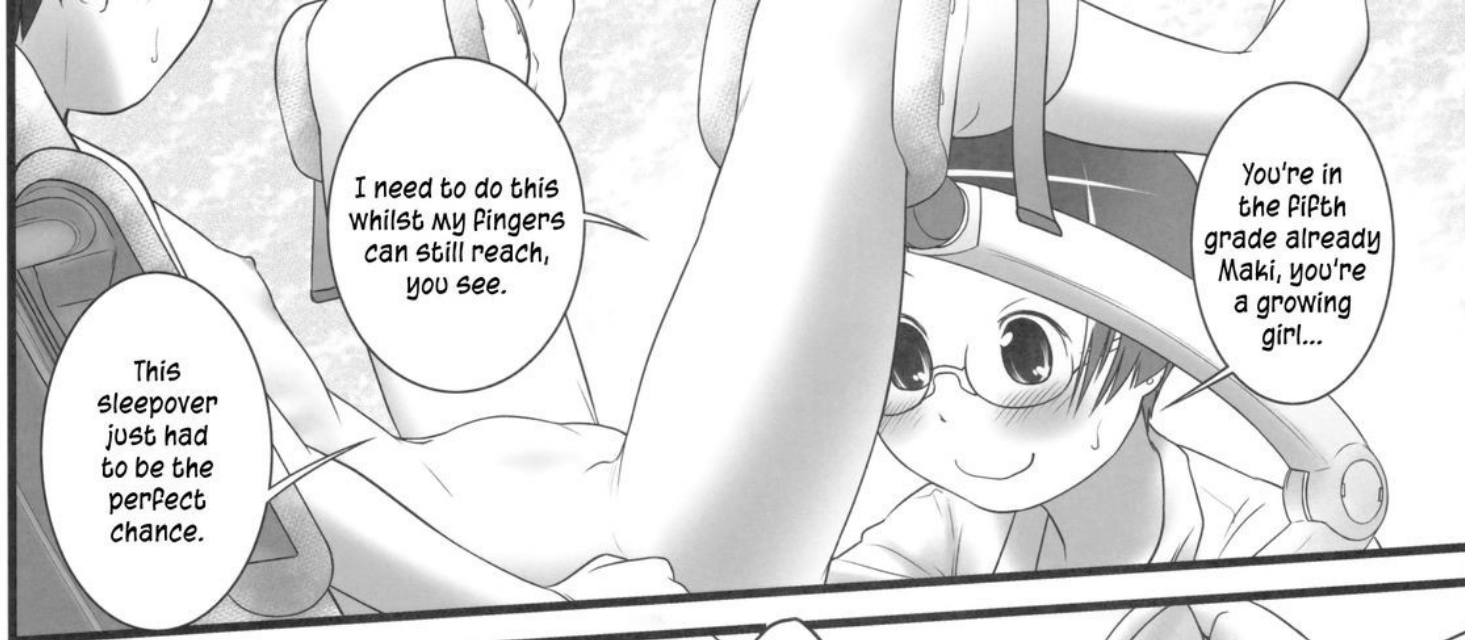

If you rock
it gently or
turn it over
it makes a
sound.

What is
this thing?

RING-
A-LING

Y-...
yeah!

It's jingling
so far inside
of me!

If you
take a deep
breath...

It's like...
my womb is
musical...

ha

You can
feel it moving
inside you
right?

Y-...yeah...
I want
twins...

How
about a
twin preg-
nancy?

We could
put it
inside
too?

It just so
happens
I have a
second
one...

ビュッ...

ハッ...

ハッ...ハッ...ハッ...ハッ...ハッ...ハッ...ハッ...ハッ...ハッ...ハッ...

The ball's jingling... it...

it makes a sound... W... when...

Ahn!

