Sup?

This is my classmate, Kaoru-kun!

BEなんとか PRESENTS 「恋人は義兄弟」

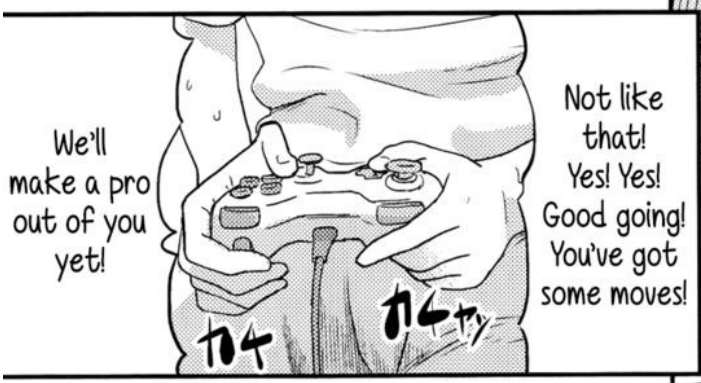

Your brother has a funny hairstyle.

Please keep getting along with my little sister.

You've brought a friend over, have you? Pleasure to meet you, I'm Yuuko's older brother.

Why'd she have to befriend some snot-nosed brat with his cock in his hand...?

We'll make a pro out of you yet!

Not like that! Yes! Yes! Good going! You've got some moves!

Asshole's a bit too cheeky for someone who hasn't even finished elementary school...

They're sitting pretty close to each other, is he her boyfriend? Oh god! Is he her boyfriend?!

They became friends immediately.

Seems I had you pegged wrong, kid!

Let me go next!! My turn!!

This game is pretty fun, let's play co-op!

I don't like him~! Fuck if I'm approving this relationship~!

Huh?

I can't wait for our rematch!

Kaoru-kun is supposedly coming over today.

Fuh~ It started pouring down all of a sudden.

なぜこの人はロリと対峙したときに俺が考えそうなことをこんなに詳しく知ってるんだと感じるほど巧みなロリコン描写。良きロリ描きは良きロリコン描きでもあるのです。

She said you'd be here to open the door...

Your sis got tangled up with committee duties and she's gonna be late, so she told me to go ahead without her...

Ah... Hey, bro.

What the?! Kaoru-kun?! Why are you here?! Aren't you supposed to be with my sister?!

You've got to get you in the bath! C'mon, I'll carry you!

The weather is still warm, but the rain sure isn't...

Hey! Stop!

You're gonna catch a cold! Plus, I can't very well wash your clothes if you don't take them off!!

Don't worry about me! Go in by yourself!!

Nnng!! Get those clothes off!!

ホホ

カッ

Uh~...

Fine, you self-conscious baboon! I'll go first!

カッ

Delicate as flowers, these modern kids are...

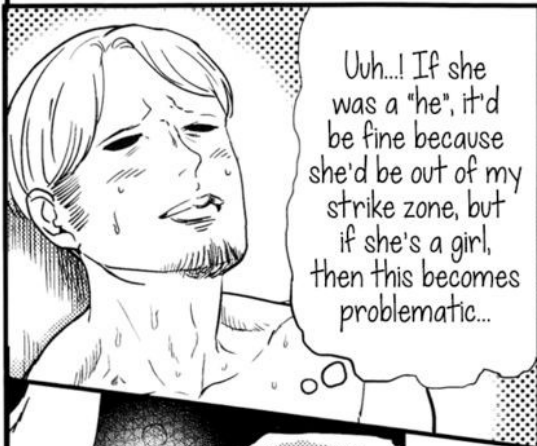

I didn't give a damn about any of that when I was his age.

He's ten... right? It's a little early, but maybe he's already reached puberty...

He could just be worried about the size and shape of his willy.

Anyhow, I should have been more tactful. I'll have to apologize to him later.

Uuh...! If she was a "he", it'd be fine because she'd be out of my strike zone, but if she's a girl, then this becomes problematic...

怪物

"He" is a "she"!!

Ah~! I've got trouble brewing between my hands...

ドクン

ドクン

ビクッ

...Eh?

Here we go.

I've gotta get this over with quick...!

If she sees that I got aroused from seeing a kid naked, it's all over for me... Although it feels like I'm already done for...

She's so soft!
And she smells like heaven...!!

Hah~!
♡
So warm!
I feel alive again~!

Ooh...!

All five of my senses are screaming at me that there's a girl on top of me...!!

But she always comes home late and she can't look out for me all the time...

My mother is all I have.

Y'know...

Her smooth and squishy ass is right on top of my hand!

So she told me, she said, "If you look like a boy, weirdos won't pay attention to you."

I wish I could take away my hand and graze her ass with my cock...!

Why are you telling me this...?

My apologies, miss mom, but your daughter is hanging out with a weirdo this very moment...

