

Exactly. You seem to be doing fine in your studies even after becoming a sixth grader, Kinue-chan.

You take the numerator and the denominator and you switch them around...

Like this?

Ok, so here's how calculating between fractions works...

Really? Do you think I can get into the same college as you, Sensei?

Sure, if you keep studying like this.

I'll take a toilet break while you work on those.
Okay!

Okay!

Okay!

Next, do all the exercises from here... to here.

Before, the itching wouldn't stop until I went to sleep...

I can't thank my friends enough... for introducing me to my cellphone's vibrating option...

A... maz...

Especially on this pointy bit...

A... a... a... ha

T-This is...!
M-My hips... are turning into jelly...!

That's... Hah...

This isn't juice, is it? You shouldn't lie to me.

Besides, this stuff is viscous.

I'm sorry... It comes out... when I'm with you, Sensei...

I-It's... goo... from my... crotch...

Fue...?

Thank you for being honest. And you're not weird, Kinue-chan.

I'm sorry for being such a weird girl!...

Erm... Well... no... you're... not...

Oh? Am I wrong?

It's normal for a girl to get like that when they're next to the person they love.

Lo-?!

あはは

Also...

あ...

Touching yourself is perfectly normal, too.

Eh?! S-Sensei, don't! It's d-dirty!

あはは

Using your cell-phone instead is actually quite lewd.

No... way...

I... wasn't doing it... with my hands... so...

You were touching yourself despite being dirty?

But it's more typical to use your hands...

No... Aah...!

Let's get these panties off. They're sopping wet.

N-No...!

Your juices are starting to overflow.

It's so adorably small.

Noo... Sensei... Stop...

Kinue-chan, your cute flower is completely exposed.

Do you like this better than touching your clit?

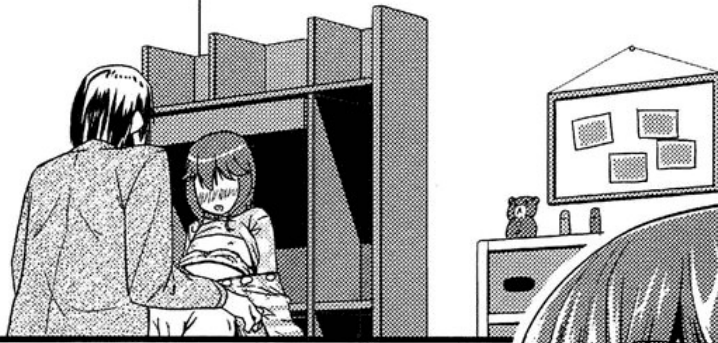

The hole feels good, doesn't it?

Do you understand what we're about to do, Kinue-chan?

inside a woman's vagina... and then he ejaculates... and then they make a baby...

It's when a m-man... puts his p-penis...

And what is inter-course?

I-Inter-course...

And do you know the reason why the man's penis gets erect?

his penis gets erect!

