

南の島から天使がやってきた!!
理性崩壊待ったなし20P

I found a tanned girl I had never seen before carrying a backpack.

When I came back home...

甘露アメ PRESENTS 「妹がるちゃーしよく!!」

Oh! Ryou, you're back?

H-hey... Dad, who's the girl...?

Her name is Sasha-chan!

Nice to meet you!

She's your little sister from now on!

Rejoice!

Right...

And you've wanted a sister for the longest time anyway, so it's a win-win!

It's like this, remember when I went to that tropical island, W (Omitted), last year because of work? Well, me and this lovely lady fell in love at first sight!

Plus, dad, you're...

Still, you could have at least given me a heads up.

LITTLE SISTER CULTURE SHOCK!

Presented by Kanro Ame

甘露アメ

I'd say there are bigger problems with this picture!!

Bad girl! You have to dry yourself off after getting out of the bath!

Sasha!

But! But!!

Is it not sea water?! Why is it like that?!

Their bathroom is amazing! They have loads of water and it doesn't taste salty!

Oh my! Did you catch a cold?

Achoo

Ah, maybe the air conditioner is too strong.

GO GO

And then -

Huh

Friends of yours?

Yes!

We're in the same group at school. That one is Yuma-chan and the other is Haru-chan!

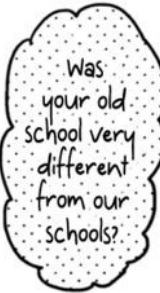

Byebye, Sasha-chan!

Goodbye!

Are you going home now? Wanna go together?

Yes!

Was your old school very different from our schools?

Yeah, that'll happen...

Can you speak English

They helped me out when I got surrounded by my classmates on my first day of school after transferring!

What's it like, riding a plane?

You speak Japanese very well!

So you came from a warm country, huh?!

Well, yes, it is kind of lonely without them!

Wasn't it hard, suddenly moving to Japan?

Speaking of friends.

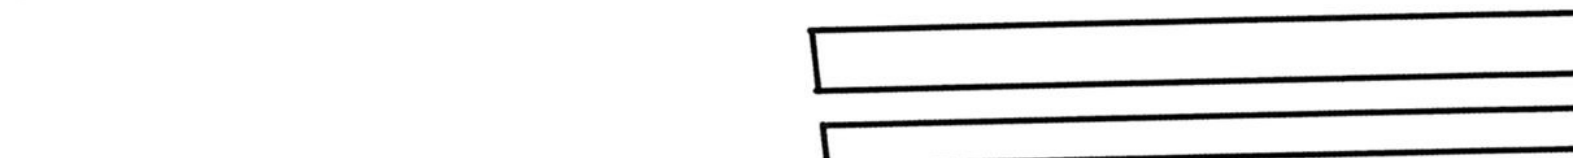

You had friends back at the island too, didn't you?

So...

But...
Until now,
mama was my
only family.

I was
really looking
forward to
meeting you,
Onii-chan!

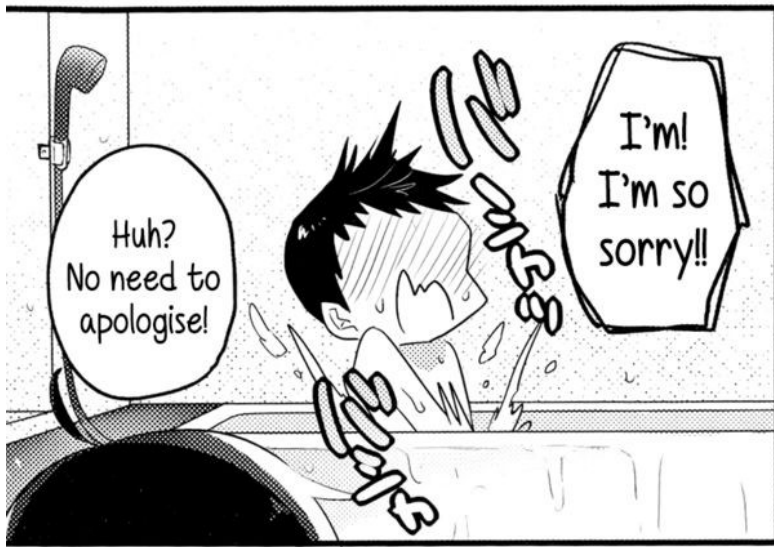

はは...
Hah...!

Looking
forward
to meeting
me... huh?

Oh, well.
Good girls are
incorrigible.

アハハ

Huh?

Splash!