Though, honestly, I kinda wish I could wear some cute outfits from time to time.

So until now, whenever I'm at school or not at home, I dress up as a boy.

I... don't have a father or any brothers, so... Since you're always looking out for me, I've come to think of you as kind of an older brother...

But as precious as she is, my boner just isn't going away.

My god, she's adorable...!

Y'know, I've always wanted to be babied like this...

Okay!

I know!! How about we wash each other's... backs?!

!!!

Ooh...!
Her frame
feels so
nice, I could
caress it
forever!

The skin
around her

What kind of an asshole must I be to take advantage of... No! Self-hatred can come later, right now I should just drown in pleasure!

Don't worry, I'll make it as clean as a whistle!

Uh!!!

You're Not! wide open!!

I'll shame you like you shamed me!

Hehehe~! If I lick your penis, then you won't be able to hold your pee either, bro!

Kaoru-chan, what are you...?

This is so hot!!

Now that you've peed yourself too, we can call it even!

Why is it so sticky...?
And why is it white?

Huh?
Huh?!

What's wrong?
Are you in pain?!

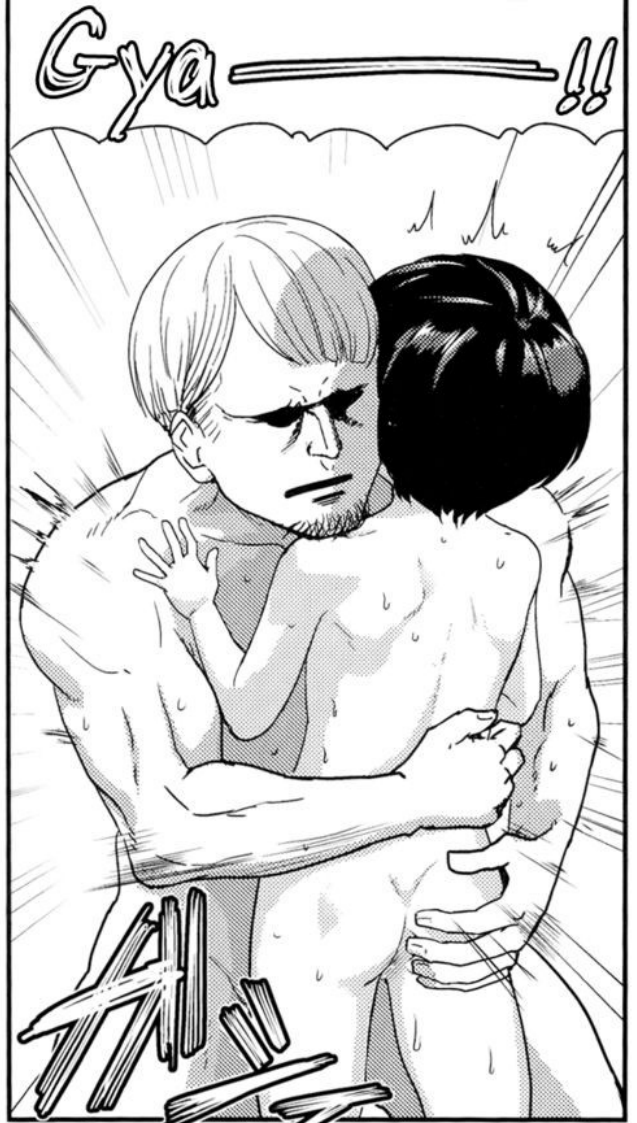

I'll never
have a chance
like this again
in my life...
It's do or die...

