前島龍 PRESENTS

「いんだるじえんご！」

What's
the
matter,
Seiji-
kun~?

I made
a little
mistake at
work...!

It was
just a small
lapse, but my
boss still
chewed
me out...!

I'm
com-
ing
in~!

ロリコンは、弱く、優しく、女々しい。
ロリコンを救うのは、誰だ。

It's
not your
fault,
Seiji-
kun.

If he
got mad
because
of such a
small thing,
then he's
the one
in the
wrong.

I see.
There,
there.

He said some really awful things to you, huh~?

He said I was the scum of society and that I was useless, not just for the company, but for the whole world...!

And then he said I was an incompetent nincom-poop...

Yeah... I do work really hard, don't I, Yasaka-chan?

But I know just how great you really are, okay, Seiji-kun.

Even though you work as hard as two people put together.

Your boss is a very mean man, isn't he?

Thanks for doing that for me!
You're such a good boy, Seiji-kun, always putting other people before yourself.

And I love your penis, so that makes me very happy.

You sure do. After all, despite being so tired, you can still make your penis get this hard.

You can lick them as much as you like~!

As a little award for getting erect for me, I'll let you play with my boobs! ♡

Go on! ♡

Ahn! ♡

Of course not~ You look really cool sucking on my boobies while having an erection. ♡

You don't think I look like a baby?

That feels really good. ♡

Mh...! ♡ You're sucking as hard as you can. Good boy. ♡

That's all right~ Ejaculate from my grade school handjob!

Aah! I'm gonna cum...! Yasaka-chan...!

Shooting all that out must have felt really good, huh? ♡

Your penis is full of vigour! ♡

Wah! ♡

Good boy, good boy. ♡

You really tried to pump as much out as you could! ♡

Nn... ♡

Leave the clean-up to me, okay? ♡

Amazing!
You just came, but you're already hard again!

Yasaka-san, I wanna have sex!

I'm sorry for being such a naughty girl despite still being in elementary school.

I want to have sex too!

Look at that, it already came twice, but it's still as lively as ever!
♡
Your dick is the coolest!
♡

But I'll conform to the shape of your penis soon...

Ah...
Hah

My body, my boobs and my pussy... I'm really sorry for how small they all are.

Guess I really can't take the whole thing inside from the start yet.

Hah

So wait just a little bit, okay...?

Y-Your penis just... felt too... good...

I-I just... came a little...

Hah!

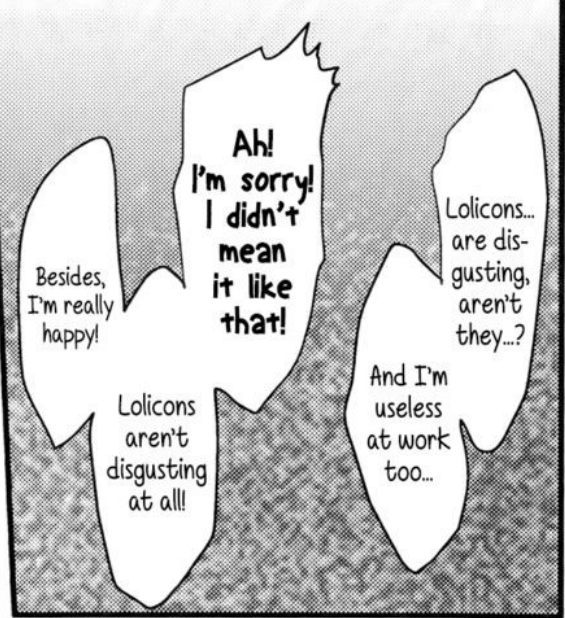

I love you, Seiji-kun, you lolicon.

So I'm glad you're a lolicon, Seiji-kun! ♡

If you weren't a lolicon, you wouldn't have sex with me.

Besides, I'm really happy!

Ah! I'm sorry! I didn't mean it like that!

Lolicons... are disgusting, aren't they...?

And I'm useless at work too...

Lolicons aren't disgusting at all!

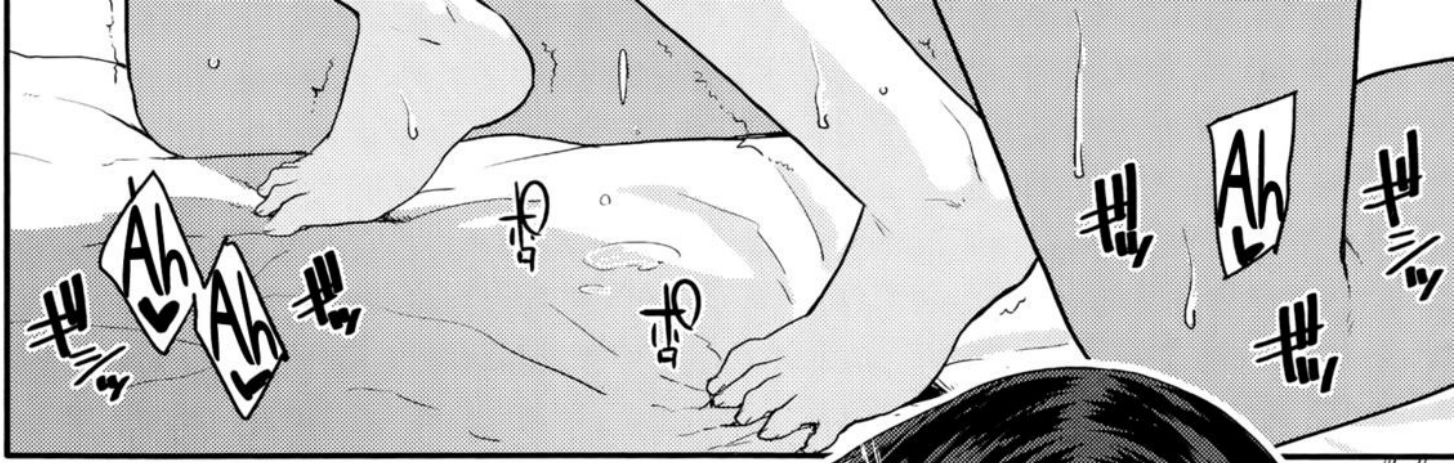

♡

Yasaka-chan...!

So, c'mon! Keep going! ♡

Fuck my child pussy, that you love so dearly, and cum as much you like, Seiji-kun! ♡
