One day the
Big Bad Wolf
entered the
Forest...

As her stomach
rumbled with hunger,
the three little pigs
trembled beneath
her feet...
They knew that
the Goddess was
ravenous and could
swallow them **all** whole at
any time if she so desired.

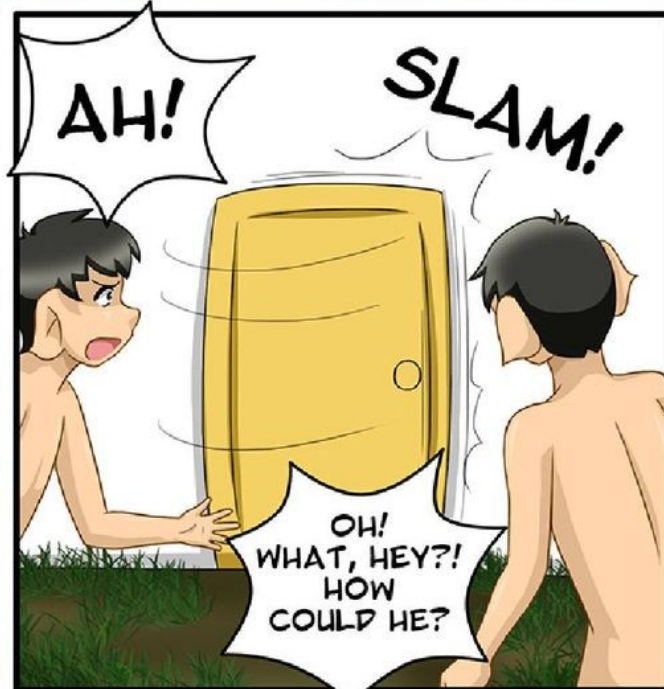

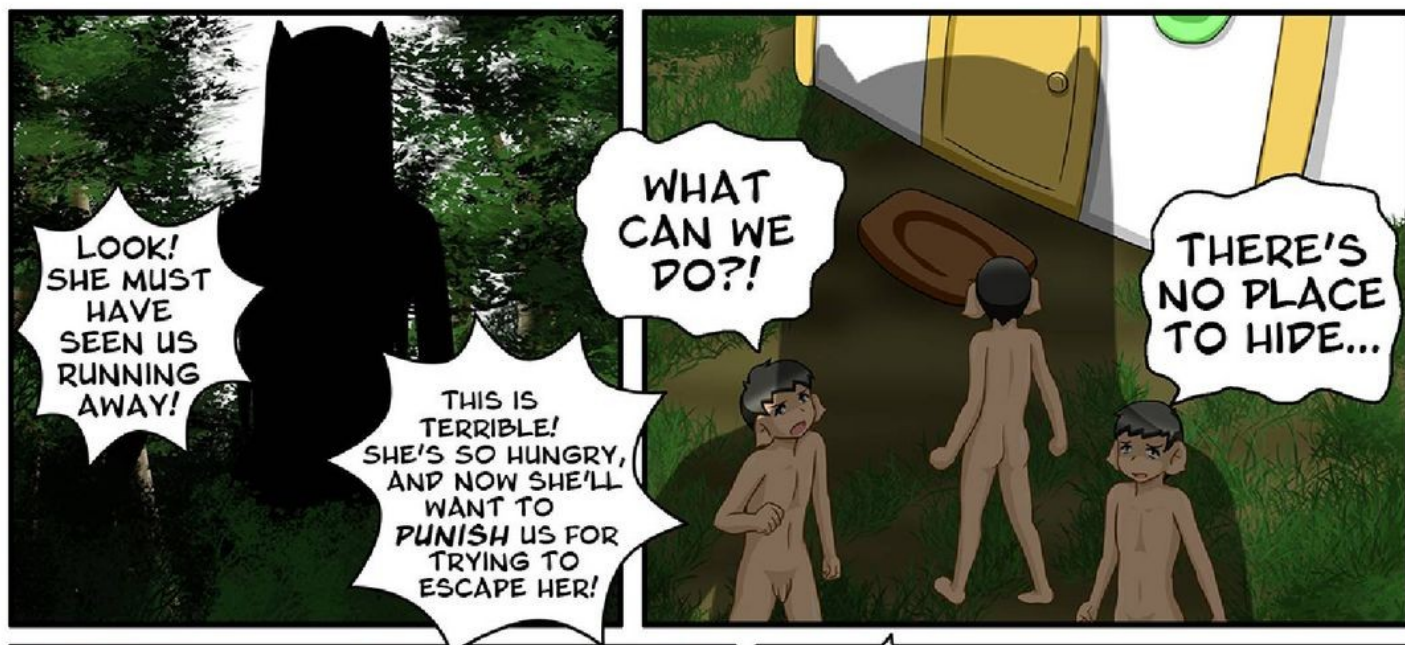

THE WOLF
IS COMING!

