Night

A night city skyline with several illuminated buildings under a dark, starry sky. A speech bubble is overlaid on the left side.

This is your final warning...

A full-body illustration of a nude woman with short, wavy blue hair and red eyes. She is standing with her hands on her hips. A speech bubble is overlaid on her right side. To the right of the main illustration is a large, semi-transparent close-up of her face.

... Are you sure
you want to go
through with this?

Because we're
not stopping until
we're fully satisfied.

And we definitely
won't stop
even if you beg us to.

Juna

Geeze...
That didn't take long...

So you get off on getting
your face trampled, huh...

Well then, don't just lie
there. Sniff. Inhale.
Deep breaths.

It's been a while
since we've
had such a stiff cock.

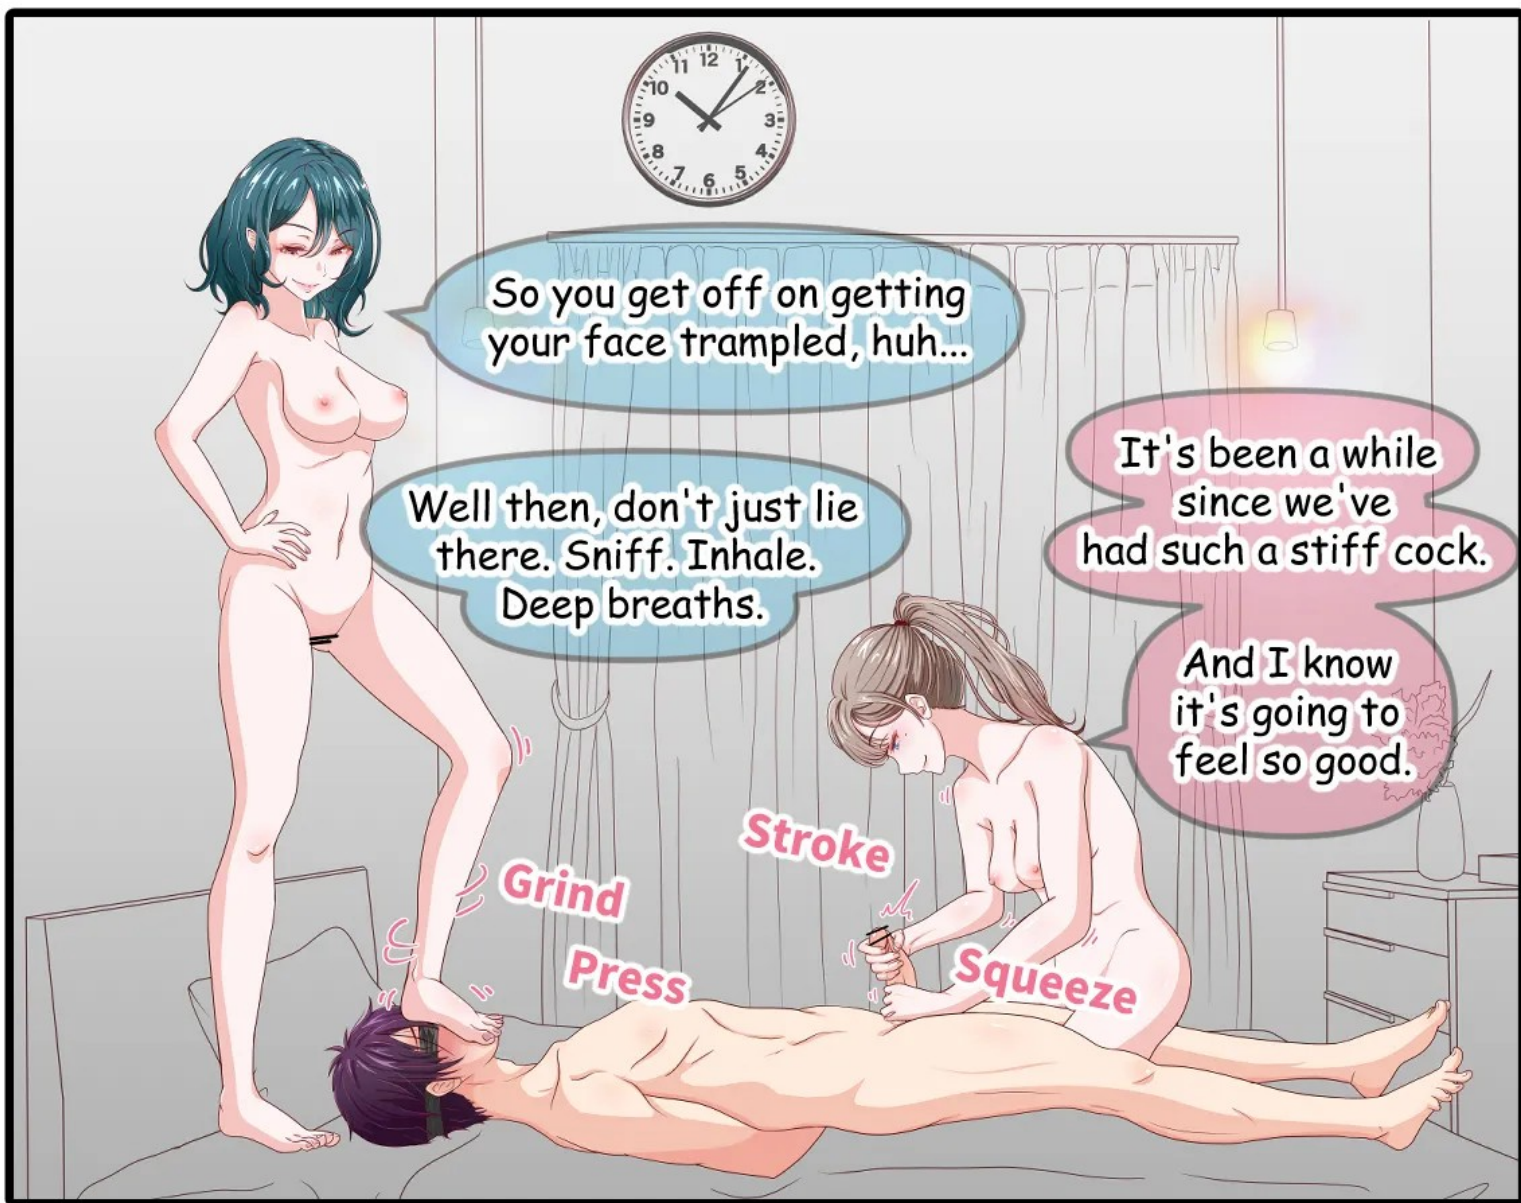

And I know
it's going to
feel so good.
