The body of a shota has a lot of admirable features. Especially the arch of the feet and the undeveloped soles of the feet. It's beautiful, isn't it?

infatuated with numbers

Thank you very much for reading! A few pages had a heavy emphasis on "foot fetish". It was hard to draw this side of fetishes, but it was also very fun. I'm happy with the results.

I'd like to thank Ayaki and Sensei for making this the 4th (4.5?) release including the short already published in the 2012 Summer distribution. I think the next release may be a long way off...

Again, thanks. I look forward to working on the next one.