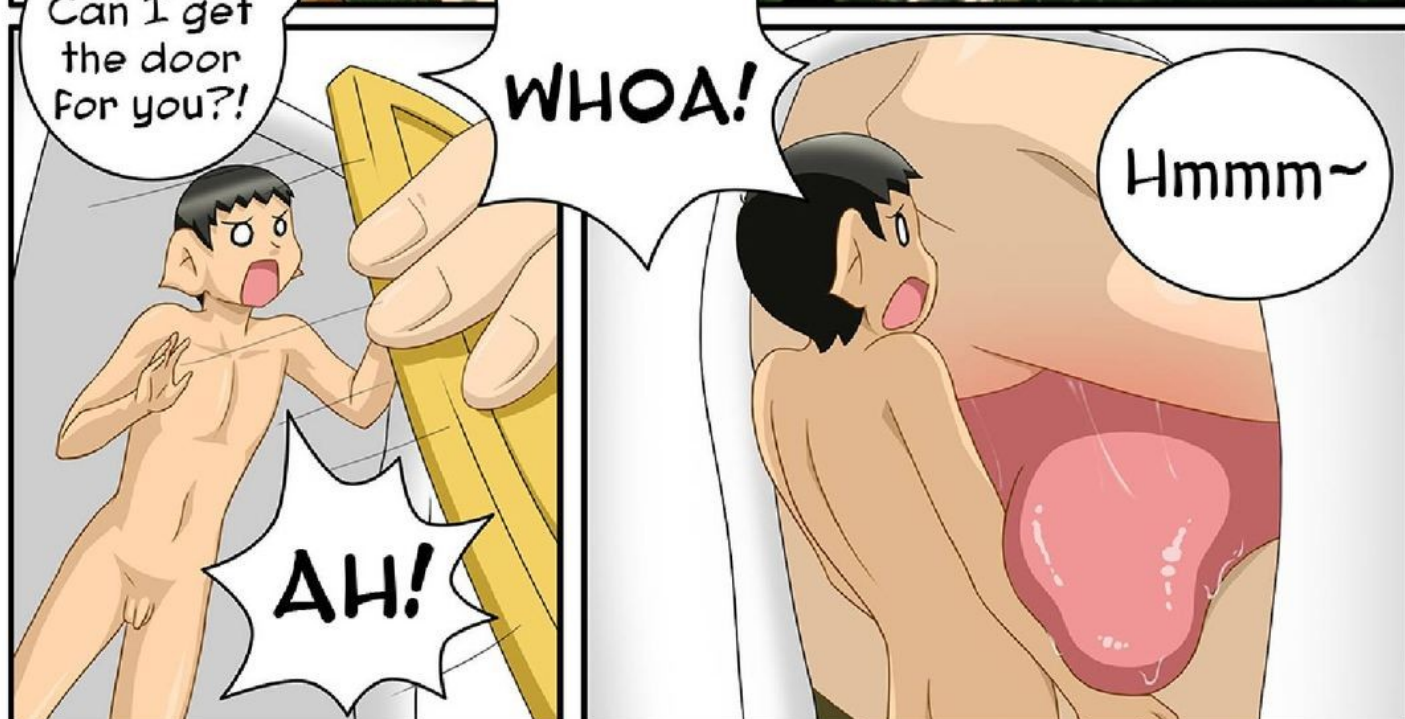

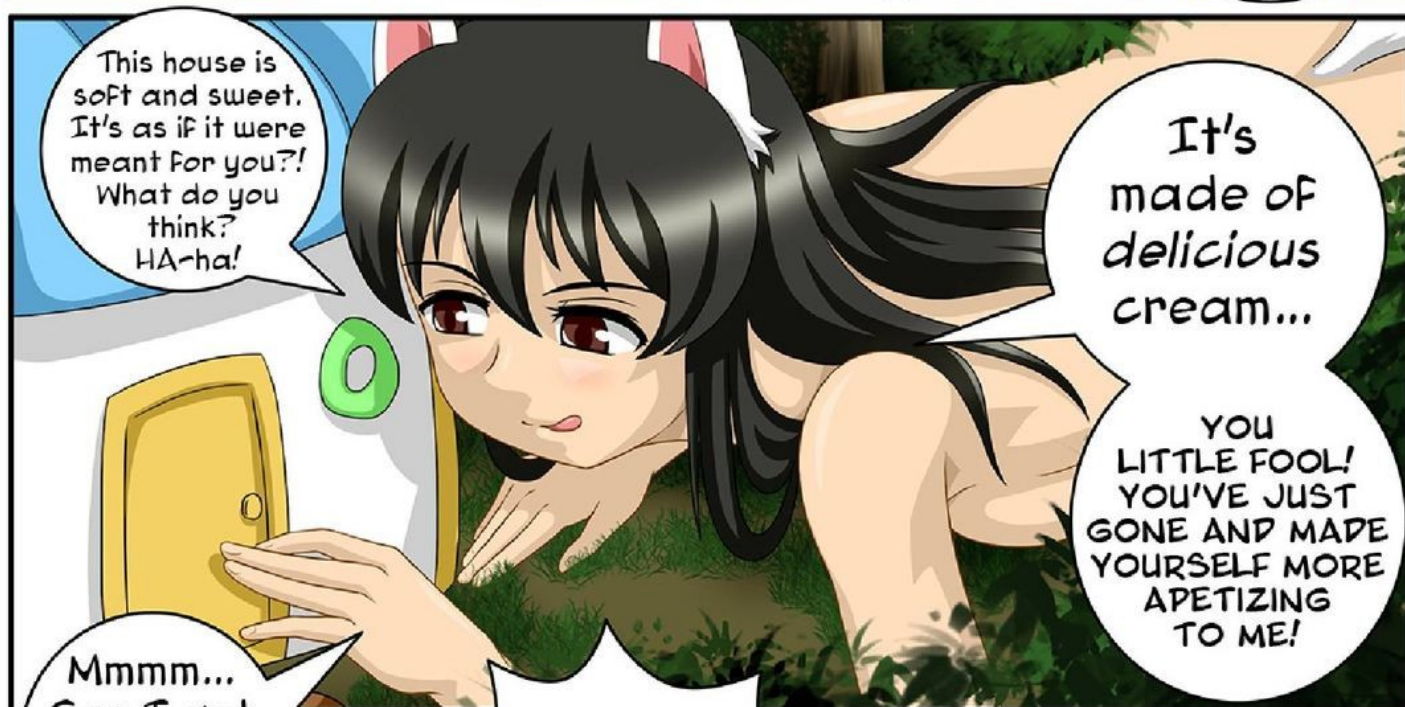

