Chapter 1: Please Break me in.

Boku no Kanojo ga Eroï Wake  
My Exotic Girlfriend  
Masashi Yanagi

How did something like this happen?

C-Calm down...

Something like this ...

Heey, Shishiga-wiiii!

Don't force your own strange fetishes on to other people.

Your own woman to do whatever you want with...  
Whatever. But, you want one, right?

...Yeah.

I wouldn't be single.  
Anyway, if something like training dogs gave me the ability to make girls do exactly what I say,

Why don't we head up top?  
...You damn monkey.

So, there's got to be an aspiring slave-girl out there waiting for us...

...However, the world is vast.

T/N: The Saru in Saruzaki means monkey.

...I think listening when someone's talking to you is important, too.

Following your dreams is important, isn't it?

Geez, do whatever you want.

Let's make a harem!!

...Yeah. Finding one would be nice.

Now, we just have to look for aspiring slave girls!

When I do, I'll be counting on you to train her!