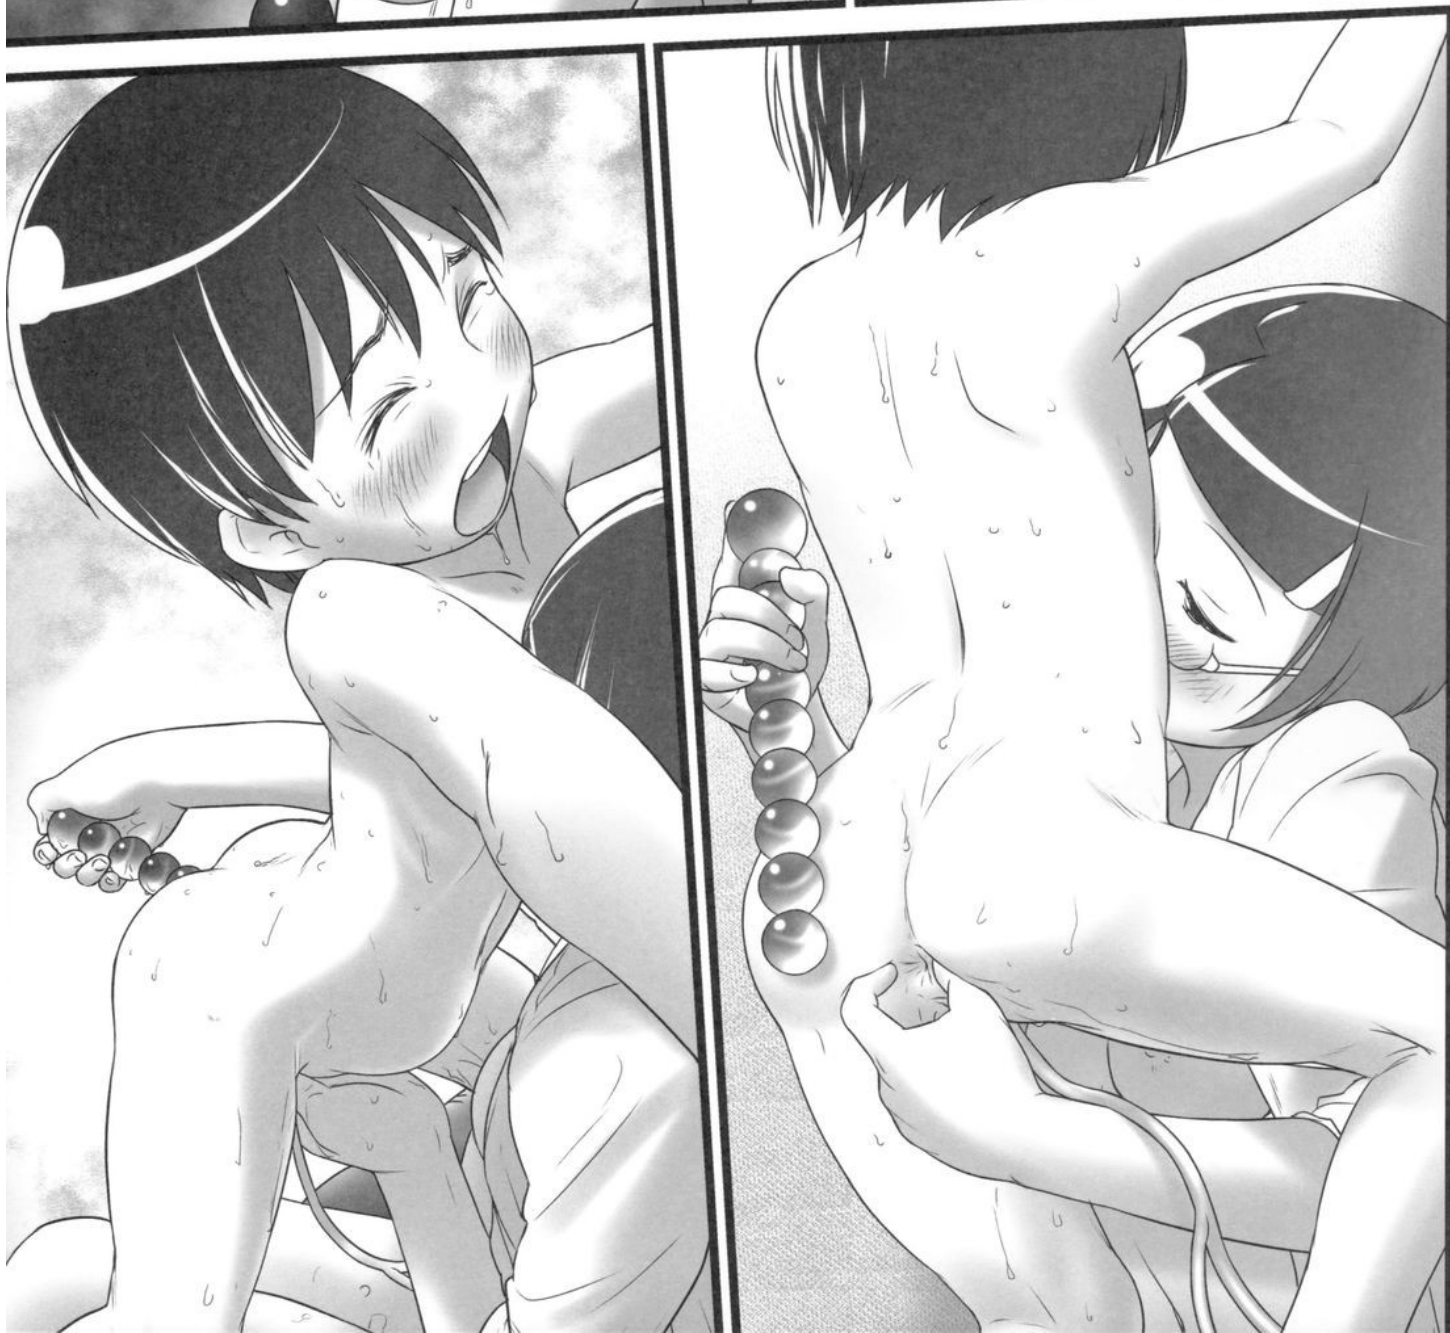

Ah!

My whole body...

It's tingling from my womb!

The little vibrations from inside the balls make the whole length of your uterus tremble and spread through your body!

Nice, isn't it?

Made
especially
to go inside
my uterus.

Those
balls are
a one-off
item, you
know.

Compared
to you,
Maki-chan,

The first time
I had them put
inside me...
well...

I was
much, much
younger.

B-... by
who?

'Specially made'?
And... 'had them
put inside'?

W-...

When
you were
little?

You'd
like to
know?

OSzero and

out now, and we
can't wait to work
on Oshikko Sensei's
heroic origin
story.

You're the
best, Ogu!
Keep up the
good work!

♥GoldenTube

Thank you very much for buying this wacky book

To the newcomers and to my regular readers both,
hello, my name is Ogu.

After somehow dragging on for half a year, I've finally got this out.

In previous works in the series, little by little, questions have been asked of Sensei of why she loves (most especially) urethral play, why she only ever wears glasses during sex, and so on. In the upcoming volume covering Sensei's past, all will become clear.

In honesty, I haven't thought about it much myself yet either.

The only thing planned so far is that the young Sensei is an elegant, rich girl.

I was really going with the flow when I drew it, so just who is that at the end?

To all the good children of Japan: Don't try to copy the things in this book or anything! You'll die!

(The characters in this book are receiving specialised guidance from an expert in the field)