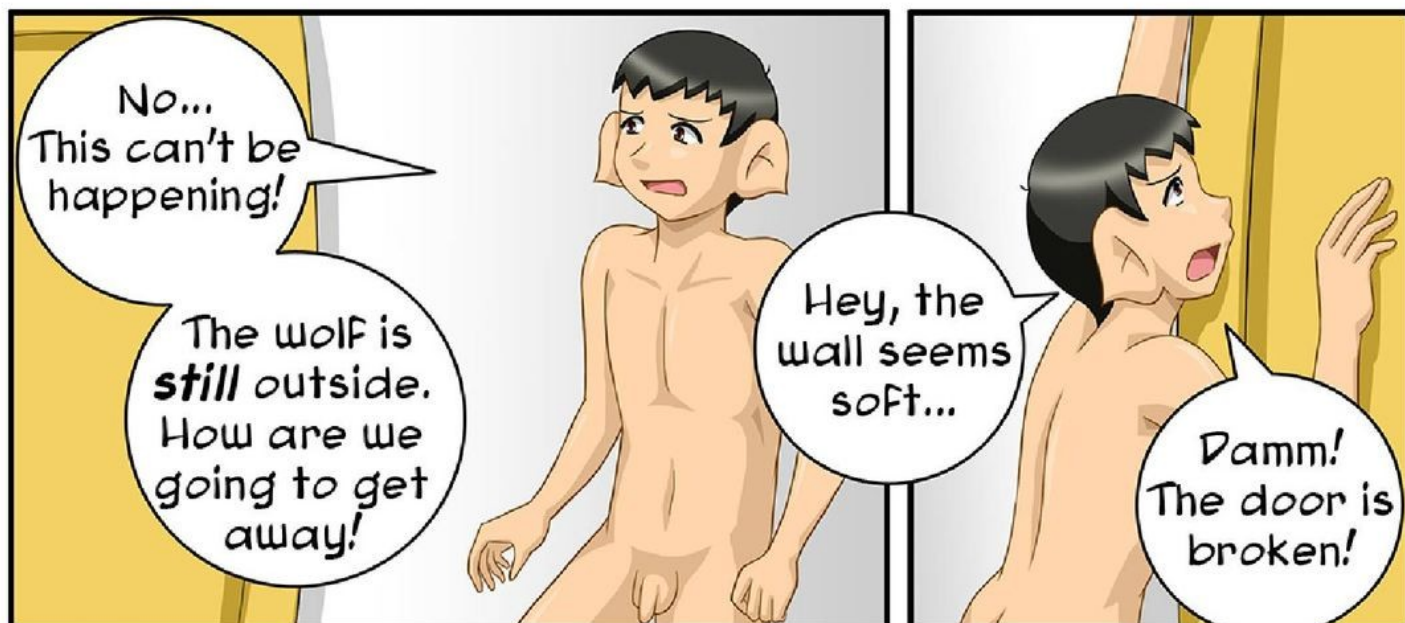

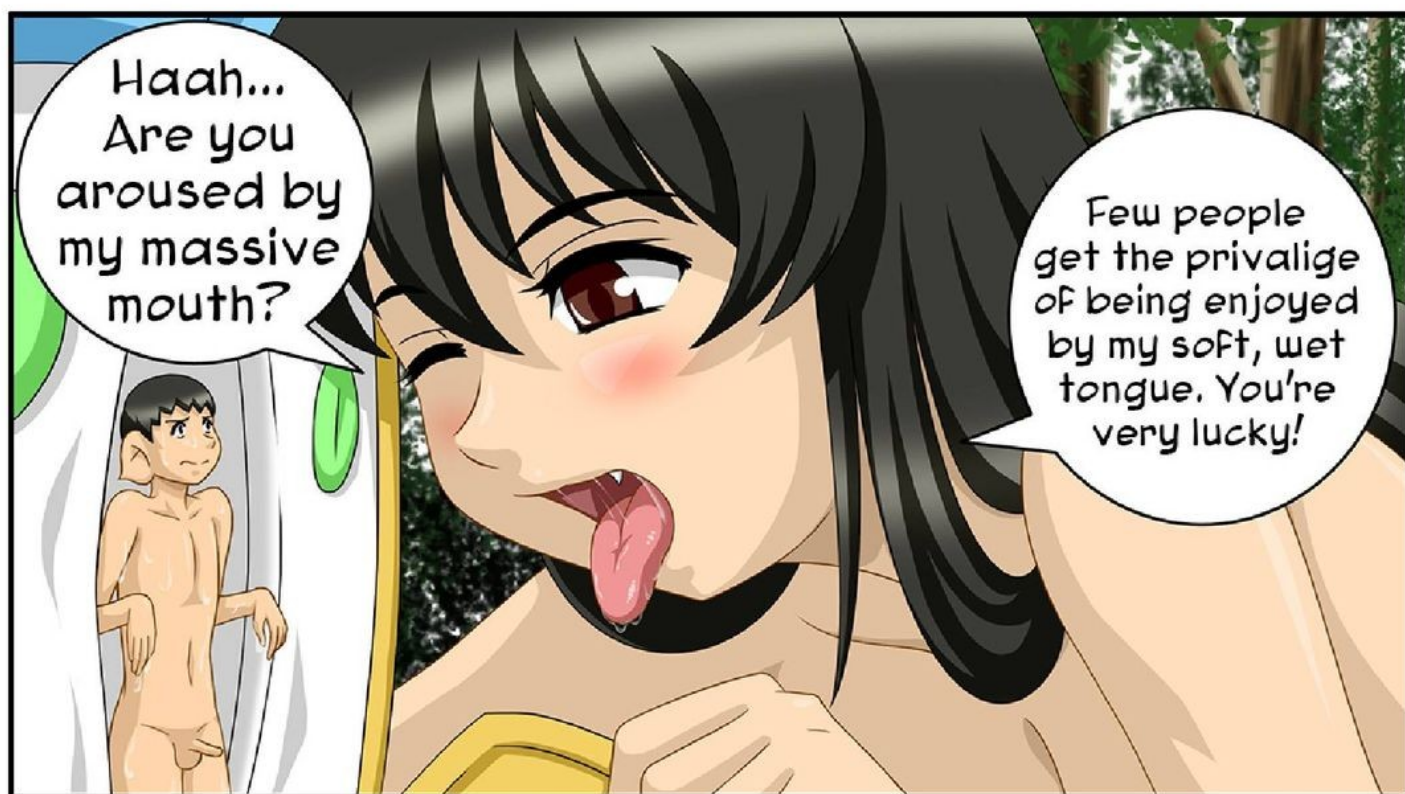

AH!!!

NO...
I DON'T
WANT
TO BE
EATEN!

