[Love Lesson!!
Disciplinary Teacher's Dangerous Maths
Formula]

- When the school is ruled with tyranny, a nude knight appeared. She is known as Zenra Knight.

- To free the school from the evil new chairman, she devoted her bare body to stand up against the the disciplinary teachers.

- Her true identity is actually the sole daughter of the previous chairman, also known as the student council president - Hadaka Minayo (17)

....and is of course,
not a virgin ♡

...WHO'S
THERE!?
We are having a
lesson, I can't
have you...

ガラッ

Stop right
there, you
rogue teacher

ド
キ
ン

barging in...
wait....
WHAT ♡

And
punishing
them if they
were unable
to solve!

Even a university
student majoring
mathematics
might not be able
to solve this
question and yet
you purposely
force these
students to
answer...

Is that how a
teacher should
behave!?
Be ashamed of
yourself!

ボイン

ブルッ

What do you think
you are doing,
exposing your
breasts and vagina
openly like that!?

You...you are
the one who
should be
ashamed of
yourself!!

To retrieve the peace of Rape School...
I have discarded my humility and
virginity, shamefully exposing myself
to vanquish evil!!

MY NAME IS
ZENRA
KNIGHT!!

So now is
my turn
huh♡

I see, so it's you!
You are the perverted
girl who goes around
eliminating
disciplinary
teachers...!?

Zen...
Zenra
Knight,
you say!?

Don't look down
on me, you
perverted
exhibitionist!!

Oho, not bad♡
...but you shouldn't
let your guard down

Such objects are
useless in front of
my blade.

Using chalk
as your
weapon?

I shall have you taste
the force of that with
that naked body of
yours!!

When I throw
out these chalks,
they are capable
of even
breaking the
blackboard!!

I'm not
over yet!!

....
something
like this!!
Aye, Yaa!!

Take this!!
And this, and
this, and
thissss!!

Damn
you,
aye....
aye!!

Kyaaaaa!!

How about
this!?
Machine-
gun
Scattershot!!

Wha...what
numbers!?
I...can't fend
them all off!?

Eek!?

Kyaaaaa!!

There's more
to come!! Take
this!!
Zenra Knight

Let's see~
how
should I
play with
you

The
accuracy is
still 100%

Although the force
greatly decreased
when I throw out
so many at one go

There~♡

Let's see♡
Next is the
bottom!!

Kyaaan

AH!!

Wha...What!?
My breast are
shaking and yet he
managed to hit
both nipples at the
same time!?

KYA!!

Let's~see ♡
How about
nipple and
vagina at the
same time!!

Kyaaaaan

Fear the chalks

CHANCE!!
There ♡
It's over for
you!!

Kyyaaaaaaahhhhhhhh
He...he shot chalks right into my
va...vagina and asshole....!!

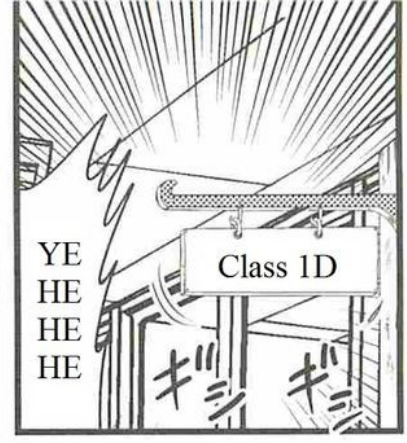

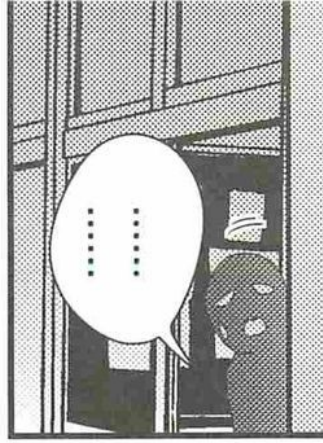

It's payback
time~ ♡

Yehehehe!!
I see that
you are just
all talk,
Zenra
Knight!!

Zen...Zenra
Knight!?

Ahhhhnnn

During this period, I was thinking of letting you all do your self-revision....but, I just thought of a nice idea....

From now onwards, Sensei shall deal sexual punishment to this naked girl pinned on the blackboard♡

It...
It's over

Tha...
That's impossible...

AH

Before I finish raping this girl, please solve the equation earlier.

Yehehe~
Ok, the test starts now♡
....START!!

Ah

Ahhnn

If, everyone in this class is able to solve the question, I shall release this girl and let today's matter rest♡

7270

Hehehe♡
If there is a
single one
of you who
is unable to
solve the
equation...

