But I wanted eggnog, I can't have enough!!

This is... Candy cane...

Tha-

Hahaha! Red ribbon, nice touch.

That's not eggnog at all!!

That candy cane...

ズン

...wait, what?

Looks freaking delicious...!

Let's go to the kitchen and have some!

You too, Kenta!

Eeh?!

But I want eggnog, nothing else...

This is the best candy cane ever, you know? Yuuka says your pussy is amazing so I had to do this in order to fuck you. You see...

Shut up, I was talking!

Yeah, I could definitely go for some candy cane right now, but my infinite craving for eggnog is destroying me... I wonder if I could have both at the same time...?

I can't deny I like candy cane as well, but what flavor might this be...? There are no stripes, and the shape is not of the best quality... Could it be a new product?

Eh?!

This is delicious candy cane, you must eat it!

Ah, double grip! Holy shit, sis!

EVENING (IN THE BATH)

Hah! We gotta polish it real good, she'll love this.

Do me against the wall, bitch!

Hn! Yeah...

Fuck yeah!

SMOOTHNESS REINFORCEMENT

Ah!! Ah!!

There we go, as smooth as it gets!

You love this, don't you?

Ah! Fuck! Shit's good.

Oh god, yes!

ヒッ...

Gotta learn to work that candy cane. Have a couple of tricks ready or she won't be impressed!

EVENING (BEDTIME)

Why don't you let me fuck you then?

キョウキョウキョウ

I'm gonna rape you one day

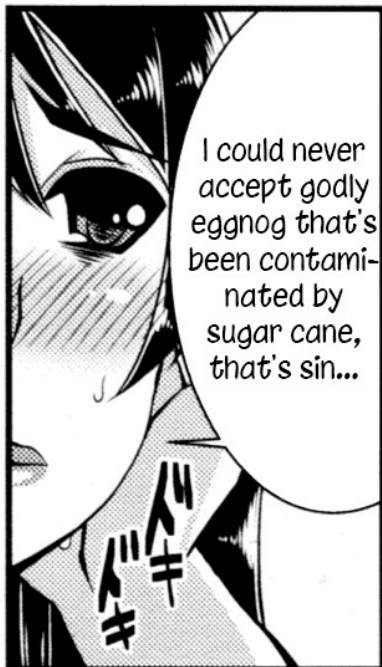

You!
How many times do I have to tell you? Don't shoot that stuff on my face, it's nasty!

I hate onaholes.

Fuck you!

you little slut!

Shit, you know how hard to find eggnog during the summer? Whatever, gotta empty these balls...

Remember, every fuck means you buy me an eggnog carton, ok? Sounds pretty fair to me.

So?

Deal?

YUUKA (7 BACK THEN)

So that's...

My story!

When I was six, an old man kidnapped me and hypnotized me, he made me love it... Then he'd "sell" me eggnog for sex. He was like the Willy Wonka of eggnog...

It's kinda normal when I think about it, I'm sure there's many like me out there...

Well

So what's with your obsession with eggnog anyway?

たぶん

You thought me the ways of the whore! To repay my debt, I thought of broadening your horizons!

At first I couldn't believe all the sick stuff you could do for that disgusting eggnog, mom, but I'm really grateful now...

Is that okay?

By the way, I'm letting our daughter watch again.

You look sluttier every day, Yuuka...

You don't insult eggnog in this house, miss!

Haha, sure! She's gonna grow into a fine whore.

Ah! Holy shit...
This may be the
freshest
eggnog
I ever ate...!

And the
sugar from
the candy
cane makes it
even better...

Hn...!
Ah...!

Here's
your
fucking
eggnog!

Remember the 24 doors of advent I made for you?

Hey, dad...

Haha! I'm used to it by now. Plus, I buy the cheapest shit.

Poor daddy, buying sex with eggnog!

I know your stupid religion says you'll go to hell if you don't open them all.

This is the 24th!

Why are you doing this...?

I'm a bitch!

Eeh?!

Can you imagine the shallow satisfaction I'll feel when I'll have stolen you from mom?

Come on...

Plunge through my door, for Christmas' sake!

ばあ

THRUST!

Two cartons, ok?

I'll let you fuck me from behind.

Maybe I'll fist her anyway.

Thinking of three eggnog cartons made me cum!

Oh god!

Oh well, more candy cane I guess!

No, daddy is mine!

Various sound effects and onomatopoeia are scattered throughout the panels, including 'hon', 'cum!', 'daddy', and various stylized symbols like '#', '!', and 'x'. There are also several instances of the text 'I000'.

Jingle bells!

Jingle bells!

I told you to sing along, you fucking bitch!!

That's better. Whores should do what their man says or get slapped. Let's lift you up now.

Yeaaaah, shame me, I'm a slut!

JINGLE ALL THE WAY!!

Cunt!

Bitch!!

Hn!

Ah!!

Your pussy is a fucking mess, woman!
I'd feel better if I stuck it in a box of nails!

This shit ain't worth it.
No more sex, no more eggnog for you!
Fucking useless, that bitch of a sister lied to me.

If you want tight...

Ah, wait!
I have an idea!!

I'm leaving!
Waste of time.

That ain't bad...

Do it, you fucking fag!! I teased you all this time because I'm a bitch, but I only wanted you to take lead and destroy me with your cock!

Alright then.

C'me here!

You should fuck your sister! Pristine, barely used, I bet she's really tight! But it's gonna cost two cartons of eggnog! Look at how wet she is, the whore... She's just begging for it! What do you say? Wincest for two cartons of eggnog!

Hon... Five cartons if you groan like a reindeer...

The eggnog is mine. I hope you choke on it!

Delicious candy cane! Merry Christmas to me!
