And so...
You know...

Damn!
That bimbo
really hit me
hard...

Yeah!
Yeah!

I think the
audio-visual
classroom might
get patrolled
too often.

What are
they talking
about?

Really?

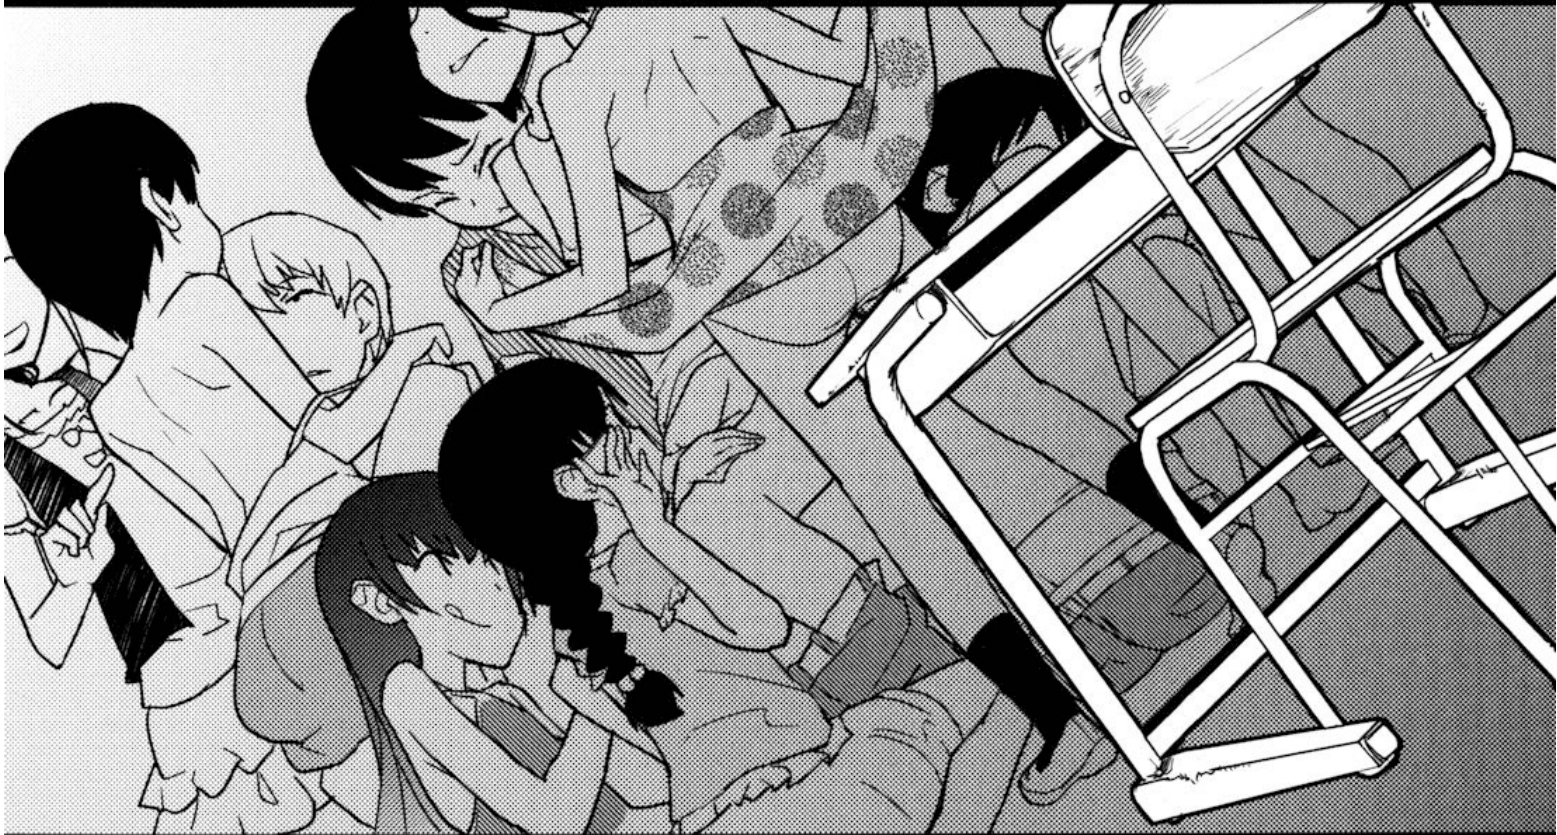

Yeah, but
that room never
gets cleaned so
there's dust
everywhere.

We could
always use
that empty
classroom on
the third
floor.

I don't know
what they're
being so sneaky
about, but I'll be
damned if I'm
not gonna
find out!!

Now that that's settled...

Who do you wanna fuck, Ueda-kun? ♡
