Release No. 0017

Tech

Nothing

The first joint we've done under the PSYN banner. Hopefully, we can do more with other teams in the future.

Supporting Translator

I knew from the second I saw this manga that I wanted to work on it. Turns out I wasn't the only one to think that lol However, it lead to our first joint work as PSYN and I think it turned out pretty well. Hope you all enjoy it!

Sunadokei

Lead Editor

We can't do the usual stuff, none of that ball gag and leather stuff, that is just way too mundane.

Quality Check

It's always good to try switching things up once in a while.