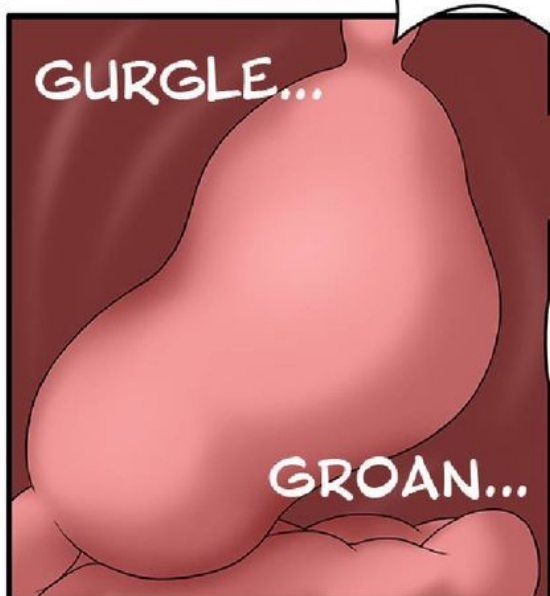

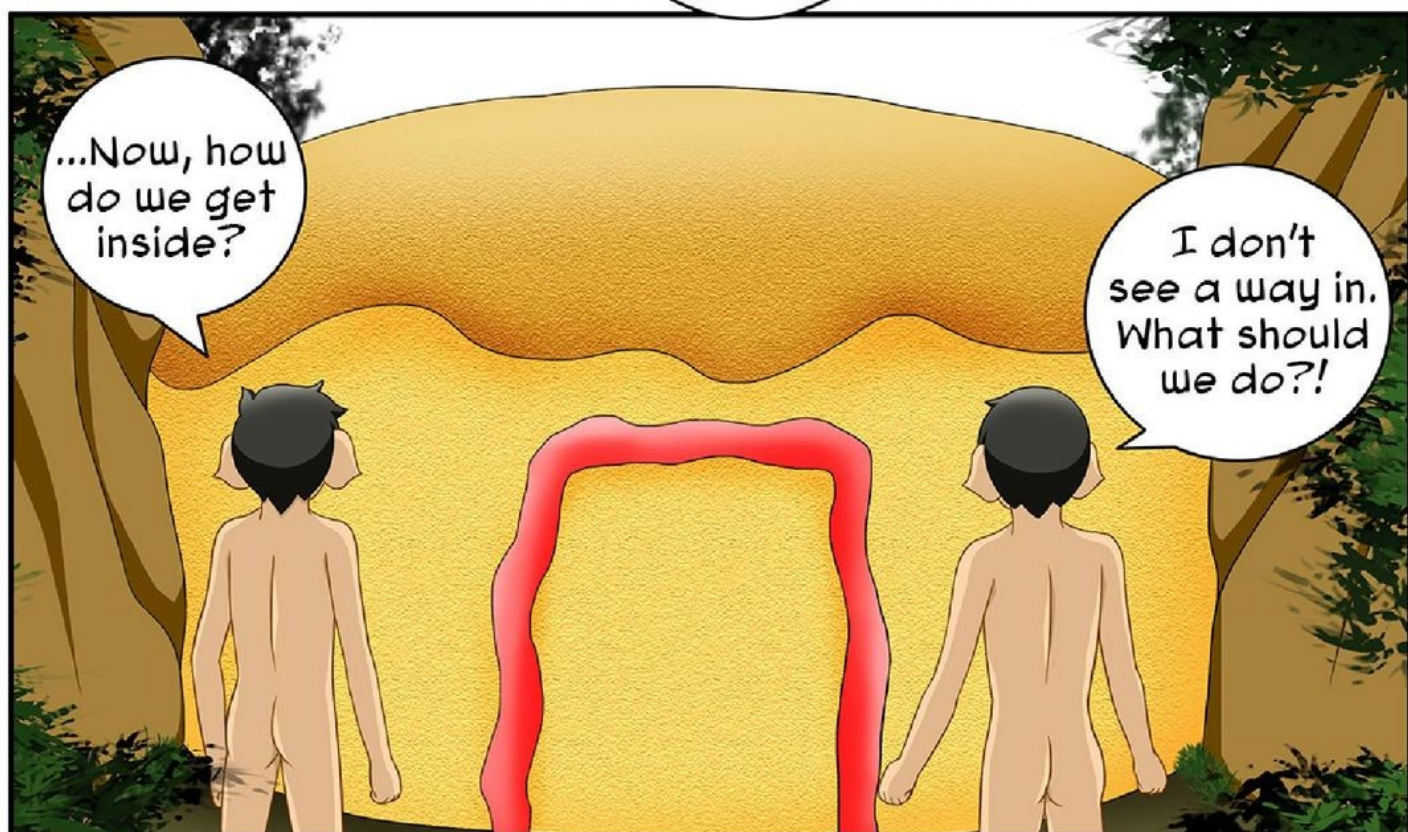

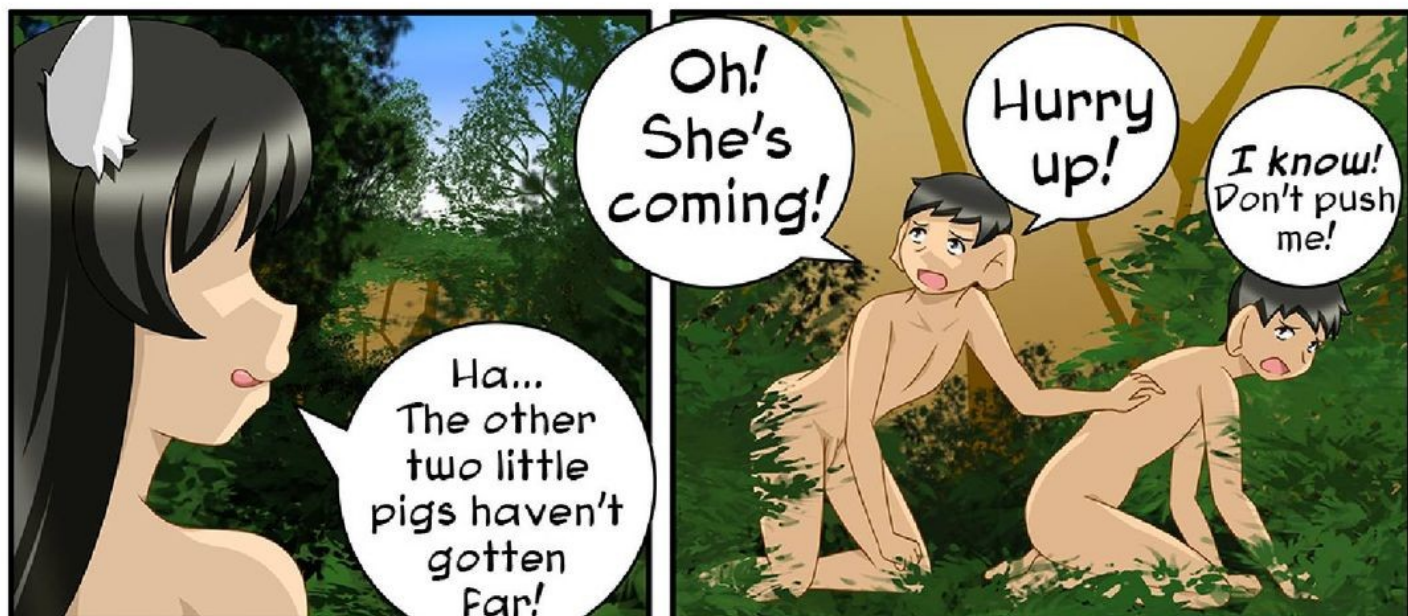

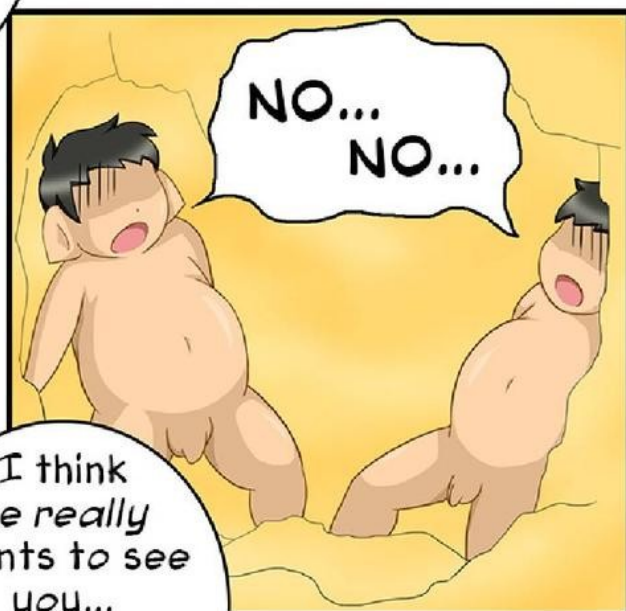

Hmm...
I knew you
were here.
I've been
letting you
fill up for
me!

Found you!
Oh my...
You two little
piggies have
been eating
my cake!

Listen!
Can you hear
your friend
crying out
from inside my
stomach?