Ahn...

Ugh...
Damn you...

After I'm done
raping you, I shall
beat you to half-
dead along with
the students!
Better say your
prayers now,
Zenra Knight♡

Ahhnn

AH

AH

Nooooo!!

Not that,
please~!!

YEHEHEHEHE♡
Shall I have you cum
while still having a
chalk in your asshole?

Yehehehe~!
I supposed by appearing
nude like this...you are
already prepared to get
raped♡

Ah....
U....ugh...

Shall I offer
you something
that will satisfy
you more than
a thin piece of
chalk♡

Do...
do as you
wish...
ahhhh.....

HAAAAHHH

I will do as I
wish then~!!

Foolish students...
Are they trying to save
Zenra Knight by solving the
equation?
Yehehe

Hn!?

Haahnn

Ahnn

Idiots!
That isn't something
you first years can
solve!

That equation...
It's actually the
[Schrodinger Equation]
from [Quantum Physics]!

ズッ

ズッ

It's impossible for
the likes of you
people to solve it!

AH
AH

That's the first
equation I
learned after
entering
university

ズッ

EHHH~!?

Is...is this correct...?

Me three...!

Sensei, me too...

SENSEI!
I finished it!!

Everyone got it correct.....WHY!!
Wh...Who solved it!!

EH!?
EH~!!

Wh...What?
This can't be!
If you get this wrong, I'll....
Heh!?

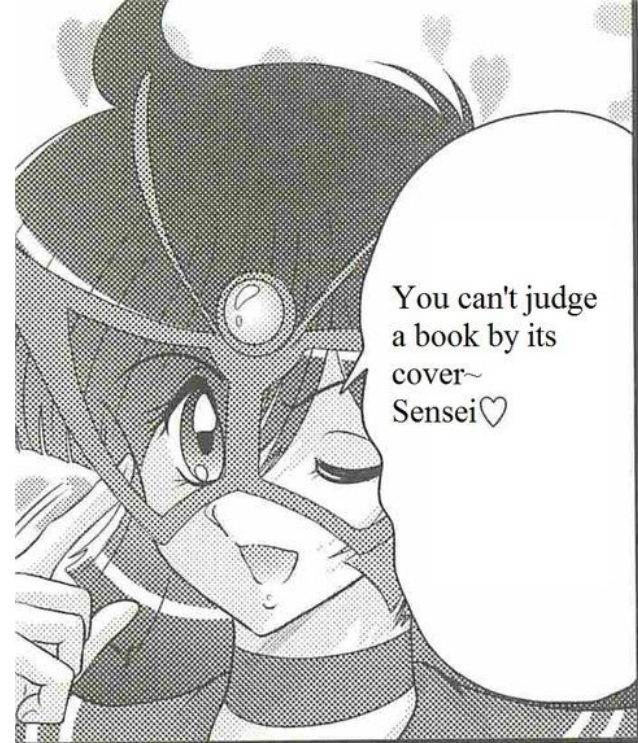

$$N_l^m = \frac{1}{2^l l!} (-1)^{l+m} (l+m)!$$
$$- (l-m+1) = \frac{1}{2^l l!} (-1)^{l+m} (l+m)!$$
$$\frac{(l+m)!}{(l-m)!}$$