I'm going to pour water on you, Okay?

Is this normal for siblings?

Though I'm sure even real siblings would act a bit shy at this age...

You're being pretty quiet, Onii-chan~!

Are you itchy anywhere?

Not at all...

It's taking all I have just to keep calm!!!

N-No...

So, you see...

I've been very happy, but also a little bit uneasy.

You know, Onii-chan.

Ever since I learned about you from mama...

I can tell just from looking at you.

But you're really kind, Onii-chan.

And I learned in a book that, in Japan, you do that by having naked skinship!

I want to get along even better with you!

ぽんぽん

!?

ちゅっ♡

Don't worry! I have studied very hard!!

Another cliché mistake?!

Papa and mama have naked skinship at night too, yknow?!

カッ

Ah! Wai-...!

First, I have to clean you up!

ぽんぽん

ちゅっ♡

No, no, no!
All the girl
wants to do
is be closer
to me, this is
all just a big
misunderstanding.

I have
to calm
down!

She's only
ten years
old!

Wait, do
ten year olds
seriously have
skin this springy
and squishy?

Stop,
she's my
step-sister!

Although
maybe step-
siblings are
A-Okay in
tropical
countries..

Tits
are the
best!

No!
Resist the
temptation,
penis!

Just as I
learned!

Your
penis
became
so big!

Ah!

**Cat's
out of
the
bag!!**

Nh!
Uuh...

Ha!

Her movements
are so awkward
and laboured...

This is
superb!!

Right, I need
to sandwich your
penis between
my boobies!

Aww, it
said in the
book that this
would make boys
happy, but...

I'm so
glad!

...I can't
wrap them
around...

I'm getting
a flat chested
boobjob from a
tanned girl!

Huh?!

small...?

My boobies are still too...

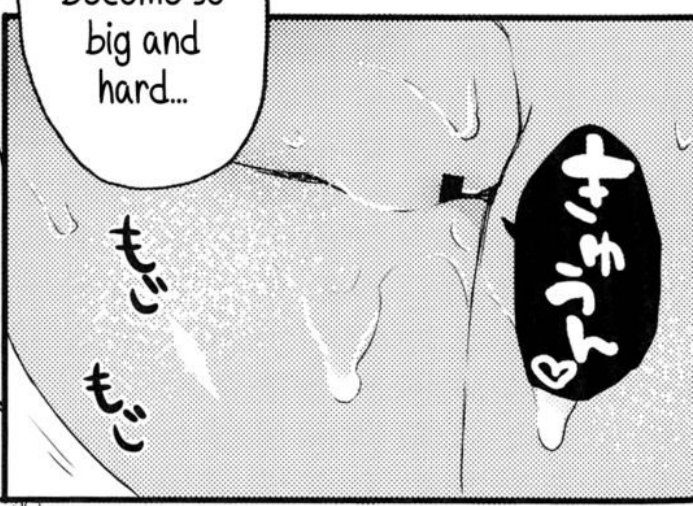

I'm sorry, Onii-chan!

Uhm... In that case...

Wow...

Your penis has become so big and hard...

My step-sister
is presenting
herself to me!
What's the
ethical course of
action here?

Right
now...
I want
to take
her up
on it!

Onii-
chan!

Let's
have nude
skinship!

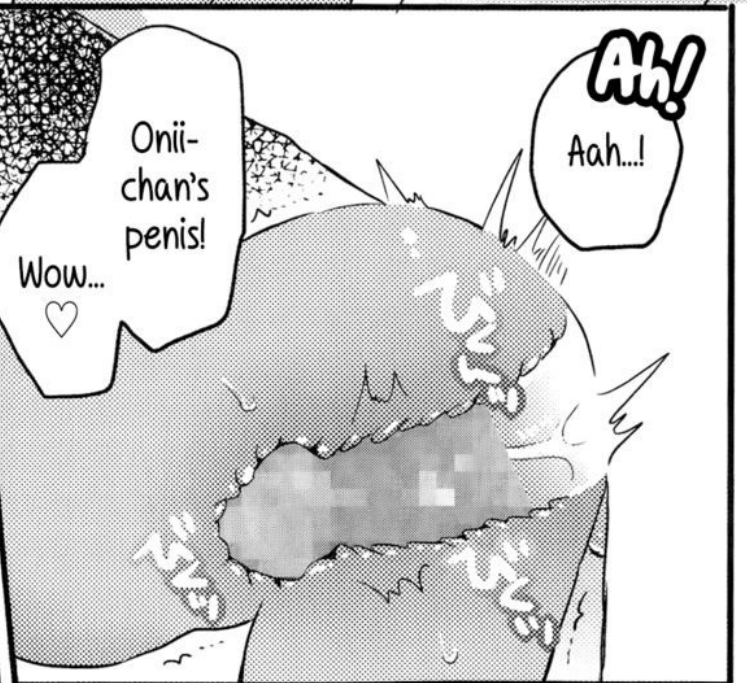

Somehow,
being
watched
by you,
Onii-chan...
is making
me over-
flow down
the-...

