AH... NGH

I'M SORRY... NOBODY WANTS A GIRL-FRIEND WITH A COCK, RIGHT?
I THOUGHT YOU'D STOP LIKING ME, SO I KEPT IT A SECRET.
I SWEAT LIKE CRAZY, AND MY BODY GOES BACK TO BEING STINKY THE INSTANT I LEAVE THE BATH.
HERM-APHRODITISM HAS A LOT OF SIDE EFFECTS. MY BODY AND MY BREASTS KEEP GROWING, AND I LACTATE TOO.

IT'S N-NOT THAT I DON'T WANT TO! SIT DOWN!

Yuuna and I started living together.

In the morning, Yuuna rides me cow-girl and wakes me up.

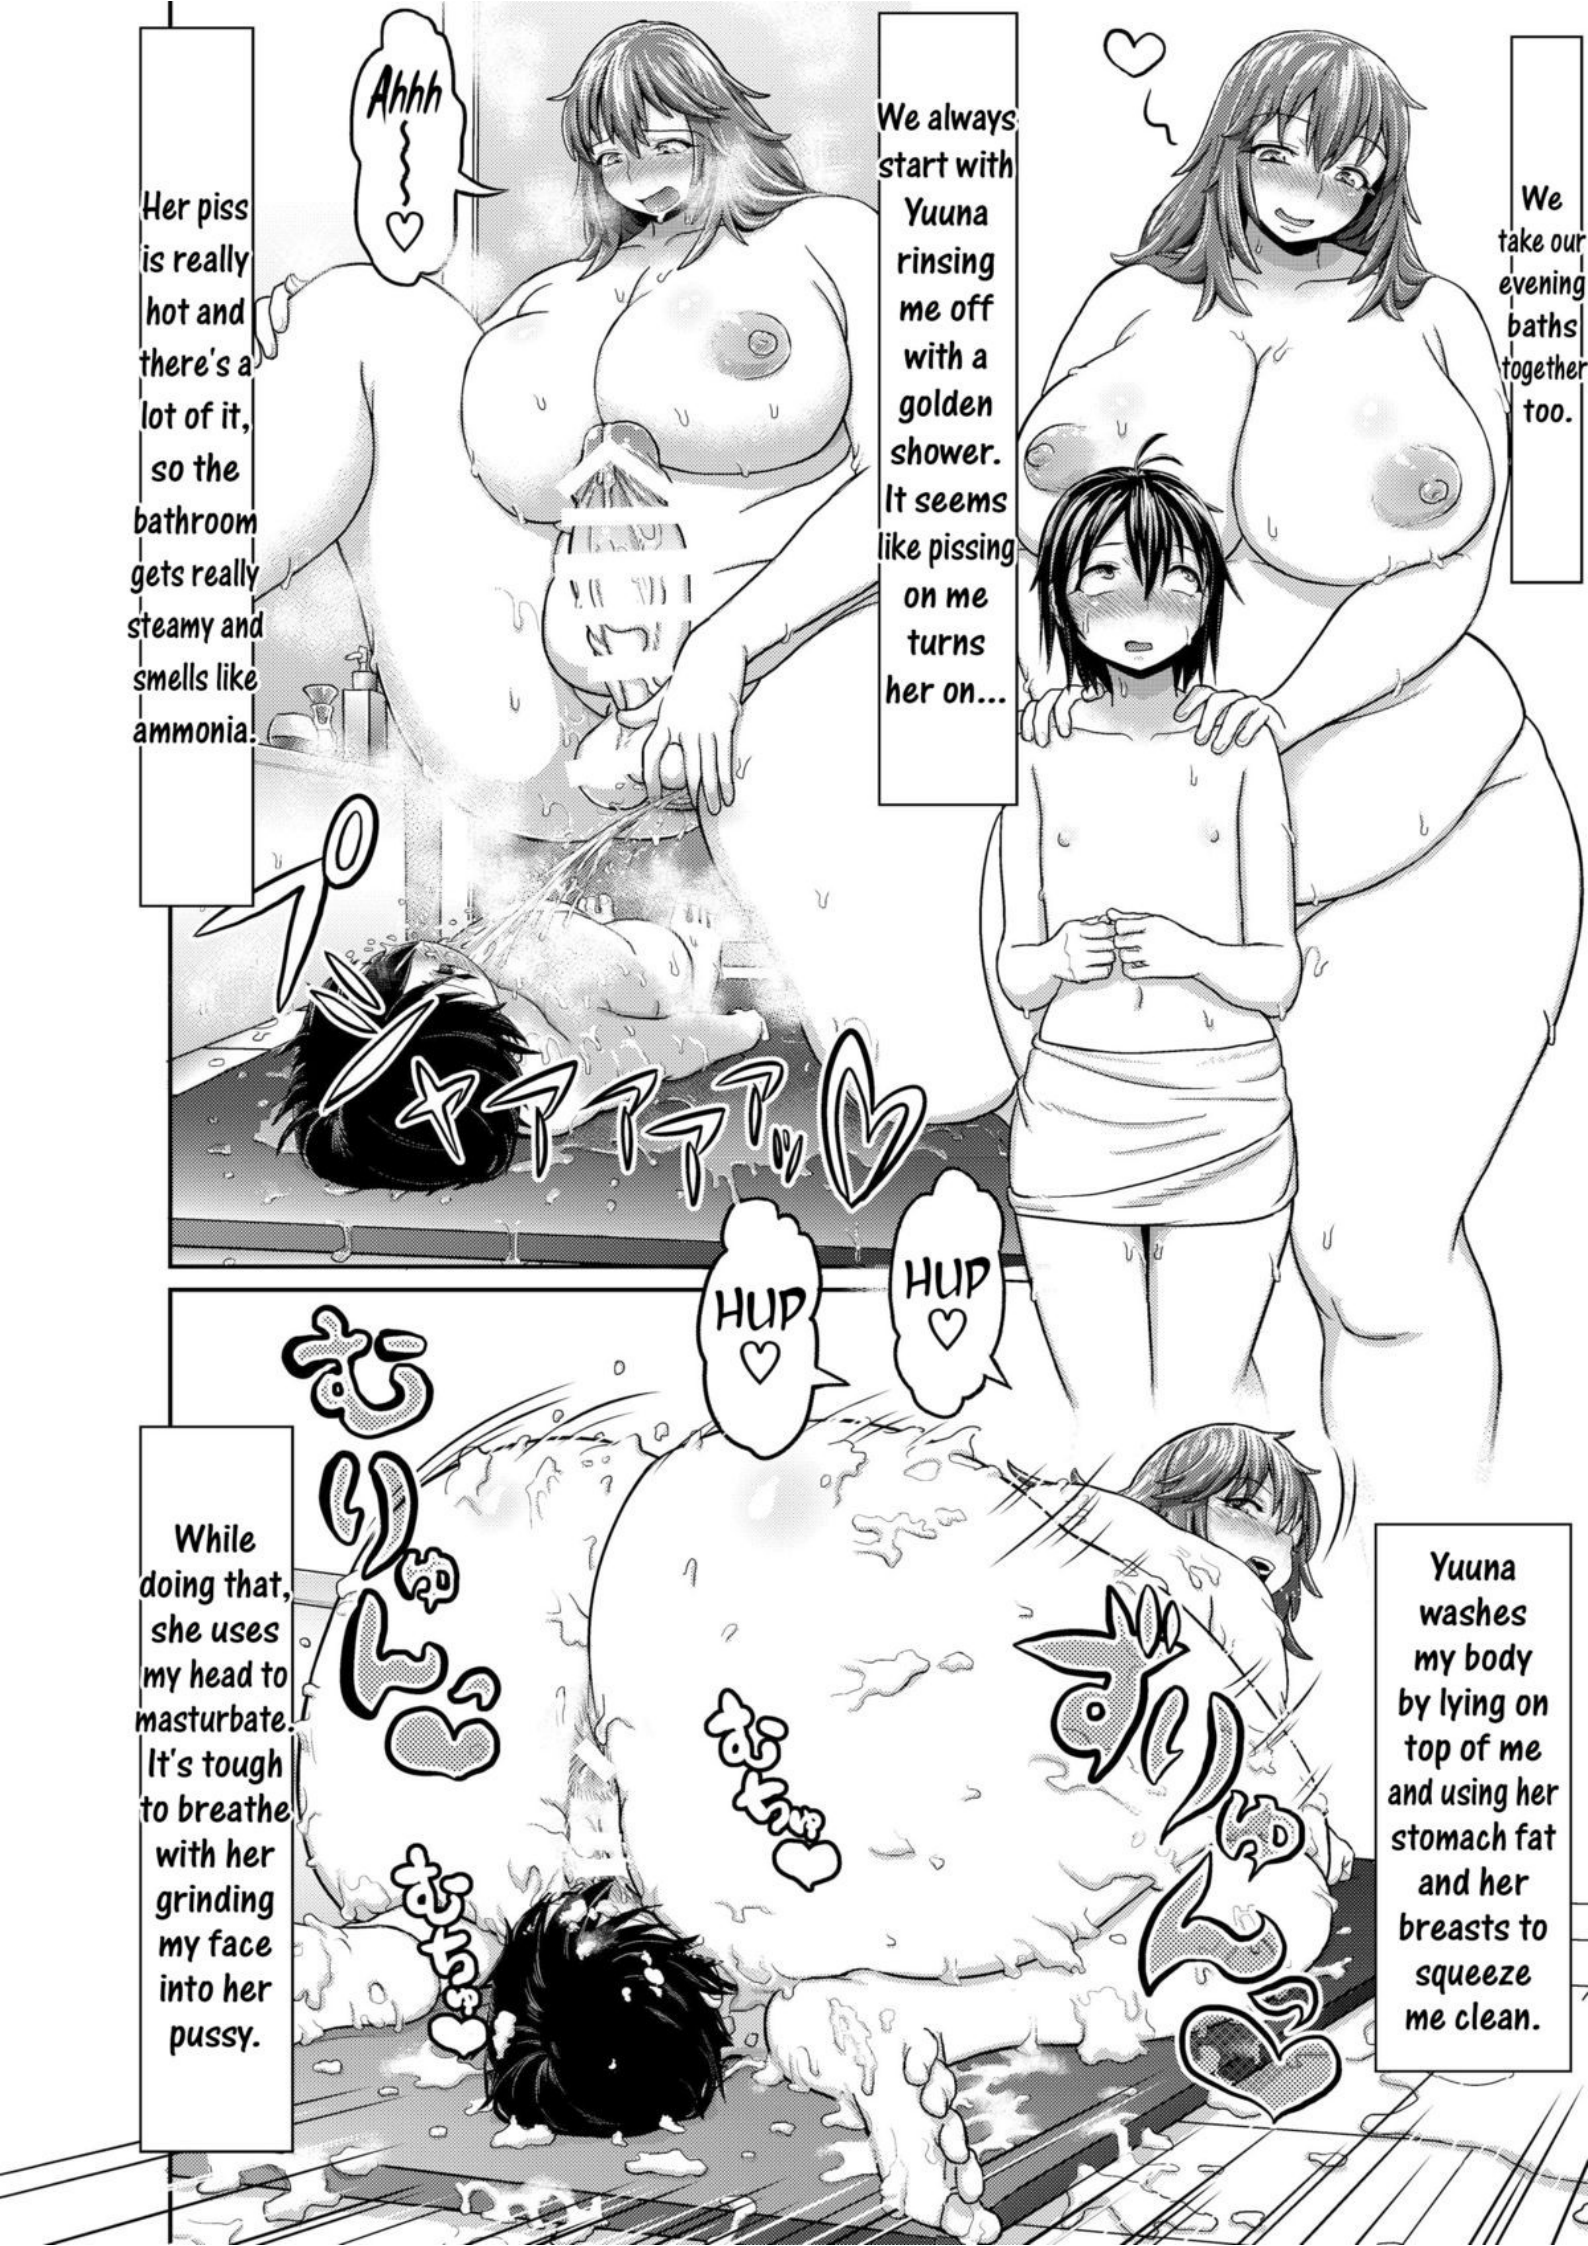
ごくごく♡

Once she gets into it, she seizes my entire head and fucks my throat like I'm just a toy.
During breaks at school, she takes me to the bathroom for a quick blowjob.
Nnnnm♡
Bumoh♡
There's no time, so we just stay in the same position and Yuuna nails me until she gets tired of it, pouring loads of cum into my rectum.
This is the third blast, bitch!♡
After drinking her milk, we fuck two or three times.
Nn♡
Ungh♡
She can only endure as far as the walk home. As soon as we close the door, she tears off my pants and starts fucking me.
Haaa♡
Haaa♡
She knows just how to make my ass feel good and stimulate my prostate, and I alternate between spraying cum from my dick and countless dry orgasms.
Ahn♡
Ahn♡