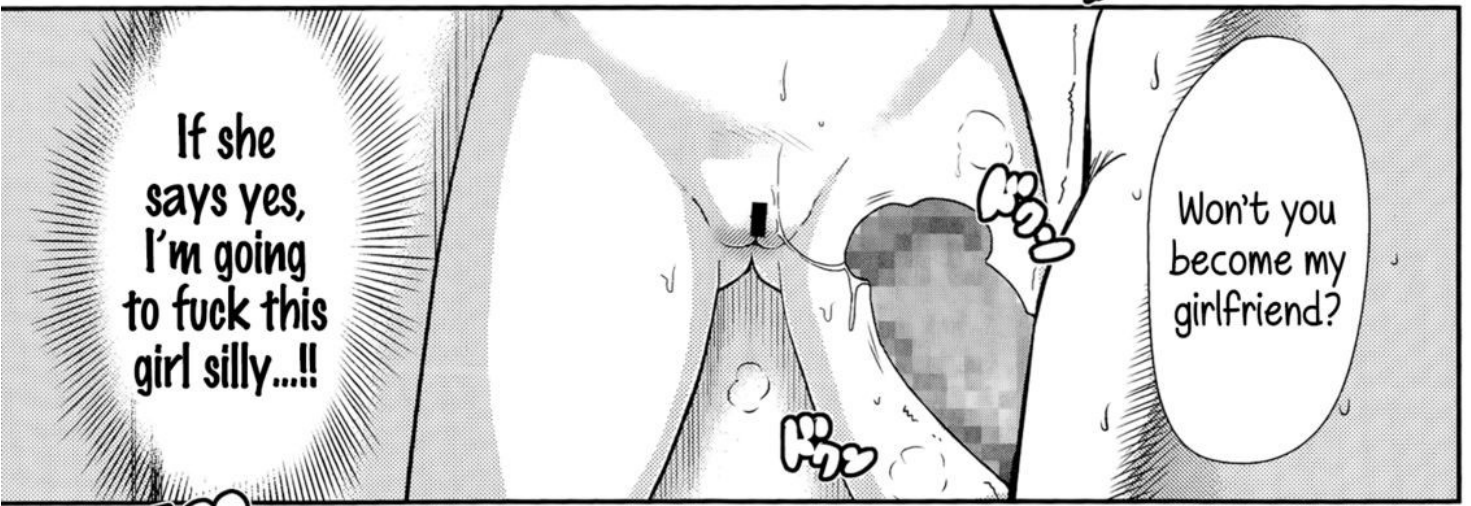

And this...
isn't pseudo-
brotherly
love either...

It seems
I've fallen
hopelessly in
love with
you.

And... Beautiful!

Now that that's settled, let's consummate the relationship before my sister gets home!!

OK!

This is bro's pillow!

...Huh?
What are you doing, bro?

Huh...?
Getting ready to have sex.

Wow~!
You look adorable~!

Sure, it's cute, but... it covers just about nothing...

Right, it's perfect!

What's "sex"?

Ow, cold!

I should lather you up as well, Kaoru-chan, It's my first time doing it with a kid, so I can never be too careful.

...I'll do it!

I mean, we're lovers now, right? A little pain is nothing!

But it hurts pretty bad, so... We can stop if you want.

It's a sort of... ritual that two people perform when they become lovers...

Fuck yeah! I'm gonna have consensual sex in the missionary position with a grade schooler!!

eh?

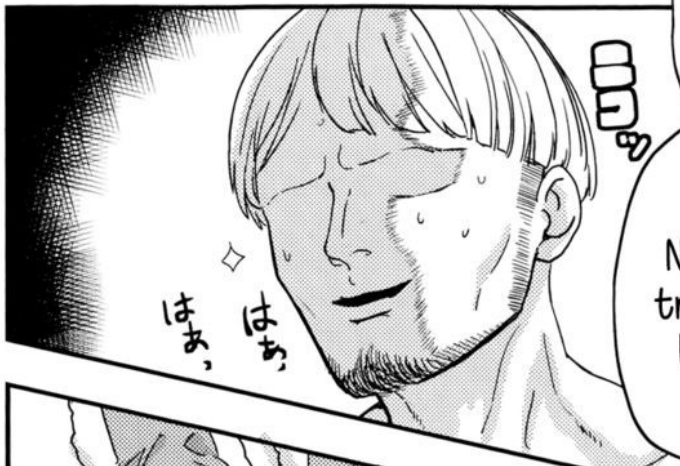

It's in!

Just a little more! Hang on!

The tip is inside!! Christ, this is narrow!

Then... here I go! The entrance is so small...

はあ、はあ

うん

It's inside... You did very well, Kaoru-chan.

Now we truly are lovers!

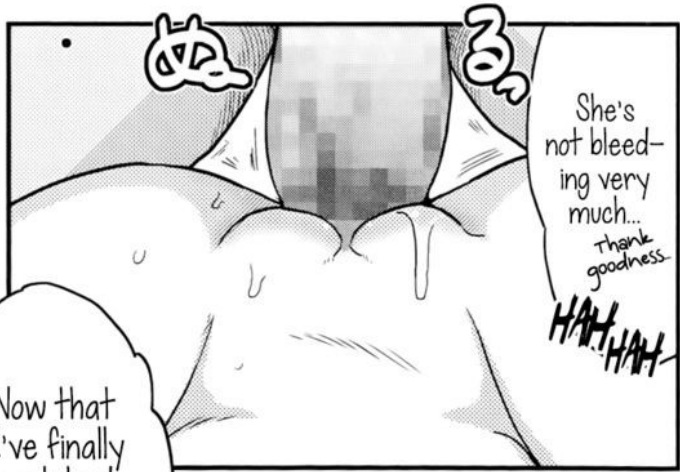

I can't believe I actually get to cum inside this immature pussy! Just the thought is enough to almost make me blow my load early!

Y... Yay!

Since you're so mature you're gonna love it when I cum inside you!!

Is it because of the kiss?! Did you get aroused because we kissed?!

I'm gonna pump you full of cum!!

You're only ten years old, you precocious brat!!

Alright! Let's cum together~!!

Once it starts feeling really good, you've gotta scream "I'm cumming!"
