Your mother is coming to pick you up soon.

But until she does, you and I are going to stud-

Takayuki-sense!!

ちびっこ達に愛を叫ぶ

園児のための新しい教育

A new education for the sake of the kindergartners

剥けない。それは譲れない。

Nho!

...Sense?

Are you hurt?

I knew it...

I'm just not fit to be a teacher...

And I'm such a klutz...

During playtime, I can only do the robot...

I can't play the piano...

Sensei, you suck!

There, there!

Everything's okay now!

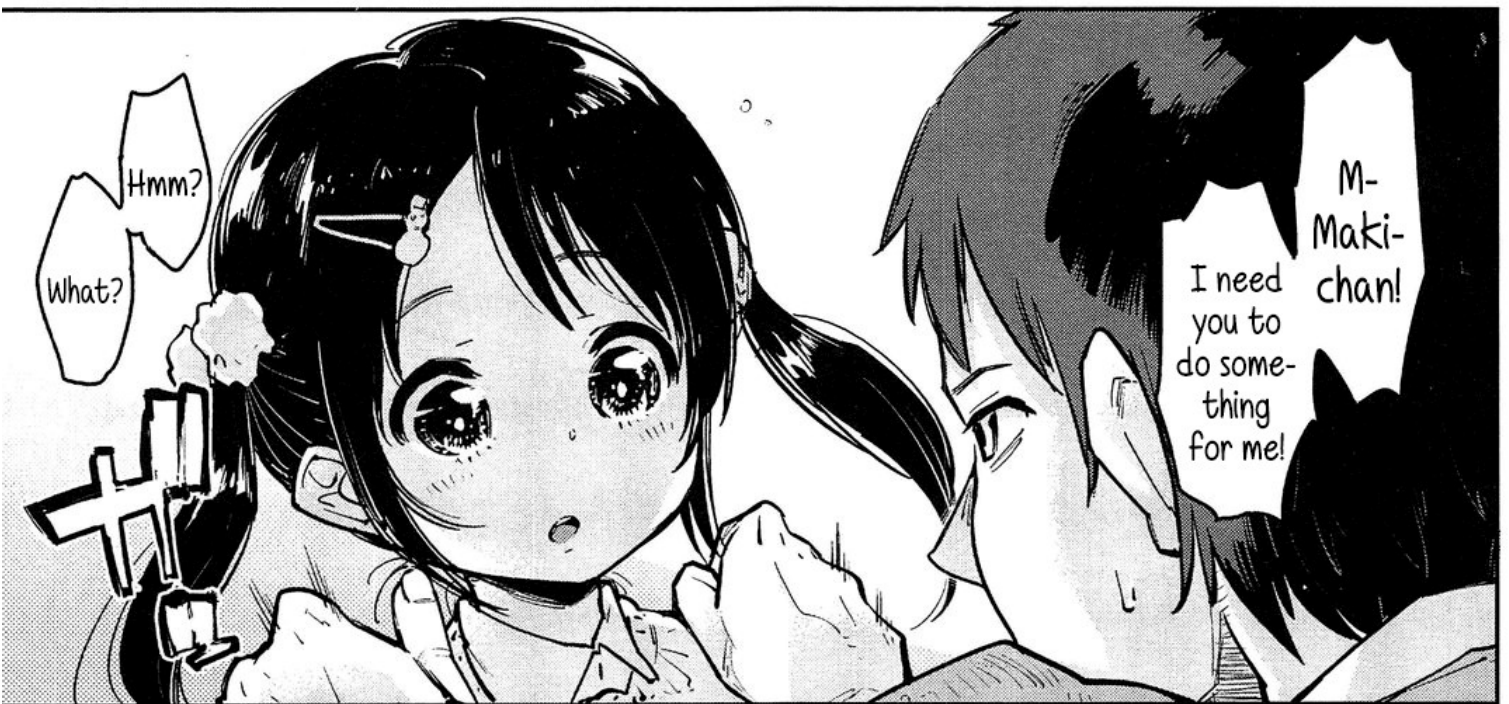

I'm thinking I should just quit being a teacher...

I just lost some of my self-confidence.

T-Thanks, Maki-chan...

Huh? The teacher is being comforted by the kindergarten-er...?

Angel Kindergarten Lap Pillow!!

This new
education I've
concocted is
going to teach
me to be more
like myself!

天使のひざ枕!!

Taka-
yuki-
sense!

Good
boy!
Good
boy~!

the
unreliable
person
that I
am...

Confronted
by a child's
independ-
ence...

Aah!
This is
bliss...

Re-
educa-
tion!

will, of
course, be
competed to
grow up...

Feeling
better
now?

Ehe
he!

The
fluffiness
of your lap
is healing
me, Maki-
chan!

This feels so good!

What is it, Maki-chan?

...

Hm...

You're cute, Sense...

But your penis is also...

There! There!

You're a good boy, Sense! Good boy~!

The reason kindergartner's hands are so small is because they're meant to pat dicks!

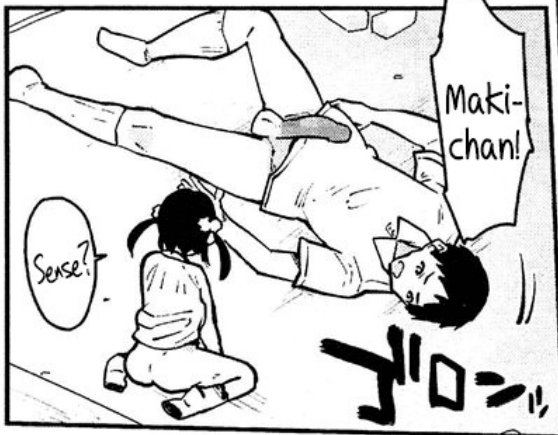

Kuuuh! It's perfect!

Maki-chan!

Sense?

アロ-

Hah
Hah

Plus, I feel like she'd be crushed under my weight if we did it in the missionary position...

Figures it wouldn't fit...

13p

...

Yes, now sit down...

Hyaunt!

アロ-

Can you get on top of me?

Like this?

Because Sense's face keeps looking cuter and cuter!

I love it!

Thi... sh...

Do it lots more!

My dick is actually getting her off!

Sense...

Good boy... Good... booy...

Yeah! I'll move as much as you want!

She even started looking after the other children.

Maki-chan's motherly side bloomed in leaps and bounds.

After that, we kept up my re-education for a while.

Taka-yuki-sense!

No, the babying was just part of the education process, so...

There There

But because of that, she couldn't baby me anymore. So I was a little lonely.

Want me to baby you?

Are you feeling down again?

No, I'm...!