When I go to the bathroom, Yuuna uses the key to come inside.
She spreads her ass with her fingers and consumes my dick.
NGH
After slapping her ass on top of me again and again, I come inside her butt until I lose count of how many times I've ejaculated.
Come with my hot ass!
Hiya!
Hiya!
In the evening, we always cook together. Yuuna wears nothing but an apron and pounds me from behind.
Ahn♡
Ahn♡
Even if I say we should wait until we finish cooking, she always responds "I can't wait that long.♡" She doesn't even wait for a reply before she screws her huge girldick inside my tiny anus.
Nn♡
Mmm♡

If there's a sex scene in the movie we watch together after supper
OH~♡
Yuuna gets so turned on I can smell it.
フンフン♡
Even though we're still watching a movie, she pushes me down...
Ruika... ♡
HEY, WAIT...
and ignoring the movie, fucks me for a full hour.
Mm♡
Nn♡
Ah♡
Ahh♡



We take our evening baths together too.
We always start with Yuuna rinsing me off with a golden shower. It seems like pissing on me turns her on...
Her piss is really hot and there's a lot of it, so the bathroom gets really steamy and smells like ammonia.
Ahhh♡
HUP♡
HUP♡
While doing that, she uses my head to masturbate. It's tough to breathe with her grinding my face into her pussy.
Yuuna washes my body by lying on top of me and using her stomach fat and her breasts to squeeze me clean.

We go to bed early and start to have real hardcore sex.
WOHH♡
Nn♡
Ahaa♡
はぁ♡
はぁ♡
This is her favorite time of the day. She gobbles up my dick with a mad grin plastered to her face.
On the hotter nights, we get covered with sweat.
More, more!♡
I can feel your twitching asshole with my cock.♡
Yuuna fucks my ass and mouth in all sorts of positions.
Ahn♡
Ahn♡
Nnnnu♡
Mm♡
She strokes my dick with her milk covered boobs too.

Other than that, Yuuna uses her pussy and her asshole to wring the semen from my penis.
Ahn♡
Ahn♡
I'm not letting you go until you come 3 times in my pussy!♡
Un♡
Mm♡
I can feel you squirting inside my pussy with my asshole!♡
Yuuna madly fucks me for about two and a half hours.
EHEHEH♡ TOMORROW'S SATURDAY, SO WE CAN FUCK ALL DAY!
I fall unconscious, covered by Yuuna's sweat, piss, milk, and cum.
END

I've never had an orgasm during sex with my boyfriend
He never goes down on me after we fuck either.
He doesn't have any technique, and he's a bit premature.
But I'm too shy to tell him exactly what I want him to do...
I don't even really want to have sex with him anymore.
This feels so good♡
Ah♡

Ah I gonna come

AFTERWORD

You have my sincerest thanks for acquiring this book.
I'm really glad I chose the exciting them of "living together with your dickgirl girlfriend."

Isaki read my manga and said
"won't she get in trouble if she jerks off 30 times a day at school",
to which I responded "she has the dire illness known as hermaphroditism,
so she has no choice." "Your head's direly ill!"

This time the theme was "girlfriend" so the guy was only raped by a single girl,
but I'd like to have more reverse gang rape in the future.
That way's more exciting.

I'm going to do my best to make even better manga in the future,
so please keep reading Herohero Hospital's works.
-HEROHERO TOM

I'm truly thankful to you for buying this.
I really wanted to expand on the
"girlfriend grew a dick and raped her boyfriend" material
I submitted to Tumblr, so we ended up doing a joint work about lovers.
I was hoping to make them seem like a real student couple,
but I'm not sure that really came across. Ngh.
Because we both had the same number of pages and there weren't any group scenes,
I think both of our styles were brought into relief with these works.
I feel like I prize showing the character's feelings over the purely erotic.
In contrast, Herohero Tom focuses solely on the sex. (Yes, I'm a highly self-aware artist.)
There's all sorts of stuff I want to draw with dickgirls,
so I want to keep on drawing more and more! See you again next Comiket!
-ISAKI