NO...
NO...

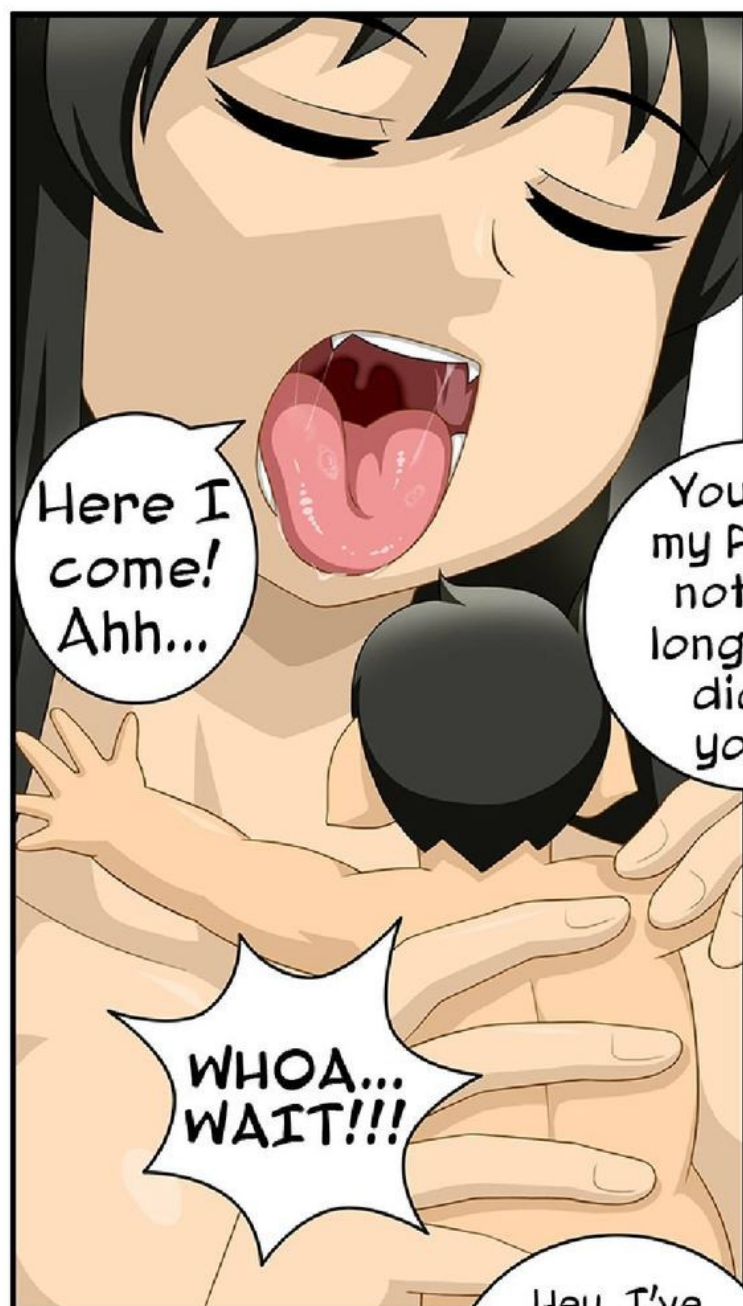

I think
he really
wants to see
you...
Now come and
join him in my
belly!

GURRRGLE~

CAUGH~
Why did you
two eat all
that cake?!
GASP~
Now you're
super plump and
even more
appetizing to
The Wolf!

Here I come!
Ahh...

You ate my friend
not too long ago,
didn't you?!

WHOA...
WAIT!!!

If you eat me, you might become over-stuffed and *die!*

Hmmm...
But I still want to...

Hey, I've got it! I'll just let your friend out to make room for you! Yeah!

Then I can eat you without any problems!

WHAT?
I DIDN'T MEAN...

Let's get to it!
I think I'll let him out right here!

Really?
You will set him free from your belly?

Yeah, I'll set him free!
But the exit is here.
I'm going to **poop** him out!

The strength of my stomach acid is 20 times that of a humans'. Your friend has been entirely digested by now.

