What a waste of resources that could of been better spent to provide more content for the community...
What the fuck is the point of claiming stuff on the galleries if people don't honor it?

Dudeman *Translator / Supporting Editor*

This manga's got it all. Fantasy setting, cute futa elf, busty merc, lots of anal, and bad guys get what's coming to them. Seriously, what's not the love?

Sunadokei *Supporting Editor*

Futa, elf, stuff... isn't really my thing, and this work seems to be more challenging from a translate standpoint. I hope everyone enjoys reguardless. Plenty more of the same in the next two chapters.

Robbo *Lead QC*

Dicks do not have a sense of taste, no matter what the Japanese say.

THIS.
IS.
NOT.
VANILLA.

(fuck you for claming it is)

Dudeman *Translator / Lead Editor*

This was easily my favorite chapter. Tech will say it's not vanilla, but felt hella vanilla to me. I'm a sucker for a happy ending and I love the use of that magic double-headed dildo lol Also, the mom is a total troll, really wanted her to join in on the action ^_^

Kita *Lead QC*

Back in the day, we called this WAFF. I still can't bring myself to call it vanilla, but damned if it isn't sweet. This is also why we can't have magic IRL. All the amazing things it could do, and we would just use it all for sex. Healing power bordering on immortality? Make a fake dick temporarily real. SOUNDS LEGIT!