Ah...
Listen,
Sasha-
chan...

No! As
her older
brother,
I have to
stand
firm!

!!!

I thought this was a ten year old child's pussy without a shadow of a doubt, but....

This tight-ness!!

That it is, Sasha-chan!

Plus you're not bleeding and you keep getting wetter!

Was everything back there was just an act?!

Did you completely fool me?!

Or is this just a cultural difference thing?!?

W-Well, I mean...

I didn't want our skinship to be a failure, so...
♡

Hi

Hi

Hi

Eep ♡

Soo! ♡

Hyyu?! ♡

But the only real penis I've ever seen is yours, onii-chan!

Ah ♡

I have been practicing a lot! ♡

430

Ha

Sasha-chan!

430

430

I'm sorry, but that's just way too hot!!

Hyah! Hih! Hih!

430

I'm astonished!!!

You've matured that much just for me?!
Who knew your innocent face was hiding such a sexy girl?!

S-Sexy?

What does that word mean?

--?!

And since you went to so much trouble for me, I'm going to make sure you thoroughly enjoy yourself! ♡

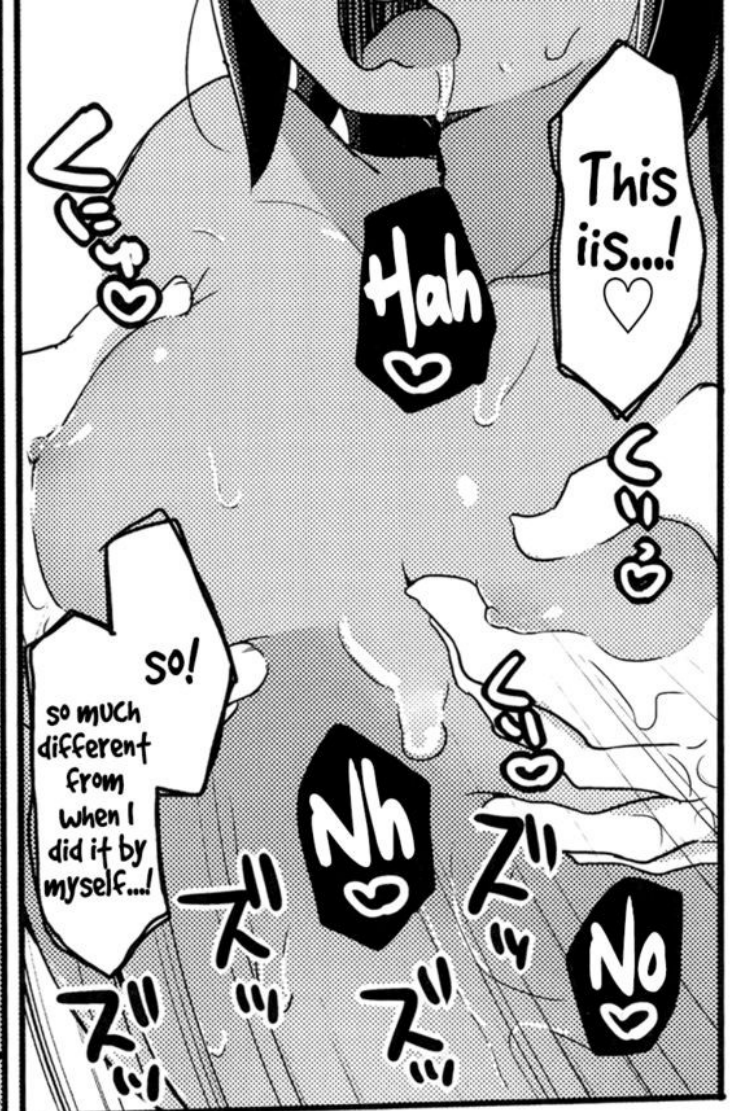

It means you're insanely cute, Sasha-chan.

So! Since you're so cute and all, Sasha-chan!

Kya...!

A naked "friendship" is one where both parties can tell each other anything.