GURGLE~

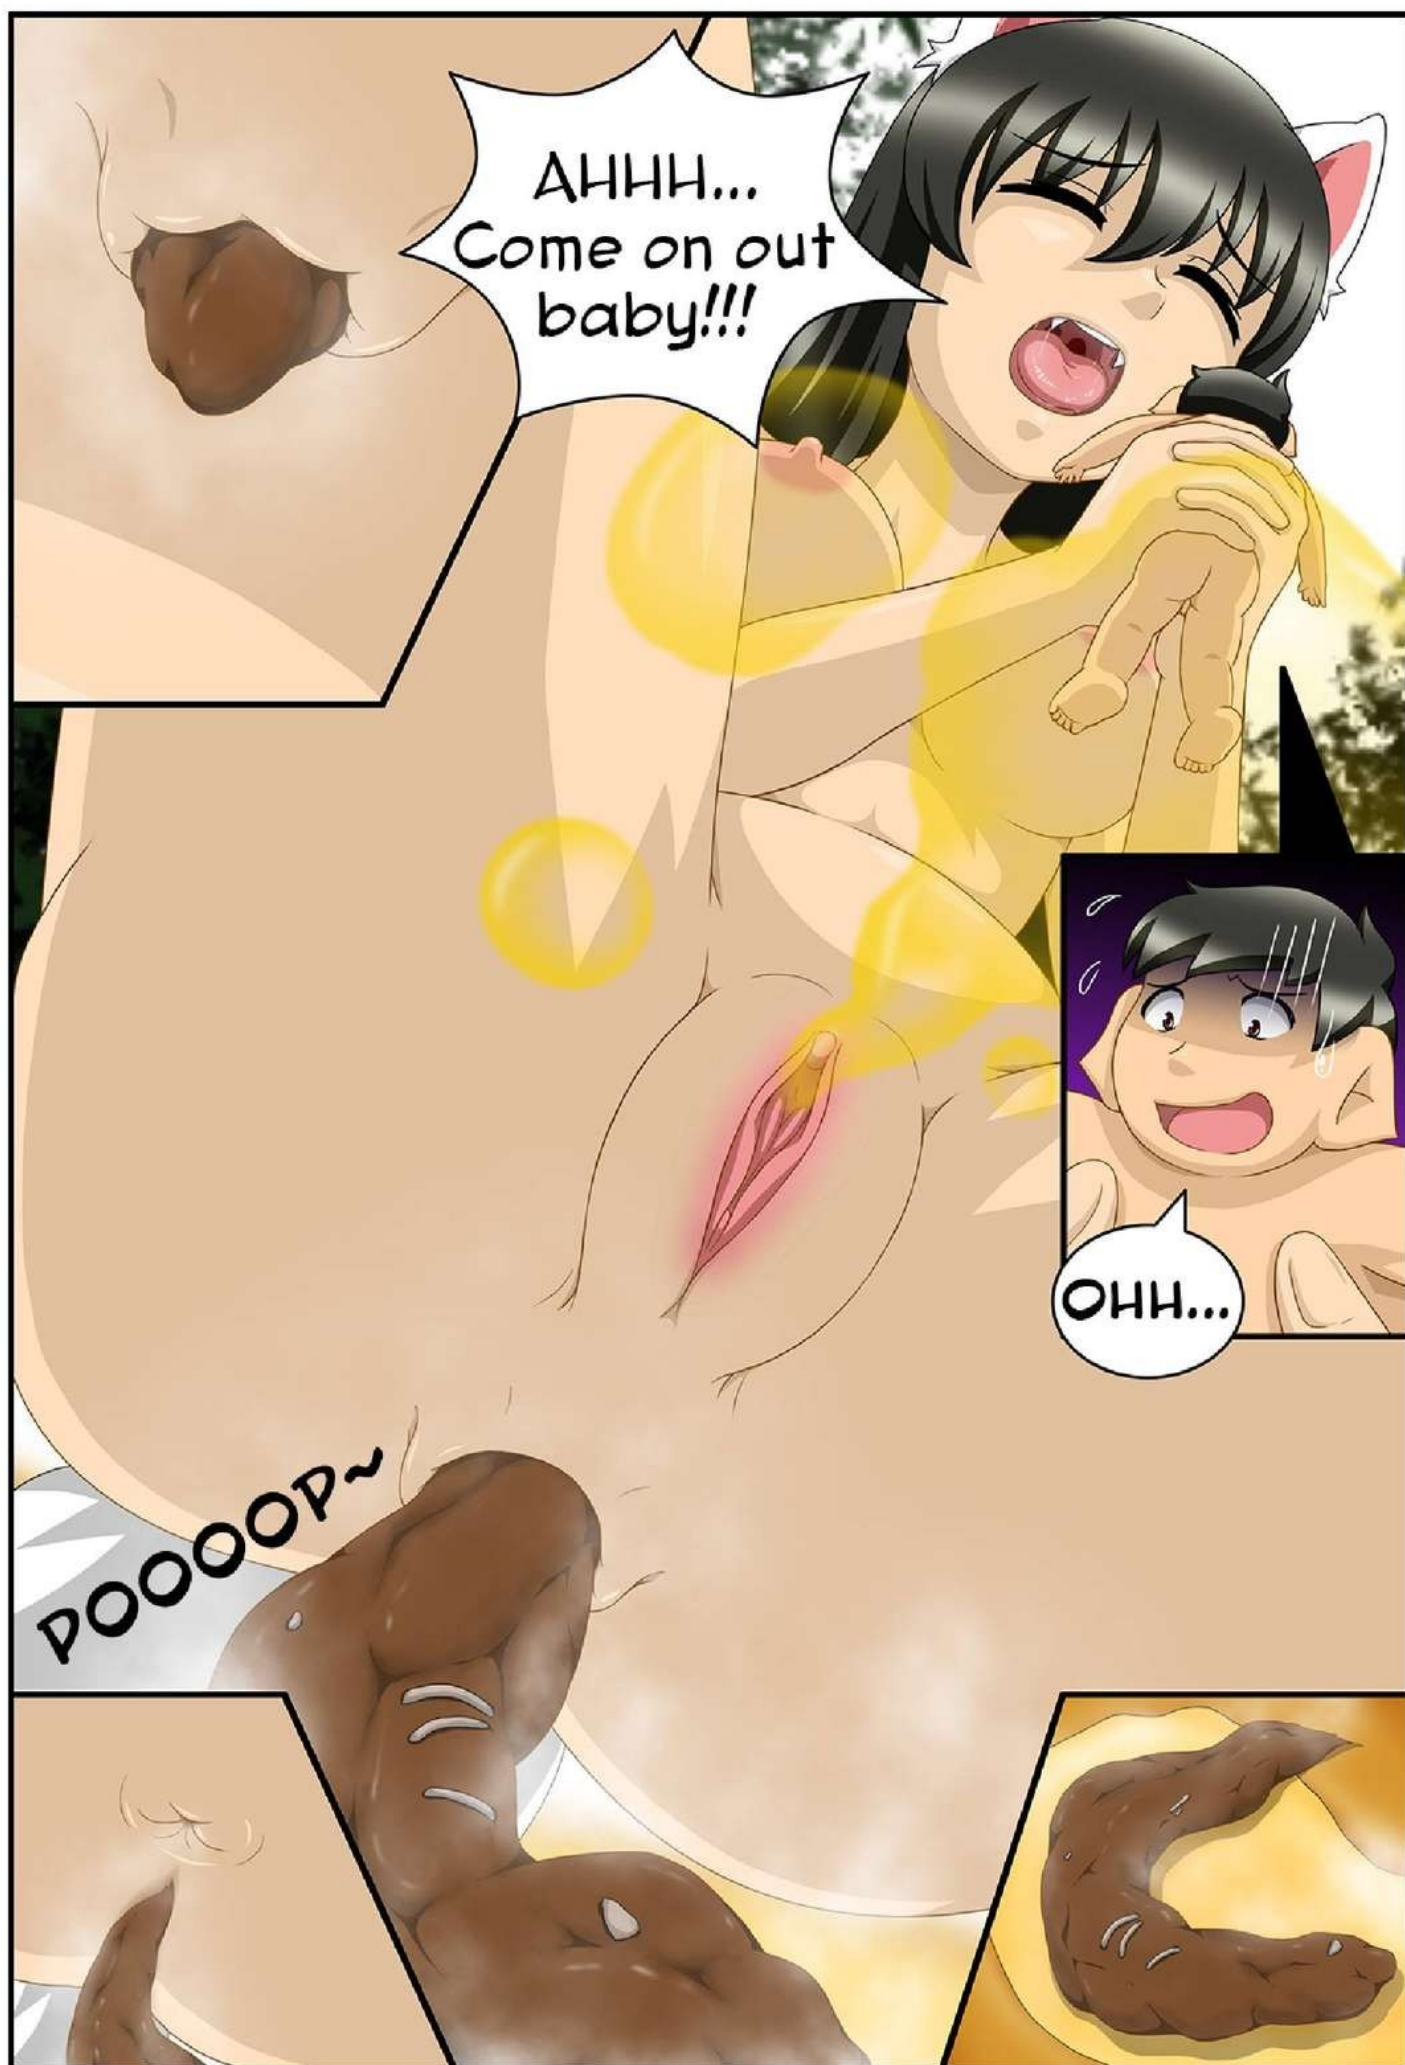

Get ready!
He's coming!

