Dear Mikoto,

Lately, the weather has been getting better
with all the blue skies we're getting, it's
starting to feel like spring.

How have you been lately? You know I worry
about you. I can't just stand by and do nothing.
My daughter, now 26 years of age, is
single and doing nothing but working
herself to the bone.

So, I've signed you up for a singles event
going on this weekend.
