Want You Help  
Me With My Pee  
Fundraiser?

R-18  
ADULT  
ONLY

A new urban legend is going around, I see...

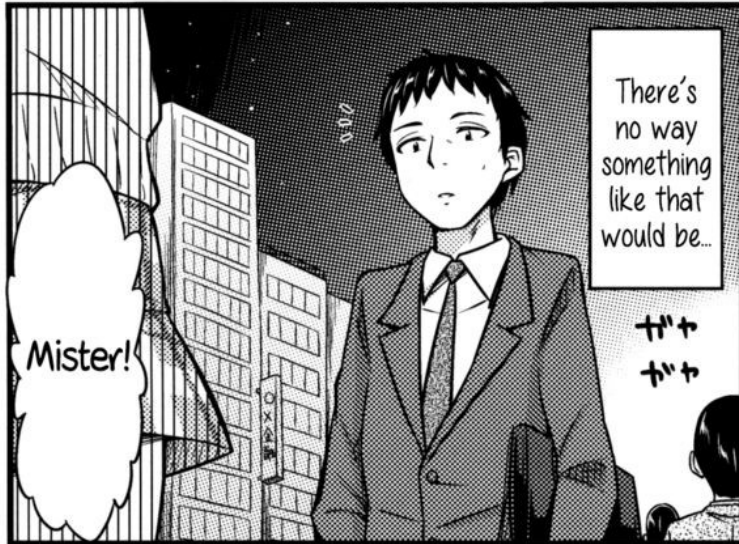

What's that?

Hey. Have you heard about the "pee fundraiser"?

You can't be serious... I so wanna fuck a middle schooler!

Seems there's a middle schooler running around charging a hundred yen for a cup of piss.

There's no way something like that would be...

Mister!

ガッガッ

It's real.

Won't you help me with my "pee fundraiser"?

?  
Huh?

He stiffened up again...

Is she actually being serious right now~?!

Wait... No, it can't be...

Oh!  
Sorry, do you need something?

Mister!  
Are you listening~?  
Hey~!

Wah...!

Look here, guy~...

For the measly sum of one hundred yen, I'll pee in this paper cup for you!

!?

...

Over here!

Thanks, mister!

The stress is turning my throat into a desert...

Lead the way, missy.

Doing it here would be a bad idea...

Surely no one would blame me for wanting to satiate my thirst, right?

And now,  
I'm being  
taken by  
a young  
girl to...

Lately  
I've been  
lusting over  
my own  
pupils!!

Nothing  
but young,  
innocent  
angels...

It's been  
three years  
since I became  
a teacher...  
At first I  
thought the  
girls were very  
charming...

Later,  
Sensei!

Bye  
bye

How-  
ever...

Don't you  
want to see  
the place  
where Aya's  
pee comes  
from~?

Mister?

Here I go!  
Don't look  
away!

Huh?

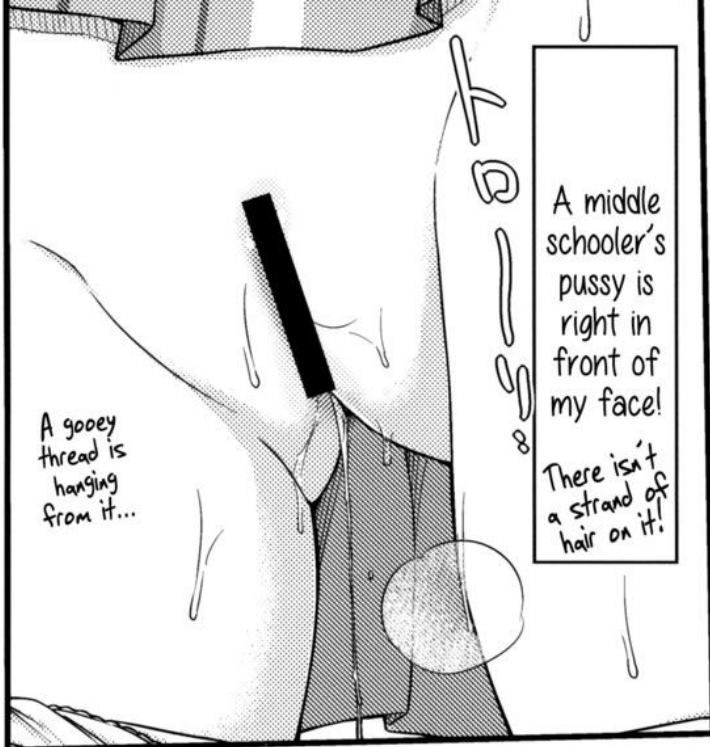

...none...

Hm

That  
settles  
it then,  
mister!

I do...

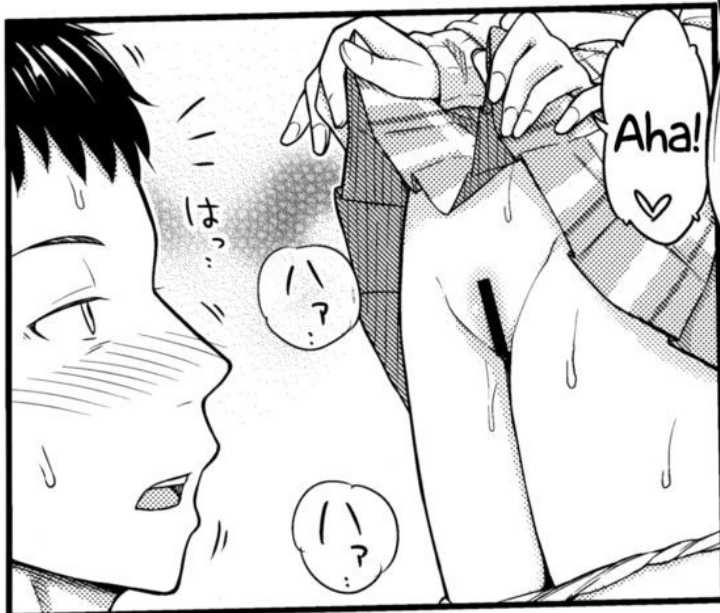

!...

A goopy thread is hanging from it...

A middle schooler's pussy is right in front of my face!

There isn't a strand of hair on it!

Aha!

Juh...!

Oh, so you love it too, huh, mister?  
This place

How do you like it?