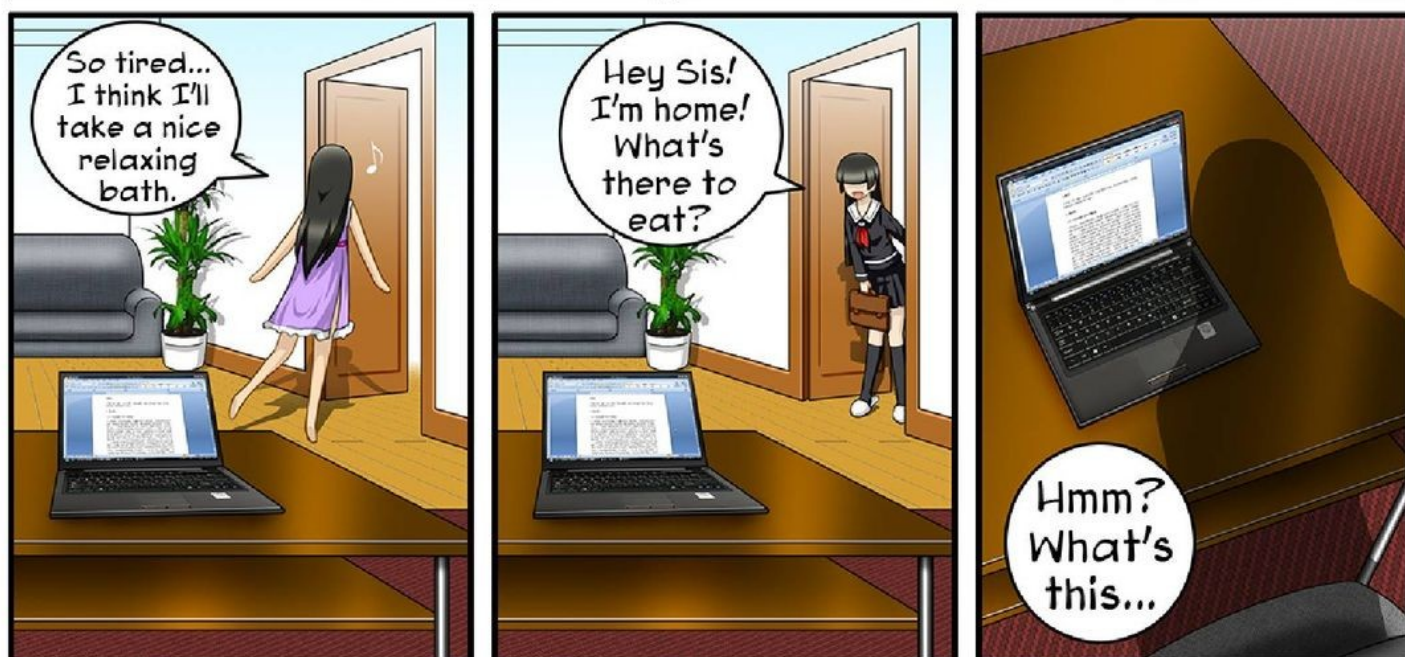

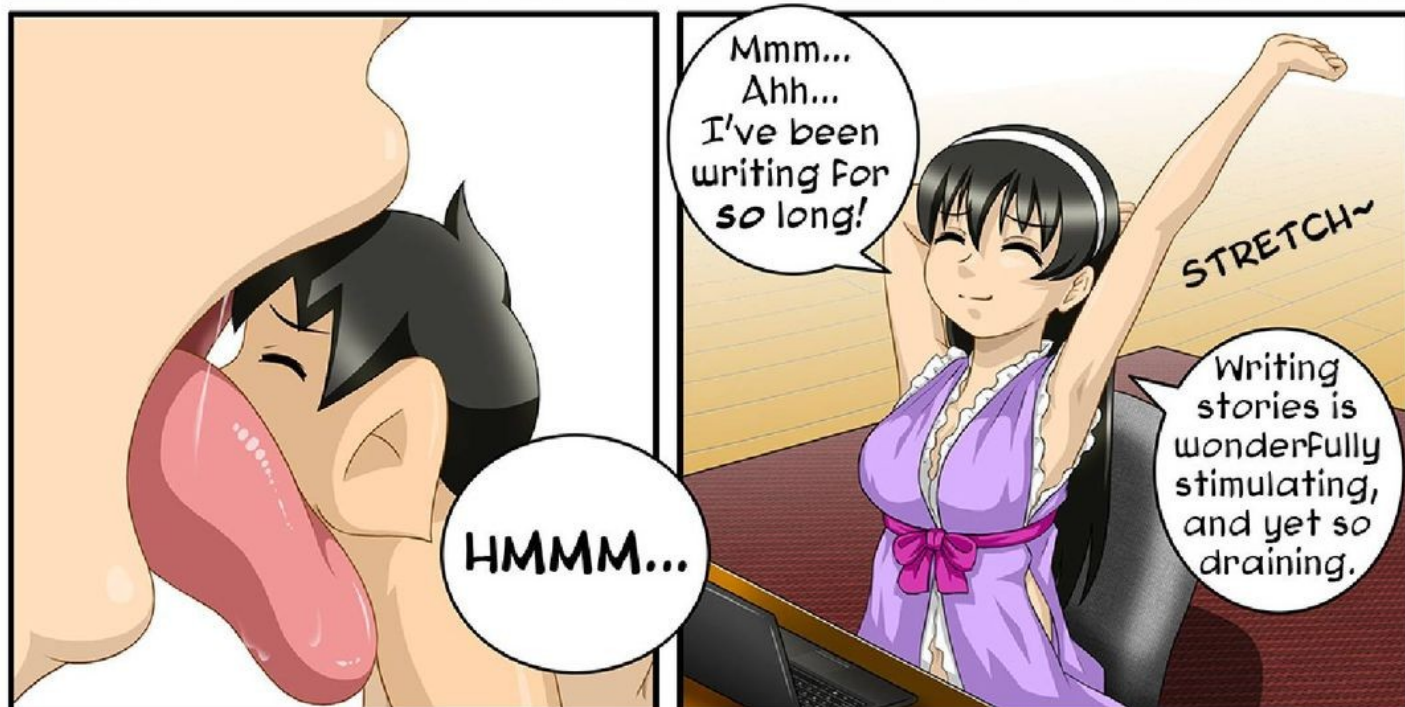

Hehe...
Hmm...
I didn't expect to blush...
I guess I'm a bit shy...