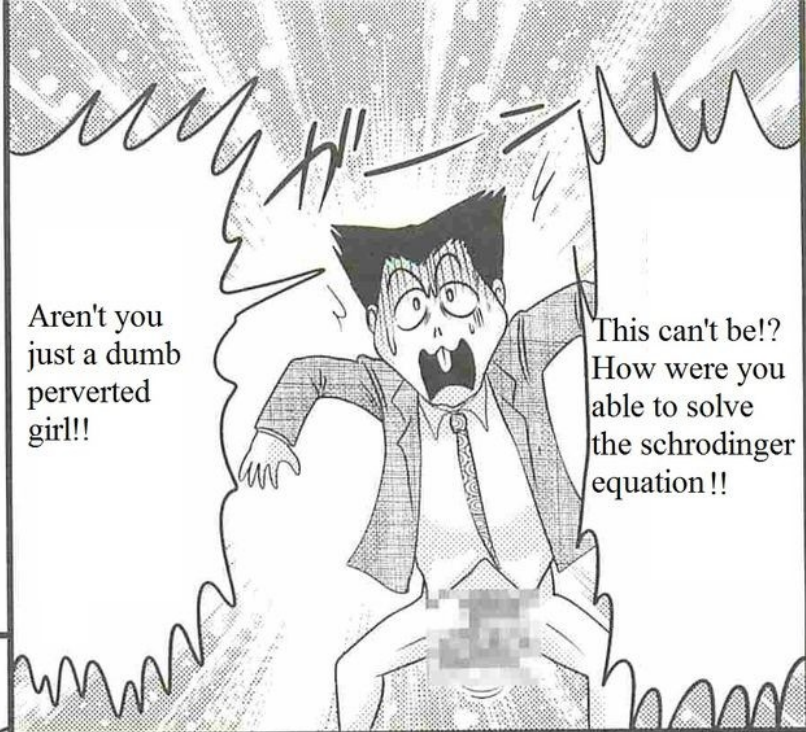

I solved it ♡

Here, Sensei ♡

AH~!? When did she removed her hand from the pinned glove and solved the equation on the blackboard!?

You can't judge
a book by its
cover~
Sensei♡

Aren't you
just a dumb
perverted
girl!!

This can't be!?
How were you
able to solve
the schrodinger
equation!!

OH NO!
She
removed
the pinned
mantle as
well!!

However,
there's no
need to let
today's matter
rest ♡

Damn!
I wouldn't
let you!!

As promised,
I shall have you
release me ♡

!?

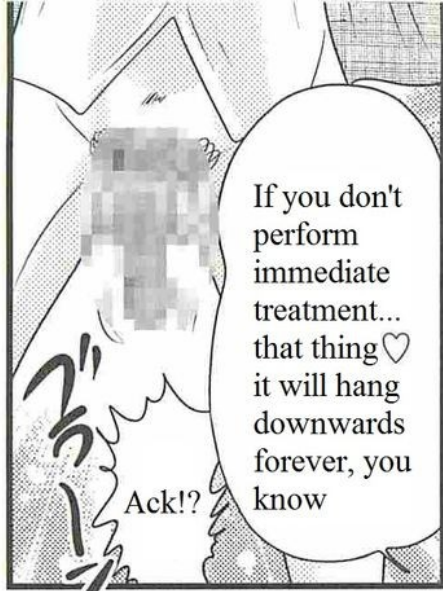

TOO
SLOW!!

I'm too close
for you, Sensei

Throwing a
chalk is only
useful when
your
opponent is
far away

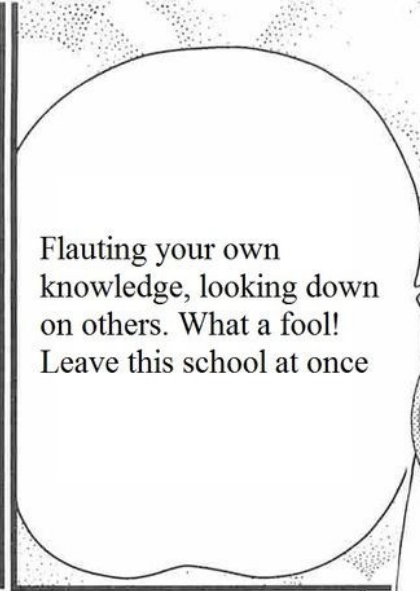

ah...
ahhh...

The use for
projectiles and
a western
sword is
different.

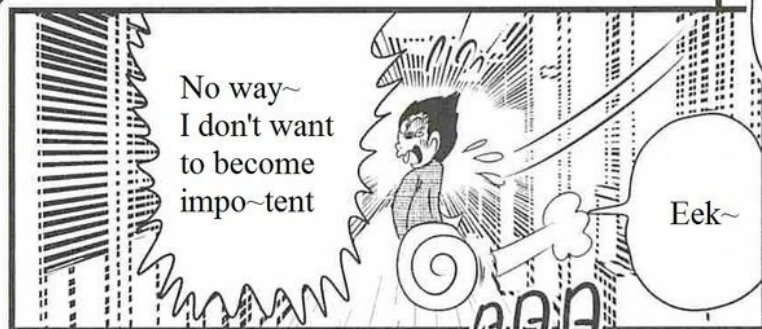

If you don't perform immediate treatment... that thing ♡ it will hang downwards forever, you know

Ack!?

Flaunting your own knowledge, looking down on others. What a fool! Leave this school at once

No way~ I don't want to become impo~tent

Eek~

Haha ♡

Thank you, Zenra Knight~!!

Ahaha

That person... Who is he!!

The masked who violently rape my mother...

I will definitely find him!!

To be continued

...it seems that... this Sensei's pattern of Sex is different from the one who raped my mother...another miss huh...
