WELCOME TO THE
SCIENCE CLUB

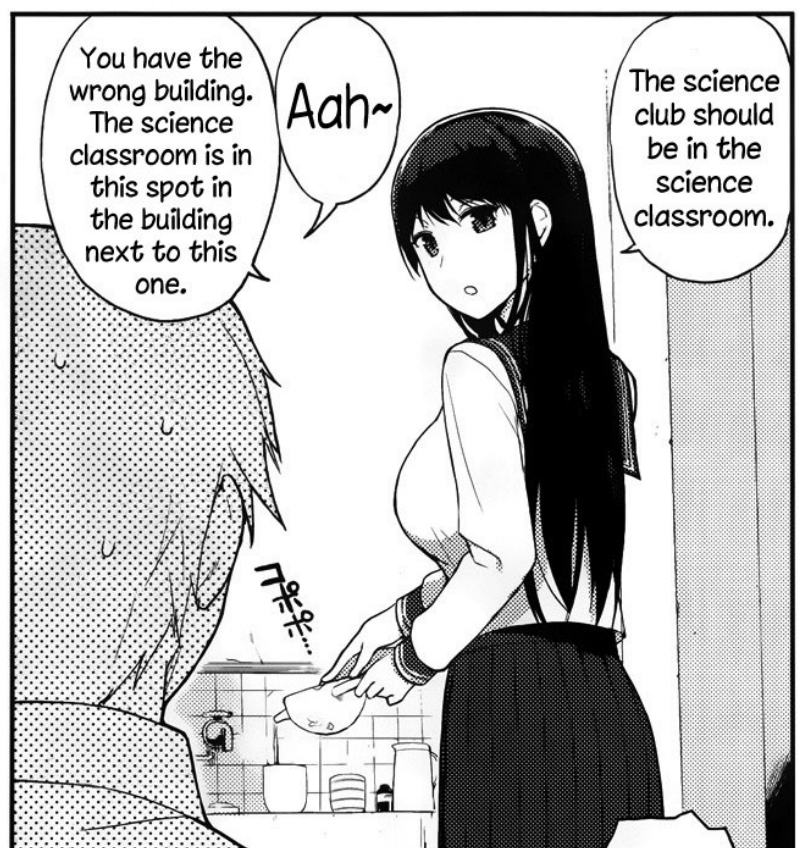

It's here,
right?
Since this is
the fourth
floor and
all...

Ah-
Pardon me,
but is the
club's
president in
right now?

What
is it?

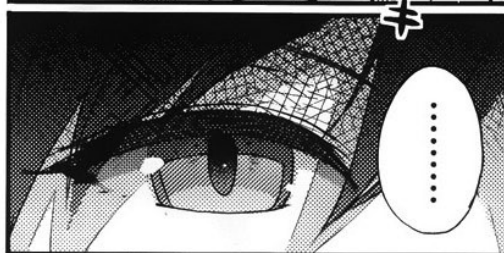

I'd like
to join
this
club...

Heh?

Holy shit...
They're
resting on
the table!

My name is
Fujiwara Tsuyuko.
You're the first
visitor I've had in
a while, so please
stay here for
as long as
you like.

So there
aren't any
other
members
in here?

Um...

Anyways...
This room
looks like
it's falling
apart...
I wonder
what this
club
does...

And I don't know any potential new members...

I'm the only one here.

But a club like that is not allowed to have a clubroom... So the mystery research club will be disbanded the next weekend.

...That's right.

What do you say?

If... If you'd like, would you join the club?

Say...

I'm sorry, I'll have to decline.

That could be fun, but...

Hm~

Come on... Put it in already~♥

We're by ourselves again... Wanna do some club activities?

THE REASON I ENTERED THIS SCHOOL IN THE FIRST PLACE... WAS BECAUSE I WANTED TO JOIN THE WELL-EQUIPPED SCIENCE CLUB

Is that so...

SENPAI'S TITS... I MEAN, DOING CLUB ACTIVITIES TOGETHER WOULD BE FUN...

I'm sorry, but I think I'll take my leave now...

Uh-oh... Fantasizing about lewd stuff made me pop a boner...

MY
BODY
IS...

HUH?

GUH...

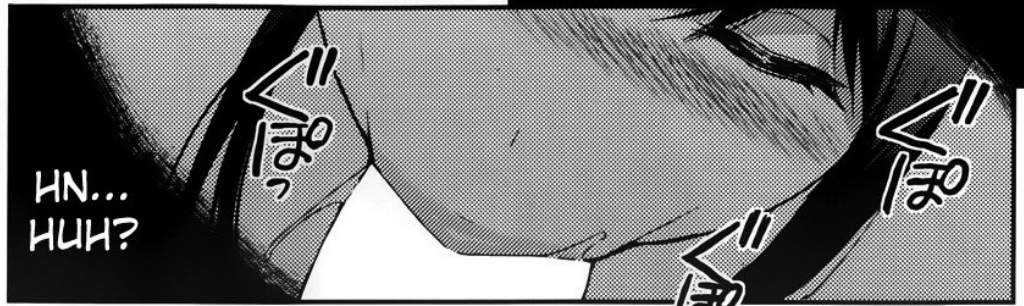

I'M
LOSING
CONSCIOUS-
NESS...

Sorry,
there's no
way I'll miss
a chance
like this ♥

Don't
sweat
the trivial
stuff...

SE...
SEN-
PAI...

Wha-
What's
with
that, I
didn't-!

Then,
do you
want me
to stop?

Eh-

In
exchange
for joining
the club,
you can have
sex with
me.

Are you gonna cum?
Will you ejaculate?
Go ahead, come ♥

I-It feels too good...
I'm...