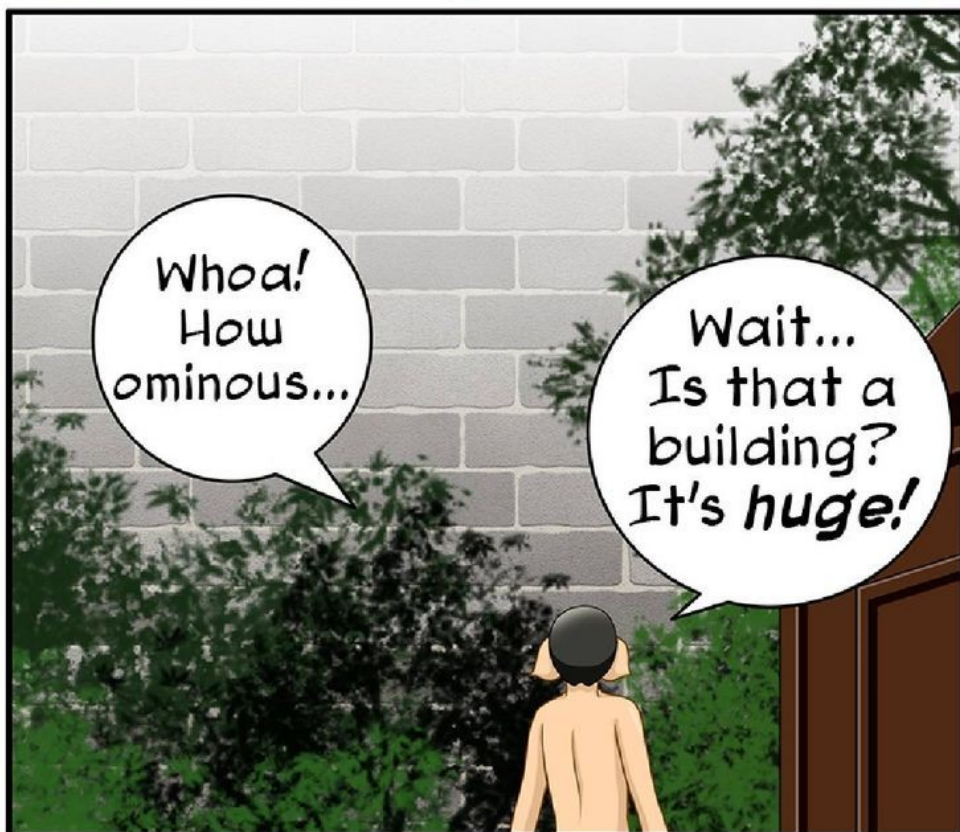

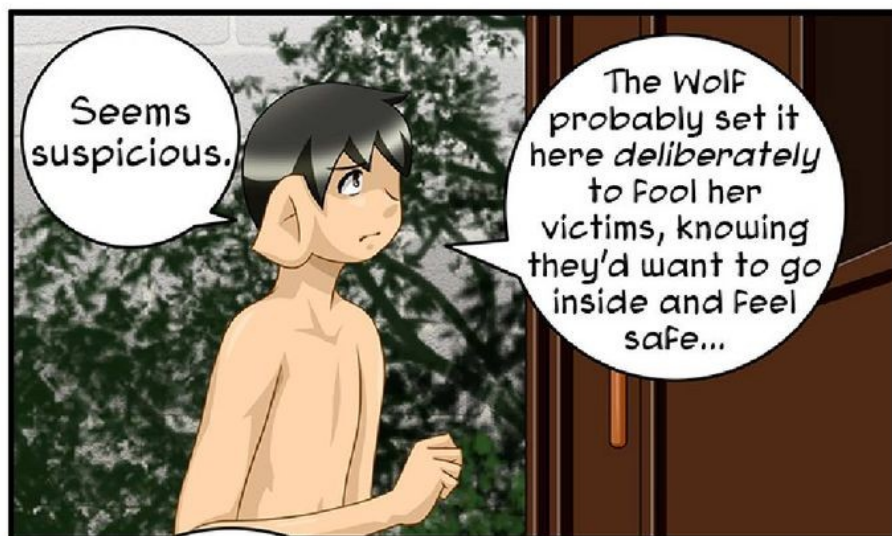

And I digested him in such a short amount of time. I guess I feel reluctant to let him out so soon...

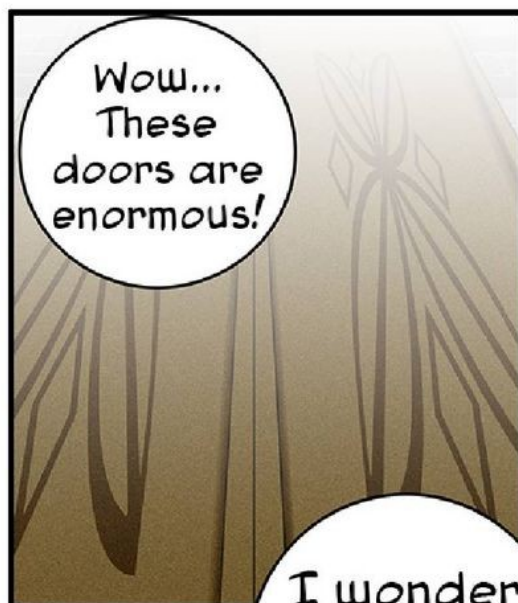

PPPP~

Wow...
These
doors are
enormous!

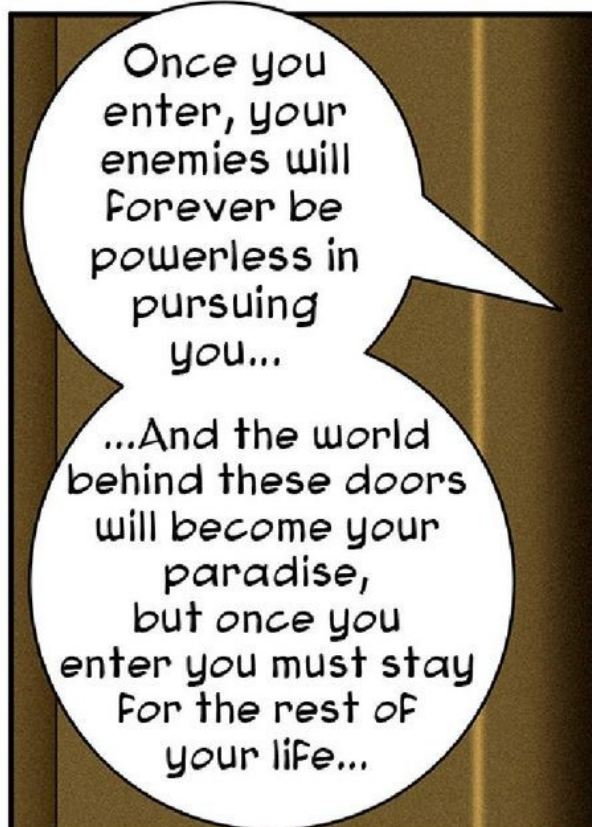

I wonder
if I can
open
them...

Lost
travelers...
Here is the
end of your
journey!

CREEAK...~

It's
opening!

Once you
enter, your
enemies will
forever be
powerless in
pursuing
you...

...And the world
behind these doors
will become your
paradise,
but once you
enter you must stay
for the rest of
your life...

The
decision
is yours!