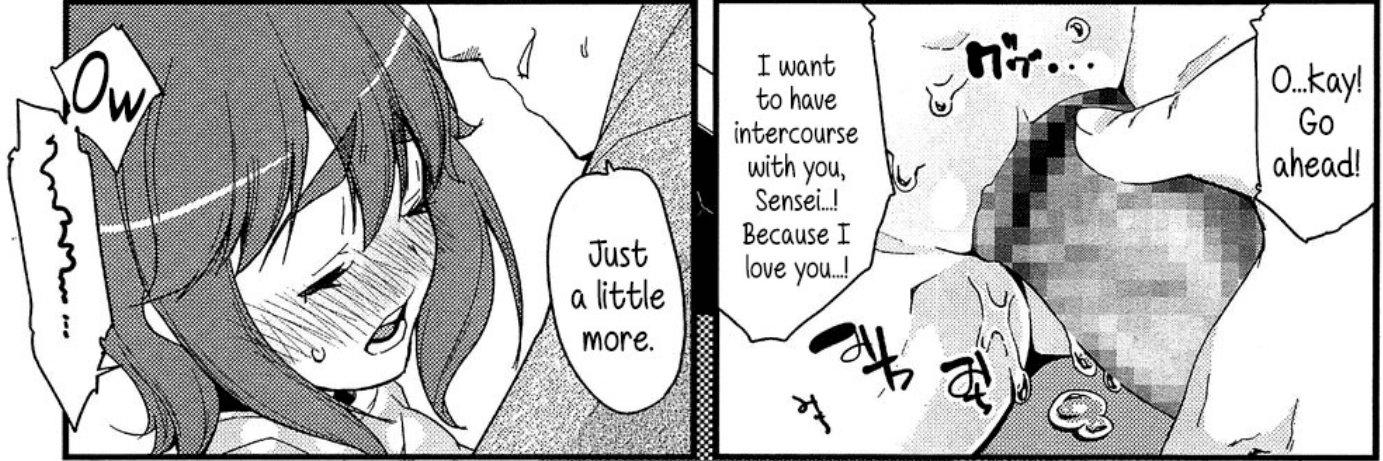

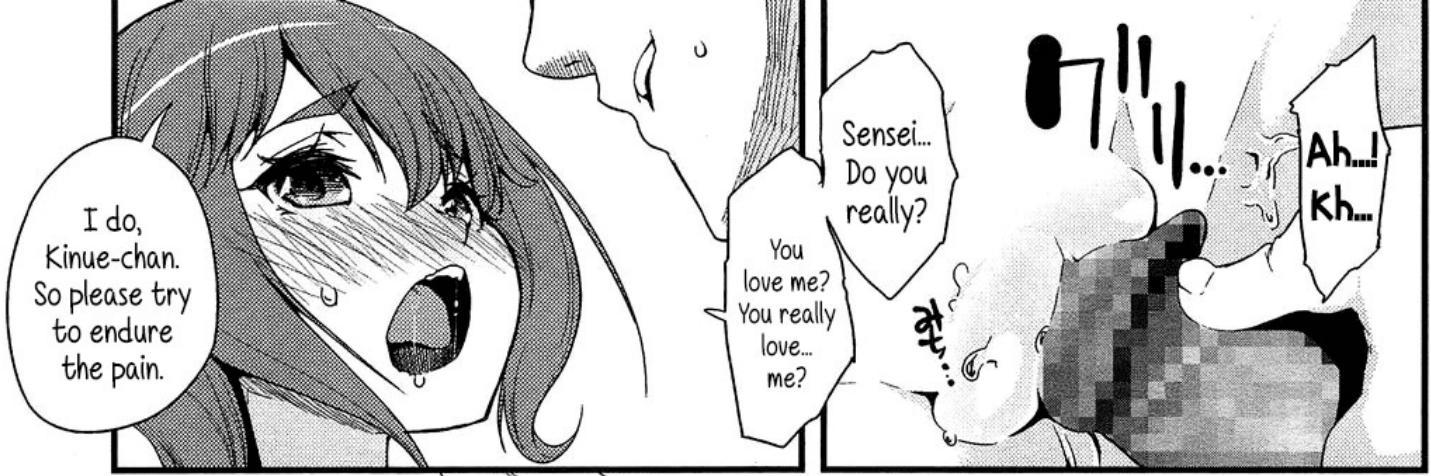

When a man sees the woman he loves in an erotic way...

Well, you see...

E-Erm... No, I don't...

Don't move...!

Sensei...
It... Ah!
hurts...!

Gyuu
Gyuu

Gyuu
Gyuu

I'm bleeding,
so...!

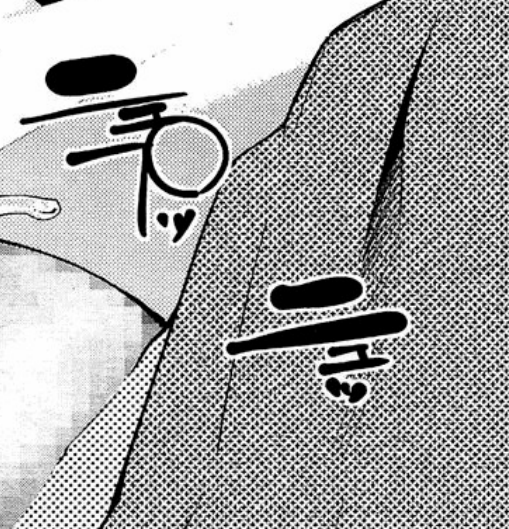

I'm...

It really hurts...

I didn't lie, but...

So you lied to me when you said you would endure it?

Well, sex is meant to feel good..

So, c'mon, enjoy it a bit more.

I-It really is starting to feel better...

But this is intercourse, so why...

Really?

Inter... course is sex?

Yes, really. And sex feels great, right?

See, you've learned something new today.

FU... FU...

FU... FU...

FU... FU...

Nhaa!

Nhaa!

んが

No...!

You can moan if you want.

Ok?!

My voice... sounds weird...

Nhaa!

Hihi

Ah

And so is the way you pee a little every time I thrust into you!

Your weird moans are so cute, Kinue-chan!

Since I teased your G-spot so much, even your deepest parts are drenched.

Cumming!
I'm
ejaculating
inside you,
Kinue-chan!

is
coming
Something
incred-
ible

It's
coming
Aah

So do I.

But I want to stay together with you for a little longer...

Your parents will be home from work soon.

Yeah...!
♡

Let's have sex every week just like this after we're done studying.

But we have to keep this a secret from everyone, especially your parents.

They'd never allow it, and they'd try to keep us apart. Unfortunately, that means we can't go on dates...

Y-Yeah...!
But I can see you every Monday when you come tutor me, so it's okay!

Yeah...
♡

I'll see you next week.

Now get dressed before your parents get home.
